All the vegetables and salads come from nearby farmers, and our sandwiches are made fresh every day throughout the year. But don't just take our word for it – some of our suppliers have won awards for their quality.

Fancy a coffee?

Crafted for
your adventure

Created by
Paddy & Scott's

It's hardly a question, is it? You could have had an early start, maybe you arrived four hours before the flight, or perhaps you dashed through duty-free to make the gate. Either way, you've made it - take a breath and relax. Your adventure starts here.

Now, about that coffee?

Learn
more.

Paddy & Scott's Our adventure so far...

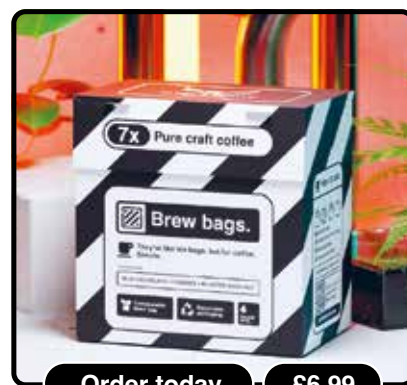

By working directly with farmers, we ensure that their communities are fairly rewarded for the crops they grow. Beyond fair trade, we reinvest in these communities by funding school meals for children, providing dignity packs for young women, and supporting initiatives that empower local people to thrive. Through our partnership with TUI, passengers are actively contributing to these efforts, helping us create meaningful change.

Our approach is passionately driven by a commitment to inspire coffee farmers, empower people, and protect the planet.
