Our story

From Thomson Cruises in the nineties to Marella Cruises today, we've been in the cruise industry for 30 years, so you could say we know a thing or two about it.

While our name has changed, our values remain the same: to offer great-value holidays and the friendliest service at sea – made possible by our hassle-free packages, which take you from your local airport to our cruise ships and back again.

Each year, we welcome over 300,000 customers to dreamy destinations, including Dubrovnik and the Dominican Republic, to name just a couple. Our five-ship-strong fleet has a dedicated team of over 3,000 staff helping behind the scenes to make sure every guest has a cruise to remember.

1996 The first ever Thomson Cruises sailing takes place, on **The Sapphire**

1997
The Emerald, **Island Breeze** and **The Topaz** join the Thomson Cruises fleet

2003 **Thomson Spirit** – the first ship to sail with the Thomson Cruises livery – joins the fleet

Another two ships are added to the fleet – **Thomson Celebration** and **Thomson Destiny** **2005**

2007 The adults-only **Calypso** joins the fleet, and we launch our All Inclusive cruises

2008 Our fleet grows even further with the addition of **Island Escape**

2010 Another ship, **Thomson Dream**, joins the line-up

We expand our fleet yet again, with the addition of **Thomson Majesty** **2012**

2016 TUI Discovery – which later became **Marella Discovery** – joins the fleet

2017 We rebranded to Marella Cruises and welcome another addition to our fleet, **Marella Discovery 2**

2018 **Marella Explorer** joins our ship line-up

We launch our adults-only ship, **Marella Explorer 2** **2019**

2023 **Marella Voyager**, joins the fleet

2026
We celebrated our **30th birthday**

Marella Discovery 2 goes adults only

You've now got even more choice when it comes to child-free cruises, as Marella Discovery 2 has joined Marella Explorer 2 as an adults-only ship. And that means there are some new, grown-up venues in the pipeline, including a speakeasy bar, an arts and crafts space, an escape room and a karaoke booth.

Dial up the luxury on your next sailing with new Suite Service Max

If you book a Royal Suite, a Voyager Suite or an Executive Suite, you can now look forward to an even longer list of benefits, thanks to the all-new Suite Service Max. Kick things off with priority embarkation, a special gold cruise card, and a complimentary Wi-Fi package.

When you get to your suite, you'll find Champagne and truffles waiting for you, plus extra Lavazza coffee pods, Elemis toiletries, a premium ghd helios hairdryer and two carafes replenished with fresh water daily. You'll also get a complimentary breakfast delivered to your suite each morning, and an afternoon tea once a week. If you'd rather go out to breakfast, you'll have reserved seating in the main restaurant, too. Even laundry will be taken care of – two bags a week are included free of charge. And to round things off, you won't need to check out until 09:00 on your departure day.

Supporting marine and coastal communities

We want the places you visit to thrive long after your holiday ends. That's why we proudly support the TUI Care Foundation, which works globally and acts locally, partnering with local organisations to deliver long-lasting impact.

Building on tourism's potential as a force for good, the Foundation supports initiatives that promote environmental protection, create education and training opportunities, and help communities benefit more sustainably from tourism. This includes coral reef restoration, conservation projects that help to protect endangered sea turtles, and creating sustainable income opportunities.

- TUI service – if you've booked a cruise package with TUI flights, we're with you from start to finish.
- Absolute peace of mind – our onboard teams, 24-hour reception and Guest Experience Centre are always on hand. You'll also have access to TUI reps if you book a hotel as part of your cruise and stay holiday.
- Set off from local UK airports – so you can travel right from your doorstep.
- Cruise & Stay – pair your time onboard with a stay at one of over 200 TUI properties across eight destinations. These range from swanky adults-only hotels to budget-friendly spots.
- Quick and easy to book – in our nationwide TUI Stores, online, on the TUI app, or over the phone with one of our Travel Experts.

Your home from home

On a Marella cruise, you'll always find a warm and welcoming atmosphere, from the moment you step onboard, wherever you're sailing.

- Flexibility – get active, take it easy or chill out... it's your choice.
- Friendly – everyone remembers your name, as well as your favourite cocktail, so you'll receive the warmest welcome, time and time again.
- Familiar – we're just as well-versed in local specialities as we are a decent cup of tea.

Explore more

With Marella Cruises, you'll have more opportunities to explore over 100 destinations.

- Fewer days at sea – we focus on getting you to the destinations you love.
- Over 100 destinations worldwide – from Mediterranean beaches to tropical Caribbean islands.
- Excursion programme – a world of tours, all tried and tested by our expert guides.

All Inclusive as standard

We offer great value for money, with All Inclusive as standard on all ships, so you don't have to worry about budgeting onboard.

- All Inclusive as standard – on all our cruises. Everything from flights and transfers to food and drink is part of the package.
- So much more – our All Inclusive package isn't just limited to drinks, it includes a choice of dining options – think buffet places, grab-and-go spots and some waiter service restaurants.
- It's all covered – unlike most other cruise lines, we include tips and service charges, so you don't need to worry about lugging around extra cash.
- Let us entertain you – you'll never be bored on our ships. From early morning exercise classes to late-night West End-style shows, there's always something to keep everybody smiling.

Choose how you cruise

We don't subscribe to the one-size-fits-all philosophy, which is why we've designed a number of ways for you to cruise. See how you can tailor-make your time away...

Cruise & Stay

Where you see our 'add a stay' logo, you can follow up your cruise with three, four or seven nights in one of our expertly selected hotels near the home port. Or, flip the script with a hotel stay before setting sail. You'll find everything you need to know about Cruise & Stay on page 8.

Combine cruises

When a week at sea just doesn't cut it, why not stay onboard longer? Once your itinerary is over, you'll remain on the ship for the next one, opening up a whole new range of ports. Look out for the 'combine with' logo to see which ones can be paired up.

Adults-only cruises

You'll need to be 17 or over to board our adults-only cruises. Marella Explorer 2 and Marella Discovery 2 are our adults-only ships, plus, our transatlantic sailings are reserved for grown-ups. Keep an eye out for the 'adults only' logo on our itineraries.

Cabin only

If you prefer to arrange your own flights and transfers, book a cabin-only cruise. And don't worry, other than the journey, everything else is included in the price.

Flexible durations

We offer a range of durations, so you can cruise for as little or as long as you like. Check out the Cruise Calendar in the back of the brochure to find a duration that suits you.

Cruise & Stay

You don't have to spend your whole holiday afloat. If you fancy extending your time away, why not combine your sailing with a stay at one of our hotels? Spend a week cruising followed by three, four or seven nights in a hotel or an apartment. Or, do it the other way around and stay for a week before setting sail.

Why Cruise & Stay?

The best of both worlds
Torn between exploring new places and flying and flopping? A Cruise & Stay holiday lets you do both. Whether you're new to cruising and want to combine a sailing with your usual beach break, or you just want to squeeze in some extra downtime, it's like two holidays in one.

Tonnes of choice
With over 200 hotels to choose from across eight destinations, our line-up of places to stay includes everything from budget-friendly spots to swanky Platinum properties. Some are plotted right on the beachfront, while others set you up for city sightseeing.

Everything's included
Whichever Cruise & Stay holiday you pick, all your transfers are included, so you won't need to worry about getting between the airport, the ship and your hotel. Plus, you'll have 24/7 access to our helpful TUI reps throughout your hotel stay.

Top destinations
Soak up some Caribbean sun on the shores of Barbados and the Dominican Republic, or tick off Canary Island big-hitters like Tenerife and Gran Canaria. Corfu, Malaga and Majorca go big on beaches, and there's culture for days in Dubrovnik.

Choose the right hotel for you

For families

The family-friendly hotels in our collection have something for all ages. You can expect things like child-friendly dining options, splash pools, kids' clubs, action-packed activity offerings and family-sized rooms and apartments. You'll also find plenty of TUI BLUE hotels that amp things up a notch, with the likes of the Swim School, character parades and BLUEf!t® for Families workout sessions.

For adults

Relax in child-free surroundings in one of our adults-only hotels – they're the perfect addition to one of our adults-only cruises. These places come with the likes of infinity pools, chic bars and low-key entertainment line-ups. For food and activities with plenty of local flare, pick one of our **TUI BLUE hotels for adults**. Or, opt for one of our **Platinum hotels** – these spots come with luxe touches like swish spas and á la carte restaurants.

Our top picks

We've handpicked some of our top Cruise & Stay combinations to give you some inspiration for your next two-in-one holiday.

Follow up Tropical Isles with seven nights at the Riu Palace Macao

This seven-night sailing does what it says on the tin, with a port line-up that ticks off beachy spots like Puerto Rico and the US Virgin Islands. As for the hotel, it's perched on the eastern coast of the Dominican Republic, and it comes with three roomy pools – one with a swim-up bar – and a medley of restaurants.

Start with a stay at TUI BLUE Los Gigantes, then set sail on Canarian Flavours

A pool with panoramic sea views, buffet and à la carte dining and a spa* are some of the highlights at this adults-only hotel. The seven-night cruise, meanwhile, stops at all the Canary Islands' hotspots, plus flower-filled Funchal, in Madeira.

Round off an Iconic Islands sailing with a three or seven-night stay in Kerkyra Blue Hotel & Spa

This seven-night cruise puts the Greek islands in the spotlight. And, with a spot by a Blue Flag beach on Corfu's east coast, this hotel has relaxation written all over it. Three restaurants cover the likes of Asian and Greek fare, and you'll have two pools to take dips in.

New hotel

Follow up Paradise Islands with a seven-night stay at Southern Palms

St Kitts' Scenic Railway and Antigua's blindingly white beaches are just a couple of the highlights of this seven-night cruise, which starts and ends in Barbados. Follow it up with a stint at the candy-pink Southern Palms, and you'll have two pools and a lounger-topped stretch of sand to pick from when it comes to your sunbathing sessions.

Raise your glass

You'll find bars to suit all moods on our ships, whether you fancy dancing the night away or relaxing with a cocktail as you listen to some live music.

Get the party started

Each ship has a dedicated place to party. You can expect pianists to kickstart the evening at most of our party venues, followed by toe-tapping tunes from our popular resident bands. Later, there are dancefloor classics to get you up on your feet. All this is accompanied by speciality cocktails at the bar, not to mention a range of on-tap beers.

At Indigo on Marella Explorer and Marella Explorer 2, and Bar Eleven on Marella Discovery and Marella Discovery 2, you can expect the likes of smoky cocktails and silent discos.

At The Electric Rooms, on Marella Voyager, you can sip handcrafted cocktails and show off your best moves on a flashy LED dancefloor.

Games galore

If your idea of a good night out is more about putting on your thinking cap, rather than your dancing shoes, our quizzes and interactive game shows will be right up your street. Then there's The 19th Hole, our golf-themed bar on Marella Explorer 2. Here, dedicated hosts organise fun challenges and tournaments on a state-of-the-art golf simulator. You can also try your luck at our casinos – they put on competitions, plus you can ask our croupiers about lessons for beginners.

For an immersive experience, head to The Exchange – Marella Voyager's 1920s-inspired bar with a menu full of unique cocktails. Just so you know, this costs extra and must be prebooked. A brand-new speakeasy bar's coming to Marella Discovery 2 soon, too, so watch this space...

Pub classics

Nothing beats a British pub. You can sample our take on the traditional English bar at Squid and Anchor, which you'll find on all of our ships. There's an extensive selection of drinks to pick from, plus regular quiz nights and live music to keep you entertained. On Marella Explorer and Marella Explorer 2, this venue's set up with two bars – and one of them specialises in premium gins and whiskies.

Every ship has a minimum of seven bars

Sophisticated drinks

Throughout our ships, you'll find a series of classy spots where you can sip a flute of bubbles or a tasty cocktail. Chocolate espresso martini, anyone? Flutes, on Marella Explorer 2 and Marella Voyager, is a real highlight. This place specialises in Champagne and Prosecco, poured to the sound of a live pianist. And, there are handy 'press for bubbles' buttons dotted around.

Some drinks and facilities are chargeable.

Come dine with us

When it comes to dining with Marella Cruises, it's all about choice. From tapas and sushi to steaks and design-your-own pizzas, each ship has at least nine restaurants for you to pick from, and they cover off buffets and speciality eateries. Here's what to expect when you dine onboard...

Piccadilly's

Included dining

You can expect at least **six** restaurants onboard included as standard. Four of our ships have a buffet restaurant, where chefs whip up everything from breakfast omelettes to carvery dinners. On Marella Voyager, however, the buffet's been replaced by The Kitchens – a food hall made up of eight different eateries. Their menus include everything from pie and mash to Asian curries, so you can opt for something different every day.

There are pizzerias and grab-and-go options onboard, too. Whichever ship you pick, you'll never go hungry, thanks to snack bars and midnight buffets, which are also included as standard.

If you'd rather order off a menu, you can have breakfast, lunch and dinner at the main restaurant, which comes with waiter service.

Abuela's

Flexibility

We know you like the flexibility to dine when and where you want. This is why all our ships have a minimum of nine restaurants. And it's also why most of our restaurants have flexible dining times and open seating policies.

It doesn't stop there, either. You can tempt your taste buds with cuisine from all over the world – from Spanish tapas and pan-Asian dishes to gourmet French fare and traditional British favourites.

Latitude 53

Speciality restaurants

Along with our included eateries, you can pay to dine in our speciality restaurants. Each ship has at least three to choose from.

There's our signature pan-Asian restaurant, **Kora La**, where you can pick from exotic dishes like Indonesian beef rendang curry or crispy duck with watermelon salad. **Silver Fork**'s a top pick on Marella Voyager, serving British classics with a modern twist. Then, there's **Surf & Turf** Steakhouse, which does exactly what it says on the tin.

For something extra special, you can look forward to high-end French cuisine at **The Dining Club** onboard Marella Explorer and Marella Explorer 2. Or, tuck in to Japanese fare at **Umi Sushi** – an à la carte restaurant on Marella Voyager and Marella Explorer. You can also get your seafood fix at the **Sushi Bar** inside Kora La on Marella Discovery and Marella Discovery 2.

Our dress code

There are three dress codes across our ships. Beachwear is a come-as-you-are affair – swimwear's fine, but please wear something on your feet. Casual, meanwhile, means you can wear the likes of tops and shorts, or a sundress. Then, there's Smart, which is when you'll need to dress up a little bit. That means you can wear shirts or polo shirts, skirts or dresses, smart trainers or sandals, but please no sportswear, flip-flops, or untailored shorts.

Nonna's

Day-to-night entertainment

When you're not exploring ashore, there's plenty to keep you busy onboard. You'll find the daily schedule on the Navigate app. Here's a taste of what to expect...

Daytime

Whether you want to burn some energy, get creative or treat yourself to a bit of serious R&R, our daytime activity line-up's got things covered.

Get active

Challenge your family and friends to a game of minigolf, test your strength on the climbing wall, join a dance class, or zip around our running track.

Create and taste

Get crafty making your own keepsake at one of our Make Do sessions, or brush up on your culinary knowledge at a cookery demonstration. If you fancy tasting something for yourself, there are gin and wine-tasting sessions* and weekly late afternoon barbecues, too.

Quizzes, music and more

Join in with a spot of poolside trivia, or ask your burning questions in a Q&A session with the ship's Captain. Live musicians including guitar vocalists and pianists provide the backing track to your drinks in the afternoons and evenings, too.

Solo travellers

Our Guest Experience Co-ordinators organise special events and get-togethers for solo travellers – keep an eye on Cruise News for the details.

What's new?

Socialise whilst learning a new skill at Crafts Ahoy - available on our adults-only ships - or fully relax your body and mind with Ocean Reset – our soundscape audio session. Plus, Silent Sailing lets you learn a little about the ports you'll be calling in at as the ship sets off – it's delivered through silent disco headphones, so you can go full 'do not disturb' mode.

Show time
The Broadway Show Lounge is the place to be for West End-style productions. There are two performances scheduled each night.

Night-time

Come sunset, you can look forward to everything from live music and professional shows to open-air movies and pub quizzes.

Music and dancing

Your evenings onboard can be as lively or as laidback as you fancy. There's live music from the likes of pianists and our resident bands, or you can up the energy with things like silent discos and karaoke sessions.

Something different

The casino's on hand if you fancy a flutter, or you can try your luck at a game of early evening bingo. Keep the competitive streak going at one of our gameshows, or chill out at Movies by Moonlight – our cinema under the stars. Once a week, you can get glammed up for our Dress to Impress night, where a photographer will be on hand to snap professional photos. And there's also our Captain's welcome and farewell at the start and end of your cruise.

What's new?

Luminara is our elegant new production show celebrating the best soul and pop classics from across the decades, all set in the glow of candlelight. Plus, we've got two new game shows to look forward to – Have I Got Cruise For You lets you put your sailing knowledge to the test, while In The Stars is your chance to flex your vocal cords with our live band.

Repositional cruises

Our repositional cruises come with more sea days, which means even more entertainment. On top of the usual line-up, you can expect the likes of guest speakers and additional shows.

Seasonal sailings

Get into the spirit of the season with our sailings over Easter, Halloween, Christmas, New Year and more. Here's a taste of what to expect onboard...

Easter

You can tuck in to traditional roast lamb in the main dining room on our Easter sailings, plus, taste themed sweet treats in Patisserie and The Coffee Port. Kids, meanwhile, can get into the spirit at M Club, with the likes of themed arts and crafts, cookie decorating and a scavenger hunt.

Halloween

Our ships will be kitted out in spooky decorations for Halloween, and there'll be themed goodies to try in the buffet restaurant, Patisserie and The Coffee Port. You can also sip on our special pumpkin spiced White Russian cocktail, or learn how to level up your pumpkin carving skills at a demonstration. The highlight, though, is our Halloween party, where fancy dress is encouraged.

New Year

New Year's Eve's brings a high-energy atmosphere to our ships. You can count down to midnight on the top deck, and dress up in your best blue outfit for our 'All That Glitters' celebration. The main dining room plays host to a three-course gala dinner, premium cocktails are on the menus at the bars, there's a special show on, and of course, glasses of sparkling wine will be passed around at midnight. Come New Year's Day, you can tuck into special dining options like upgraded brunch or traditional roast beef as we continue the relaxed celebrations.

Christmas

If you're sailing with us over Christmas, you're in for a real treat. A Christmas Eve carol concert, a cookie delivery and a 'countdown to Christmas' deck party feature in the lead up, and on the day itself, a Christmas dinner, visits from Santa, a passenger choir performance and a Christmas Day service are just a taste of what's in store. It's easy to get into the Christmas spirit on our other December sailings, too.

Things to do

Join our passenger Christmas choir 'Christmas High Seas', take part in Christmas-themed quizzes, gameshows and craft activities, catch festive live music, and watch our Christmas at Sea production show – a mashup of music, dance and comedy. Our deck parties give you the chance to wear your sparkliest outfit, and you can pick up treats, souvenirs and more on a mooch around our Christmas market.

Fun for all the family

On our family-friendly ships, little ones can meet Santa and the elves in his grotto, decorate a cookie at the Christmas market, and get stuck into M Club's Christmas activity programme. Carol performances, a nativity production and family activities and games are also on the agenda, so there's plenty to keep everyone busy.

Festive food and drink

You can expect festive additions to our menus throughout December – from cocktails, mulled wine and hot chocolate to treats like mince pies and seasonal cakes and pastries. Our Christmas market experience gives you another chance to fill up on festive food. And of course, you can tuck into a traditional turkey dinner.

Themed cruises

These popular one-off cruises line up events, activities and entertainment all centred around an overall theme. Country Rhythms, for example, does what it says on the tin with country music-themed events like line-dancing classes and a Barn Dance Bash. Then, there's Electric Sunsets, which throws it back to some of the most iconic decades in music, like the 80s and 90s.

Go to **tui.co.uk/cruise/info/themed-cruises** to see what's coming up.

- No cabin supplements for children
- Special infant prices for under 2s

Did you know?

Children don't pay adult prices or cabin supplements. When you add a child to your booking, a discount is applied at checkout – you can see more info in the A-Z. We have special infant prices for under 2s, and our onboard cots are free – just ask about them when you book.

Please note, due to health regulations, children who aren't toilet-trained – including those in swim nappies or pull-ups – aren't allowed in our onboard pools.

M Club

Your little ones can join in with daily sessions at M Club – our free onboard kids' club. They're tailored to 3 to 11-year-olds, with sessions split by age group during high season. Arts and crafts, quizzes and mini-discos are all in store. Under 3s aren't left out, either. They can go along to hosted, parent-toddler babytainment sessions, which take place daily.

Family-friendly facilities

On top of everything we've got going on specifically for kids, most of the ships in our fleet are well-versed in keeping families entertained around the clock – with facilities including climbing walls, minigolf courses and outdoor cinemas. You might find changing and food preparation areas for babies, too. The facilities do vary from ship to ship – to see the facilities available on each one, turn to the Welcome Aboard pages at the back of this brochure.

Family days out

For when you're in port, family days out are sorted thanks to our range of excursions. They line up everything from aquarium visits to beach trips. And, everything's sorted for you, with transfers part of the package on most excursions. The onboard Destination Services team is on hand to answer your questions, too.

Kid-friendly dining

You'll find child-friendly fare in our buffet restaurants, and kids' menus are available in most of the restaurants onboard. Click the button below to see a sample menu.

Iconic landmarks, jaw-dropping scenery, local culture – our excursions let you delve deep into a new destination every day.

Insider tips

We sat down with Matt, one of our onboard Destination Services Advisors, to get the lowdown on his favourite shore excursion and top tips for exploring ashore. Here's what he had to say...

"Pompeii and Herculaneum from Naples, Italy has to be one of my favourite excursions, as Pompeii is one of the Mediterranean's most iconic attractions and truly a must see. Pairing it with Herculaneum, a lesser-known town also destroyed by the eruption, makes the experience even more special. Herculaneum is remarkably well preserved, with mosaics still intact, offering a fascinating contrast to Pompeii."

Matt's top tips for exploring ashore

When you're heading out on an excursion, don't forget to take a reusable water bottle. You'll find convenient water stations around the ship, perfect for topping up before a busy day of exploring.

For longer excursions, a portable power bank is a must have. You might be surprised how quickly your battery drains when you're capturing all those unforgettable holiday moments.

Our impact, our responsibility

Find out about what we're doing to reduce our environmental impact, and how you can help reduce energy, water and food waste at sea.

Cutting emissions

Fuel's the biggest contributor to cruise ship emissions. That's why we set ourselves a goal to reduce our emissions by 27.5% by 2030, from a 2019 baseline, and to achieve that, we're focusing on improving fuel efficiency. Here's how...

Smarter sailing

We plan our itineraries to allow for more efficient sailing speeds and to avoid unnecessary engine use, plus, we wait until all guests are onboard and we're cleared for departure before starting our engines.

Energy upgrades

LED lighting, solar control window film and more efficient chillers and air conditioning systems are just a few of the energy-saving upgrades we've made across the fleet. Marella Explorer and Marella Explorer 2 have also been fitted with new propellor caps to reduce drag and improve fuel efficiency.

Plugging in at port

Marella Explorer 2 can connect to shore-side electricity when in port, allowing the engines to be switched off while the ship's docked. This helps reduce fuel use and associated emissions while in port.

Biofuel blends

Biofuel blends combine conventional marine fuel with a renewable component, helping to lower carbon emissions without the need to make changes to the ships' engines. In 2025, Marella Discovery and Marella Voyager used 9,820 tonnes of biofuel blend, which amounts to just over nine percent of our annual fuel use.

Reducing waste

It's not just emissions we're cutting. Since 2019, we've saved over nine million single-use plastic items – including straws, cups, bin liners and laundry bags – by swapping them for more sustainable alternatives. We also sort our waste into more than 20 categories onboard, and achieved a 38% 'ready to recycle' rate in 2025.

Did you know all our ships have an Environmental Officer onboard? They ensure we're complying with all local and national regulations, and educate the rest of the team on ways to be more environmentally friendly in all they do, from waste disposal to water treatment and management.

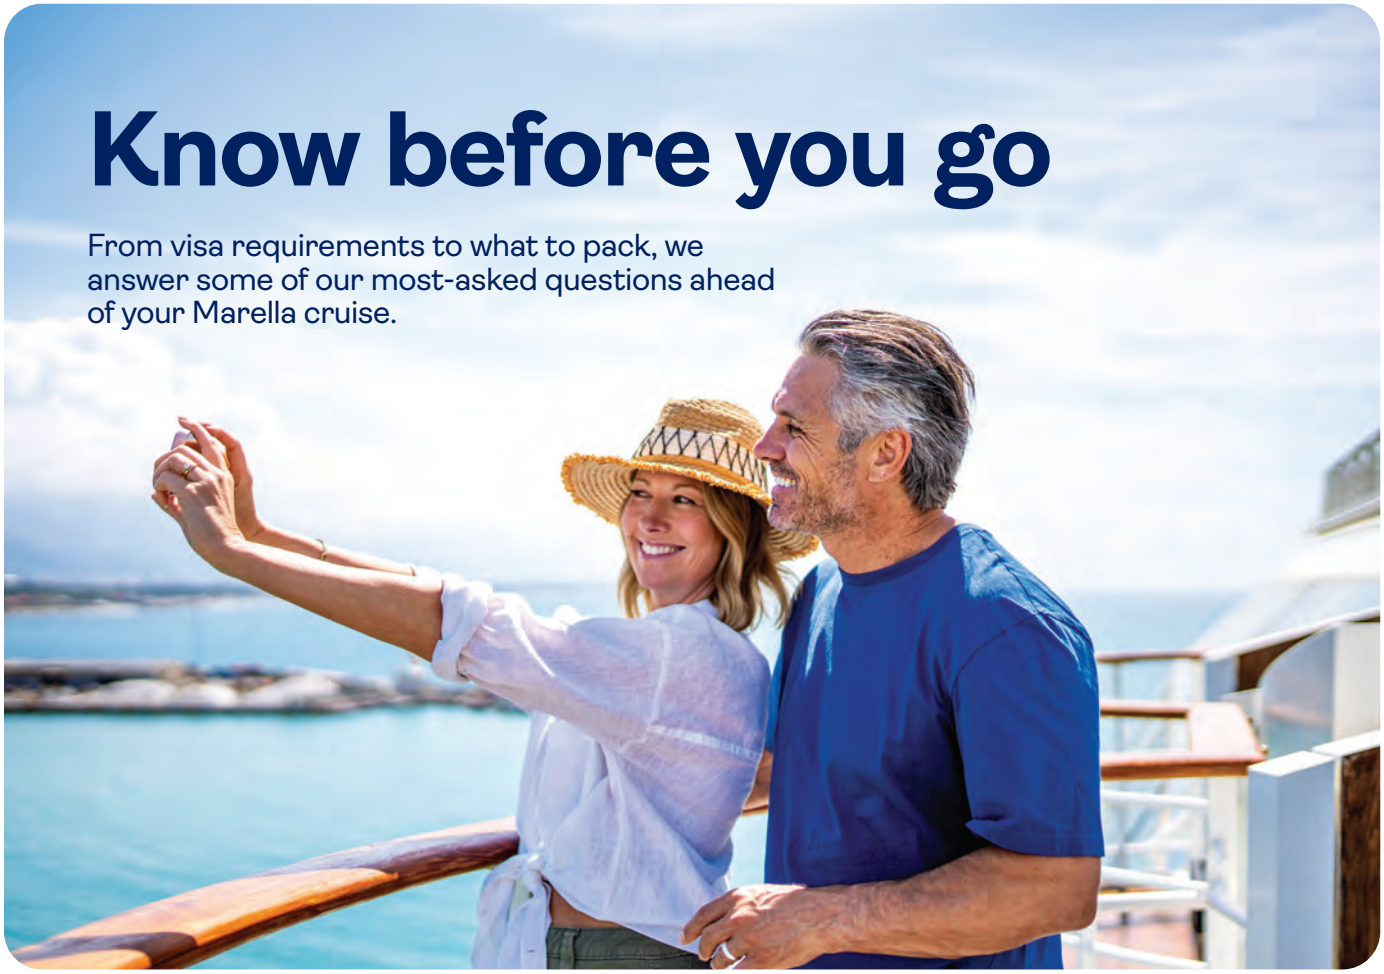

How can you help us?

There are lots of ways you can help onboard. Simple things like keeping the AC at a steady level, switching off lights when you're not using them and turning off the tap while you brush your teeth are a great place to start. Speaking of water, re-using your towels and bringing your own water bottle to make use of our refill stations can help, too.

Food-wise, be mindful of what you're putting on your plate – our buffets generate about 13% more waste than our à la carte restaurants, so only take what you can eat. Also, while you're out exploring our destinations, you can support communities by shopping and dining locally.

Know before you go

From visa requirements to what to pack, we answer some of our most-asked questions ahead of your Marella cruise.

FAQs

Q: Do I need an ESTA?

A: You'll need a visa or an ESTA for some of our sailings. If this is the case, you'll usually see the 'ESTA required' logo on the itinerary page, but if you're booking two back-to-back cruises, this may not be visible on the page so it's important to double check. If you need one, you can usually sort it out before you travel via the country's embassy, high commission or consulate website. In some countries, you can get a free visa on arrival. Remember, it's your responsibility to check passport and visa requirements for the countries you're travelling to.

Q: How do I pay onboard?

A: All of our ships have a cash-free payment system. Everything is priced in pounds sterling and is charged to your cabin account. At the end of your holiday, you can settle by cash, debit or credit card. If you decide on cash, we will ask for a £200 deposit per cabin per week.

Q: Is there Wi-Fi onboard?

A: Yes, Wi-Fi's available throughout the ship. Internet access is charged to your cabin account at the rate advertised onboard. Mobiles can be used for calls and texts, but make sure you check with your provider for charges in each country and for international waters – this applies when the ship's at sea.

What adapters should I bring?

A: Cabins on Marella Explorer, Marella Explorer 2 and Marella Voyager have both American 110 volts and European 220 volts sockets. If you are in one of our refurbished cabins on Marella Discovery or Marella Discovery 2, you will have UK plug sockets.

Q: When's the dress to impress night, and what should I wear?

A: We have one dress to impress night a week on our cruises, and it usually takes place on the evening of the day at sea. It's replaced our formal night – so it's still a great chance to get dressed up, but how dressy you go is completely up to you.

Q: What's bonded luggage and how does it work?

A: If you're flying with TUI Airways and sailing from the Caribbean, you don't need to collect your luggage at your arrival airport, as it will be delivered directly to your cabin – this is called bonded luggage. If it's available for your cruise, we'll let you know in your booking confirmation, and you'll need to print and secure your luggage label before you travel.

Q: Can I bring a travel iron onboard?

A: Yes, however if the device is determined to pose a hazard it will be removed and returned to you just before you disembark. A laundry service is available onboard the ships where you can pay for your clothes to be pressed on demand. If you've chosen a cabin with Suite Service, you get a free pressing service for up to three items during your stay.

What to pack

Packing for a cruise isn't too different from packing for a holiday on dry land. Here are a few of our top tips.

- Check the dress code for the onboard venues you want to visit to make sure you've got appropriate clothes with you – you can find the details on page 12.
- If you're planning on booking a shore excursion where religious sites are on the agenda, be sure to bring clothing that covers your legs and shoulders in case you're asked to wear it. Comfy shoes are a must, too.
- The plug sockets onboard our ships are either European or US two-pin plus, so we recommend bringing adapters for both.
- There's no need to bring towels or hairdryers, as we provide these in every cabin.
- Always keep important bits like passports, medicines and valuables in your hand luggage.

Assisted travel by Marella

We believe everyone should be able to experience the joy of cruising. Whether you have access needs or a disability – including neurodiversity and non-visible conditions – we make sure our holidays are smooth-sailing from start to finish.

Accessibility onboard our ships

Most areas of our ships are accessible, and we'll do everything we can to cater for your needs onboard. We've teamed up with AccessAble to make sure our cruises can be enjoyed by everyone. You can give our **Assisted Travel Team** a call on 0800 145 6920 for more info – they'll be able to advise you on things like ship accessibility, bringing equipment onboard, adapted facilities and medical care.

Adapted cabins

We've got a limited number of adapted cabins onboard all of our ships, featuring things like wider doors and accessible wet rooms. To book one, at no extra cost, please call our Assisted Travel Team.

Just so you know, if you plan on bringing a wheelchair onboard but don't require an adapted cabin, you'll still need to call us to let us know, as there's a limit to the number of wheelchairs we can have onboard the ship.

Excursions

Some excursions use minibuses, so you'll need to be able to get in and out of one without assistance. If you can manage the steps but need to bring a wheelchair or scooter with you, then it must be collapsible. To help you pick the excursions suitable for you, we've sorted them into four categories.

Energetic: There's sport or physical activity included

Active: There's a considerable amount of walking over more difficult terrain or a long distance, or with many steps

Moderate: There's a modest amount of walking on more difficult terrain, or relatively longer walking on easy terrain

Easy: There's a limited amount of walking on flat terrain, potentially with a few steps

If you're still unsure whether an excursion will be suitable for you, call us on 0800 145 6920 and someone from our Assisted Travel team will be able to advise you.

Dietary requirements

We'll always try to cater for specific dietary needs, and we provide vegetarian, vegan, gluten-free and milk alternatives as standard. Once you're onboard, please let the Restaurant Manager know about any dietary requirements you may have.

If you need to bring your own food for medical reasons, please let us know in advance, so we can make sure we have the correct facilities in place to store and prepare it. There may be requests we're unable to accommodate, so it's important to let us know when you book your cruise.

If you have more specific dietary needs, like particular food brands or varieties, we'd recommend you bring them with you. Please also note that we don't cater to faith diets.

Tender ports

Sometimes it's not possible to bring the ship to a dock, so we anchor a little way out and use tender boats to get you to shore. These are called tender ports. You'll need to be mobile enough to step in and out of the tender boat with minimal assistance. Unfortunately, our crew aren't allowed to lift you.

Even when we're not at a tender port, there may be a chance wheelchair and scooter users won't be able to disembark, or will be restricted to limited times when they can go ashore. This is due to tidal changes and the different gangway configurations that are needed to cope with the height differences between the quay and the ship's side.

Airports and transfers

If you need assistance at the airport, our Assisted Travel Team can arrange this for you – give them a call when you book, or no later than 48 hours before you fly. Once you get to the designated meeting point at the airport, the team there will be informed and will come to meet you.

Coach transfers are included as standard as part of our cruise packages that include flights. If you're unable to travel by coach, please reach out to our Assisted Travel Team who will be able to arrange an alternative method of transport for you.

Sailing to

Canary Islands & Madeira

These itineraries take you from the lunar-like landscapes of the Canary Islands to the flower-filled gardens of Madeira.

SAIL FROM
Santa Cruz, Tenerife and Las Palmas, Gran Canaria

DEPARTURES
November 2027 – April 2028 on Marella Discovery 2 and Marella Explorer

MAX OUT YOUR HOLIDAY
Book a **Cruise & Stay** holiday to Tenerife or Gran Canaria and you can extend your trip with three, four or seven-nights in one of our hotels or apartments.

La Palma

From its rolling mountains to its cute-and-colourful capital, the island of La Palma's pretty all over.

MUST-SEE: La Caldera de Taburiente National Park – its volcanic crater is the world's biggest.

MUST-TRY: Goats graze freely here and their milk's used to make tasty palmero cheese.

TOP TIP: Trade the beach for Charco Azul natural pool.

Funchal, Madeira

With a cobbled capital and coastal cliffs, the Portuguese isle of Madeira's sweeter than the wine it so famously produces.

MUST-SEE: Madeira Botanical Garden, where the views are almost as distracting as the flowers.

MUST-TRY: You can't leave Madeira and not try its sweet, fortified wine.

TOP TIP: Visit the village where Winston Churchill spent his days painting on our scenic Madeira tour.

Puerto del Rosario, Fuerteventura

The beaches on this Canary Island are some of the best around. Even its national park is a sea of sand dunes.

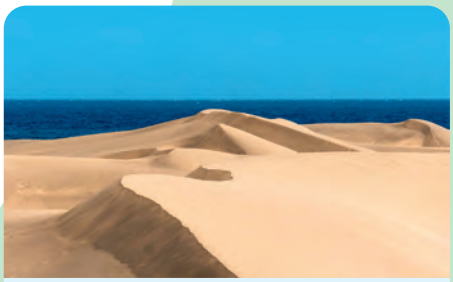

MUST-SEE: Set off on the sculpture trail in Puerto del Rosario – there are over 100 open-air artworks to see.

MUST-TRY: Churros de pescado – these type of churros are filled with fish.

TOP TIP: Peel yourself away from the beach to see the lava fields and aloe vera farms.

Las Palmas, Gran Canaria

Sandy beaches, waterparks and a bursting-with-boutiques capital... Gran Canaria's a fun-loving island.

MUST-SEE: The towering, Saharan-like sand dunes of Maspalomas.

MUST-TRY: Bienmesabe – a dessert made with almonds, which translates as 'tastes good to me'.

TOP TIP: Learn about Christopher Columbus' voyages at the Casa de Colon, in Las Palmas.

Santa Cruz, Tenerife

From its big beaches to its attention-grabbing volcano, Tenerife does things on the larger end of the scale.

MUST-SEE: Check out the Auditorio de Tenerife in the harbour – it's like their take on the Sydney Opera House.

MUST-TRY: Dip some papas arrugadas, AKA wrinkled potatoes, into mojo sauce.

TOP TIP: Travel up the world's third-highest volcano on our scenic Mount Teide tour.

Arrecife, Lanzarote

This Canary Island's been turning heads since the sixties with its beaches and fiery national park.

MUST-SEE: Timanfaya National Park's scorched valleys, craters and steaming geysers.

MUST-TRY: Anything with gofio in. It's a flour that's added to stews, coffee and desserts.

TOP TIP: Beach bunnies should book our Costa Teguise Transfer for a choice of five sandy stretches.

Sailing to

The Caribbean

Weak-at-the-knees scenery's what the Caribbean does best. And whether you fancy sprawling out on a pristine beach in the likes of Aruba or the Dominican Republic, spice shopping in Grenada, or eyeing up St Lucia's mountains, we've got you covered.

SAIL FROM
Bridgetown, Barbados and La Romana, Dominican Republic

DEPARTURES
November 2027 – April 2028 on Marella Discovery, Marella Explorer 2 and Marella Voyager

MAX OUT YOUR HOLIDAY
Book a **Cruise & Stay** holiday to the Dominican Republic or Barbados and you can extend your trip with a three, four or seven-night stay in one of our handpicked hotels or apartments.

Aruba

Antigua's capital gives you pretty creole buildings to look at, and white-sand beaches to lounge on.

MUST-SEE: The nearby Fort James Beach pairs its milky sands with sea the colour of teal.

MUST-TRY: Antigua's known for its conch – you can nab some of this fish from most eateries in St Johns.

TOP TIP: If you fancy learning about the island's history, head to the Antigua and Barbuda Museum.

Castries, St Lucia

From the Piton Mountains to beaches and rainforests, St Lucia's natural beauty is its main calling card.

MUST-SEE: Head to the old quarter to see colourful colonial buildings and a palm-lined square.

MUST-TRY: Grab a bowl of bouyon – a soup made with four different types of meat and fish.

TOP TIP: Castries is well-known for its duty-free shops, so be sure to set aside some retail therapy time.

Isla Catalina, Dominican Republic

Just off the coast of La Romana is Isla Catalina – one of the Dominican Republic's most scenic spots.

MUST-SEE: Grab some snorkelling gear and eye up the island's kaleidoscopic coral reefs.

MUST-TRY: Kick back with a cocktail on the beach.

TOP TIP: Make the most of the island's crowd-free sands – the beach is only accessible to Marella Cruises guests.

Road Town, British Virgin Islands

Everything in Road Town – the capital city of the British Virgin Islands – revolves around its quaint botanical gardens and ice-white beaches.

MUST-SEE: Stroll through the orchid greenhouse at the J.R. O'Neal Botanic Gardens.

MUST-TRY: Dine on anegada lobster tail – it's said to be the best in the Caribbean.

TOP TIP: Get to know another of the territory's islands with our Virgin Gorda tour.

St George's, Grenada

Grenada's called the Spice Isle, thanks to its plantations, farms and fruit-tree-filled parks. St George's puts you in range of them all.

MUST-SEE: Snap a selfie by the London-style telephone boxes at St George's harbour.

MUST-TRY: Sample Grenada's spices with a cone of nutmeg ice-cream.

TOP TIP: Visit a plantation, a rum distillery and a hidden waterfall on the Spice Island tour.

Basseterre, St Kitts

Dropping anchor in St Kitts' capital, Basseterre, puts picture-perfect beaches and colonial architecture at your fingertips.

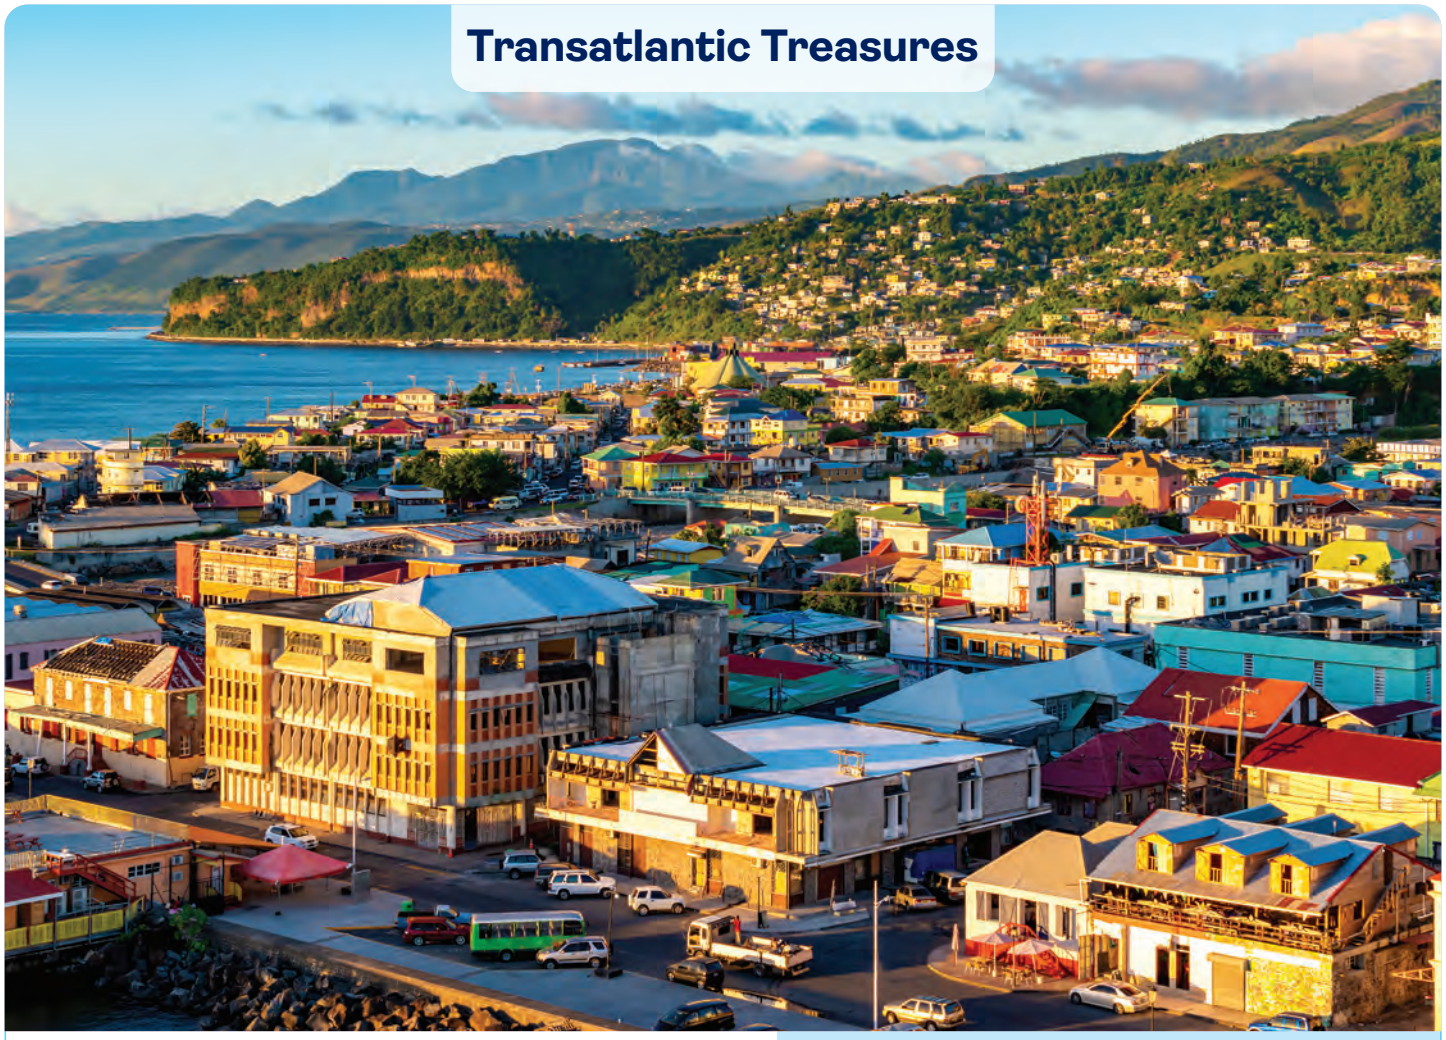

MUST-SEE: Absorb the coastal views at Brimstone Hill Fortress National Park – it's 750 feet above sea level.

MUST-TRY: Goat water, a stew made with goat meat, courgettes, onions, chillies and tomatoes.

TOP TIP: See St Kitts' pea-green countryside by train with our St Kitts scenic railway tour.

Welcome aboard Marella Discovery

A fantastic dining scene and a show lounge to rival the West End are just two of the highlights on Marella Discovery. Plus, there's something for everyone onboard, like a rock climbing wall, minigolf and an escape room.

The dress code

The onboard dress code varies for each restaurant, but you can easily break it down into Beachwear, Casual and Smart.

The first is a come-as-you-are affair, so bikinis and trunks get the thumbs up, but please wear something on your feet for safety reasons.

Casual, meanwhile, speaks for itself – we're talking tops and shorts or a sundress. We ask that you cover up when you're eating inside.

Then you've got Smart, which is when you'll need to dress up a little bit. You can wear shirts or polo shirts, trousers or tailored shorts, skirts or dresses, smart trainers, shoes or sandals, but we ask that you leave sportswear, flip-flops and non-tailored sorts in your cabin. If you want to add a jacket or a tie, that's completely up to you, but our dress to impress nights give you the chance to get really suited and booted.

The Glass House

Taste

47° CS

The main restaurant is a big, stylish venue, finished in the colours of the sea. The modern menu consists of home favourites and international flavours, and meals come with a side-order of sea views, thanks to floor-to-ceiling windows. It also hosts The Great Musical Afternoon Tea – a weekly event that brings the West End to your Marella cruise.

Gallery 47° S

You'll find this trendy Italian restaurant on the second floor of the main dining room. It's a laidback place, with no cover charge, and its designer look features a colour scheme inspired by the sunset.

The Glass House BS

This place has recently been restyled to look like a trendy beach club, complete with couple-sized Balinese beds. The food offering, meanwhile, has two personalities. By day, it deals in deli-style light bites, including rotisserie-style chicken, salads and paninis. Come sundown, the venue lines up the likes of tapas platters, sharing boards and – for a little extra – globetrotting meat skewers.

Islands C

Big buffet spreads are laid out in this restaurant, with show-cooking stations on-hand to offer things like breakfast omelettes, and carvery roasts in the evening. You can grab snacks in between meals, too.

Piccadilly's S

Piccadilly's is our brand-new British restaurant, sat in the main dining room on all ships. The menu serves up a little slice of home, with a side order of sea views.

Snack Shack B

Festival food stalls and iconic British beach huts provided the inspiration for this grab 'n' go eatery. That means you can pick up things like bacon butties for breakfast, and sweet chilli chicken wings, salads and focaccia sandwiches in the afternoon.

Activities

Minigolf

Take the whole family to the minigolf green – it's got nine holes and widescreen sea views.

Gamer Zone

This fun, interactive space has games consoles for adults and children.

Mini M Club

If you've got tots in tow, there's a dedicated space where you can go to feed and entertain them. And you can take them along to our free Babytainment classes, which pack in everything from nursery rhymes to baby ballet.

M Club

This kids' club's free and gives 3 to 11-year-olds the chance to join in with activities, like crafts and quizzes. It's split by age group during high season, with younger ones getting to meet the exclusive and colourful M Crew characters.

Hideout

Teens get their very own karaoke booth at this hangout spot, which is conveniently located by Gamer Zone.

The Wall

Brave the heights of the rock-climbing wall, and get a bird's-eye view of the ship and the ocean.

Oceans Gym

Enjoy a workout in the fleet's largest gym, before working up an even bigger sweat in the steam room.

Siren's Spell £

In this real-life room escape game, you'll need to work as a team to find clues and solve puzzles before the time runs out. This activity's chargeable.

Welcome aboard Marella Explorer

Marella Explorer's got a long list of first-class facilities to show off, including the largest spa in the fleet and a restaurant-and-bar count that reaches double digits. There's even a deck dedicated to sports and family activities.

The dress code

The onboard dress code varies for each restaurant, but you can easily break it down into Beachwear, Casual and Smart.

The first is a come-as-you-are affair, so bikinis and trunks get the thumbs up, but please wear something on your feet for safety reasons.

Casual, meanwhile, speaks for itself – we're talking tops and shorts or a sundress. We ask that you cover up when you're eating inside.

Then you've got Smart, which is when you'll need to dress up a little bit. You can wear shirts or polo shirts, trousers or tailored shorts, skirts or dresses, smart trainers, shoes or sandals, but we ask that you leave sportswear, flip-flops and non-tailored sorts in your cabin. If you want to add a jacket or a tie, that's completely up to you, but our dress to impress nights give you the chance to get really suited and booted.

Welcome aboard Marella Voyager

You're spoilt for choice when it comes to fun activities and places to eat on Marella Voyager. It brings with it a whole bunch of facilities, including a British-themed speciality restaurant, a bar with arts and crafts space, and a food hall where eight eateries are rolled into one. There's also a first-class spa, a swanky pool area and a top-of-the-line show lounge.

The dress code

The onboard dress code varies for each restaurant, but you can easily break it down into Beachwear, Casual and Smart.

The first is a come-as-you-are affair, so bikinis and trunks get the thumbs up, but please wear something on your feet for safety reasons.

Casual, meanwhile, speaks for itself – we're talking tops and shorts or a sundress. We ask that you cover up when you're eating inside.

Then you've got Smart, which is when you'll need to dress up a little bit. You can wear shirts or polo shirts, trousers or tailored shorts, skirts or dresses, smart trainers, shoes or sandals, but we ask that you leave sportswear, flip-flops and non-tailored sorts in your cabin. If you want to add a jacket or a tie, that's completely up to you, but our dress to impress nights give you the chance to get really suited and booted.

Flying with other airlines

We've teamed up with leading airlines to give you even more holiday choice.

More destinations

We know that hunting for a holiday is much easier when you've got more choice. That's why we work with over 20 other airlines, to provide you with the exact dates, airports and durations that you want. Flexible flying also means we can open to the door to a variety of holiday hotspots, from Mykonos and Kenya to the Maldives and Antigua.

TUI service as standard

While you're away, it goes without saying that the high-standard service you've come to expect from TUI will still be present and correct. Your holiday is still ATOL protected, too. And who you're flying with doesn't affect the support you'll get from us while you're away – you can get in touch with us around the clock if you need to.

Airline partners

We package up holidays with airlines we trust, as well as our own award-winning TUI Airways fleet. All the partner airlines we use have met the same rigorous international safety standards as TUI Airways.

Seats & extras

Your seat on the plane

Your seats will be allocated to you when you check in. If you're travelling with a child under the age of 12, we'll make sure they're sat with at least one adult in your party – sat with means next to, across an aisle, or in front or behind.

Select your seat

Choose your exact seats from a plan of the plane by opting for our Select Your Seat service. You can add this on at the time of booking, or afterwards.

Seat upgrades

Extra Legroom Seats give from two extra inches on your seat pitch. And Extra Space Seats come with over eight inches of extra legroom, often without a row of seats in front - so you can expect a lot more space. You can opt for either of these at the time of booking or afterwards.

*Not included if you book flights only

†The vast majority of long-haul TUI flights are on the 787 Dreamliner, but this is not guaranteed

Our agreement with you, and yours with us

We are Marella Cruises Limited, Company Number 12562788. Also TUI Ireland Limited, Company Number 02220337. The Registered Office for both is Wigmore House, Luton, England, LU2 9TN. A branch is registered in Ireland with its registered office at Victoria House, 4-6 Haddington Road, Dublin, D04 K7H2, Ireland (Branch number 902857). We'll advise which company you are contracting with before you make your booking with us. This Our Agreement sets out what we can expect from each other when you buy a holiday from us.

Booking Your Holiday

When you book your holiday you are accepting Our Agreement on behalf of everyone travelling with you. We will only deal with you, the lead name, and you must be an adult when you book. Anyone aged under 18 on your holiday must be accompanied by an adult.

When we say "you" and "your" we mean you, as the lead name, or you and everyone travelling, depending on the context.

Our Agreement, includes our A-Z Guide, the conditions of carriage of the airline or cruise operator and the provisions of international conventions (including the Warsaw, Montreal and Athens conventions) that apply to travel by air, land or sea. Please ask for a copy of any conditions applicable.

Our Agreement along with the relevant details in the booking confirmation is the entire agreement between us for your holiday.

Our Agreement is made under the laws of England and Wales. You submit to the exclusive jurisdiction of those courts. You can choose the law and jurisdiction of Scotland or Northern Ireland but only if you live there.

Providing Information

You must ensure all information you give is correct. We'll use the personal data you give us in line with our Privacy Notice. You must pass on any information we give you to everyone travelling.

You must comply with all passport, visa and other immigration requirements. Your passport and travel documents must be in good condition – you may be refused travel if they are damaged.

If you are not self-reliant or have reduced mobility (like finding it hard to walk 500 metres) you must tell us before you book and if this changes tell us at least 48 hours before your holiday.

If, because you (or anyone travelling on your booking) fail to hold the required immigration documentation (including passports, visas, ESTA/ ETA or equivalent travel authorisation), fail to meet eligibility requirements, provide incorrect or incomplete immigration/advance passenger information, or otherwise fail to comply with applicable immigration requirements, and as a direct result we (or our airline/cruise operator/ handling agent) are required to pay a charge, administrative fee, penalty, fine or other sum imposed by any government, border force, immigration authority or port/state agency which is directly attributable to that person, you agree to reimburse us for:

(i) the amount actually imposed and paid (or payable) by us in respect of that person; and

(ii) our reasonable and evidenced additional costs incurred in dealing with the matter (for example, administration and payment processing costs), capped at £50 per affected traveller.

We will, on request, provide reasonable evidence of the relevant charge and that it relates to the affected traveller. We will not seek reimbursement to the extent that the charge or costs arise from our own failure to act with reasonable care and skill or from incorrect information we have provided to you.

The Price You Pay

When you book your holiday, you must pay a deposit unless this is within 12 weeks of your holiday when you must pay in full. We'll tell you the price of your holiday and the deposit before you book. At least 12 weeks before you go you must pay the full balance. If you don't, we can cancel your holiday and charge you a termination fee.

When you book your holiday, we'll send your booking confirmation within 14 days. Mistakes can happen, so if any price on your booking confirmation, our website or our booking systems is obviously wrong, a booking made based on that price won't be valid, we can cancel it and refund you unless you want to pay the correct price. For a breakdown of what's included in your basic holiday price, see **Prices** in the A-Z.

Just so you know, you might also need to pay a tourist tax locally. We'll let you know what the approximate cost of this is before you book with us. Please also see **Taxes** in the A-Z.

Before Your Holiday

If You Change Your Holiday

Sometimes you can make changes to your holiday. The table below shows the amendment fee that we charge, which you'll need to pay together with any additional costs if the new holiday is more expensive. Where we treat your change as a cancellation, you'll pay a termination fee instead of an amendment fee. If the new holiday is more expensive you'll need to pay these fees and the difference in price.

Airlines or other transport providers can charge a fee for a change and sometimes treat a change as a cancellation. Fees can be up to 100% of the price for that part of your holiday. You must pay those fees as well as the amendment fee shown below.

When making changes, the price of your new travel arrangements will be based on the price that applies on the day you make the change. If your change means fewer adults travel, and your holiday price is based upon the number of adults, we'll recalculate the total price and the price per person may go up. This extra price isn't a termination fee. You will also need to pay the appropriate proportion of the termination fee for the adult who has cancelled. See **If you Cancel Your Holiday**.

Some elements of your holiday, such as excursions, transfers, children's activities, flight or accommodation options, room/board upgrades, late check-out rooms theme park tickets and airport parking, may be non-refundable.

You may transfer your place on the booking to someone else if you give us at least 7 days' notice in writing or by email and the new lead name accepts the transfer and the terms of Our Agreement – insurance can't be transferred. You will be responsible, together with the new lead name, for our amendment fees and any costs as a result of the change. Please note - if everyone on your booking transfers their place to someone else, our standard cancellation charges will apply.

If You Cancel Your Holiday

To cancel your holiday you must tell us as soon as possible. If you booked using a travel agency, that agency must tell us. When your holiday has been cancelled you will receive a cancellation invoice.

You must pay a termination fee which covers our administration costs and compensates us for the risk that we do not resell your holiday. The fee is based upon how long before your holiday you tell us you want to cancel and is a percentage of the total price of your holiday.

How long before your holiday you cancel	Percentage of your holiday price
70 days or more	Loss of deposit
69-63 days	30%
62-49 days	50%
48-29 days	70%
28-15 days	90%
14-0 days	100%

Even if the termination fee is lower than the deposit, your deposit will not be refunded. We may not be able to refund elements of your holiday if they are added extras.

If you are cancelling because of an unavoidable and extraordinary circumstance happening at your destination that will significantly impact the performance of your holiday or your flight to get there, you will not have to pay a termination fee and your deposit will be refunded.

If We Cancel Your Holiday

If we cancel your holiday, except where it's because you haven't paid or you have been disruptive, you can have a refund or accept a replacement holiday from us of a similar standard and price if we can offer you one. We'll also pay the compensation shown below (unless we have cancelled because of one of the reasons listed in 'Events Beyond Our Control' or where you haven't paid) and we'll refund the difference if the replacement holiday is of a lower price.

If We Change Your Holiday

We aim to give you what we promise but, as we plan our holidays a long time in advance, sometimes things can change. We can make a change at any time but will let you know before your holiday if there's time.

Flight times given are for guidance only – your actual times will be shown on your e-ticket. Check that carefully when you receive it. Aircraft type can change and some facilities such as entertainment or advertised seat pitch may not be available. If we can't provide a seat option, we'll refund the price you paid for that option.

Occasionally, we may have to make a major change to your holiday such as a change of destination, a downgrade of your accommodation by one full star rating, a change in flight time by more than 12 hours or a change of UK departure airport. A change in flight time that we need to make within 24 hours before you are due to fly is not a major change unless the time changes by more than 24 hours.

If we tell you about a major change after you book your holiday, you can accept the new arrangements offered by us; or accept a replacement holiday from us of the same or similar standard and price at the date of the change (we'll always refund the difference in price if the replacement holiday is a lower price at the date of the change), if we are able to offer you one; or cancel your holiday with us and receive a full refund.

If we make a major change, and you choose to cancel your holiday and receive a full refund, we'll pay the compensation shown in the following table, unless the change is because of an event beyond our control. Any compensation payable is based upon how many days before your holiday departure we tell you about a major change. We'll pay 50% of the compensation for each person who paid a child price. No compensation will be paid for free child places.

Our agreement with you, and yours with us

How long before your holiday we tell you about a major change	Compensation per person
84 days or more	0
83-29 days	£25 / €30
28-15 days	£35 / €40
14-8 days	£50 / €50
7-0 days	£100 / €100

Events Beyond Our Control

Examples of events beyond our control are: war, threat of war, riots, civil disturbances, terrorist activity or its consequences, industrial disputes, any failure to secure relevant flying rights, natural or nuclear disasters, fire, health risks, unavoidable and unforeseeable technical problems with transport, closed or congested airports or ports, actual or potential severe weather conditions, the imposition of sanctions or other Governmental action and any other similar events.

On Your Holiday

Behaviour

Only you can use your accommodation. You must not let anyone else stay there. You are responsible for any damage to your accommodation or its contents during your holiday.

We can refuse to accept you on your holiday or continue dealing with you if we, or someone in authority, believe your behavior (by any form of communication or in person) is disruptive. The Captain of your aircraft or ship can restrict your movements on board or remove you.

If you are disruptive and stopped from boarding your flight from the UK, or disruptive during your flight, we'll treat your booking as cancelled by you at that moment. If you are disruptive on your holiday we can remove you from your accommodation and you will be responsible for your own return home and for any other members of your group who cannot or will not travel without you. You will not be entitled to a refund in either case and we will not provide compensation or meet any costs or expenses.

If you are disruptive you will be responsible for any damages, costs and expenses (including legal expenses) incurred as a result. This can include cleaning, repairing or replacing property lost, damaged or destroyed by you, compensating any passenger, crew, staff or agent affected by your actions and diverting the aircraft or ship for the purpose of removing you.

Disruptive behaviour includes being threatening or abusive, damaging property, upsetting, annoying or disturbing any other traveller, our staff or agents or putting any of them in danger.

Excursions

We may introduce you to suppliers of excursions or other services. If you buy one of these, you'll be contracting with the supplier directly; we act only as an agent and have no liability for the performance of that contract. Our Agreement doesn't apply to any contract for excursions or other services.

If Things Go Wrong on Your Holiday

You benefit from the rights applying to packages under The Package Travel and Linked Travel Arrangements Regulations 2018. We are responsible for all the travel services included in your holiday. If any of them isn't provided as we agreed, we'll pay you compensation, if appropriate, unless it's due to an event beyond our control (see **Events Beyond Our Control**), is your fault or is caused by a third-party.

If you are in difficulty on your holiday we'll help by providing information on health services, local authorities and consular assistance. We'll help you make phone calls, send emails or make alternative travel arrangements. You must pay any costs we incur if the difficulty is your fault.

If You Have A Complaint

It is very rare for things to go wrong. If they do, you must tell the supplier in question (e.g. the hotel) and our representative straight away so they can solve the issue. If our representative isn't available, you should contact our TUI Experience Centre which is open 24/7. If you're still not satisfied, contact After-Travel Customer Support within 28 days of coming home so we can investigate. Contact details are in the A-Z Guide.

We follow ABTA's Code of Conduct and usually solve any issues but you can use ABTA's ADR scheme for resolving disputes at www.abta.com.

If You Booked In The Republic of Ireland...

a) If the consumer wishes to make a complaint in relation to a holiday, they must immediately inform the organiser's representative at the location where the consumer is when the complaint arises, thereby giving the organiser reasonable opportunity to rectify any matters, and shall complete a form setting out the details of the complaint. If the consumer fails to comply with such requirements, the organiser shall be entitled to recover the cost from the consumer of any additional expense incurred by it in carrying out subsequent investigation of a complaint, which is found to be unjustified,

b) Notwithstanding section a), the consumer shall be obliged to notify the organiser, in writing, of any complaint not less than 30 days after his return to the port of departure, or termination of the holiday, whichever is the earlier. Any complaint received after this period will not be entertained.

c) Any dispute or difference of any kind whatsoever which arises or occurs between any of the parties hereto in relation to any thing or matter arising under, out of, or in connection with this contract shall be referred to arbitration under the Arbitration Rules of the Chartered Institute of Arbitrators - Irish branch. In accordance with the Arbitration Acts 1954 and 1980, the determination of the arbitrator as to factual matters in dispute and such award as he may make are final. Neither party has a right to appeal, except to the High Court on a point of law.

d) Alternatively, claims for less than €2,000 per booking may be pursued through the Small Claims Court.

e) The contract arising from any confirmed holiday booking is to be interpreted under, and is subject to, the laws of the Republic of Ireland.

f) All holidays in this brochure are operated by TUI Holidays Ireland Limited, trading as Marella Cruises. The acceptance of service of proceedings is at TUI Holidays Ireland Limited, trading as Marella Cruises, Victoria House, 4-6 Haddington Road, Dublin, D04 K7H2, Ireland.

g) If you made your booking online you can also access the European Commission Online Dispute Resolution (ODR) platform at http://ec.europa.eu/consumers/odr/.

Personal Injury

Your holiday is made up from services provided by suppliers who follow local standards. Overseas safety standards are generally lower than in the UK.

If anyone travelling suffers injury, illness or death because of the services provided as part of your holiday, you must tell us and the supplier involved about it and complete a report at the time.

After your holiday you can contact After-Travel Customer Support. It must be no more than 3 months after you come home so we can investigate properly. Contact details are in the A-Z Guide.

Protecting Your Money

We provide security for the money you pay for your holiday and to bring you home in the event we become insolvent. When you buy a holiday from us that includes a flight, we do this by way of an ATOL (number 2524 for holidays booked through TUI; 11878 for holidays booked through Marella Cruises) which is managed by the Civil Aviation Authority, Gatwick Airport South, RH6 0YR. We also place a bond held by ABTA (V5126 for holidays booked through TUI; Y6722 for holidays booked through Marella Cruises), 30 Park Street, London, SE1 9EQ, for holidays that do not include flights.

We've tried to write Our Agreement clearly. Unfortunately, the ATOL rules make us include the next three paragraphs exactly as they're written.

Your Financial Protection

When you buy an ATOL protected flight or flight inclusive package from us you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong

We, or the suppliers identified on your ATOL Certificate, will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where neither we nor the supplier are able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable).

If we, or the suppliers identified on your ATOL certificate, are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.

Where your holiday is protected under the ABTA scheme, you agree to accept that in the event of our insolvency ABTA may arrange for the services you have bought to continue, or for a suitable alternative to be provided at the same cost as your original holiday. You also agree to accept that in circumstances where the travel service provider provides the services you have bought, you agree to pay any outstanding sum under your contract with us to that alternative travel service provider. However, you also agree that in some cases the services will not be provided, in which case you will be entitled to make a claim under ABTA's Scheme of Protection (or your payment card issuer where applicable) for a refund of the monies you

have paid. All money you pay to a travel agent for your holiday is held by that agent on behalf of and for the benefit of the Trustees of the Air Travel Trust at all times but subject to the agent's obligation to pay it to us for so long as we do not fail. If we do fail, any money held at that time by the agent, or subsequently accepted from you by the agent, is and continues to be held by that agent on behalf of and for the benefit of the Trustees of the Air Travel Trust without any obligation to pay that money to us.

A-Z guide

We understand the smallprint is the last thing anyone wants to read. But we believe it's really important to be clear in the information we give you. This A-Z outlines to what extent we would be liable, if at all. If any part of this guide isn't valid or can't be enforced, the rest will still apply. Not everything here will apply to you but a lot of it will so you'll need to read this guide before you book. You'll also need to read Our Agreement With You and Your Agreement With Us. Together, they explain every aspect of your holiday. If you need information in another format please contact our Assisted Travel Team on 0800 145 6920. Lots of our customers choose to add a hotel stay to their cruise. With that in mind, this guide covers both the cruise element, as well as the 'stay' part, so all the information's in one place. We make it clear when we're talking about a ship, rather than a hotel.
In line with EU regulations, we need to let you know who you'll be flying with, as your holiday package flights may not be with TUI. You'll see which airline is included in your package as part of your booking journey, and we'll also let you know who the airline is when we send your tickets. If there are changes after that point, we'll tell you before you check in or at the boarding gate.
When you come across anything to do with flights in this guide, we'll usually be talking about flights with TUI Airways. So if you're flying with another airline, you'll need to check their conditions, too. From time to time, we need to change airlines or plane types but this isn't classed as a 'Major Change' to your holiday.

A

Accuracy

We published this brochure in October 2026. Our prices and information were accurate on that date but they may have changed since then. We always check our properties regularly to make sure we're giving you accurate information and we'll tell you of any changes we know about when you book. If you've already booked, we'll tell you about any major changes we're aware of as soon as we can. Bear in mind public holidays and religious festivals affect whether or not facilities are available. Also, it may be the case some facilities aren't managed directly by the hotel and they could close without notice. Please see **Itineraries** for more details.

Adults-only Cruises

The **Marella Explorer 2** and **Marella Discovery 2** are both adult-only ships. We will only accept bookings for guests aged 17 and above on these ships, and on the following sailings on other ships:

Marella Discovery
- Voyage to the Tropics - 16th November 2027
- Atlantic Sunrise - 14th March 2028

Marella Explorer
- Country Rhythms - 11th November 2027
- Sail into Spring - 24th April 2028

Marella Voyager
- Ocean to Islands - 7th November 2027
- Atlantic Horizons - 23rd April 2028

If you're combining two seven night itineraries to make a 14 night cruise, bear in mind the second week may not be adults-only. Please check the dates before you book.

Our crew policy allows family visits, even on our adults-only sailings. To ensure we're mindful of other guests, visits are limited, access to guest areas is restricted and children are always supervised.

Adult Properties

These are hotels that cater really well for adults in terms of facilities and destination. They include our adult only TUI BLUE hotels, and Exclusively for Adults ranges, where the minimum age is 16 or 18. You must not book children to stay at any of these hotels under any circumstances as bookings for children will not be accepted.

Advanced Passenger Information

You, and all members of your party, must tell us certain information that we'll send to government authorities and border control and security agencies for the purpose of immigration, security and counter terrorism. This is known as Advanced Passenger Information, or APIS. It may also be referred to as E-borders in the United Kingdom.

The information you must provide will include, but not be limited to, your full name - as shown in your passport or travel document, gender, date of birth. travel document type, number, country of issue and expiry date. You must provide this information to the airline between 6 months and 24 hours before departure. For TUI Airways flights you can do this by visiting https://flightextras.tui.co.uk or by calling 0203 451 2706. Calls from UK landlines cost the standard rate, but calls from mobiles may be higher. Check with your network provider. You'll need your booking reference number, the lead passenger's surname and your date of departure to access the site.

Age Ranges

No under-18s can travel on their own. For ports of call such as the US Virgin Islands, the minimum age to travel alone is 21 and over. For our hotels and cruises, 2 to 12-year-olds are classed as children, unless we say otherwise. Infants under 6 months can't travel on our cruises.

Air–conditioning

This may depend on the time of year and be subject to hotelier discretion. You may have to pay for it when you get there. All our ships are air-conditioned and you won't need to pay any extra, but please note the air conditioning onboard is a centralised system - you will be able to adjust the temperature but it is not possible to turn it off.

Airline Rules

Charter airlines aren't allowed to carry certain nationals to and from their country of origin. This is due to licensing law restrictions with overseas aviation authorities. The current licensing laws, as of 15th November 2010, do not allow TUI Group airlines to carry nationals of the following countries on their operating routes – Brazil, Kenya, and Morocco. Some other restrictions also apply...
- Egyptian nationals, with official residence in the UK, can only travel on inclusive tour package arrangements, except when travelling to Sharm El Sheikh on a scheduled flight.
- Indian and Turkish passport holders can only travel on inclusive tour package arrangements. Please check with your embassy or consulate before you book.

Airport Lounges

You can pay for airport lounge access after you've booked, subject to availability. You can do this via a TUI Holiday Store, Manage My Booking or by logging into your Customer Account.

Alcohol

During your flight with us and outside of your ship cabin once onboard, you can only drink the alcohol that our staff serve you. During embarkation we have the right to search luggage and hold any alcohol that we believe has not been purchased on your flight. We'll only do so if we think it's necessary, but please retain your proof of purchase just in case. Any alcohol that is not permitted onboard will be returned to you on your departure. The minimum drinking age on our ships is 18, or 21 when in U.S waters.

All Inclusive onboard the ships

On all our ships everyone receives our standard All Inclusive package. All Inclusive drinks include selected draught and bottled beers, spirits, aperitifs, cider, soft drinks by the glass, house wine, house Prosecco, selected hot drinks and a range of cocktails. Some branded spirits and premium drinks such as Champagne, malt whiskies, bottled beers, speciality coffees, bottled water and some premium hot drinks aren't included.
Drinks are available from all bars, lounges and restaurants.
If you order drinks between 2am-10am, it'll be charged to your onboard account – except for drinks from The Coffee Port, which is included from 7am. Please see **Alcohol** for details on the minimum drinking age onboard.
We reserve the right not to serve alcohol to customers onboard when we believe that they are likely to be a danger to themselves or other passengers onboard the ship. The All Inclusive package only applies when you're on the ship and doesn't apply to hotels on Cruise & Stay or Stay & Cruise holidays.
The following dining venues and facilities are included in the All Inclusive package;

**Some dishes are excluded from the standard All Inclusive offering.*
*** Some facilities need to be booked onboard and there may be time limits or age restrictions.*

The safety deposit box in your cabin is included.
You'll need to pay for extra such as reserving your cabin number, telephone calls, excursions, certain activities including bingo and behind-the-scenes tours, use medical facilities, shuttles buses, casino, WiFi, spa access and treatments, room service and speciality restaurants.

All Inclusive Package - Premium Upgrade

You can upgrade to our premium drinks package at the time of booking or onboard all of our ships. You'll get all the drinks included in the standard All Inclusive package, as well as upgraded cocktails, premium gins, vodka, rums and tequilas, more choice of whisky and brandy, and premium Lavazza coffees. Just so you know, global supply challenges can impact our stock levels from time to time. If your favourite drink isn't available, our friendly bar team will be on hand to recommend alternatives.
You can enjoy premium drinks without upgrading to our Premium All Inclusive package. Simply purchase them individually, and the cost will be charged to your onboard account. Prices are shown in our onboard menus. Drinks served after 2am and before 10am are NOT included in either the All Inclusive or Premium All Inclusive package, and will be charged to your onboard account. With the exception of non-alcoholic hot and iced, coffee-based drinks from The Coffee Port, which are available to order from 7am.
The minimum drinking age on our ships is 18, except when sailing in U.S. waters, when the minimum drinking age is 21. The premium All Inclusive package only applies when you're on the ship, and doesn't apply to hotels on Cruise & Stay or Stay & Cruise holidays. All passengers on the booking must upgrade to Premium All Inclusive. Children 12 years and under can upgrade to the Premium All Inclusive offering for free.

All Inclusive Hotels

You may need to wear a wristband or carry some ID to get the benefits of your package. For a full description of what's included, check the hotel description. Times for inclusive drinks, meals and snacks vary. Your All Inclusive package may not include bottled water, imported drinks, à la carte meals, or some speciality dishes. Some restaurants expect you to reserve a table and will be subject to availability. Not all bars and restaurants operate on an All Inclusive basis. Also, there may be cash bars once All Inclusive bars close. Bear in mind, under-18s won't be served alcohol. You should also be aware that we, and the hotels, may confiscate wristbands and IDs from guests who abuse the All Inclusive benefits. You may be charged for motorised sports, and there are time limits or age and experience restrictions on some of these activities. You may have to pay a deposit to hire equipment. Things like classes and beauty treatments may be included in the price but there'll be a limit on how many sessions you can take. Safety deposit boxes may not be included and you'll need to pay for things like telephone calls and excursions. All Inclusive packages end when you check out of your room. In some cases you can pay to keep using the facilities. If there's a delay to your flight home and you have to spend extra time in the resort, any refreshments will be in line with the airline's instructions – not the board basis of your hotel. You may also find timings change for things like happy hours in bars and dining times.

Amenities

On our cruise ships, there may be a temporary loss of power from time to time because power is generated onboard, and toilets onboard use a vacuum system.

Artist Impressions

These, together with any computer-generated images, are there to give you an idea of how the property or ship will look – they're not replicas of the finished building or ship.

Assisted Travel

Making sure your wellbeing is looked after at all times while you're onboard is really important to us. If you need help with daily tasks, like using the bathroom, eating, or moving around the ship, you'll need to travel with a companion or a personal assistant who can help you. Unfortunately, our crew aren't able to help with these kinds of responsibilities.
If you're travelling alone – or your travel companion can no longer help you – and it becomes clear to us that your wellbeing is at risk, we'll have a chat with you about your options regarding your cruise, and help plot the next course of action.
If you suffer with dementia, Alzheimer's, or need a carer to help you at home, you'll need to travel with a companion or a personal assistant during your cruise holiday – this is to make sure that you're safe and that your wellbeing is looked after at all times.
If you're planning a cruise and have a disability, use a wheelchair, have special dietary needs, a sensory impairment or are undergoing medical treatment, you must let us know when making your booking. Failure to do this may result in you being refused boarding on arrival at the ship. Our ships have fully equipped medical centres, but they're not designed for extensive or continuing treatment of existing conditions.
We don't have wheelchairs available to hire onboard. If you need a manual wheelchair or a mobility scooter, please bring this with you. You can use both manual and electric wheelchairs onboard our cruises, but we do have a limit on the number we can carry for safety reasons. Due to health and safety regulations, our crew are restricted in the maximum weight they're allowed to lift. This means we're unable to accept any wheelchairs or scooters that don't break down into pieces, with a maximum weight of 32kg per individual piece. See **Wheelchairs** for more details.
Some properties have things like ramps and specially adapted rooms - please call our Assisted Travel Team for more information.

B

Baby & Tots Club

These are available at selected TUI BLUE hotels, Sensatori by TUI BLUE resorts, and selected properties with TUI Kids' Clubs - but unfortunately not on our cruise ships.
There is always a minimum of one NNEB, CACHE or equivalent qualified staff member present. Trained staff look after under-threes for two-hour sessions. Sessions in Baby & Tots Club are at an additional charge and can be booked in advance.
Bear in mind, wherever the Baby & Tots Club, if your child's ill, they won't be accepted in the club. Also, you'll need to supply your own nappies and prepared feeds.
We can't guarantee standards at Baby & Tots Club that aren't run by us.
If you're staying in one of our selected TUI BLUE hotels or Sensatori by TUI BLUE resorts, you can book baby equipment including cots, strollers, highchairs and sterilisers. They are available to book before travel, or you can when in resort, subject to availability.

Balconies

If the description refers to a French or Juliette balcony, this means that your room will have glass doors but you won't necessarily be able to go out onto the balcony as it'll be shallow in depth. If you're on the ground floor, you'll get a terrace instead of a balcony, even if it says 'BL' or 'balcony' on your confirmation. Health and safety restrictions mean some hotels or apartments may not put you on a high floor if you have small children. Even if you're on a low floor, never leave your children unattended on your balcony.

Banned Airlines

To improve safety, the European Commission has banned some airlines from operating in European airspace. In line with EU directive (EC) no. 2111/2005, Article 9, we need to make you aware of the list of banned airlines. To view the list of airlines that are subject to an operating ban within the European Community, visit https://transport.ec.europa.eu/transport-themes/eu-air-safety-list_en.

Beaches

When you're on the beach, make sure you check any flag warning systems and take local conditions into account, particularly things like tides and undercurrents. You'll also need to supervise children at all times as most beaches won't have a lifeguard. You may find that public beaches are closed at certain times, particularly in low season. Beach closures are carried out by local authorities so are beyond our control. One more thing, you may need to pay to use some beaches.
Some beaches in Mexico and the Caribbean may experience an increased level of seaweed from time to time. This is known as sargassum, and is a natural occurrence which can change on a daily basis influenced by weather patterns and sea currents. Hotels which are affected work hard to clear the seaweed so you can continue to enjoy the beach during your holiday. The situation can change day to day due to nature, wildlife and local laws.

Building Work

From time to time, building work is unavoidable, particularly where hotels are open all year round, and it can be noisy. If we're aware of any work, we'll let you know as soon as possible if we think it'll affect your holiday. This can be difficult as we don't control the work and we're not always told when it'll happen and how long it will last. But if we think it'll have a significant effect, you'll have the option of a refund or an alternative holiday, as outlined under 'Major changes to your holiday' in Our Agreement With You.

Bungalows

If the description of your accommodation refers to bungalow, this means that you may be located in an accommodation block within an annexe building separate from the main building which may not necessarily be single storey or detached.

C

Cabins

Deck plans, floorplans and photographs are provided as a guide. The size, layout and décor of the cabins may differ slightly from those shown. Generally speaking, cabins are smaller than hotel rooms, and extra berths are usually upper bunks that are accessible via a short ladder. Please bear in mind cabins with extra berths are not necessarily larger. Cots are available, too – see **Cots**.

Personal grooming items such as hairdryers, travel irons, curling tongs, hair straighteners and shavers are permitted when used with caution. However, if such devices are determined to pose a hazard, they will be removed and returned on the last day of the cruise prior to disembarkation.

If you have more than one cabin that is adjacent or opposite to each other, then children up to 13 must be accompanied. If the cabin is separate then under 18's must be accompanied. For ports of call such as the U.S. Virgin Islands the minimum age to travel alone is 21.

We have a limited number of cabins that have been adapted for passengers with reduced mobility – see **Assisted Travel**.

Cabin Reservations

You can book a particular cabin number up to 15 days before you travel. Bear in mind, there's always some background noise on a ship. This may be louder when manoeuvring - turning the ship around, for example, or in bad weather. Cabins in the centre of the ship, and on higher decks, tend to be less affected. You can select a specific cabin number at the time of booking. Or, once you've booked your cruise, simply call us to request a cabin number. You can reach us on 0203 451 2688 8am to 8pm Monday to Friday, 9am to 6pm Saturday and 10am to 5pm Sunday. Calls from UK landlines cost the standard rate, but calls from mobiles may be higher. Check with your landline provider. We'll confirm your cabin number over the phone. The price to select and pre-book your cabin is £85/€90 from May 2027 - April 2028, and £89/€99 from May 2028 - October 2028. Some cabins can't be booked and they all depend on availability. If for any reason we can't give you your reserved cabin we'll move you to a suitable alternative and refund your booking fee on board. Please note that ships often sail at full capacity and we will be unable to move cabins if this is the case. You can cancel your cruise if the cabin you wanted isn't available but you'll need to pay the normal cancellation charges. We set these out in Section 12 of Our Agreement With You. We don't class a change to the cabin you've booked as a 'Major Change' to your holiday. Some cabins qualify for extra benefits – see **Suite Service**. Please note that views from certain cabins may be obstructed by lifeboats.

Cabin Supplements see Supplements

Celebration of Vows

The items that are included in the package are subject to availability. Further information can be found at tui.co.uk/destinations/info/marella-vow-renewal, or please contact us for more details – the number you need is in the Getting In Touch section at the end of this guide. It is also possible to book this onboard, subject to availability.

Check-in for your Flight

We recommend you arrive at the airport at least two hours before your scheduled departure time. For flights over seven hours, it's three hours before. Regardless of the length of your flight, you need to have completed check-in at least an hour before departure. UK airlines need to carry out enhanced security screening from certain destinations for return flights to the United Kingdom. If this applies to your flight, you'll be told whilst you're on holiday as it may mean that you need to check in a bit earlier. You might need to be at the boarding gate earlier, too. If we think you may be under the influence of alcohol or pose a threat to passengers or crew, you won't be able to fly. The same applies if you smoke, use insulting or abusive words before or after you board. If that happens, we won't be responsible for your holiday arrangements and we won't give you a refund, pay compensation, or cover any other costs. We may even seek compensation from you for any loss caused by your behaviour. This includes having to divert the plane. It's also a criminal offence to cause disruption on board, so you may be prosecuted. Airlines may also share details about your behaviour with other airlines, which could affect your future trips.

Online Check-in for your Flight

You'll be allocated your seats when you check in online. If you don't like the seats allocated, you can pay to select your seat. Sometimes we may need to change the seat allocated to you for operational or safety reasons or for persons with reduced mobility. Boarding cards must be printed on A4 paper and be clearly legible with no rips or tears. You must drop off your bags before bag drop closes, 45 minutes before your flight time. Just so you know, if you choose not to use our online check-in service, we reserve the right to charge a fee for airport check-in.

Check-in for Your Accommodation

Check-in time is usually 3pm to 4pm. Depending on when your flight arrives, you may miss a meal if you've booked All Inclusive, Half or Full Board. If your flight arrives late at night, this is classed as the first night of your holiday and your room will be ready when you arrive. If you arrive in the early hours of the morning the day after your flight departed, your room may not be available until the hotel's normal check-in time.

Check-in for your Ship

You'll be able to board the ship as soon as your coach or taxi from the airport or hotel arrives in the port. If you've opted for a 'cabin-only' holiday, it means you've just booked the cruise part with us and you'll need to organise your own flights and transfers from the airport to the ship. Check-in is from 2pm to 2 hours before the ship sets sail. See **Onboard Accounts** for more details on checking in.

Online Check-in for your Cruise

We ask you to check in for your cruise prior to travel at www.marellacruisecontrol.co.uk. This includes adding your passport information and emergency contact details. You will then be able to print your luggage tags.

Check-out for your Accommodation

On the last day of your holiday, you'll usually have to leave your room by mid-morning or noon. You may be able to keep your accommodation for longer, but there could be a charge. Depending on the time of your flight, you may miss a meal at your hotel. Also, you might not be able to use some of the facilities or the full All Inclusive package.

If your flight leaves on or after midnight, you'll have to check out of your hotel room by midday the previous day. There'll usually be a courtesy room or apartment available for you where you can change and leave your bags until it's time to leave. You can pay for a late check–out room, which are normally available until 6pm that evening. The hotel will allocate them on a first–come, first-served basis. You may be able to stay in the room you've had during your holiday, but you may have to move to another. The rooms will only be for you and your group to use, and will have beds and a private bathroom. Late check–out only covers the use of your room. If you're on a Stay & Cruise holiday you won't be able to use a late check-out room at your hotel as your transfer will arrive to take you to the port.

Check-out for your Cruise

You need to leave your luggage outside your cabin the night before you leave – by 2am. On disembarkation day, you need to be ready to leave your cabin by 8am to 9am. We'll take you to the airport in good time for your flight home. Until then, you can stay on the ship. Courtesy cabins will usually be available so you can freshen up before you leave, but if you want to guarantee a cabin you can pay extra to check out later. You'll need to book this with Reception during your cruise. You may also have to move to a different cabin.

Child Prices

Our child prices are subject to availability and only apply when a child shares with two full-fare-paying passengers. We set a limit on our child prices, and we have a limited number of cabins with extra berths for children, so you should try to book early. You will also need to pay an air fare fee of £80 for long haul, £55 for mid haul and £45 for short haul flights for an infant under 2 years old on the date of return travel. This will be included in your total holiday price when booking. Prices may vary in Euros. If any children in your group turn 13 after you've booked but before - or during - your holiday, they'll need to pay the adult price, plus the amendment fee. Children count towards group offers as long as they're paying the adult fare and will pick up any applicable occupancy discounts. You don't pay cabin supplements for children when a child price applies. But you will pay full deposit, flight fare, extra facility, hotel room and board supplements, and insurance premiums for any children who use the reduced price.

Child Protection

We believe we have an important role to play in protecting children's rights everywhere. Our child protection policy applies both in the UK and abroad. We train our resort staff to identify situations where children may need protection and report them to the relevant organisations. We're signed up to the Child Protection Code www.thecode.org. This independent organisation monitors and supports our child protection activities. If you suspect any child is at risk on your holiday, please tell your Holiday Advisor or call Crimestoppers, anonymously, on 0800 555 111.

Conditions Of Carriage

Certain rules and regulations apply to air and sea travel. These are set out in the Montreal Convention for air, and the Athens and London Conventions for sea. By law we need to give you these in 'legal speak' to avoid any misinterpretation. For full details of the cruise conditions of carriage go to https://www.tui.co.uk/destinations/info/cruise-conditions-of-carriage. We can supply a full copy of both if you ask us to.

Montreal Convention

This is a notice required by European Community Regulation (EC) No. 889/2002.

Air carrier liability for passengers and their baggage

This information notice summarises the liability rules applied by Community air carriers as required by Community legislation and the Montreal Convention.

Compensation In The Case Of Death Or Injury

There are no financial limits to the liability for passenger injury or death. For damages up to 100,000 SDRs (approximately £96,000/€119,604), the air carrier can't contest claims for compensation. Above that amount, the air carrier can defend itself against a claim by proving that it wasn't negligent or otherwise at fault.

Advance Payments

If a passenger is killed or injured, the air carrier must make an advance payment, to cover immediate economic needs, within 15 days from the identification of the person entitled to compensation. In the event of death, this advance payment shall not be less than 16,000 SDRs (approximately £15,360/€19,137).

Passenger Delays

In case of passenger delay, the air carrier is liable for damage unless it took all reasonable measures to avoid the damage or it was impossible to take such measures. The liability for passenger delay is limited to 4,150 SDRs (approximately £3,980/€4,959).

Baggage Delays

In case of baggage delay, the air carrier is liable for damage unless it took all reasonable measures to avoid the damage or it was impossible to take such measures. The liability for baggage delay is limited to 1,000 SDRs (approximately £960/€1,196).

Destruction, Loss Or Damage To Baggage

The air carrier is liable for destruction, loss or damage to baggage up to 1,000 SDRs (approx. £960/€1,196). In the case of checked baggage, it's liable even if not at fault, unless the baggage was defective. In the case of unchecked baggage, the carrier is liable only if at fault.

Higher Limits For Baggage

A passenger can benefit from a higher liability limit by making a special declaration at the latest at check-in and by paying a supplementary fee.

Complaints On Baggage

If the baggage is damaged, delayed, lost or destroyed, the passenger must write and complain to the air carrier as soon as possible. In the case of damage to checked baggage, the passenger must write and complain within 7 days, and, in the case of delay within 21 days, in both cases from the date on which the baggage was placed at the passenger's disposal.

Liability Of Contracting And Actual Carriers

If the air carrier performing the flight is not the same as the contracting air carrier, the passenger has the right to address a complaint or to make a claim for damages against either. If the name or code of an air carrier is indicated on the ticket, that air carrier is the contracting air carrier.

Time Limit For Action

Any action in court to claim damages must be brought within two years from the date of arrival of the aircraft, or from the date on which the aircraft ought to have arrived.

Basis For The Information

The basis for the rules described above is the Montreal Convention of 28 May 1999, which is implemented in the Community by Regulation (EC) No. 2027/97 (as amended by Regulation (EC) No. 889/2002) and national legislation of the Member States.

Athens Convention

Your cruise is subject to the terms and provisions of the Athens Convention relating to the Carriage of Passengers and their Luggage by Sea 1974 ("the Athens Convention"), the London Convention of Limitation on Liability for Maritime Claims 1976 ("the London Convention") and Regulation (EC) 392/2009 on the liability of carriers of passengers by sea in the event of accidents ("the Regulation"). The Athens Convention and Regulation are expressly incorporated into these Conditions and any liability we may have for death or personal injury or for loss of or damage to luggage (including vehicle), or loss of or damage to specific/mobility equipment for Passengers with Reduced Mobility arising out of carriage by sea shall be determined accordingly. In most cases, the Athens Convention and Regulation limit the carrier's liability for death or personal injury, or loss of – or damage to – luggage and specific/mobility equipment for Passengers with Reduced Mobility and make special provision for valuables. It presumes that luggage has been delivered undamaged to the passenger unless written notice is given to us (as carrier) either (i) in the case of obvious damage, before or at the time of leaving the ship or when the luggage is returned to the passenger, and (ii) in the case of damage which is not obvious or if the luggage, or part of it, is lost, within 15 days from the date of leaving the ship or from when the luggage was – or should have been – returned to the passenger. Any damages payable by us and/or the ship owner up to the limits provided by the Athens Convention shall be reduced by the maximum deductible specified in Article 8.4 of that Convention. In no circumstances shall we – or the ship owner – be liable in respect of consequential loss and damage, detention, delay or over-carriage, howsoever caused. In cases of death or personal injury in the event of a shipping incident, where compensation is payable by the carrier, the carrier may make an advance payment up to the limits provided by and in accordance with the Regulation. Insofar as the cruise may be performed on a ship not owned by us, it is agreed that we shall at all times nevertheless be deemed a ship owner for the purposes of the London Convention, whether as amended or otherwise and as in force in any relevant jurisdiction from time to time, and so entitled to limit liability there under. For details see www.tui.co.uk/destinations/info/athens-convention

Cots

We don't charge for cots on our ships, but you'll need to book a cabin with enough floor space for one. See **Cabin Reservations** in the Getting in Touch section. There's usually room for one cot in all our hotel rooms, but you'll need to check with us before you travel to make sure there'll definitely be one available when you arrive. In some countries you'll need to pay a daily charge to hire a cot. If you decide to bring your own travel cot, bear in mind there's no extra luggage allowance for these and the airline will charge extra if you go over your limit.

Day before bag drop is available for all destinations. For more details please visit www.tui.co.uk/destinations/faq/airport-flights-and-luggage

Delays

Depending on airport facilities, we provide light refreshments for a delay of two to four hours, a meal – or vouchers for a meal – for four to eight hours, overnight accommodation for delays of eight to 12 hours if it's necessary and possible. If a delay is longer than five hours, you can cancel your flight and we'll refund the flight part of your holiday. We'll only refund the whole cost of your holiday if we change or cancel your holiday. We set out exactly what this means in Our Agreement With You. If you booked your complete cruise holiday – including flights, transfers and the cruise itself – with us and there's a flight delay, we'll attempt to get you to the ship where possible. See **Insurance** for details.

Dress Code

We have three dress codes across our restaurants. Beachwear is a come-as-you-are affair – bikinis and trunks are fine, but please wear something on your feet. Casual, meanwhile, means you should wear the likes of tops and shorts, or a sundress.
Then you've got Smart, meaning you'll need to dress up a little bit. You can wear shirts or polo shirts, trousers or tailored shorts, skirts or dresses, smart trainers, shoes or sandals. We ask that you don't wear sportswear, flip-flops or non-tailored shorts when a venue has the Smart dress code.
We also have our Dress to Impress night – it's the perfect opportunity to dress up to the nines, if you want to. Our main dining rooms pull out all the stops to make the night extra special, too.

Duty Free

You can't take duty-free cigarettes, tobacco, or cigars into Barbados unless you are joining one of our cruise ships on the day of your arrival.

E

Entertainment Onboard

Each itinerary has its own entertainment programme. If you're combining two itineraries into a 14-night holiday, you may notice that some acts appear more than once.
On our repositioning and transatlantic cruises, which include more sea days, the entertainment really comes into its own. You can look forward to an expanded programme with extra shows, one-off guest speakers and tribute acts that you won't usually find on our standard cruises. Please note, guest acts and speakers may vary and are subject to availability.

A-Z guide

ESTAs

If your cruise calls into the US - eg. the US Virgin Islands and Puerto Rico, then you will need an ESTA. If you're booking back-to-back cruises, please double check the ports of calls for both sailings, as you may need an ESTA for one but not the other. This covers all your ports of call and trips ashore. To apply for an ESTA, visit https://esta.cbp.dhs.gov/esta.
If you have visited Cuba on or after 12th January 2021, then you will not be eligible for an ESTA and will need a non-immigrant visa.
Please note: when filling out your ESTA application you will be asked to enter a U.S. contact address. You can select 'unknown' and put the name of the ship, or if you are staying in a hotel prior to the cruise then please put the hotel address as the contact.
Make sure you have printed copies of all ESTA paperwork with you when checking in for your flights. If you do not have the valid ESTA required, you may be denied boarding at the airport in the UK and not allowed to travel. Further information, including details of any fees that may apply if the correct documentation is not required, can be found in the Providing Information section of Our Agreement.

Extra Charges

The key aspects of your holiday will be included in the price when you book – see **Prices** for details. But it's important to point out you may have to pay extra for some things when you get there. For example, you might want to book an excursion, or enjoy something from the minibar or room/cabin service. You may also need to pay extra for things like sports, beauty treatments and classes. If we're aware you'll need to pay extra for a particular activity or facility, we'll show you by adding an asterisk after the item. Just so you know, safety deposit boxes on your cruise are included with no extra charge. See **Meals** and **All Inclusive Hotels** for more details.

F

Family Rooms

These are generally for 2 adults and 2 children, available in selected accommodation. When hotels are fully occupied, family rooms may be limited. See **Cabins**.

Finishing Touches

You'll need to book them at least seven days before departure and pay for them in full when you settle your invoice.

Flight Times

Actual flight times are on your tickets. They are local times based on the 24–hour system. We can't guarantee the flight times in our brochure, on our website or on your booking confirmation won't change, so please always check your tickets.

Flying With Children

Infants less than 14 days old are not allowed to travel. Any child over 14 days and under two years old on the date of their return travel is classed as an infant. Infants must sit on an adult's lap and wear an extension seatbelt. If your child reaches their 2nd birthday while you're away you'll need to allow for this when you book. All children aged two and above must have their own seats on the plane. If you've paid for an additional seat for your infant, you can use your own car seat as long as it has a single release harness. It needs to be facing forward on the aircraft seat, designed to be secured by lap belt alone, and must conform to EU safety standards. You'll also need the instruction leaflet to show the cabin crew if they need it. The seat mustn't be more than 16 inches or 40cm wide. You can't use carrycots and deluxe child car seats, as they won't fit. The use of car seats will be at your airline's discretion. Airlines registered outside the UK may have their own rules. Call TUI Airways for information on approved car seats. You'll find the number at the end of this guide.

Free Cabin Upgrade Offer

On selected departure dates and during certain booking periods it's possible to book a cabin upgrade offer. This means you can book a higher grade of cabin at a reduced price. See **Special Offers**.

G

Gala Meals

Many hotels and apartments host gala meals over the Christmas and New Year period. Bear in mind that men will probably have to wear a jacket, shirt, tie and long trousers. You'll see if it's included by checking the individual property descriptions. If you're on a cruise over the Christmas and New Year period, they'll be included.

Going Ashore

Guests aged 18 and over can travel on a shore excursion or go ashore independently without a parent or guardian. Guests aged 16-17 may go ashore independently if a parent or guardian has provided consent through the onboard consent process by visiting reception once onboard. Please note that children under 16 cannot be left onboard alone, and must be accompanied by a parent, guardian or responsible adult.

Group Offers

You may qualify for discounts if there are 10 or more in your party. When you're about to book, ask your Travel Advisor to contact our Groups Department. Or call our Groups booking line yourself – the number is at the end of this guide. Group offers and discounts are subject to availability and we may withdraw them at any time.
We base discounts on how many are travelling and everyone needs to travel on the same date. Their holidays must be for the same length and to the same accommodation. If it's more convenient for them, we can sometimes make arrangements for large groups to leave from different airports. They may not be available in conjunction with any other offers. Cancellations within your group may mean a drop in your discount, and the people who cancel will need to pay our standard cancellation charges. One last thing – if you want your cabins to be close to each other, you'll need to reserve your cabin numbers before you go.

H

Health and Wellbeing Onboard

You agree to abide by all prescribed health protocols onboard for the protection of all crew and passengers from any viral or bacterial illnesses known, or suspected to be, onboard. This may include but is not limited to all reasonable measures such as cabin confinement for a period recommended by Marella Cruises, the Master, or Ship's medical staff or Agents. Failure to abide by such protocols may result in your disembarkment from the ship, with any costs incurred as a result to be at your own cost.

I

Insurance

You'll need to take out a suitable insurance policy for you and anyone travelling with you. This includes infants and children. We'll tell you about our insurance policy when you book. If you choose not to take out our insurance, you'll need to tell us who you're insured with. When checking in online for your cruise, you will be asked to input your insurance policy number. We can't accept responsibility for any loss that you or anyone travelling on your booking suffers if the individual isn't adequately insured and clearly understands their policy's cover, e.g. excess limits and exclusions. As with all insurance policies, terms and conditions apply, so you need to make sure you've got the right policy for you. See **Delays**.
If you're travelling to the European Economic Area you'll also need a European Health Insurance Card. You'll get a new UK Global Health Insurance Card (GHIC) instead of an EHIC. You can apply at www.gov.uk/global-health-insurance-card. Visit www.nhs.uk/ehic for full details on what it covers. You do not need to apply for a GHIC if you already have an EHIC. Your EHIC remains valid in the EU until it expires. An EHIC or GHIC is free of charge. You'll need to have both this card and adequate travel insurance. If you're on a cruise holiday with us, the EHIC isn't accepted in private medical centres on our ships.

Itineraries

The arrival and departure times shown in the brochure are correct at the time of print but may change. The activities we describe at ports may not always be possible - due to the time spent in port or other factors outside of our control such as bad weather - and are always subject to availability. Sometimes we have to alter the time in port, the order of ports or substitute ports entirely due to bad weather, port congestion, public holidays or other operational reasons. If we alter the time in port it will mean that certain trips will only be possible if there's enough time to do them. Sometimes it may be necessary to anchor or tender off shore rather than dock. These changes can happen before or during your cruise. In exceptional circumstances we may have to change your ship. See **Local Laws** for details.

K

Kids' Clubs

No matter which kids' club you're looking at, there are things to bear in mind.
- Children who are unwell won't be accepted.
- If your child has a disability, we will do our best to look after them but please check with us before you book that the club can accommodate your child's particular needs.
- Sometimes, even when you have checked in advance, there may be reasons why the club can no longer accommodate your child's particular needs. When this happens we will do our best to include them in as many activities as possible but you may need to stay with your child to provide the care and attention that they require.
- If your child has an allergy or any other special requirements, please let us know when you sign them into the kids' club for the first time.
- Staff aren't authorised to administer medication or change nappies, so you'll need to return to the club to do this if necessary.
- You must register your child for all activities, sign them in and out at the start and end of the session.

- You must stay within the complex or on the ship while your child is in the club and also leave details of your whereabouts in case you're needed.
- Activities may have to be cancelled, numbers limited and a rota introduced, for health and safety reasons or at particularly busy times .
- Even if you've booked a package holiday with us, you may need to pay extra for some activities and sessions when you get there.

Kids' Clubs onboard

See **M-Club** for details.

Hotel-run Kids' Clubs

Only clubs run by us meet our specification, which include strict staff to child ratios. Standards and facilities at hotel-run clubs vary. You should make sure you're satisfied with the facilities and staff providing the service before enrolling your child. We're unable to take responsibility or guarantee that standards at hotel-run clubs meet UK standards.

TUI Kids' Club

In our hotels, we offer TUI Kids' Club for different age groups, with bespoke sessions designed for age ranges 3-6 and 7-12. There is a minimum of two 2-hour supervised sessions per day (morning and afternoon) six days a week. These can be booked in resort. Sometimes we'll combine ages for activities, but it won't affect our strict staff-to-child ratios. We'll have two staff on hand at all times. Kids' club activities run from 1st May to 31st October, unless stated otherwise. We may need to finish before the end of October if there isn't enough demand.

Kids' Clubs at selected TUI BLUE hotels and Sensatori by TUI BLUE hotels

We offer up to two, 2-hour sessions a day, 6 days per week for kids aged 3-12 with a variety of themed activities (except at The Residence at TUI BLUE Sensatori Akra Fethiye). At selected TUI BLUE hotels, we split out the sessions by age group 3-6 and 7-12. Nearly all of our Kids' Clubs are free, with parties available at a small charge. All of our Kids' Club team are trained to TUI standards and have undergone relevant checks.
At selected TUI BLUE hotels and Sensatori by TUI BLUE resorts (except The Residence at TUI BLUE Sensatori Akra Fethiye) we've created teen activities - sessions exclusively for teenagers aged 13-17 - that combine social, wellbeing, and sports activities. The programme runs through high season June-September only.

L

Lifts

All of our ships have lifts - you can check where they are on the ship deck plans. Please note there are some areas of the ship which may not be accessible by lift. For full accessibility details on all of our ships, visit www.accessable.co.uk/marella-cruises.
Some of our hotels don't have a lift. If stairs are a problem for you, please ask us for details before you book so we can suggest a suitable property. See **Assisted Travel**.

Local Laws

For our cruise itineraries, you'll need to abide by the laws and customs of each country we visit. Things like offensive gestures, shouting, drunken behaviour and kissing in public should be avoided. When visiting religious sites you may be asked to cover arms and legs, and women may need to cover their hair. Sometimes public holidays and events mean we have to change our itinerary or miss the port altogether. See **Itineraries**.
Sometimes local laws, religious customs or events mean that facilities are not available. For example, in all Muslim countries during the month of Ramadan, bars and restaurants – including hotel restaurants – change their opening hours. You may not be allowed to eat, drink or smoke in public areas during daylight hours either.
Drinking and gambling ages vary by destination, and in some countries, the use of e-cigarettes is prohibited - please see the **Alcohol** and **Smoking** sections. It's a good idea to find out more before you travel. For the most up-to-date information, check www.gov.uk/foreign-travel-advice.

Lost Property

If you leave something behind on the plane during your flight out, you'll need to contact the overseas airport and ask them to check their lost property. If it's on your flight home, let us know and we'll do our best to track down the item for you. If you leave what we class as a 'valuable item' at your hotel or on one of our ships, like a camera, a laptop or a wallet, we'll do our best to find it for you. If your item is found, you'll need to contact the hotel to arrange for it to be returned, and there may be a charge for this. If we can't find your item, we'll send you a statement to support your travel insurance claim. For help with lost property from your cruise, contact After Travel Customer Support - see the **Getting In Touch** section.

Low Season

You may find that if you're travelling outside of peak holiday periods, like May and October, some facilities – both in your hotel and resort – may not be available and entertainment may be more low-key. Hoteliers may remove facilities at certain times due to low demand.

Luggage

This section explains how much you can take, what you can pack, and how to keep your valuables safe. Please make sure you know your limits so your trip can get off to a smooth start. Luggage allowances vary, and could change - check when you book.

Bonded Luggage

If your cruise is sailing from the Caribbean, your luggage is transported as part of our bonded luggage service. You can double-check if this applies to your cruise in your booking confirmation. Once you've checked in, your luggage will be security sealed and transported for you – you won't need to collect it at the airport, as it'll be delivered straight to your cabin. Please note this is only applicable to passengers travelling to the Caribbean on a TUI flight. Anyone flying on another airline, or to another destination, will need to collect their cases and bags from the allocated luggage carousel in arrivals and proceed to the coach transfer to the ship.

Luggage on TUI Airways

You can check in 20kg. You can share your hold luggage allowance with others on your booking, but no single bag can be more than 25kg. This is for health and safety reasons. If you have booked extra luggage allowance, you still need to make sure each bag is under 25kg, otherwise check-in staff won't accept it. We can only accept luggage if it's packed and secured in suitcases or bags, and we believe it can stand up to reasonable handling. Otherwise, we may ask you to sign a disclaimer before we take it. This includes any bags we believe are already damaged.
Under twos get a 10kg hold luggage allowance, but hand luggage is not included. Folding pushchairs can be brought onboard, but will count towards your own adult hand luggage allowance and must fit within the size and weight limits – please see below. You also have the option to check pushchairs in with your luggage, or take them to the aircraft door to go in the hold for free.
As for hand luggage, the maximum dimensions are 55x40x20cm, and your weight allowance is 10kg. You can't buy extra hand luggage allowance. In addition to this, passengers can bring one small personal item, such as a handbag, a laptop bag, a briefcase or a camera bag. This must be small enough to be stored under the seat.
There are restrictions on what you can carry in your hand luggage so make sure you read the information that comes with your tickets. For example, you should pack valuables in your hand luggage – never your checked–in luggage. This includes money, jewellery, computers and important documents. Your airline won't be liable for loss or damage to valuable or fragile items packed in hold luggage, no matter how it's caused.
If you book a Cruise & Stay package and this includes a TUI BLUE, Holiday Village, or Sensatori by TUI BLUE hotel, your luggage allowance is 20kg.

Luggage on Other Airlines

If you're not flying with TUI, you'll need to find out what your allowance is for checked-in luggage and hand luggage. Some airlines don't give infants their own allowance.

Excess Luggage and Sports Equipment

There may be a charge for excess luggage and sports equipment. Whether or not we can carry it will depend on capacity on the day. You can arrange to take golf clubs, windsurf boards, diving equipment and other sports equipment on your flight. If you don't book, you may still be able to check your own equipment in. But we can't guarantee this and there'll be a charge. Bear in mind, any problems with excess luggage charges need to be sorted out at the airport. We can't guarantee you'll be able to take bulky sports equipment with you on the coach to your holiday accommodation, and there may be an extra charge.

Lost and Damaged Luggage

Please report any lost luggage or damage to us within seven days. If not, under the terms of the Montreal Convention, we won't be liable. See **Montreal Convention** for details. If your luggage is damaged on your way back to the UK, you need to complete a Property Irregularity Form (PIF) at the airport and keep a copy of it for insurance purposes. If your luggage is damaged between the coach and the ship, you need to report this to reception as soon as possible to help with any insurance claims.

M

M-Club

M-Club offers a free programme of activities for children aged 3–11. During peak periods, sessions are usually split by age group.
Please note that outside of peak season, M-Club may operate with reduced opening hours, fewer sessions, or combined age groups, depending on the number of children onboard.
When the ship is in port, M-Club sessions may be limited, or unavailable, with activities typically resuming once the ship departs. Full details are published in the daily onboard programme.
Mini M Club is a dedicated space onboard Marella Discovery for parents and young children where they can make use of cots, a nursing chair and soft play area. This facility is not staffed so parents need to supervise their children.

A-Z guide

Meals on Your Flight

Meals are only included on long haul flights. Please let us know when you book if you require any children's meals. Just so you know, we don't provide meals for under-twos so you'll need to bring something with you. Remember to tell us if you have any special dietary requirements. We can't guarantee we'll be able to meet them, but we'll do our best. For group bookings, everyone in your party will need to either book in advance or decline the meal. For all other flights, we offer a range of snacks and drinks to buy onboard.

Meals at Your Hotel

Meals are usually served in the hotel's main restaurant. The set–up here may change from buffet to waiter service, or vice versa. For à la carte restaurants you may be limited to a certain number of visits per stay and you may need to make a reservation. You may need to pay extra for these, too. Not all of the hotel's restaurants will necessarily be open at the same time. Meals for infants are not included in the price of your holiday so you'll need to make your own arrangements. **Full Board Plus** includes a Continental breakfast, lunch and dinner with drinks included during mealtimes. **Full Board** includes a Continental breakfast, lunch and dinner. **Half Board** includes a Continental breakfast and dinner – or lunch – at some hotels. **Bed & Breakfast** usually means Continental breakfast.

Meals on Your Cruise

All meals are included – see the individual ship pages. There's a cover charge at the speciality restaurants on all our ships. You can expect to pay from £50 to £56 for a three-course meal.

Medical Conditions - for Your Flight

If you have a medical condition, a serious illness, or you've recently had surgery or an accident, you'll need to be cleared for travel by the airline. You may also need a 'Fitness to Fly' certificate from your GP. Conditions that need medical clearance include respiratory, coronary or infectious illness. You'll need to give your request for medical clearance to the airline at least four working days before you're due to fly.

If you're unsure what conditions require medical clearance, or if you have any concerns about your health, we recommend that you contact your doctor before you book.

The risk of deep vein thrombosis (DVT) while flying is extremely low but is still a serious medical condition. DVT is when a blood clot forms, usually in the lower leg, sometimes because of sitting still for a long time. It needs treatment with blood-thinning drugs to prevent clots breaking off and travelling to the lungs. You can take precautions to reduce the risk. People most at risk include those with a history of bronchial or circulatory problems, thrombosis, those recently hospitalised, smokers, the obese, those with congestive heart failure, a malignant disease, pregnant women or women taking the contraceptive pill. To reduce the risk, exercise your legs from time to time, or walk around if possible. Elastic stockings may be helpful. Drink plenty of non-alcoholic liquids to prevent dehydration. See your doctor if you think you may be prone to DVT.

Medical Conditions - for Your Cruise

As part of online check-in, you'll be asked to declare any pre-existing medical conditions. All ships have a medical centre with an English-speaking doctor.

Charges apply for all medical treatments onboard. The first £1,000 of any medical bill must be paid directly to the onboard medical provider at the time of treatment, with any additional costs also payable by the guest. These expenses can then be claimed back through your travel insurance, subject to your policy terms, conditions and any excess.

Please note that the European Health Insurance Card (EHIC) and Global Health Insurance Card (GHIC) aren't accepted onboard.

Our medical centres are well equipped for urgent care but aren't designed for extensive or ongoing treatment of pre-existing conditions. If you plan to visit a medical centre ashore, please remember to take your insurance claim form with you.

If you're concerned about seasickness, we recommend speaking to your doctor or pharmacist before you travel. For the health and safety of all guests, boarding will be denied to anyone showing signs of a contagious illness.

Medical Fridges

Medical fridges - small fridges designed specifically for medication - are available on each of our ships. If you need one, you can request one with one of our Assisted Travel Experts, or your chosen Travel Advisors when you book. If you have already booked and require a medical fridge, please call our Assisted Travel Team on 0800 145 6920.

Money Exchange - on Your Cruise

Our ships use sterling onboard. You can change a small amount of cash, but please note you can't use debit or credit card to change money. See **Onboard Accounts**.

Money Exchange - at Your Hotel

If you want to change money when you get there, check the property descriptions to find out if you can do this at your hotel.

O

Official Ratings

Each country has its own system for rating properties, but at TUI we use our own ratings to make it easier to compare hotels. See **Tour Operator Ratings** for details.

Onboard Accounts

Our ships are cashless and prices onboard are in pounds sterling. There are limited exchange facilities, so you can change small amounts of money - in cash - to use ashore. Everything you buy onboard during your cruise can be charged to your cabin account. Accounts are opened when you board the ship and can be settled in cash or by credit/debit card. To settle your account with cash we'll need a £200 per cabin deposit for each week of your cruise. On all Marella ships we accept Visa and Mastercard credit and debit cards and American Express. You just need to register your credit/debit card when you check in online or at the ship.

Please note that contactless payments - including digital wallets such as Apple Pay or Google Pay - are not accepted onboard.

Onboard Spend

We have this special offer on some of our cruise holidays, subject to availability, where an amount of money is credited to your onboard account at the start of your cruise. This credit is only available to adults. It can't be transferred to anyone else and can't be refunded. See **Special Offers**.

P

Passports

The name in your passport must match the name on your ticket otherwise you may not be able to travel and your insurance could be invalid. If someone in your group changes their name after you have booked, tell us and we'll issue the ticket in the new name. If you've already received the ticket, return it and we'll send one with the correct name. There may be a fee for this change. Passports are required for all cruises departing from the UK. British Citizens must hold a valid ten-year passport. Please note that certain destinations insist on at least 6 months validity from the return date. UK citizens can check out the gov.uk website for passport, visa and health information. Other nationalities should check with their own governments. It is also your responsibility to check if you need a visa to enter your destination country.

If your passport has an Israeli stamp, you may be refused entry to some countries. If this happens, you would have to stay onboard. For more information, visit HM Passport Office website at https://www.gov.uk/government/organisations/hm-passport-office. If you don't have a UK passport, you should always check with your own embassy, high commission or consulate before you book. Please also see **Visas**.

Pregnancy

You can cruise onboard our ships up to the 24th week of pregnancy. If you're sailing on any of our ships you'll need to have a medical certificate to prove that you're fit to travel. If you're more than 24 weeks at the end of your cruise then you won't be able to sail. Please check your insurance policy for any restrictions that apply.

Premium Club

Premium Club seating is available to book on long haul flights. If you book to fly Premium Club, your luggage allowance will be 23kg in the hold and 10kg as hand luggage. Lounge access and fast-track security are only available on departure from UK airports. You can access the lounge from 3 hours before and up to your original scheduled departure time. We advise you wear smart casual clothing. Fancy dress, vests, football shirts, tracksuits, baseball caps and other sports clothing are not allowed to be worn in the lounge. Shorts aren't permitted either unless they are tailored and knee length. Entry to lounges is subject to the individual lounge operator who may impose their own conditions and who reserves the right to refuse admission to anyone wearing clothing which their staff believe may cause offence to others. If the lounge is unavailable, alternative facilities may be offered. The location of fast-track security and airport lounges in the UK will be provided by TUI Airways staff at the TUI bag drop.

Our Select Your Seat service is included, in accordance with our Select Your Seat terms and conditions - see **Select Your Seat**. To get the best choice of seats, we recommend you book and select your seats as early as possible before departure. If you experience any difficulties using our online service, please contact your travel agent or call us on 0203 451 2688. Calls from UK landlines cost the standard rate, but calls from mobiles may be higher. Check with your provider.

We'll do our best to seat your group together but we can't guarantee this.

Prices

Prices can be viewed on our website at tui.co.uk/cruise. They should only be used as a guide - the price you pay will depend on when you're travelling, and prices may go up and down throughout the season. Prices are based on the standard occupancy for the cabin or room type included in the package, so will change if it is occupied by a different number of guests. See **Occupancy Supplements/Discounts**. Please also see **Special Offers**.

Prohibited Items

To ensure your safety and security some items are prohibited from being carried onto our vessels. Each time you board the ship we will security screen you and your luggage, if any prohibited items are found they may be permanently confiscated. The list of prohibited items can be found here: www.tui.co.uk/destinations/info/faq/luggage-guidelines. This list is not exhaustive and any other items which the Port or Ship security staff consider pose a risk may also be refused.

R

If you arrange a different room type with the hotel when you arrive, this won't be included in your contract with us. See **Cabins** for cabin upgrades.

S

Safeguarding

We don't knowingly allow anyone onboard our ships who is a convicted child sex offender or subject to the notification requirements of the Sexual Offences Act 2003, or subject to a Sexual Risk Order or Child Abduction Notice. We further reserve the right to refuse boarding to individuals with criminal convictions if we feel there is a specific risk to our guests and/or crew.

If you fail to disclose any of the above information about yourself or any other member of your party, and it later becomes known to us, we reserve the right to cancel your booking and require that you, and the other members of your party, leave the ship, without refund. Marella Cruises will not be liable for any associated accommodation or repatriation costs.

Safety

Overseas safety standards are generally lower than ours in the UK. We take reasonable care to make sure only reputable businesses provide the services that make up our holidays, and we expect them to provide those services in line with local standards.

Safety Drills Onboard

All our ships comply with the International Convention for the Safety of Life at Sea – SOLAS. It is a mandatory requirement to actively paricipate in our mustering process, MyMuster.

Sailing Times

The sailing times for our cruise holidays are correct when we publish them, but they may change. See **Itineraries** for more details.

Sea Views

On our cruise ships, the view from some cabins may be obstructed. See **Cabins** for details. In hotels, if you book a room with a sea view, it may be partly blocked by trees or smaller buildings, or across a road, but you'll still be able to see the sea. If we describe a room as a Limited Sea View, this will generally mean that your view of the sea will be to the side rather than directly in front of you. There may also be more obstructions like trees between your room and the sea than with a Sea View room.

Seating

The minimum seat pitch on our aircraft is 29 inches. The minimum seat width is 16 inches. If you think you'll have difficulty fitting into this seat size, please call our Assisted Travel Team before booking - their details are at the end of this guide. You might need to pay an additional charge depending on what options are available.

Seat Upgrades

If you buy any seat upgrade, including Select your Seat, seats can be selected via Manage My Booking as soon as your booking is confirmed. If you've paid extra for Select Your Seat or if you've reserved Premium Seats, Extra Legroom Seats or Extra Space Seats, on some holidays you will be able to choose your seats at the time of booking, otherwise you'll be able to access the seat map immediately after you book your holiday. You can also choose your seats by logging in to your Customer Account or the Flight Extras website.

Seats With Extra Legroom

These are available to book on selected short and mid haul flights and are suitable for and children. Our Select Your Seat service is included, in accordance with our Select Your Seat terms and conditions - see **Select Your Seat**. To get the best choice of seats, we recommend you book and select your seats as early as possible before departure. If you experience any difficulties using our online service, please contact your travel agent or, if you've booked your holiday online, please contact TUI on 0203 636 1790. Just so you're aware, we'll always do our best to seat your group together but we can't guarantee this.

Seats With Extra Space

These include seats that are close to or next to emergency exit doors, behind a bulkhead or behind a dividing wall. In our Dreamliner aircraft they may also be located in the first 4 rows of the Economy Club cabin. Seats with extra space are only available for adults and children aged 12 years and over to book in advance, and just so you know we may allocate these seats to families with children if the seats are not located in an emergency exit row. Emergency exit row seats are only available to passengers who are able to move quickly and operate the emergency exit without difficulty - in line with European Aviation Safety Authority (EASA) regulations.

Just a few things to bear in mind before you book an emergency exit row seat...

Any passengers who have difficulty moving quickly - either because of physical or mental impairment or disability, age or sickness, or physical size - cannot sit in these seats. Neither can anyone who's under the age of 16 - whether accompanied or not, anyone who requires an extension seatbelt, anyone who's under the influence of alcohol or anyone who's travelling with an assistance animal. These regulations have been put in place by the EASA and are for the safety of our passengers. The cabin crew have the final say and we kindly ask that their decisions are respected.

Select Your Seat

Once you've checked in and confirmed your chosen seat, you won't be able to change it. That said, in some circumstances, we may have to change your seat. This would only be for operational, safety or security reasons. In accordance with the Civil Aviation Authority's guidelines, certain requirements must be satisfied before we can allocate seats near the exit. If we do have to change your seat, we'll try to keep it as close to what you booked as possible. A refund will only be offered if we can't seat you in a similar position to your original request. A similar position means the same type of seat - window, aisle etc - as your original selected seats. In such cases, we ask that you keep a copy of your confirmation documents and boarding cards.

Ship Maintenance

Ongoing maintenance may happen while you're onboard one of our cruise ships. We'll do our best to keep noise to a minimum.

Shore Excursions

All shore excursions are subject to change. Please note that passengers must be 18 or older to go on a ship-sponsored shore excursion on their own, and that children under 16 cannot be left alone onboard. For full terms and conditions, including details on our cancellation policy, see the Cruise Shore Excursions Terms & Conditions at www.tui.co.uk/destinations/info/cruise-shore-excursions-terms-and-conditions. Also see **Itineraries**.

A-Z guide

Single Cabins
These cabins are for sole occupancy.

Single Rooms
Single rooms and rooms for sole occupancy are available in most hotels, but demand always exceeds availability. Sometimes when we refer to single rooms it may mean a room suitable for sole occupancy. Single rooms are generally smaller, may not have the best locations or the same amenities. If you're booking a double room just for yourself, you'll be asked to pay a supplement. This also applies to self-catering accommodation where, for example, 3 people choose a property for 4. Our prices reflect the costs of the rooms contracted to us.

Smoking
All our ships are non-smoking, which means you can only smoke in designated areas of the open deck. Smoking isn't permitted on cabin balconies, either.
As for e-cigarettes, you can only use these in the designated areas on deck. In Mexico, e-cigarettes are banned and will be confiscated.

Spa
Spas in our hotels and on our cruise ships aren't included in the price of your holiday unless we say otherwise. In Spain and the Canary Islands, by law only over-16s can use the facilities.

Special Offers
Our offers are only available on the holidays and dates we advertise, are per booking, and are subject to availability.

Special Requests
We'll always do our best to help however we can, but we can't guarantee we'll be able to meet your needs every time. These special requests aren't covered by Our Agreement With You so from a legal point of view, they're not part of your holiday contract.

Suite Service
Suite Service is available when you book a Balcony Junior Suite, Junior Suite, Family Junior Suite, or a Grand Suite. It's also available if you book a Family Balcony cabin on Marella Explorer. Benefits include a free pressing service – this is limited to 3 items per person during your stay and is subject to the laundry terms and conditions. You also get a continental breakfast in bed for each passenger, per week. A coffee machine in your cabin, slippers, a bath robe and upgraded toiletries.

Suite Service Max
Suite Service Max is available when you book an Executive Suite, Royal Suite or one of the Voyager Suites. Benefits include priority embarkation, Champagne and chocolate truffles in your suite on arrival, a complimentary Wi-Fi package, daily breakfast in bed, a weekly afternoon tea, premium Elemis toiletries, late check-out and more.

Supplements

Cabin Supplements
We base the price of your holiday on a Deck 4/5 Inside on Marella Voyager, Marella Explorer and Marella Explorer 2, and a Deck 2/3 Inside on Marella Discovery and Marella Discovery 2. You can book other cabin types if you pay extra for a room upgrade. Cabin supplements vary by sailing date and prices may go up or down. Occasionally it's possible to upgrade your cabins once onboard check with reception for availability and prices. Children don't pay cabin supplements where the child price applies - See **Child Prices** for details. Any special offers will be limited. See **Free Cabin Upgrade Offer**.

Flight Supplements
Depending on the airport you choose to fly from, on certain days or at certain times, you may have to pay a 'flight supplement'. Flight supplements may go up or down throughout the season. Some holidays are only available on flights with extra charges, either because the accommodation is available only on certain days of flying, or because onward travel arrangements are only available at certain times.

Occupancy Supplements/Discounts
Depending on the number of people sharing a room or cabin, you may need to pay an 'occupancy supplement' for under-occupancy or single occupancy, or there may be discount if more people share. Occupancy supplements/discounts may go up or down throughout the season.

Swimming Pools Onboard
It's unlikely your pool will have a lifeguard. An adult must always accompany children in the pool. This includes children's pools and surrounding areas. Pools may be closed in early or late season, so April, early May and October, or in particularly bad weather. Also, pools won't be heated unless we say otherwise in the property description.
Waterslides may have height or age restrictions. Due to ship regulations, children in swim nappies, pull ups or children who aren't completely toilet trained are not permitted in any of the onboard pools. Having said that, we may occasionally need to close the pools for other reasons. For example, if the weather's particularly bad.

T

Taxes
You may need to pay a tourist tax at the airport or at your hotel. This will still apply if you're combining your cruise itinerary with a hotel stay. If your cruise includes Dubrovnik, then a tourist tax will apply here which will be charged to your onboard account. Please note, if you are on one of our itineraries where you start and end your cruise in Dubrovnik you will be exempt from paying the tourist tax. Taxes can change regularly so check before you go. See **Prices** for more details.

Tenders
It is not always possible for the ships to dock directly in the port. They will sometimes anchor a little way from shore and use a tender boat to get passengers to shore. Where possible, these will be marked on your itinerary with an asterisk.
For guests with reduce mobility, please bear in mind you'll need to have some independent mobility to step in and out of the tender boat. For health and safety reasons the crew cannot lift you. If you need more information, please contact our Assisted Travel Team.

Tour Operator Ratings
We rate our holidays on our annual reviews and also the feedback we get from our end-of-holiday Customer Satisfaction Questionnaires. We rate hotels and apartments from '2' for no–frills, good value accommodation, to '5' for more comfort and a wider range of facilities. There may be some differences between accommodation that shares the same rating. That's where our 'plus' rating comes in.

Towels
You'll be given pool towels on our ships for use during your cruise. If they are not returned, a £10 charge will be added to your onboard account.

Transatlantic Activity Programme
These workshops vary in length depending on the activity but will usually be held over a period of at least 5 days. Activities are subject to change.

Transfers
The transfer times we give you are a rough guide. They don't allow for delays to incoming flights or local traffic conditions.
Our cruise holidays include transfers between the airport, ship and hotel by coach or minibus. For other types of cruise holiday the arrangements will be different...

Go-as-you-please
We'll provide transfers between the airport and the ship but you'll need to make your own way to and from your accommodation.

Cabin Only – No Flights
If you have booked the cruise part on its own then transfers aren't included and it's down to you to get to the ship on time. The last check-in is an hour before the advertised sailing time, so build plenty of time into your schedule for checking in and boarding.

Town Transfers
In some places, we put on a Town Transfer to take you to the town or city centre from the port area. The Marella Cruises-operated shuttle bus will incur a small charge which will be advised once onboard for each port.

Port Shuttles
If we're not able to dock close to the port entrance, it might be a short walk or bus ride to the port gates. In some places, there'll be a shuttle bus to take you from the ship to the port gates. This will either be provided by Marella Cruises or the local port authority. If it's operated by us, it'll be free, but there might be a small fee for buses run by the local port authority. It'll depend on what berth the ship is docked at and is only confirmed during the cruise.

V

Vaccinations
Speak to your doctor at least 2 months before you're due to go away. Some treatments, for malaria for example, should begin well before you go. If you're booking within three weeks of your departure, speak to your doctor before you book. There's more information available in the Department of Health's free leaflet – Health Advice for Travellers. Call 0800 555 777 for a copy. For information on COVID-19 vacinations please refer to www.tui.co.uk/destinations/info/cruise-with-confidence

Visas
You don't need to arrange a visa for most of our cruises, but you do need an ESTA for any cruise that calls into the US - eg. the US Virgin Islands and Puerto Rico. See **ESTA** for more information.
If you haven't got a British or Irish passport, you'll need to check entry requirements with individual embassies or consulates. If you don't have one of these passports, you'll need to organise your own visas for each port of call. Without the right visas, you won't be allowed to board the ship.

It's also worth pointing out, if you're visiting more than one port of call in a particular country, for example in Greece, you'll need a multiple-entry visa. Please check the Our Agreement for more details.

W

Weather

There are sometimes tropical storms and hurricanes in the Caribbean and Mexico between June and November. It's impossible to predict their path or how long they will last more than three of four days in advance, and often it's much less. If a storm is forecast for one of our destinations, your safety is always our first priority. If there are hurricanes during your holiday we follow the advice of the Foreign, Commonwealth & Development Office and work with the Federation of Tour Operators. Bad weather may even force us to change parts of your itinerary. This may happen before the cruise starts or during it. It may also mean departure or arrival times at ports change. Also, local conditions may mean we have to limit our time at that port, or miss it out altogether. We may also have to change your ship for a similar one. Some hotel facilities - like outdoor bars and some sports - may not be available in adverse weather. Where we display weather information on our accommodation pages, this is historical data supplied by the Met Office, © Crown copyright, the Met Office. On destination pages, this data is from Open-Meteo.com.

Wheelchairs on Your Flight

When you fly with TUI, we'll take your wheelchair and one other mobility item in addition to your normal luggage allowance. However, you'll need to let us know at least 48 hours before you travel. We recommend your wheelchair and other mobility aids are fully insured.

If you've got an electric wheelchair, you'll need to let our Assisted Travel Team know so that the necessary arrangements can be made. Please let us know the wheelchair's make and model when you call. There's a limit on how many electric mobility aids we can take on each flight. If you don't let us know before you book and we can't carry your wheelchair, you might need to pay an extra charge to change your booking.

You can bring a battery-powered wheelchair if it meets the conditions given in the ICAO Technical Instructions for the Safe Transport of Dangerous Goods, plus any other related CAA rules. Visit www.caa.co.uk for more information. Please contact us as soon as possible if you're travelling with a battery-powered wheelchair or mobility aid and let us know the device's make and model, dimensions and battery type. We can then confirm whether there's space onboard.

Electric wheelchairs need to be loaded in an upright position for the flight. Batteries must be securely attached to the mobility aid and terminals protected from short circuits. Electrical circuits must be isolated to prevent the device being operated accidentally. If the wheelchair can't be loaded in an upright position, the battery terminals need to be protected against short-circuiting, and the battery removed and stored in strong packaging. Lithium batteries that are designed to be removed must travel in the cabin.

You need to bring the operating instructions for your mobility aid with you. If you don't have these details, see https://www.bhta.com/air-transport-advice where your make and model should be shown. If not, you'll need to contact the manufacturer, or shop where it was purchased or hired.

If you want to check whether your wheelchair will fit onboard our aircraft, please contact our Assisted Travel Team – the number can be found at the end of this guide.

If you're flying with another airline, you'll need to contact them directly to see if your wheelchair will fit onboard. Our Assisted Travel Team can help you with this, too.

Wheelchairs on Resort Transfers

If you're taking an electric wheelchair or scooter, you'll need to book a taxi transfer to your hotel. You can't take them on the coach. There's an extra charge for this.

Wheelchairs on Your Cruise

You'll need to bring your own standard-size, collapsible wheelchair to use on our ships. You (or your travelling companion) are responsible for assembling and disassembling the wheelchair/ mobility device. Unfortunately, due to safety reasons, we have to limit the number of wheelchairs we can allow onboard so please call our Assisted Travel Team before you book. If you plan to use your wheelchair onboard and require adapted facilities you must book a specially adapted cabin. All our ships have small number of these cabins - you can see them on the deck plans. They have bathrooms adapted for wheelchair-users and have wider access. These cabins may only be booked by those who require adapted facilities. If you plan to use your wheelchair onboard, but do not require adapted facilities, please contact our Assisted Travel Team to make sure an appropriate cabin type can be selected. See **Cabin Reservations**

Please note, if you need help with daily tasks, like using the bathroom, eating, or moving around the ship, you'll need to travel with a companion or a personal assistant who can help you. Unfortunately, our crew aren't able to help you with these kind of responsibilities.

Wheelchairs for Going Ashore

If you're bringing a wheelchair to use when you're ashore, we'll look after it for you at the gangway so it's there when you need it. But you'll have to be able to manage the gangway without it. In ports where a tender to shore is necessary, you'll have to stay onboard if you can't manage without your wheelchair. At other times, depending on the port and its tides, it may not always be possible for you to leave the ship at all due to gangway access. Assistance isn't given to customers to get on and off the ship in port, so if you require a mobility aid you need to bring it with you. Some excursions may not be suitable for the less mobile, please contact our Shore Excursions Team to confirm before booking - you'll find their details at the end of this guide. See **Assisted Travel**.

Wi-Fi

Wi-Fi On Your Cruise Wi-Fi onboard our ships depends on satellite connectivity, so a strong signal can't be guaranteed and bandwidth is limited. Wi-Fi is only available in some public areas and is not available in cabins. If you use Wi-Fi onboard it will be charged to your onboard account.

Wi-Fi At Your Hotel Bandwidths may vary. Some hotels may offer an upgrade to a higher bandwidth which you may need to pay for. Some hotels may have a data cap on usage, or the free Wi-Fi may be restricted to a daily time limit per device or room. Once this usage or time limit is reached, there may be a charge to continue using the service. Factors that may reduce signal strength include high usage - particularly if lots of devices are using Wi-Fi at the same time. If your device isn't connected to Wi-Fi, remember to turn off data roaming to avoid possible data charges. Due to factors outside of our control we can't guarantee the availability, performance or security of the Wi-Fi provided.
