Holiday cheat sheet

Want to know all about **Asia and the Indian Ocean** without racking up the research hours? Our holiday cheat sheet's here to help you...

When culture's in the crosshairs...

Head to Oman. Muscat boasts the Sultan Qaboos Grand Mosque and Muttrah Souk, the oldest market on the Arabian Peninsula. Venture beyond the city to explore four UNESCO-listed desert fortresses.

For city slickers...

Dubai is the ultimate city break, with towering skyscrapers, flashy malls and swanky bars. You can pair shopping and sightseeing with sunbathing on a Multi-Destination break to Dubai City and Ras Al Khaimah Beach.

Families mustn't forget...

Abu Dhabi is packed with theme parks for the whole family – Ferrari World has the world's fastest rollercoaster, Yas Waterworld offers over 40 waterslides and Warner Bros features beloved characters like Scooby-Doo and Batman.

For couples to cash in...

The Maldives is a top pick for romantic getaways. Most hotels offer over-water bungalows on stilts above the sea. And plenty of them come with their own house reefs, so you can snorkel in peaceful surroundings.

A foodie fact to chew over...

You can get a taste of Thailand's iconic street food all around the country, but Bangkok is one of the best places to try it – think noodle soup, Thai fried chicken and roti pancakes.

If you like to get off the beaten track...

Swap Sri Lanka's popular Yala National Park for Udawalawe National Park for a bit of elephant spotting – it's home to around 600 of them.

If want to avoid holiday FOMO...

Pick an Indonesian Multi-Destination break. Explore Bali's temples, then island-hop to Lombok's peaceful beaches and finish in buzzy Ubud, known for its monkey-filled forests.

Lee Dasilva, Editorial Manager for TUI, has been to the Maldives, and had these words of wisdom...

"My Maldives top tip? Stop and take in the nature. You don't even have to be lucky to see flying fish, bats, manta rays, sharks, hermit crabs and turtles."

United Arab Emirates

Take a handful of space-age skylines, add a measure of glorious beaches, garnish with centuries-old traditions, and you've got the recipe for holidays to the United Arab Emirates.

The seven kingdoms of the UAE

Occupying the south-east horn of the Arabian Peninsula, the United Arab Emirates – or UAE, for short – is a country made up of seven states, called Emirates. Each one tells its own story, but they all share one thing – the climate. This part of the world basks in toasty winters and baking-hot summers.

The main characters

The runaway winner of the UAE popularity contest is Dubai. It's down, mostly, to a flashy, futuristic façade – cue the world's tallest building and a famous manmade island that's shaped like a palm tree. The country's capital, Abu Dhabi, comes in a close second, boasting a skyline that's just as out-of-thisworld and theme parks for all the family, like Yas Island, Yas Waterworld, Warner Bros and Seaworld. It's not all about the city life though, in between shopping sprees, you can lay out on beaches like The Palm, Jumeirah Beach and Saadiyat Island for sunbathing stints and watersports.

Lesser-known Emirates

When people think of the UAE, Dubai and Abu Dhabi are the big cities that come to mind. However, there other Emirates that are still well-worth a visit. Ajman is Dubai's quieter neighbour, which is built around an 18th-century fort and most popular for its white-sand beach. Elsewhere, Ras Al Khaimah has a shore that stretches out for over 40 miles, swish shopping centres and adrenaline-fueled actives like mountain ziplining and mangrove canoeing. Plus, we offer Multi-Destination holidays, if you want get a taste of the different Emirates.

More info

Look at our full collection of Multi-Destination holidays.

There's everything from exotic Caribbean escapes to Florida adventures, plus the likes of Italy, Croatia and Thailand.

Flight time 8 hrs

Timezone GMT+4

Weather

The best time to go to the UAE is between November and April, when temperatures hover around the mid-20s. You'll find it's a popular destination year-round, even in the summer when the mercury reaches into the mid-40s.

Did you know

The UAE is home to some record-breaking attractions. Dubai's Burj Khalifa is the world's tallest building, at a staggering 828 metres, and Ferrari World in Abu Dhabi is home to the fastest roller coaster in the word, reaching speeds of up to 240 km/h.

We fly from a wide range of regional airports, so chances are there'll be one near you. Take a look at our flight timetable at the back of this brochure, for an at a glance guide to our flying programme.

Qatar

Holidays to Qatar sizzle in the summer and stay warm all winter, so they're a great shout for sunshine whenever you go.

Coastline for days

Spin the globe to Western Asia and you'll spot Qatar sticking out on the northeast coast of the Arabian Peninsula. Almost every corner of the country is surrounded by the Persian Gulf's waters — apart from its border with Saudi Arabia in the south — so you've got loads of options for beach days. The country's coastal capital, Doha, tends to be the base of holidays to Qatar — it's one of the world's fastest-growing cities, with a skyscraper-lined shoreline that gives Singapore a run for its money.

World Cup wonder

Until recently, Qatar probably wasn't on most people's lips when they were talking holidays. But, after the country was beamed onto the big screen to millions during the FIFA World Cup 2022, it's quickly becoming a major player on the Middle East's holiday scene. As well as roads, a metro system and an airport, around a hundred hotels were built in preparation for the event in Doha.

Qatar's capital

Doha started out life as a small fishing village, which you'll probably find hard to believe when you're stood in front of the huge skyscrapers that run along its shoreline. Its modern look might have you thinking it lacks any history, but nose around in the right places and you'll see it's held on to some traditional touches, too. The Souq Wakif's the place to pick up traditional clothing, spices and souvenirs, and the Museum of Islamic Art features work from more than a thousand years ago.

There's everything from exotic Caribbean escapes to Florida adventures, plus the likes of Italy, Croatia and Thailand.

Weather

Qatar sizzles year-round, with average temperatures sitting between 20 and 30°C from October to April, and climbing into the mid-thirties over the summer. Rain's rare, especially between June and October.

Did you know

Qatar is the second flattest country in the world, only beaten by the Maldives. Its highest point lies at just 338 feet, which makes those skyscraper views appear even more impressive.

We fly from a wide range of regional airports, so chances are there'll be one near you. Take a look at our flight timetable at the back of this brochure, for an at a glance guide to our flying programme.

Oman

Oman holidays blend ancient history with mega-sized sights. Think frozen-in-time fortresses, sweeping, spice-filled markets and swish temples.

Regal Muscat

In Oman's capital city, whitewashed houses, colourful public parks and beaches lined with fishing boats file into one photo frame. Sights-wise, some of Muscat's highlights include the Sultan Qaboos Grand Mosque — home to the second-biggest crystal chandelier in the world — and Muttrah Souk, the oldest market on the Arabian Peninsula.

Islamic artefacts

History's a major player on a holiday to Oman. Outside of the capital, the country's collection of UNESCO-stamped desert fortresses gives guide book writers plenty to work with. The most famous of the four is Bahla Fort, in the town of the same name. It's over 500 years old, and its 30-metretall, sandstone watchtower is the perfect place to snap some photos of Oman's top-class mountain scenery.

Dunes, wadis and waterfalls

When it comes to landscapes, Oman has its fair share of sprawling deserts. Head to the east, meanwhile, and the country's flora-filled valleys come into the spotlight. In Wadi Shab – near the town of Tiwi – you can hike through towering gorges and swim in jade-coloured rivers, cave pools and waterfalls.

In the south of Oman – around the port city of Salalah – the region's only monsoon season is known to last from June to September. During this time, expect bursts of cooling rain showers.

Thailand

From the temples and street food to the pristine beaches and luxury hotels, you've got every excuse for a holiday to Thailand.

The land of smiles

Thailand is known as the land of smiles, thanks to the welcoming nature of the Thai people. But there's so much more to the country than friendly faces. In fact, it's impossible to sum up Thailand in a nutshell, because every part is different. At the heart of everything, you've got shrines, temples, and monasteries known as 'wats', while there are 150 kilometres' worth of beaches in the Krabi province alone.

Bangkok

Mixed in with the religious landmarks is one of the world's most hectic capitals. Bangkok is a strobelike city, where motorways have 12 lanes, markets have upward of 15,000 stalls, and restaurants are so concentrated, you'll never be more than 50 metres away from one.

Beaches and islands

Then there's the coast. In the Krabi province alone, there are 150 kilometres' worth of beaches, many of which are backed by photogenic rock formations. In the Khao Lak area, the sands get swallowed up by national parks a few hundred metres from the shoreline. In Phuket, meanwhile, there's a real mix. While the crowdless beaches in Mai Khao let you live incognito for a while, the ones in Patong invite you to a permanent party.

More info

There's everything from exotic Caribbean escapes to Florida adventures, plus the likes of Italy, Croatia and Thailand.

December to March is the best time to visit Thailand – temperatures average from 30 to 34 degrees. Monsoon season usually runs from the end of April to October, so you can expect strong winds and rain showers.

Did you know

There are 1,430 islands in Thailand – the biggest is Phuket, which spans an area of 543 square kilometres, and the smallest is Ko Tao, which only covers only 21 square kilometres.

We fly from a wide range of regional airports, so chances are there'll be one near you. Take a look at our flight timetable at the back of this brochure, for an at a glance guide to our flying programme.

Bali

From monkey-filled forests and ancient temples to beautiful beaches and buzzing bars, holidays to Bali have all-round appeal.

Immortal isle

Of all the 17,500 islands in Indonesia, Bali shouts the loudest. It's dubbed the Island of the Gods, and you'll see their handiwork wherever you roam. You've got everything from liquorice-black beaches to cloud-shrouded volcanoes and bright-green rice terraces. Island-hopping boat trips are a doddle from here, too — Bali's just a boat ride away from the party-hard Gili islands, go-slow Lombok, and Komodo which is roamed by its namesake reptiles.

Beaches and mountains

The big names on Bali's beach scene are Seminyak and Kuta, where the sands are boosted by hip hotels, bars, spas and watersports centres. The island sits within the Coral Triangle, which has the biggest diversity of marine species in the world. In land, you can move from iconic rice terraces to thick forests and lava-spewing volcanoes.

Speaking of the latter, a sunrise climb of Bali's second-biggest is a must-do. From the top of Mount Batur, you'll be rewarded with some of the best views on the whole island.

Cultural corner

Bali's charms aren't all natural. A visit to Ubud takes you right to the heart of the island's soul. It's Bali's spiritual centre, so the streets are hemmed with art galleries and museums. Here, you can do as Julia Roberts did in Eat, Pray, Love and shop in the markets, wander around its ornate palace, and dine in the authentic, al fresco eateries.

More info

Look at our full collection of Multi-Destination holidays.

There's everything from exotic Caribbean escapes to Florida adventures, plus the likes of Italy, Croatia and Thailand.

Bali has two distinct seasons - the dry season runs from May to October and is the best time to go. The rainy season's from October to March and comes with hot, humid temperatures and short, heavy downpours.

Did you know

Bali has black sandy beaches as well as its renowned white sandy stretches, thanks to its two active volcanoes – Mount Batur and Mount Agung.

We fly from a wide range of regional airports, so chances are there'll be one near you. Take a look at our flight timetable at the back of this brochure, for an at a glance guide to our flying programme.

India

Whether you're lazing on palm-fringed sands, exploring atmospheric temples or haggling for a bargain at a street market, holidays to India are packed with unforgettable experiences.

The sub-continent

A mere mention of India is enough to conjure up a hint of spice, a flash of colour, and a whiff of excitement. Make no mistake about it — this place doesn't so much as stir the senses as launch an all-out assault on them.

Goa

Goa is the name on most holidaymakers' lips. This region of Indian is tucked into a tiny pocket of land on the country's west coast. As far as scenery goes, it's starry-eyed territory. Take the beaches, for starters – think soft sands, palm-thatched bars and nodding coconut groves. Head inland, meanwhile, and it's all hidden temples and foaming waterfalls.

North and South

Goa is split into two distinct regions. North Goa is big on culture and is home to lively beach resorts like Candolim and Baga. South Goa, meanwhile, has a sleepier feel. In places like Arrosim and Cavelossim, the scene is one of luxury hotels, white sand, turquoise waters – and not much else.

Weather

Goa, basks in balmy weather year-round. Average temperatures hover between 25 and 30°C, and sometimes climb even higher. Monsoon season strikes between June and September, so expect heavy rain during this time.

Did you know

Over a third of Goa is covered by forest. A large portion of the land in Goa falls into the Western Ghats of India – a vast mountain range teeming with wildlife ranging from Indian giant squirrels and mongoose to Indian macaques and sloth bears.

We fly from a wide range of regional airports, so chances are there'll be one near you. Take a look at our flight timetable at the back of this brochure, for an at a glance guide to our flying programme.

Maldives

Holidays to the Maldives take you to a string of tropical islands – called atolls – where idyllic hotels and house reefs reign supreme.

Tropical A-lister

The Maldives are the cream of the crop when it comes to secluded beach holidays. The waters are their own brand of blue, the sands are blindingly white, and rows of palm trees stand to attention along the shoreline. And, if you count each island individually, you've got almost 2,000 reasons to visit. Some are such small specks that they're inhabited by a single hotel – meaning the ultimate peace and quiet – and lots are ringed by colourful house reefs.

Reefs and relaxation

Each of the 26 atolls in the Maldives has its own unique selling point. Some of these ring-shaped reefs are known for their aquarium-like diving conditions, while others focus on luxury hotel digs. The North and South Ari Atolls offer easy access to the Maldivian capital, Malé, and the islands in the Ari Atoll have a reputation for their world-class scuba sites.

Hot for honeymooners

For honeymooners, nothing compares to the Maldives. Private islands, speedboat transfers and sea views are pretty much the norm, so you'll feel like you're getting star treatment wherever you stay. The archipelago's trademark accommodation is stilted water villas and the islands' restaurants, meanwhile, have turned romantic dinners into an art form.

Hard-to-beat hotels

A couple of standout properties are the Hard Rock Hotel Maldives, which has a pool that plays underwater music, and the ROBINSON Maldives, which offers gourmet dinners for two* on the beach. Our TUI BLUE Olhuveli Romance is a big hit, too – it's got private pools, open-air restaurants and its own coral reef.

More info

Look at our full collection of Multi-Destination holidays.

There's everything from exotic Caribbean escapes to Florida adventures, plus the likes of Italy, Croatia and Thailand.

Timezone

GMT +5

Weather

The best time to visit is from December to April, when temperatures reach around 30°C. There are two monsoon seasons – in the southwest it's from May to October and in the northeast it's from November to April.

Did you know

The sand in the Maldives is different from other beaches – most of the world's sand's made from rocks like quartz and granite, but the Maldives' sand's made from the corals that surround the atolls. Only 5% of all beaches are made from coral, and this is what makes the sand so white.

We fly from a wide range of regional airports, so chances are there'll be one near you. Take a look at our flight timetable at the back of this brochure, for an at a glance guide to our flying programme.

TUI BLUE Olhuveli Romance

SOUTH MALE ATOLL MALDIVES

Our TUI BLUE collection is full of hotels that combine best-in-class service, authentic local cuisine and activities to suit you. And this particular property combines our Adults Only traveller type with the Foodie highlight. That means food and drink really stands out at this just-for-grown-ups hotel.

Key Facilities

• 2 pools • 2 bars • 3 restaurants • Culinarium à la carte restaurant • Free Wi-Fi • BLUE® Spa

Location

• Beachfront • Secluded setting • Transfer to hotel from airport is by speedboat • You may experience longer waiting times than usual for your transfer from the airport to resort as this is shared with passengers from other arriving flights

Transfer time: 45 minutes by speedboat

Pools

You've got two pools to find a sunbathing spot around. Both have their own bar, and both are right on the seafront – in fact, the infinity pool goes one better, by jutting out into the Indian Ocean.

Entertainment

Evenings here are pretty laidback, but there's usually live music in The Bar. Over in the Romance Bar, cocktails are served to the sound of crashing waves, so — as its name suggests — it's a great place for a romantic nightcap.

Sports & Activities

There's a full daytime programme of games and activities at our TUI BLUE hotels, including the likes of table tennis, shuffleboard, darts and French boules. There are also aqua discos and cooking classes where you can learn about local flavours.

Health & Beauty

Mauritius

Holidays to Mauritius run circles around other tropical breaks. The island bolsters its soda-white beach count with fusion food and rainforest tours.

Indian Ocean

At first glance, Mauritius looks like a close relative of the Caribbean Islands. Around 1,200 miles from the east coast of Africa, the island's hemmed by 330 kilometres of immaculate white beaches. Take to the waters, meanwhile, and you'll spot pods of dolphins playing. The south, west and east coasts are defined by top-drawer beaches — one of the longest stretches of sand is Belle Mare, which borders a coral-protected lagoon. In the north, the shallow bays at Balaclava and Calodyne are knowns for watersports like snorkelling and kite-surfing.

Rainforests and reefs

But Mauritius has plenty more strings to its bow, too. Look beyond the beaches and you'll find a trove of natural history. The 800-metre-high mountains and forests in the interior are home to some of the world's rarest animals – you can spot geckos and tropical birds in Porte Lafayette's national park. The island's also ring-fenced by one

of the largest unbroken barrier reefs in the world, so the scuba diving opportunities are on a par with the Maldives.

Kaleidoscopic culture

In the 600 years since Mauritius was first discovered, the island has been a cultural sponge. Its proximity to Madagascar has rubbed off on it in the form of creole cooking. Grand Baie, in the north, is the culinary capital of the island. Mahebourg, meanwhile, is packed with European influences – from its architecture to its street layout. And the island's time under French rule has added chateaus to its architectural assets, including the Chateaux de Labourdonnais, in northern Mauritius.

More info

Look at our full collection of Multi-Destination holidays.

There's everything from exotic Caribbean escapes to Florida adventures, plus the likes of Italy, Croatia and Thailand.

Weather

The best time to visit Mauritius is between June and October, when temperatures hover around 24°C and the weather's at its driest. Cyclones can hit from December to March bringing strong winds and rain.

Did you know

You can see the seven colours of the earth here — it's a natural phenomenon in Chamarel where the sand dunes are tinted red, brown, violet, green, blue, purple and yellow, thanks to molten volcanic rocks mixing and cooling down at different rates.

We fly from a wide range of regional airports, so chances are there'll be one near you. Take a look at our flight timetable at the back of this brochure, for an at a glance guide to our flying programme.

Sri Lanka

From world-famous tea plantations to national parks made for safaris, Sri Lanka has plenty to tempt you away from the beach.

A taste of the exotic

Poised above the equator, south-east of the subcontinent, Sri Lanka is often described as 'India lite'. And it offers the perfect introduction to this part of the world. There's enough of a culture difference to make you feel like you're somewhere properly exotic, and yet everything is so easy. The food is fantastic, English is widely spoken, and the island's bijoux size means you can fit a lot into a small amount of time.

Palm-lined beaches

The main tourist zone runs along the south-west coast of the island, from Negombo to Galle. Here, football pitch-sized swathes of sand are washed by the Indian Ocean and pinned down by skyscraper palms. In parts, rivers and lagoons run in to the sea, providing the ideal conditions for watersports like kayaking and paddle boarding.

Temples and tea

Elsewhere, more than 2,000 years of history have left their mark on Sri Lanka. An island that's smaller than Scotland, it packs an astonishing amount into its borders. One minute you can be sipping a cup of traditional brew at a tea plantation, the next wandering around a vast ancient city or intricate temple.

More info

Look at our full collection of Multi-Destination holidays.

There's everything from exotic Caribbean escapes to Florida adventures, plus the likes of Italy, Croatia and Thailand.

Weather

Temperatures are pretty constant throughout the year, with average daily highs climbing into the thirties. Monsoon season usually hits in the summer and winter months are normally pretty dry.

Did you know

Sri Lanka has two nicknames – the 'pearl of the Indian Ocean' stems from the country's natural beauty, biodiversity and the precious gemstones that are exported out of the county. The 'teardrop of India' refers to the country's location and shape, as it looks just like a teardrop.

We fly from a wide range of regional airports, so chances are there'll be one near you. Take a look at our flight timetable at the back of this brochure, for an at a glance guide to our flying programme.

We understand the small print is the last thing anyone wants to read. But we believe it's really important to be clear in the information we give you. This A-Z outlines to what extent we would be liable, if at all. If any part of this guide isn't valid or can't be enforced, the rest will still apply. Not everything here will apply to you but a lot of it will so you'll need to read this guide before you book. You'll also need to read Our Agreement With You and Your Agreement With Us. Together, they explain every aspect of your holiday. If you need information in another format, do contact our Assisted Travel team on 0800 145 6920.

In line with EU regulations, we need to let you know who you'll be

In line with EU regulations, we need to let you know who you'll be flying with, as your holiday package flights may not be with TUI. You'll see which airline is included in your package as part of your booking journey, and we'll also let you know who the airline is when we send your tickets. If there are changes after that point, we'll tell you before you check in or at the boarding gate. When you come across anything to do with flights in this guide, we'll usually be talking about flights with TUI. So if you're flying with another airline, you'll need to check their conditions, too. From time to time, we need to change airlines or plane types but this isn't classed as a 'Major Change' to your holiday.

Α

A La Carte The Select Your Seat benefit that comes with A La Carte holidays is only available if you're flying with TUI and you book at least 3 days in advance. Please note, A La Carte benefits will not be available if you're combining your stay in an A La Carte hotel with a tour, or a stay in another hotel. See **Transfers** for more information.

Accessibility Here at TUI, we want to make travelling as easy as possible. That's whether you or someone you're travelling with has access needs, reduced mobility or a disability, including non-visible ones, and neurodiversity. We know holiday planning can be stressful if you're relying on the hotel's accessibility details being available before booking. So, we've partnered with AccessAble to bring you Detailed Access Guides for our most popular hotels, so you can check if they meet your individual needs. You can view these at accessable.co.uk/tui.

Whether you book your holiday in one of our TUI Stores, or make your booking online, our friendly and knowledgeable Assisted Travel Team are on hand to make sure your holiday's right for you. Accuracy We published our latest brochures in October 2024. Our prices and information in those brochures were accurate on that date but they may have changed since then. We always check our properties regularly to make sure we're giving you accurate information and we'll tell you of any changes we know about when you book. If you've already booked, we'll tell you about any major changes we're aware of as soon as we can. Bear in mind public holidays and religious festivals affect whether or not facilities are available. Also, it may be the case some facilities aren't managed directly by the hotel and they could close without notice.

Adjacent Rooms These are two rooms next to each other and usually share some facilities, such as an entrance or a bathroom. They're available at selected accommodation and for a small supplement. The facilities can vary so check the individual hotel description. When you're booking, the room description will have ADJ next to it. Depending on where you're staying, you may need to book two rooms to get this room type. Please ask when you book.

Adult Properties These are hotels that cater really well for adults in terms of facilities and destination. They include our adults only TUI BLUE hotels, where the minimum age is 16, and our Exclusively for Adults ranges, where the minimum age is 16 or 18. You must not book children to stay at any of these hotels under any circumstances as bookings for children will not be accepted. If you see a Scene logo, it means the hotel is recommended for adults only. At least one member of your group needs to be 18 or over. Any members of your party who are under 18 will need to give us a letter of consent from their parent or legal guardian when booking. They'll need to take this letter with them when they travel, too.

For adults-only hotels in Mexico and the Dominican Republic, the minimum age accepted for all travelling on the booking is 18 years.

Advanced Passenger Information So that you can travel, it may be mandatory (as required by government authorities before or at the point(s) of departure and/or destination) to disclose and process your personal data for immigration, border control, security and anti-terrorism purposes, or any other purposes which they determine appropriate. Some countries will only permit travel if you provide your Advance Passenger Information or API (for example Caricom API Data and US Secure Flight Data) to the airline before your departure.

Some or all of the Caricom states have entered into an agreement with the USA whereby advance passenger data, required by and provided to Caricom states for border security purposes, will be passed to the USA Department for Homeland Security for processing on behalf of those Caricom states. Please see the Caricom website for more details.

The Transportation Security Administration (TSA) requires you to

The Transportation Security Administration (TSA) requires you to provide your full name, date of birth and gender for the purpose of watch list screening. You may also provide your Redress Number (as well as a Known Traveler Number), if available. Failure to provide details may result in denial of transport or denial of authority to enter the boarding area. TSA may share information you provide with law enforcement or intelligence agencies or others under its published system of records notice. Please see the TSA website for more details.

These requirements may differ depending on your destination and you are advised to check. Even if not mandatory, we may assist where appropriate.

You'll need your booking reference number, the lead passenger's surname and your date of departure to access the site.

Age Ranges No under-18s can travel on their own. For our hotels, 2 to 12-year-olds are classed as children unless we say otherwise. For self-catering properties and any type of property in Florida, it's 2 to 16 inclusive.

Air-conditioning This may depend on the time of year and be subject to hotelier discretion. Also, you may have to pay for it when you get there.

Airline Rules Charter airlines aren't allowed to carry certain nationals to and from their country of origin. This is due to licensing law restrictions with overseas aviation authorities. The current licensing laws, as of 15th November 2010, do not allow TUI Group airlines to carry nationals of the following countries on their operating routes – Brazil, Kenya, and Morocco. Some other restrictions also apply...

- Cuban nationals may travel to any international Cuban airport, except Cayo Largo and Cayo Coco, and must be travelling as part of an inclusive tour package.
- part of an inclusive tour package.

 Indian and Turkish passport holders can only travel on inclusive tour package arrangements. Please check with your embassy or consulate before you book.
- elf you're going to Goa, Kerala and Sri Lanka, on an Indian,
 Pakistani, Sri Lankan, Nepalese or Bangladeshi passport you
 can't fly on British charter flights. This travel restriction doesn't
 apply if you have a Pakistani, Sri Lankan, Nepalese or
 Bangladeshi passport but your spouse has a foreign nonIndian passport.

Airport Assistance See Assisted Travel.

Airport Hotels and Parking - UK The companies that provide the hotels and car parks will have their own terms of use which will also apply to you. We can get you a copy of these if you need one, just ask.

If you don't follow the instructions we give you, we may not be able to refund you any additional costs you're charged as a result. Any parking is at your own risk, so we ask that you don't keep any valuables in your car. You should be prepared to leave your keys with car park staff as this may be necessary. If you have a larger-than-average vehicle or a motorbike, please contact us to check that the car park can accommodate it without an additional charge. When you travel, take your booking confirmation with you as it contains instructions on what you need to do. If you have any problems on the day, please let the hotel or car park know so they can help you. If you don't let them know, we may not be able to help you later on. If you're parking and you arrive before the day and time shown on your confirmation, or stay later than planned, you may be charged for the extra parking at the car park's normal price. If you leave earlier than planned, we won't refund any of the charges you've paid.

You can amend or cancel any time up until a minute to midnight, the day before you arrive at the airport, free of charge. So, if you fly on the 2nd, you'd need to cancel by 23:59 on the 1st. If you cancel in time, you will be refunded what you've paid for the hotel and parking. If you don't cancel in time you will not be refunded any amounts paid for the hotel and parking and we will retain this as a cancellation charge.

Airport Lounges You can pay for UK airport lounge access after you've booked, subject to availability. You can do this via a TUI Holiday Store, Manage My Booking or by logging into your Customer Account.

Airport Service In most airports overseas, our Travel Experts aren't allowed past check-in or into the arrivals hall but we will have staff waiting to greet you outside the airport.

Alcohol During your flight with us, you can only drink the alcohol that our staff serve you.

All Inclusive Hotels You may need to wear a wristband or carry

All Inclusive Hotels You may need to wear a wristband or carry some ID to get the benefits of your package. For a full description of what's included, check the hotel description. Times for inclusive drinks, meals and snacks vary. Your All Inclusive package may not include bottled water, imported drinks, à la carte meals, or some speciality dishes. Some restaurants expect you to reserve a table and will be subject to availability. Not all bars and restaurants operate on an All Inclusive basis. Also, there may be cash bars once All Inclusive bars close. Bear in mind, under-18s won't be served alcohol.

You should also be aware that we, and the hotels, may confiscate wristbands and IDs from guests who abuse the All Inclusive hopefits

You may be charged for motorised sports, and there are time limits or age and experience restrictions on some of these activities. You may have to pay a deposit to hire equipment. Things like classes and beauty treatments may be included in the price but there'll be a limit on how many sessions you can take. Safety deposit boxes may not be included and you'll need to pay for things like telephone calls and excursions.

All Inclusive packages end when you check out of your room. In some cases you can pay to keep using the facilities. If there's a delay to your flight home and you have to spend extra time in the resort, any refreshments will be in line with the airline's instructions – not the board basis of your hotel.

One last thing, you may find timings will change for things like happy hours in bars and dining times.

Amenities Lots of things you come across in resort will be quite different to what you've come to expect at home, like roads, power and water, for instance. If there's a prolonged drought, it might interrupt water supplies. In summer, there's often more demand on water, which means the pressure can drop, disrupting water heaters. You may also find in some destinations you won't be able to flush toilet paper down the toilet.

Artist Impressions These, together with any computer-generated images, are there to give you an idea of how the property will look – they're not replicas of the finished building.

You can highlight to the Assisted Travel Team what type of assistance, and in which part of the airport experience, is needed.

They are available to book before travel, or you can when in resort, subject to availability.

depth. If you're on the ground floor, you'll get a terrace instead of a balcony, even if it says 'BL' or 'balcony' on your booking confirmation. Health and safety restrictions mean some hotels or apartments may not put you on a high floor if you have small children. Even if you're on a low floor, make sure you never leave your children unattended on your balcony.

Banned Airlines To improve safety, the European Commission has banned some airlines from operating in European airspace.  ${\bf Bars}$ If a hotel has a bar, you may well hear some noise – even outside normal licensing hours.

Beaches Many of the beaches in our resorts have been awarded the Foundation for Environmental Education's Blue Flag. The programme awards beaches and marinas that meet its high standards of hygiene, cleanliness, safety and environmental management. For details, visit www.blueflag.org.

When you're on the beach, make sure you check any flag warning systems and take local conditions into account, particularly things like undercurrents and tides. You'll also need to supervise children at all times as most beaches won't have a lifeguard.

Some beaches in Mexico and the Caribbean may experience an increased level of seaweed from time to time. This is known as sargassum, and is a natural occurrence which can change on a daily basis influenced by weather patterns and sea currents. Hotels which are affected work hard to clear the seaweed so you can continue to enjoy the beach during your holiday. The situation can change day to day due to nature, wildlife and local laws. You may find that public beaches are closed at certain times, particularly in low season. Beach closures are carried out by local authorities so are beyond our control. One more thing, you may need to pay to use some beaches, especially in Italy.

Building Work From time to time, building work is unavoidable, particularly where hotels are open all year round, and it can be noisy. If we're aware of any work, we'll let you know as soon as possible if we think it'll affect your holiday. This can be difficult as we don't control the work and we're not always told when it'll happen and how long it will last. But if we think it'll have a significant effect, you'll have the option of a refund or an alternative holiday, as outlined under 'Major changes to your holiday' in Our Agreement With You.

Bungalows If the description of your accommodation refers to a bungalow, this means that you may be located in an accommodation block within an annexe building separate from the main building which may not necessarily be single storey or detached.

Car Hire

Some of our holidays offer the option to upgrade to car hire. You can upgrade to include car hire by selecting car hire as your transfer option at the point of booking your package holiday.

Check-in

For Your Flight We recommend you arrive at the airport at least two hours before your scheduled departure time. For flights over seven hours, it's three hours before. Regardless of the length of your flight, you need to have completed check-in at least an hour before departure.

UK airlines need to carry out enhanced security screening from certain destinations for return flights to the United Kingdom. If that happens, we won't be responsible for your holiday arrangements and we won't give you a refund, pay compensation, or cover any other costs. We may even seek compensation from you for any loss caused by your behaviour. This includes having to divert the plane.

It's also a criminal offence to cause disruption on board, so you may be prosecuted. Airlines may also share details about your behaviour with other airlines, which could affect your future trips. Online Check-in You'll be allocated your seats when you check in online. If you don't like the seats allocated, you can pay to select your seat. Sometimes we may need to change the seat allocated to you for operational or safety reasons or for persons with to you for operational or safety reasons or for persons with reduced mobility. Please also see Section 14 of Our Agreement with You and Yours with Us.

For Your Accommodation Check-in time is usually 3pm to 4pm for hotels, unless you're on a Villa Collection holiday when it's usually 2pm. Depending on when your flight arrives, you may miss a meal if you've booked All Inclusive, Half or Full Board. If your flight arrives late at night, this is classed as the first night of your holiday and your room will be ready when you arrive. If you arrive in the early hours of the morning the day after your flight departed, your room may not be available until the hotel's normal check-in time. You'll be able to use the hotel's facilities while you wait. And because you're checking in later on your first day you'll get to keep your room on the last day of your stay.

If you're staying in a villa and expecting to arrive after 7pm, you need to call the key holder with the rough time you expect to arrive so you can make arrangements to collect the key. If you don't, you may not be able to get into the villa until the following dav.

For damages up to 100,000 SDRs (approximately £96,000), the air carrier can't contest claims for compensation. Above that amount, the air carrier can defend itself against a claim by proving that it wasn't negligent or otherwise at fault.

Advance Payments If a passenger is killed or injured, the air carrier must make an advance payment, to cover immediate economic needs, within 15 days from the identification of the person entitled to compensation. In the event of death, this advance payment shall not be less than 16,000 SDRs (approximately £15,360).

Infants must sit on an adult's lap and wear an extension seatbelt. If your child reaches their 2nd birthday while you're away you'll need to allow for this when you book. All children aged two and above must have their own seats on the plane. If you've paid for an additional seat for your infant, you can use your own car seat as long as it has a single release harness. It needs to be facing forward on the aircraft seat, designed to be secured by lap belt alone, and must conform to EU safety standards. You'll also need the instruction leaflet to show the cabin crew if they need it. The seat mustn't be more than 16 inches or 40cm wide. You can't use carrycots and deluxe child car seats, as they won't fit. The use of car seats will be at your airline's discretion. Airlines registered outside the UK may have their own rules. Call TUI for information on approved car seats. You'll find the number at the end of this

Low Deposit Offer This offer is per passenger. We can change or withdraw this offer at any time. The rest of the deposit will be due within eight weeks of you booking your holiday. If you cancel your holiday you still have to pay the full deposit.

Low Season You may find that if you're travelling outside of peak holiday periods, some facilities, both in your hotel and resort, may not be available and entertainment may be more low-key. Hoteliers may remove facilities at certain times due to low demand. These can include restaurants or bars and can be sudden, implemented by hotels on the spot without prior notice. Low season is usually May and October for short and mid-haul destinations like Spain and North Africa. For long haul destinations such as in the Caribbean and Mexico, low season tends to impact other months including January, May, September, October and November. However, unforeseen circumstances or lower-thanexpected hotel occupancies can happen at any time, so facility closures are not limited to these specific months

Medical Conditions

On Your Flight If you have a medical condition, a serious illness, or you've recently had surgery or an accident, you'll need to be cleared for travel by the airline. You may also need a 'Fitness to Fly' certificate from your GP. Conditions that need medical clearance include respiratory, coronary or infectious illness. You'll need to give your request for medical clearance to the airline at least four working days before you're due to fly. If you're unsure what conditions require medical clearance, or if you have any concerns about your health, we recommend that you contact your doctor before you book

The risk of deep vein thrombosis (DVT) while flying is extremely low but is still a serious medical condition. DVT is when a blood clot forms, usually in the lower leg, sometimes because of sitting still for a long time. It needs treatment with blood-thinning drugs to prevent clots breaking off and travelling to the lungs. You can take precautions to reduce the risk. People most at risk include those with a history of bronchial or circulatory problems, thrombosis, those recently hospitalised, smokers, the obese, those with congestive heart failure, a malignant disease, pregnant women or women taking the contraceptive pill. To reduce the risk, exercise your legs from time to time, or walk around if possible. Elastic stockings may be helpful. Drink plenty of non-alcoholic liquids to prevent dehydration. See your doctor if you think you may be particularly prone to DVT.

At Your Destination If you have specific medical needs, think about whether the healthcare system in the destination you're looking at is likely to be able to meet those needs, if you have any problems while you're away. Consider things like the country's state of development and its size. You may find it helpful to look at www.gov.uk/browse/abroad/travel-abroad.

Spa Spas in our hotels aren't included in the price of your holiday unless we say otherwise. Just so you know, in Spain and the Canary Islands, by law only over-16s can use the facilities. Special Offers Our offers are only available on the holidays and

dates we advertise, are per booking, and subject to availability. Special Requests We'll always do our best to help however we can, but we can't guarantee we'll be able to meet your needs every time. These special requests aren't covered by Our Agreement With You so from a legal point of view, they're not part of your holiday contract.

Supplements

On Your Flight Depending on the airport you choose to fly from, on certain days or at certain times, you may have to pay a 'flight supplement'. Flight supplements may go up or down throughout the season. Some holidays are only available on flights with extra charges, either because the accommodation is available only on certain days of flying, or because onward travel arrangements are only available at certain times.

Occupancy Supplements/Discounts Depending on the number of people sharing a room, you may have to pay an 'occupancy supplement' for under-occupancy or single occupancy, or there may be a discount if more people share a room. Occupancy supplements/discounts may go up or down throughout the

Room Supplements Depending on the type of room you choose to stay in, you may have to pay a 'room supplement'. Room supplements may go up or down throughout the season. All rooms are subject to availability and any applicable occupancy and age restrictions.

Sustainability We're members of Sustainable Aviation, a UK initiative that sets out the collective, long-term strategy of UK aviation to tackle the challenge of ensuring a cleaner, quieter, smarter future for our industry. You can find more information at www.sustainableaviation.co.uk.

Swim Academy These courses are available at our Holiday Villages between 1st May - 31st October. They cost between £15 and £30 depending on whether you book group or one-to-one sessions. You'll need to register your children at the start of each session. We may have to cancel courses if there isn't enough demand. You can book them before you go, or when you get there if places are still available.

Swimming Pools It's unlikely your pool will have a lifeguard. An adult must always accompany children in the pool. This includes children's pools and surrounding areas. Pools may be closed in early or late season, so April, early May and October, or in particularly bad weather. Also, pools won't be heated unless we say otherwise in the property description. If your pool has a watersilide, there may be height or age restrictions.

Т

Taxes You may need to pay a tourist tax either at the airport or at your hotel. Taxes change regularly so check before you go. See **Prices** for more details.

Tour Operator Ratings We rate our holidays on our annual reviews and also the feedback we get from our end-of-holiday Customer Satisfaction Questionnaires. We rate hotels and apartments from '2' for no–frills, good value accommodation, to '5' for more comfort and a wider range of facilities. There may be some differences between accommodation that shares the same rating. That's where our 'plus' rating comes in.

Tours Most of our tours have age restrictions, so check before

Towels You'll see from the individual property descriptions whether or not there's a pool towel service. You may find you'll need to pay a small charge.

Transfers The transfer times we give you are a rough guide. They don't allow for delays to incoming flights or local traffic conditions. In terms of the type of transfer you'll get, it depends on the holiday you've booked. Just so you know, if your holiday includes a coach transfer, we may occasionally need to change this to a minibus or taxi. Where coach access is limited, we may need to transport your luggage separately to and from your accommodation. If this is the case, it may also be necessary for your luggage to be collected earlier than your return transfer time to ensure it arrives at the airport in time for you to collect it before checking in.

If you've booked an A La Carte holiday, you get a private taxi transfer included for most destinations - see A La Carte for important information. Occasionally we may have to provide alternative transport, and in some cases you may have to share your taxi with other A La Carte guests. If you're not on an A La Carte holiday, you've still got the option of booking a private transfer, which will either be by minibus or taxi. In some destinations we feel that it's more suitable to book private transfers. Our prices are competitive against similar transfer services. Taxis take a maximum of three adults. Prices shown are per person, per return trip, based on three adults sharing. Luggage space may be limited and baby seats aren't provided.

The majority of Florida packages will include a coach transfer, but please note that priority drop-off isn't guaranteed. Transfers to theme parks in Florida are organised by the hotel so you may need to book when you get there. They're likely to be on a first-come first-served basis, and timings may change.

Twin Rooms Some twin rooms can take a 3rd or 4th bed but they're usually camp or folding beds. Rooms that take extra beds or a cot aren't necessarily bigger than standard rooms so space may be limited.

٧

Vaccinations Speak to your doctor at least two months before you're due to go away. Some treatments, for malaria for example, should begin well before you go. If you're booking within three weeks of your departure, speak to your doctor before you book. There's more information available in the Department of Health's free leaflet – Health Advice for Travellers. Call 0800 555 777 for a

copy.

Villas Your villa is just for those who have booked with us. If you plan to invite anyone to join you when you get there, you must let us know so we can add them to your booking and sort out insurance. All of our self-catering villa accommodation is privately owned. The furnishings may be simple, but you can expect everything to be clean and in good repair. We've inspected all of our properties and instructed the owners on any improvements to be made before the start of the season.

We've tried to make sure most accommodation has a kettle and teapot. But you'll find the overall kitchen equipment reflects the local style, rather than British customs.

We provide essentials like toilet paper, washing—up liquid, cloths, and starter tablets for dishwashers where there is one, just to start you off. We also supply a fan in properties without air—conditioning. For safety reasons, barbecues aren't allowed on balconies or small terraces, or where a barbecue could be a particular fire hazard.

Bear in mind, many buildings are in rural areas so you may see wildlife, such as frogs, spiders, lizards, farm animals and the occasional snake, in or around the property. Some of our owners have dogs, cats or both, so do check with us if you're worried about this.

Villas in Florida are allocated on the day of arrival, so we can't provide you with an address before your holiday.

Cleaning And Maid Service Your accommodation will be clean when you arrive, and we ask you to do a minimal clean when you leave so it's left in a reasonable state. If it needs more than the normal cleaning, we may deduct the extra cost from your deposit. Maid service is generally provided weekly. This doesn't apply to Tuscany or Umbria, where there's just a mid-stay change of linen during a two-week stay. Maids are not responsible for washing dishes, laundry, ironing or emptying rubbish, although many will be happy to do laundry if you pay a little extra.

Linen And Towels Sheets, pillowcases, hand, bath and tea towels

Linen And Towels Sheets, pillowcases, hand, bath and tea towels are provided. In some cases, clean linen is provided by the maid for you to make up the beds. Linen and towels are generally changed weekly. You'll need to bring your own cot linen.

Sunloungers There may not be enough sunloungers at your villa for one per person. For example, villas in Florida will usually only have 2 sunloungers.

Visas The best place for up—to—date information on visa and travel advice is the Foreign, Commonwealth & Development Office. Visit www.gov.uk/foreign-travel-advice or call 0845 850 2829. There may be specific entry requirements for under-18s, depending on your destination. For example, if a young person is travelling without both parents, there may be extra costs and they may need extra legal documents such as an affidavit, from a notary public. Always check with the consulate or embassy of the country you're travelling to before you book.

W

Waterparks SplashWorld waterparks may be located onsite at your hotel or may be independent and located away from your hotel. They may also be open to non-hotel residents. Your All Inclusive board basis won't be available in the waterpark unless stated in the hotel description. Height or age restrictions may apply for some attractions. Some rides and facilities may need to be closed for maintenance. See Swimming Pools.

Weather There are sometimes tropical storms and hurricanes in Florida, the Caribbean and Mexico between June and November. It's impossible to predict their path or how long they will last more than three of four days in advance, and often it's much less. South-east Asia may be affected by its monsoon season, typically May to September. If a storm is forecast for one of our destinations, your safety is always our first priority. If there are hurricanes during your holiday we follow the advice of the Foreign, Commonwealth & Development Office and work with the Federation of Tour Operators.

Please also bear in mind that some hotel facilities - like outdoor bars and some sports - may not be available in adverse weather. Where we display weather information, this is supplied by the Met Office, © Crown copyright, the Met Office.

Weddings And Renewals Of Vows Please contact us for more details – the number you need is in the Getting In Touch section at the end of this guide. Also, see the Weddings brochure.

Wheelchairs

On Your Flight When you fly with TUI, we'll take your wheelchair and one other mobility item in addition to your normal luggage allowance. However, you'll need to let us know at least 48 hours before you travel. We recommend your wheelchair and other mobility aids are fully insured.

If you've got an electric wheelchair, you'll need to let our Assisted Travel Team know so that the necessary arrangements can be made. Please let us know the wheelchair's make and model when you call. There's a limit on how many electric mobility aids we can take on each flight. If you don't let us know before you book and we can't carry your wheelchair, you might need to pay an extra charge to change your booking.

You can bring a battery-powered wheelchair if it meets the conditions given in the ICAO Technical Instructions for the Safe Transport of Dangerous Goods, plus any other related CAA rules. Visit www.caa.co.uk for more information. Please contact us as soon as possible if you're travelling with a battery-powered wheelchair or mobility aid and let us know the device's make and model, dimensions and battery type. We can then confirm whether there's space onboard.

Electric wheelchairs need to be loaded in an upright position for the flight. Batteries must be securely attached to the mobility aid and terminals protected from short circuits. Electrical circuits must be isolated to prevent the device being operated accidentally. If the wheelchair can't be loaded in an upright position, the battery terminals need to be protected against short-circuiting, and the battery removed and stored in strong packaging. Lithium batteries that are designed to be removed must travel in the cabin. You need to bring the operating instructions for your mobility aid with you. If you don't have these details, see https://www.bhta.com/air-transport-advice where your make and model should be shown. If not, you'll need to contact the manufacturer, or shop where it was purchased or hired.

If you want to check whether your wheelchair will fit onboard our aircraft, please contact our Assisted Travel Team – the number can be found at the end of this guide.

can be found at the end of this guide.

If you're flying with another airline, you'll need to contact them directly to see if your wheelchair will fit onboard. Our Assisted Travel Team can help you with this, too.

On Resort Transfers If you're taking an electric wheelchair or scooter, you'll need to book a taxi transfer to your hotel. You can't take them on the coach. There's an extra charge for this.

WI-Fi Bandwidths may vary. Some hotels may offer an upgrade to a higher bandwidth which you may need to pay for. The upgraded service may also cover a different location to the free Wi-Fi zones. Some hotels may have a data cap on usage, or the free Wi-Fi may be restricted to a daily time limit per device or room. Once this usage or time limit is reached, there may be a charge to continue using the service. Factors that may reduce signal strength include high usage - particularly if lots of devices are using Wi-Fi at the same time, obstructions like thick walls and electronic machinery and adverse weather conditions. The device used to connect to the Wi-Fi - e.g. mobile phone, tablet or laptop - may result in a differing quality of service received. Wi-Fi zones may not be in the same location at every hotel. If your device isn't connected to Wi-Fi, remember to turn off data roaming to avoid possible data charges.

Due to factors outside of our control we can't guarantee the availability, performance or security of the Wi-Fi provided.

Our agreement with you, and yours with us

We are TUI UK Limited, Company Number 02830117, our Registered Office is Wigmore House, Luton, LU2 9TN and Our Agreement sets out what we can expect from each other when you buy a holiday from us.

Booking Your Holiday

When you book your holiday you are accepting Our Agreement on behalf of everyone travelling with you. We will only deal with you, the lead name, and you must be an adult when you book. Anyone aged under 18 on your holiday must be accompanied by an adult. When we say "you" and "your" we mean you, as the lead name, or you and everyone travelling, depending on the context. Our Agreement, includes our A-Z Guide, the conditions of carriage of the airline or cruise operator and the provisions of international conventions (including the Warsaw, Montreal, Strasbourg and Athens conventions) that apply to travel by air, land, sea or river. Please ask for a copy of any conditions applicable. Our Agreement along with the relevant details in the booking confirmation is the entire agreement between us for your holiday.

Our Agreement is made under the laws of England and Wales. You submit to the exclusive jurisdiction of those courts. You can choose the law and jurisdiction of Scotland or Northern Ireland but only if you live there.

Providing Information

You must ensure all information you give is correct. We'll use the personal data you give us in line with our Privacy Notice. You must pass on any information we give you to everyone travelling. You must comply with all passport, visa and other immigration requirements. Your passport and travel documents must be in good condition — you may be refused travel if they are damaged.

If you are not self-reliant or have reduced mobility (like finding it hard to walk 500 metres) you must tell us before you book and if this changes tell us at least 48 hours before your holiday.

The Price You Pay

When you book your holiday, you must pay a deposit unless this is within 12 weeks of your holiday when you must pay in full. We'll tell you the price of your holiday and the deposit before you book. At least 12 weeks before you go you must pay the full balance. If you don't, we can cancel your holiday and charge you a termination fee.

When you book your holiday, we'll send your booking confirmation within 14 days. Mistakes can happen, so if any price on your booking confirmation, our website or our booking systems is obviously wrong, a booking made based on that price won't be valid, we can cancel it and refund you unless you want to pay the correct price.

If your holiday price changes because of movement in the relevant exchange rates, taxes or fees charged by someone else including tourist or landing taxes, port or airport fees or the cost of transport fuel or other power sources we can charge you that increase or refund to you a decrease (less our administrative expenses) providing it doesn't happen within 20 days before the start of your holiday. If we need to do this, we'll forward an amended invoice to you showing the changes made along with a detailed explanation.

We'll absorb any increase of 2% or less of your holiday price, so we won't pass on any increase below that level. If the increase is more than 8% of the holiday price, you may cancel your holiday within 14 days of us telling you about the increase and we'll refund your holiday price except any amendment charges; and the increase will be considered a major

change, see below.

Before Your Holiday

If You Change Your Holiday

Airlines or other transport providers can charge a fee for a change and sometimes treat a change as a cancellation. Fees can be up to 100% of the price for that part of your holiday. You must pay those fees as well as the amendment fee shown below.

When making changes, the price of your new travel arrangements will be based on the price that applies on the day you make the change. If your change means fewer adults travel, and your holiday price is based upon the number of adults, we'll recalculate the total price and the price per person may go up. This extra price isn't a termination fee. You will also need to pay the appropriate proportion of the termination fee for the adult who has cancelled. See "If you Cancel Your Holiday".

Some elements of your holiday, such as excursions, transfers, children's activities, flight or accommodation options, room/board upgrades, late check-out rooms theme park tickets and airport parking, may be non-refundable.

You may transfer your holiday to someone else if you give us at least 7 days' notice in writing or by email and the new lead name accepts the transfer and the terms of Our Agreement – insurance can't be transferred. You will be responsible, together with the new lead name, for our amendment fees and any costs as a result of the change.

If You Cancel Your Holiday

To cancel your holiday you must tell us as soon as possible. If you booked using a travel agency, that agency must tell us. When your holiday has been cancelled you will receive a cancellation invoice. You must pay a termination fee which covers our administration costs and compensates us for the risk that we do not resell your holiday. The fee is based upon how long before your holiday you tell us you want to cancel and is a percentage of the total price of vour holiday.

How long before your holiday you cancel	Percentage of your holiday price

62-49 days	50%

Even if the termination fee is lower than the deposit, your deposit will not be refunded. We may not be able to refund elements of your holiday if they are added extras. If you are cancelling because of an unavoidable and extraordinary circumstance happening at your destination that will significantly impact the performance of your holiday or your flight to get there, you will not have to pay a termination fee and your deposit will be refunded.

If We Cancel Your Holiday

If we cancel your holiday, except where it's because you haven't paid or you have been disruptive, you can have a refund or accept a replacement holiday from us of a similar standard and price if we can offer you one. We'll also pay the compensation shown below (unless we have cancelled because of one of the reasons listed in 'Events Beyond Our Control' or where you haven't paid) and we'll refund the difference if the replacement holiday is of a

If We Change Your Holiday

We aim to give you what we promise but, as we plan our holidays a long time in advance, sometimes things can change. We can make a change at any time but will let you know before your holiday if there's time.

Flight times given are for guidance only – your actual times will be shown on your e-ticket. Check that carefully when you receive it. Aircraft type can change and some facilities such as entertainment or advertised seat pitch may not be available. If we can't provide a seat option, we'll refund the price you paid for that option

Occasionally, we may have to make a major change to your holiday such as a change of destination, a downgrade of your accommodation by one full star rating, a change in flight time by more than 12 hours or a change of UK departure airport. A change in flight time that we need to make within 24 hours before you are due to fly is not a major change unless the time changes by more than 24 hours.

If we tell you about a major change after you book your holiday, you can accept the new arrangements offered by us; or accept a replacement holiday from us of the same or similar standard and price at the date of the change (we'll always refund the difference in price if the replacement holiday is a lower price at the date of the change), if we are able to offer you one; or cancel your holiday with us and receive a full refund.

If we make a major change, and you choose to cancel your holiday and receive a full refund, we'll pay the compensation shown below, unless the change is because of an event beyond our control. Any compensation payable is based upon how many days before your holiday departure we tell you about a major change. We'll pay 50% of the compensation for each person who paid a child price. No compensation will be paid for free child places.

Events Beyond Our Control

Examples of events beyond our control are: war, threat of war, riots, civil disturbances, terrorist activity or its consequences industrial disputes, any failure to secure relevant flying rights, natural or nuclear disasters, fire, health risks, unavoidable and unforeseeable technical problems with transport, closed or congested airports or ports, actual or potential severe weather conditions, the imposition of sanctions or other Governmental action and any other similar events.

On Your Holiday

Behaviour

Only you can use your accommodation. You must not let anyone else stay there. You are responsible for any damage to your accommodation or its contents during your holiday.

We can refuse to accept you on your holiday or continue dealing with you if we, or someone in authority, believe your behaviour (by any form of communication or in person) is disruptive. The aptain of your aircraft or ship can restrict your movements on poard or remove you.

If you are disruptive and stopped from boarding your flight from the UK, or disruptive during your flight, we'll treat your booking as cancelled by you at that moment. If you are disruptive on your holiday we can remove you from your accommodation and you will be responsible for your own return home and for any other members of your group who cannot or will not travel without you You will not be entitled to a refund in either case and we will not provide compensation or meet any costs or expenses.

If you are disruptive you will be responsible for any damages, costs and expenses (including legal expenses) incurred as a result. This can include cleaning, repairing or replacing property lost, damaged or destroyed by you, compensating any passenger, crew, staff or agent affected by your actions and diverting the aircraft or ship for the purpose of removing you.

Disruptive behaviour includes being threatening or abusive, damaging property, upsetting, annoying or disturbing any other traveller, our staff or agents or putting any of them in danger.

We may introduce you to suppliers of excursions or other services. If you buy one of these, you'll be contracting with the supplier directly, we act only as an agent and have no liability for the performance of that contract. Our Agreement doesn't apply to any contract for excursions or other services

If Things Go Wrong on Your Holiday

You benefit from the rights applying to packages under The Package Travel and Linked Travel Arrangements Regulations 2018. We are responsible for all the travel services included in your holiday. If any of them isn't provided as we agreed, we'll pay you compensation, if appropriate, unless it's due to an event beyond our control (see 'Events Beyond Our Control'), is your fault or is caused by a third-party.

If you are in difficulty on your holiday we'll help by providing information on health services, local authorities and consular assistance. We'll help you make phone calls, send emails or make alternative travel arrangements. You must pay any costs we incur if the difficulty is your fault

If You Have A Complaint

It is very rare for things to go wrong. If they do, you must tell the supplier in question (e.g. the hotel) and our representative straight away so they can solve the issue. If our representative isn't available, you should contact our TUI Guest Experience Centre which is open 24/7. If you're still not satisfied, contact After-Travel Customer Support within 28 days of coming home so we can investigate properly. Contact details are in the A-Z Guide We usually solve any issues but you can use ABTA's scheme for resolving disputes at www.abta.com.

Personal Injury

Your holiday is made up from services provided by suppliers who follow local standards. Overseas safety standards are generally lower than in the UK.

If anyone travelling suffers injury, illness or death because of the services provided as part of your holiday, you must tell us and the supplier involved about it and complete a report at the time. After your holiday you can contact After-Travel Customer Support It must be no more than 3 months after you come home so we can investigate properly. Contact details are at the end of this

Protecting Your Money

We provide security for the money you pay for your holiday and buy a holiday from us that includes a flight, we do this by way of an ATOL (number 2524) managed by the Civil Aviation Authority, Gatwick Airport South, RH6 0YR. We also place a bond held by ABTA (V5126), 30 Park Street, London, SE1 9EQ, for holidays that do not include flights.

We've tried to write Our Agreement clearly. Unfortunately, the ATOL rules make us to include the next three paragraphs exactly as they're written.

When you buy an ATOL protected flight or flight inclusive package from us you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong We, or the suppliers identified on your ATOL Certificate, will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where neither we nor the supplier are able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable). If we, or the suppliers identified on your ATOL certificate, are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.

Where your holiday is protected under the ABTA scheme, you agree to accept that in the event of our insolvency ABTA may arrange for the services you have bought to continue, or for a suitable alternative to be provided at the same cost as your original holiday. You also agree to accept that in circumstances where the travel service provider provides the services you have bought, you agree to pay any outstanding sum under your contract with us to that alternative travel service provider. However, you also agree that in some cases the services will not be provided, in which case you will be entitled to make a claim under ABTA's Scheme of Protection (or your payment card issuer where applicable) for a refund of the monies you have paid. All money you pay to a travel agent for your holiday is held by that agent on behalf of and for the benefit of the Trustees of the Air Travel Trust at all times but subject to the agent's obligation to pay it to us for so long as we do not fail. If we do fail, any money held at that time by the agent, or subsequently accepted from you by the agent, is and continues to be held by that agent on behalf of and for the benefit of the Trustees of the Air Travel Trust without any obligation to pay that money to us.

Keep your information safe

An eSim makes it easy to stay in touch with friends and family back home while you're away. You can add low-cost data to your current plan, which means you'll save money, and your number won't change. There's no need to get a new sim card, either.
