Flights of more than seven hours usually take place on our fleet of Boeing 737s.

You'll have at least a **28-inch seat pitch**. On board, you can buy a range of **food and drinks**, including great-value meal deals, hot and cold sandwiches, and snacks. If you're flying to Lapland, you'll get a complimentary meal, with a hot drink.

Your luggage allowance ranges from 20kg to 25kg, depending on the type of holiday you've booked. And, you get 10kg hand luggage. Children under 2 get 10kg hold allowance*. You can pool your luggage allowance with others on your booking – but each bag must weigh 25kg max.

Flying long-haul

Long-haul TUI flights – of seven hours or more – take place on our 787 Dreamliners[†]. Flying on a Dreamliner's as soothing as it sounds. Here's why...

Your questions, answered

All the need-to-know info on your TUI holiday.

• Can I spread the cost of my holiday?

A You can set up a Direct Debit to spread the cost over a period of months, with payments coming out in equal instalments each month. For our package holidays — AKA holidays that include a combination of flights and accommodation — you can pay a partial deposit, or even a £0 deposit in some cases. This applies if you're booking at least five months in advance — the final balance will then come out up to eight weeks before departure. These options are only available on selected holidays and when booking directly through TUI.

What different payment methods do you accept?

A In addition to Direct Debit, we accept payments by debit or credit card — and we won't charge you any extra for paying by credit card. You can also pay using a building society or bank draft cheque, or PayPal.

What are T ratings?

A Alongside every hotel in this brochure, you'll see our T rating, which looks like this

Because traditional hotel star ratings differ from country to country, we provide our own tried-and-tested TUI ratings to help you compare. They're based on the hotel's facilities, location, general atmosphere, and feedback from customers just like you.

Is it possible to choose the exact room I'd like to stay in?

A t selected TUI BLUE, TUI MAGIC LIFE and ROBINSON hotels, you can pick the specific room you want to stay in from a plan of the resort. You can do this using the TUI app. If you've booked a hotel where this is available, we'll email you to let you know during the run-up to your holiday.

What is ATOL protection?

A When a holiday is ATOL-protected, it means that you won't be out of pocket or end up stranded abroad if the travel company you've booked with goes out of business. Legally, all providers of package holidays - meaning holidays that include flights and accommodation – are protected by ATOL. However, if you book individual elements of your holiday separately, you may not be covered by ATOL.

All TUI holidays that include both flights and accommodation have ATOL protection – and you'll receive an ATOL certificate for peace of mind after you book.

Where can I find the best deals?

A Scan the QR codes throughout this brochure and you'll be taken straight to the hotel's most up-to-date price. We sometimes feature exclusive discount codes on our website home page, and send them out via email if you're signed up to receive newsletters from us.

You can also check out our Holiday Deals page for all the latest discounts, which are organised into handy categories to help you find the perfect holiday for you.

And, our free kids' place finder does what it says on the tin, directing you to the hotels where your little one can go free.

What service will I receive from TUI during my holiday?

A We've been working hard to make it even easier to get in touch with us, whenever it's convenient for you. We're confident that you'll be able to find the answer to any questions you might have within the easy-to-use TUI app - it's packed with info and tips. Plus, you can use it to get hold of us anytime if you need help.

What's more, the app sends you important updates like your airport transfer times – so make sure you switch your notifications on so we can keep you in the loop. And, you can use it to book excursions and find things to see and do in the local area.

As part of our commitment to excellent service, we offer two different levels of support across our hotels. Both levels come with 24/7 service via your smartphone and in-person contact from one of our resort reps where it matters most, like at the airport or if you need support urgently. Then, if your holiday comes with our Hotel Rep Service, you can also expect visits at your hotel from one of our reps. You'll find all the details at tui.co.uk/destinations/info/serviceon-holiday.

Click the button below to download the **TUI** app to your phone.

If your question's not covered here, you can check out other FAQs online at tui.co.uk/destinations/faq. Or, get in touch with us via live chat on our website, call 020 3451 2688*, or pop in to a TUI Store.

*Calls to 020 numbers cost the standard rate from UK landlines, but calls from mobiles may be higher. Check with your network provider.

WHAT ARE GREEN & FAIR HOTELS?

Green & Fair hotels have been recognised by an independent organisation for their sustainability standards, according to criteria set by the Global Sustainable Tourism Council (GSTC). The GSTC Criteria works as a worldwide standard in sustainability that all hotels should strive for, and is focused around four key areas:

- Sustainable management
- Environmental protection
- Social and economic support of the local community
- Recognising and promoting cultural heritage

If a hotel has earnt a certification that shows it complies with the GSTC Criteria, we award it with a Green & Fair label. This badge of honour not only shows off hotels with more planetfriendly practices, it also makes it easier for you to make more sustainable holiday choices. Just look for the Green & Fair label when you're browsing for your next getaway.

The TUI Care Foundation

The TUI Care Foundation turns holidaymakers' love of travel into something that makes a difference. It uses the positive power of tourism to improve the lives of young people, care for the natural world and help local communities thrive.

By creating projects that use tourism as a force for good, this independent Foundation works globally with local partners and international organisations to create meaningful and long-lasting impact. With over 30 projects in 25 countries, the TUI Care Foundation focuses on the specific needs of a destination.

In Cape Verde and Turkey, for example, it's working with organisations in resort to help protect native sea turtles. And, over in the Dominican Republic, its TUI Academy is

empowering young people with vocational training, to help them find jobs in the hospitality industry.

WORKING TOGETHER

For every booking to a Green & Fair hotel, we also donate £1 per person to the TUI Care Foundation, plus, you have the option to donate an additional £1 per person when you book. This helps support the foundation's projects in holiday destinations around the world.

DID YOU KNOW?

Booking a Green & Fair hotel stay isn't the only way you can contribute to the TUI Care Foundation. You can also pledge whatever you'd like at **tuicarefoundation.com**. Plus, when you're booking a TUI holiday, keep an eye out for the 'Adopt a Tree' and 'Adopt a Turtle' check boxes on the 'customise your holiday' page.

MAJORCA

There are a million and one reasons why so many people go on holiday to Majorca – knockout beaches and a trendy capital are just a couple of them.

★ Flight time: 21/4 hours from London Gatwick

IBIZA

Ibiza might be associated with clubbing, but that's only one chapter in the island's story. Its sleepy villages, pretty beaches and UNESCO-protected old town aren't to be missed.

MENORCA

Holidays to Menorca involve picnics in the countryside, snoozes on the beach, and harbourfront dinners you'll remember long after the dishes have been cleared away.

FORMENTERA

This island should come with a 'slow down' sign on arrival. It's ultra-relaxed here, from the footprint-free beaches to the unhurried seaside towns.

★ Flight time: 2¼ hours from London Gatwick

Formentera has no airport, so you'll take a ferry from Ibiza to get there.

ALCUDIA BEACH, MAJORCA

This beach is a huge hit with families, thanks to its easy-access facilities. Seafood restaurants, ice-cream shops and milkshake parlours hug its 10-kilometre-long arc of sand. If you want a more secluded patch, wander down the beach in the direction of neighbouring Playa de Muro – the sands are less crowded the further along you get.

★ Ideal for families Restaurants Plenty of room

CALA ES RAM, FORMENTERA

This pebbly beach on the island's south side is framed by rugged cliffs and pine trees. You can even hear crickets chirrup while you sunbathe. There are no restaurants, but you have got a sleek eco resort with a roof terrace that's a few metres from the sand.

CALA XUCLAR, IBIZA

This small, horseshoe-shaped bay is tucked away in the north of the island, a five-minute drive from Portinatx.

There's nothing but green hills and a few fishing huts framing the sands.

And refreshments come courtesy of a tiny bar that sells tapas and seafood dishes at lunchtime.

CALA PRESILI, MENORCA

This half-moon of meringue-white sand has no facilities to speak of, so you'll need to bring a picnic if you're heading down to spend the day here. To get here, make the 20-minute drive from Mahon and then walk about 15 minutes down to the sands.

Spain's hidden gems

Discover a new side to Spain, with our run-down on the lesser-known places to visit and the hotels to add to your watch list.

Off-the-beaten-track beaches

LOS ENEBRALES BEACH, COSTA DE LA LUZ

The ratio of sand to people is low on Los Enebrales Beach, an hour's drive east from Isla Canela. You reach the sand via a wooden walkway surrounded by juniper trees and sand dunes. When you get there, the beach is completely unadorned – it's just powdery biscuit-coloured sand and the sea.

CAP SALOU BEACH, COSTA DORADA

You can catch a bus to Cap Salou from Salou or La Pineda – the journey only takes around 10 minutes. When you arrive, though, you'll feel like you're miles from anywhere. This small, sandy cove is tucked behind a headland and cradled by pine-cloaked cliffs. There aren't any beach bars or cafés here, so it's mostly footprint-free.

ROQUETAS DE MAR, COSTA DE ALMERIA

Most holidays in Roquetas de Mar centre around a wide, uncrowded, shingle beach. It's three kilometres long, so there's plenty of room to lay your towel – plus, you won't have to battle for a sunlounger. There's a flag system in place, thanks to strong currents that are ideal for windsurfing.

RIU COSTA DEL SOL, COSTA DEL SOL TOTO

This place dishes up three outdoor pools, plus a fourth indoors, and a swish spa. There are also three restaurants and six bars, including a poolside number.

EVENIA OLYMPIC PARK, COSTA BRAVA O O O Plus

This place is made for family holidays – it's got six pools, a bunch of activities and unlimited access to a waterpark.

GOLDEN TAURUS AQUAPARK RESORT, COSTA BRAVA 10 10 10 10

This hotel does well for pools – there are three good-sized outdoor ones, and they have tropical features like wooden bridges and waterfalls. There's also a flume-filled waterpark. And, Pineda de Mar's sand-and-shingle beach is right outside.

Located on the shores of the Mediterranean Sea, PortAventura World Parks & Resort is an ideal destination for an unforgettable family holiday at any time of year. Days here are spent rumbling down river rapids, braving white-knuckle rollercoasters – including the 76-metre-high Shambhala – and watching jawdropping shows by talented performers.

PORTAVENTURA PARK

PortAventura Park is split into six different zones. First, there's Mediterrània, a traditional Med fishing village, where you can hurtle through the air on the Furius Baco rollercoaster. In jungle-themed Polynesia, the Tutuki Splash raft ride steals the show. China plays host to the mighty Dragon Khan coaster, with a whopping eight loops. Over in Mexico, it's all about the El Diablo runaway train. And in the Far West, the Stampida wooden rollercoaster and Grand Canyon Rapids rule the roost. In Sésamo Aventura, younger guests can

take to the skies on the Coco Piloto plane ride, let loose at the playground, and meet their favourite Sesame Street characters.

THAT'S ENTERTAINMENT

PortAventura Park is just as well known for its shows as it is for its hair-raising rides. In the summer months there are shows lined up for all ages. There's everything from cancan dancers to kid-friendly talent shows and West End-style productions. Plus, different periods throughout the year bring Carnival, Easter, Summer, Halloween and Christmas themes to the park.

CARIBE AQUATIC PARK

PortAventura's Caribbean-themed aquatic park is open during the summer months. Caribbean-inspired King Khajuna sends you hurtling down a sheer waterslide. Then there's the six-lane Rapid Race, the family-friendly El Torrente raft ride, and El Rio Loco lazy river. Little ones can splash around on the Sesame Street-themed pirate ship. And Bahama Beach is just the spot to relax on a lounger.

EXPRESS PASS

If you fancy jumping the queues for your favourite rides, ask about the PortAventura Express Service. You can pay for Express Max, and join the quick access queue once on each participating attraction, or opt for Express Premium, which lets you join the fast queue as many times as you like.

PORTAVENTURA PARADE

Days out at PortAventura aren't done until you've hit the park's parade, which takes place along the fishing village's main avenue at the end of each day. The place comes alive with music and a convoy of colour-splashed floats carrying all the friendly faces you've met throughout the day. The park's mascots will make an appearance to wave you off until your next visit. It's a guaranteed grin from little ones, too, as the tot-friendly crew from Sésamo Aventura will also be here to see you out.

PORTAVENTURA WORLD HOTELS

Bed down at one of these properties and you'll have unlimited access to the PortAventura Park during your stay, plus one day's entry to Ferrari Land.

SEE THE STARS FROM LA PALMA'S OR TENERIFE'S OBSERVATORIES

The Canary Islands' out-of-the-way location means they have some of the cleanest and clearest skies in Europe. And the viewfinder from each island is filled with different constellations. If you're serious about stargazing, though, head to La Palma or Tenerife – both of which have observatories that run guided tours.

LEAVE THE WORLD BEHIND ON LOBOS ISLAND

Nowhere does peace and quiet quite like Lobos Island. Just off the coast of Fuerteventura, this teeny speck in the ocean is completely car-free. Birdlife rules the roost here and you can spot some endangered species while soaking up the soothing surroundings during a daytrip.

SAIL ACROSS TO LA GOMERA

La Gomera – the Canary Island that neighbours Tenerife – gives you a real flavour of what the Canaries were like before tourism made its mark. It's home to a UNESCO-ticked national park, a string of snap-worthy villages and a history-stamped capital – AKA San Sebastian.

CATCH THE CARNIVAL IN TENERIFE

See Tenerife's Santa Cruz at its liveliest by timing your trip with the annual Carnival, which usually takes place during the first couple of months of the year. Expect a whirlwind of Latin dance music, lavish costumes and colourful floats carving a path through the streets.

WITNESS SOME ALMIGHTY WAVES

The western coast of Lanzarote is thrashed by the powerful waves of the Atlantic Ocean – and it's quite a sight to see. In the town of El Golfo, there's a clutch of restaurants by the shore that provide front-row seats for this natural spectacle. So you can pull up a chair, sit back and watch, all while tucking in to fresh-as-it-gets seafood.

EXPLORE AN UNDERWATER MUSEUM

There aren't many museums where you need to get kitted out in diving gear to see the exhibits, but Museo Atlantico, near Marina Rubicon on Lanzarote, is one such place. The series of statues and sculptures aren't only thought-provoking – they're helping to provide a home for marine life such as parrotfish and damselfish, too.

VISIT GRAN CANARIA'S ANSWER TO VENICE

The low-rise fishing town of Puerto Mogan, on Gran Canaria's south-west coast, certainly doesn't lack in the looks department. Its narrow, cobbled streets are lined with whitewashed houses clad in bougainvillea and hibiscus. There's a harbour flanked with fancy yachts, too. And in the centre, Italian-style footbridges criss-cross a winding canal.

Off-the-beaten-track beaches

EL PAPAGAYO, LANZAROTE

Bookended by cliffs, the beaches at El Papagayo, on Lanzarote's most southern tip, are completely unspoilt and protected by national park status. There are two ways to access them

– hire a car and drive along the rugged mountain access road, or take a water taxi from the harbour in Playa Blanca.

COFETE BEACH, FUERTEVENTURA

Cofete Beach, near Jandia, has managed to stay under the tourism radar. If you're here outside the peak summer months, you can have this secluded bay all to yourself. There's a short walk to the beach and no facilities at all, so you'll get a real

castaway feeling when you're here.

LOVERS BEACH, GRAN CANARIA

Just a 20-minute walk from popular Playa de Puerto Rico, you'll find Lovers Beach, which is a mile-long cove of golden sand. Ball games and radio playing aren't allowed here, so it's pretty peaceful. There are plenty of restaurants and cafés close by, too.

Siam Park has been named by TripAdvisor as the best waterpark in the world for nine years running. This place has a hatful of rides and attractions, so it's got the whole family covered. Kids have got Coco Beach — a theme park inside a theme park, with a collection of fun-filled spots like Bodhi Trail and The Lost City. And for those looking to relax, there's Siam Beach — this white sweep of sand from the Algarve brushes the shores of the Wave Palace.

For adrenaline junkies, there's the Tower of Power – a 28-metre-high structure that whizzes you through an underwater tube past fish, rays and sharks. Then there's Singha – the fastest water rollercoaster in the world, with around 250 metres of hectic slides and extreme curves. And, you can race your friends on the newest attraction in the park, SAIFA – a thrilling, 300-metre-long double slide that opened in 2023, boasting slopes twice as steep as other water coasters.

You can also upgrade your experience and go VIP – there are private villas and houses which come with luxury touches to make your day extra special.

Loro Parque

Puerto de la Cruz

Loro Parque is one of the best ways to discover the secrets of the animal kingdom, thanks to specially adapted areas for each of the species that live there.

A journey through the Animal Embassy gets you close to the action – there's a huge parrot reserve and a presentation line-up that ticks off the likes of sea lions and dolphins. Plus, new for 2024 is the Coral Kingdom – the biggest man-made coral reef outside of the ocean.

This place is all about education, too, so you're likely to learn a thing or two about wildlife and conservation during your unforgettable day out.

Croatia's hidden gems

Discover a new side to Croatia, with our run-down on the lesser-known places to visit and the hotels to add to your watch list.

Croatia's Adriatic Coast gets the lion's share of tourist attention, but, beyond the seafront, there's countryside that's brimming with secret sightseeing spots. That's where Istria's triplehelping of hilltop towns comes to the fore. Buzet, Motovun and Hum are far from household names, but all three are like something from a fairy tale. Buzet is a tangle of striking Medieval walls and shaded lanes filled with truffle shops. Motovun's a scrum of Romanesque and Gothic houses and artists' studios. And Hum's famous for being one of the smallest towns in the world. The trio are an hour's drive from the popular resort of Rovinj.

BRIJUNI ISLANDS, PULA

There are 14 ink blot-shaped islands in the Brijuni chain, just off the coast of Pula. They weren't open to visitors until the 1980s, so they're still hovering below the radar. Aside from the sleepy pockets of sand, there's also a safari park tucked away on one of the islands.

NUGAL BEACH, TUCEPI

Hidden beneath high cliffs just outside Tucepi is Nugal Beach. Its secluded setting, behind a thick pine forest, has made it a favourite for peaceful sunbathing sessions.

KAMENJAK BEACH, ISTRIA

The Istrian Riviera is no stranger to secluded coves and deserted bays. Kamenjak, at the southern tip of Istria, is one of the most unspoilt sections of coastline. The inlets, coves and bays here have managed to duck out of tourism's way thanks to their natural park status.

Holidays to Malta

For such a small island, Malta packs a lot in. Holidays here serve up history, chic harbour towns, lively nightlife and a calendar packed with cultural events.

QAWRA

Qawra sits shoulder-to-shoulder with its neighbour, Bugibba, so you get a two-for-one kind of deal. Expect a pretty harbour, a waterpark and diving trips on tap. There's history, too, in the form of the one-time fortress, Qawra Tower. Plus, Tourist Street does what it says on the tin, with pubs and restaurants to satisfy all palates.

★ Flight time: 3 hours from London Gatwick

MELLIEHA BAY

With a long sweep of golden sand, Mellieha Bay breaks the mould on mostly rocky Malta. It's got a sleepy old town with a smattering of restaurants and shops. And, it's within a 30-minute drive of Medieval Mdina, the island's former capital.

> ★ Flight time: 3 hours from London Gatwick

St Julian's

○Qawra

ST JULIAN'S

Bustling by day and buzzing by night, St Julian's is packed with shops, seafront restaurants and bars. An added bonus is the small, sandy beach. The city of Valletta, with its palaces, cathedrals and UNESCO status, is 20 minutes' drive from here.

HOTEL QAWRA PALACE, QAWRA 10 10 10

There's plenty to keep families busy here, from the big pool with a kids' pool by its side, to the minigolf course and games room. The buffet's joined by a pizza restaurant and ice-cream parlour. And, quizzes, comedy nights and magic acts are on the after-dark agenda.

MELLIEHA BAY, MELLIEHA

Families flock to Mellieha Bay for its gently sloping sands and paddle-friendly waters. There are watersports – ranging from kayaking to banana boating - to keep older kids entertained. Once you've worked up an appetite, head to one of the handful of bars and restaurants lining the shore, where you can get the likes of pizzas and

DB SEABANK RESORT & SPA, MELLIEHA BAY 0000

The explorers' guide to Malta

Get to know Malta, with our top sightseeing tips.

GO EXPLORING ON NEIGHBOURING GOZO

Gozo, Malta's sister island, is little in size but big on sights. It's just a 20-minute ferry journey – from Malta's northernmost tip – so a daytrip here is a doddle. Make sure you check out the Ggantija Temples – they were built even before Stonehenge. The Inland Sea lagoon and the neat-as-a-pin Ta' Pinu Basilica are other worthy contenders for your camera reel.

VENTURE TO VALLETTA

There's so much to see in Malta's seafront capital city. And, thanks to its petite size, it's easy to cram lots in to a daytrip. Dip into its collection of palaces, museums and cathedral, among which are some of the oldest buildings in the world. Alternatively, take a leisurely stroll, stopping en route to sip coffee al fresco and snap pictures of the pretty, balconyfronted facades. Or, sit down for a picnic in the Upper Barrakka Gardens and watch the boats drifting by.

SHOP 'TIL YOU DROP IN MARSAXLOKK

With its rainbow-coloured boats bobbing in the turquoise harbour, the south-coast fishing village of Marsaxlokk is pretty as a picture. Time your trip here for a Sunday morning and you can combine the scenic sights with a spot of shopping. This is when the weekly market sets up, touting everything from Maltese wines to leather keepsakes.

Take a dip in the **Adonis Baths**

This tucked-away natural pool's in western Cyprus, a 30-minute drive from Paphos. It's named after the Greek god Adonis, who – according to legend – used to come here with Aphrodite for some quality time. During your visit, you can soak in the pool's crisp water, play on the rope swings that hang from the trees, and snap some photos from the top of the waterfall. There are a couple of walking trails that weave around the baths, too – perfect for laidback strolls. One of them leads to the ruins of a Roman-style amphitheatre, while the other's dotted with statues of Greek gods, including Poseidon, Aphrodite and Priapus – the god of fertility.

Off-the-beaten-track beaches

KONNOS BAY, AYIA NAPA

You'll find this cove a 15-minute drive from Ayia Napa's bass-pumping town centre. It's part of the Cape Greco National Park, meaning it's framed by pine-tree-carpeted cliffs, which gives it a peaceful, cut-off feel. It's a Blue Flag winner, too, so expect breadcrumb-coloured sand and sapphire-blue waters that are as clean as they come.

LATCHI BEACH, LATCHI

Latchi Beach is a mile-long, sandand-shingle swathe on Cyprus' west coast. The whole thing's tucked away behind a row of forested hills, giving it a real under-the-radar feel. Plus, its location means that the crowds haven't found this place yet. Visit outside the summer months and you might have the whole thing to yourself.

SIRENA BAY, PROTARAS

Sirena Bay takes the less-is-more approach to days on the beach. It boasts 100 metres of biscuit-coloured sand, which is specked with a few sunbeds and umbrellas. Drinks and snacks are available from the waterfront restaurant – you'll find it nestled into a patch of tropical trees at one end of the beach.

THE KING JASON, PAPHOS TO TO TO

This place is a cut above most apartment complexes. For a start, the rooms rival those in the fanciest of boutique hotels. And then there are the two main pools, one of which is adults-only.

SUNRISE GARDENS, PROTARAS **O O O

One of this hotel's big draws is the dine-around programme. It means you can have dinner in a choice of restaurants, which serve everything from Sunday roasts and steak to authentic Greek cuisine. It's also got three pools and a beach a short walk away.

DAMON APARTMENTS, PAPHOS TO TO

On the location front, these contemporary apartments are as well-connected as it gets. Aside from the great selection of shops, bars and restaurants nearby, Paphos Beach is just a short walk away. They also line up a pool, a buffet restaurant and an open-air bar.

ELAFONISSI BEACH, CRETE

For a beach with a difference, try Elafonissi in Crete. You might've heard this place go by another name - the Pink Beach, due to its blush-tinted sands. If the kids aren't wowed by those, they'll love the waters, which are shallow and seethrough - perfect for pint-sized paddlers.

POSEIDON BEACH HOTEL, ZANTE O O Plus

This place lists a close-to-it-all location and a family-friendly pool scene as just a couple of its high points. It's right on Laganas' beach, so a wander through shrub-and-palm-lined gardens will get you to the sands. It's close to everything else, too - the nearest bars and restaurants are only five minutes' walk away.

♦ Beachfront **♦** Family friendly **♦** Close to Laganas

NANA GOLDEN BEACH, CRETE TO TO TO

The Nana Golden Beach doesn't do things by halves. Eight restaurants, six pools and a bar count in double digits are just for starters. Then, there's the slide-filled waterpark and a beach by the back door to throw into the mix.

Right by a beach 🚷 8 restaurants 🚷 Waterpark

KOUKOUNARIES BEACH, SKIATHOS

This pine-backed curve of sand is the perfect combination of laidback and lively. It's got enough watersports to keep teens busy – think jet-skis, banana boats and inflatable doughnut rides. Plus, you can go for strolls in the nature reserve behind, which hides a lake full of ducks and swans.

SEE SKOPELOS' MAMMA MIA! CHURCH

As far as islands go, Skopelos is small. But it's got a big claim to fame – blockbuster *Mamma Mia*! was filmed all over the isle. You can re-enact your favourite scenes at white-pebble Kastani Beach, or climb the 200 steps up to Agios Ioannis chapel – the beautiful church where Donna and Sam swap vows.

LEARN ABOUT THE MINOANS AT KNOSSOS

Athens has the Acropolis and Crete has the Palace of Knossos. This well-preserved plot was home to Europe's oldest known civilisation – the Minoans – back in 1450 BC. Today, you can still see their sophisticated drainage system, as well as the elaborately decorated baths, apartments and throne room.

SPOT LOGGERHEAD TURTLES IN ZANTE

Did you know Zante has one of the world's largest concentrations of loggerhead turtle nests? Try and spot the marine creatures for yourself on a trip to Marathonisi, AKA Turtle Island – one of their favourite nesting sites. As you cruise along, keep your eyes peeled for turtles and dolphins.

Book Turtle Island cruise from Zante at tui.co.uk/things-to-do

HEAD FOR THE HILLS IN SAMOS

The best way to explore Samos is to swap your flip flops for walking boots. Go on a full-day hike of the island's north, starting in the village of Vourliotes and ending in Platanakia forest. You'll pass vineyards, stroll through mountainside villages and cross rivers. This is Greece at its greenest.

GO ISLAND HOPPING FROM LEFKAS

With so many islands, a boat tour's a must in Greece. From Lefkas, you can sail over to Meganisi and the privately-owned Skorpios Island, dropping anchor en route to swim, explore caves and wander through untouched villages. Dolphins often make a guest appearance along the way, too.

MIKE'S HOTEL & APARTMENTS @ Plus

You can't leave Greece without sampling its famous cuisine. Mike's Hotel, in Maleme, is run by a local family, so you can expect traditional home-cooking. Off-the-beaten-track beaches

VATSA BEACH, KEFALONIA

With a quiet village setting and no sandside facilities to speak of, Vatsa Beach – about five minutes' drive from Lassi – is usually devoid of visitors.

The golden sands are home to nothing but a single Greek taverna, so it's worth bringing a picnic with you if you plan on staying a while.

AGIOS SOSTIS, MYKONOS

For the ultimate in footprint-free sands, it's got to be Agios Sostis, in the island's north. It's at the bottom of a rocky path, so the hordes usually steer clear. Make the trek, though, and you'll be rewarded by honey-coloured sands and rolling hills that stretch off into the distance.

FOURNI BEACH, RHODES

Rhodes' west coast is the place to go for wild, untouched beaches. You're likely to be the only sunbathers on this pebbly stretch, which is reached via a hairpin-bend road from Monolithos Castle. Plus, if you brave the climb along the rocky, cave-dotted headland, you can reach a secret sandy beach.

Here's just a taste of where you can stay in Greece...

BLUE LAGOON RESORT, KOS TO TO TO

The pools are what really sell this hotel. There are four – including an adults-only number and a splash park for children. And you're just a couple of minutes' walk from a sandy beach.

SKIATHOS BLU, SKIATHOS TO TO

Surrounded by pine trees and flowers, The Skiathos Blu has a hilltop position providing perfect vistas of Janeira Bay from most vantage points.

IKOS OCEANIA, HALKIDIKI TO TO TO

There are some seriously stylish touches to this high-end hotel, from multiple infinity pools to the sea-view spa. Plus, dine on Asian, French and Greek cuisine at the à la carte restaurants.

GO TURTLE WATCHING ON THE RIVER DALYAN

The River Dalyan's winding waterways are home to both freshwater and loggerhead turtles. The river's residents aren't the only thing worth paying attention to on boat rides along here, though — the temple-like tombs that line the water's edge rate highly on the stop-and-stare scale.

Turkey's hidden gems

Discover a new side to Turkey, with our run-down on the lesser-known places to visit and the hotels to add to your watch list.

Kaunos – Turkey's take on Petra

The 3,000-year-old ruins of this ancient city should be on every history fan's Turkish itinerary. You'll find them dotted around the secluded town of Dalyan, just over an hour's drive from Marmaris. The main attractions here are the six temple tombs – they're carved into a cliff face that looks out over the Dalyan River. It's believed rich aristocrats were buried here during the time of Alexander the Great. Elsewhere, you can take in the view of Dalyan's nearby wetlands from the top row of seats at the old amphitheatre – in its prime it could hold crowds of over 5,000 people.

Off-the-beaten-track beaches

IZTUZU BEACH, DALYAN

Sandy swathes don't get much more secluded than Iztuzu Beach, a 30-minute drive from the town of Dalaman. It's over four-and-a-half kilometres long and is tucked away behind a row of tree-covered hills. Plus, it's a protected breeding ground for turtles, which means - aside from a few wooden huts and picnic tables - there are no facilities at all.

GEMILE BAY, OLU DENIZ

This 200-metre-long bay, near the town of Olu Deniz, is a real needle-ina-haystack number. But despite its tucked-away location, there's a lot going on here. You'll find a restaurant nestled into the row of trees that runs along the edge of the sand. And, you can head out on the open water by renting a jet-ski or speedboat from the watersports kiosk.

PATARA BEACH, KALKAN

Patara Beach is a seven-mile-long strip of khaki-coloured sand. It's part of a protected national park, meaning the water is as clean as it gets. Its only facility's a thatched-roof restaurant that's dug into the sand. The rest of the beach has been left to do its own thing, giving it a really secluded feel.

TUI BLUE SENSATORI AKRA SORGUN 00000

Holidays to Cape Verde

Savvy travellers have been flocking to Cape Verde – a collection of islands off Africa's west coast – for a while now. And when you see its sandy beaches, lunar-like landscapes and colourful coastal towns, you'll understand why.

BOA VISTA

This island's wrapped up in 55 kilometres of Instagram-worthy coastline, which ticks off everything from long sweeps of Sahara-style sand to rocky, secluded coves. Some of the most popular strips are clustered around the island's capital, the city of Sal Rei. Here, you can tuck in to seafood at a waterfront restaurant, or shop for seashell jewellery in its open-air market.

★ Flight time: 6 hours from London Gatwick

SAL

The island of Sal feels like it's been plucked out of the Caribbean. The beaches are carpeted in ice-white sand and the towns sport a rainbow colour scheme. The headliner's the town of Santa Maria, on the south coast. You'll find a selection of surf shops, craft stores and eateries that dish up classic Cape Verdean cuisine lined up along its beach.

★ Flight time: 6 hours from London Gatwick

The sunseekers' guide to Cape Verde

Check out our round-up of the best, familyfriendly holiday hotspots in Cape Verde.

RIU KARAMBOA, BOA VISTA O O O O

This stylish spot has got a just for grown-ups tag to sit alongside its revamped facilities, which includes five pools and five restaurants. One thing that hasn't changed is the top-notch location – it's pulled right up to a leggy stretch of paper-white sand.

SANTA MARIA BEACH, SAL

Santa Maria Beach is the go-to sandy strip on the island of Sal. This two-kilometre-long golden band runs along the island's southern coast. Most of Santa Maria's restaurants and bars are perched on the edge of the sand, so Cape Verdean cocktails and locally caught seafood are always just a short stroll from your sunbed.

★ Lots of bars ★ Lifeguards ★ Soft sands

Our hotel pick

HOTEL RIU PALACE SANTA MARIA, SAL O O O O

This property counts five restaurants, six pools, seven bars and a slide-stocked waterpark among its major players. It's right by a beach, too, where you can get your hands on plenty of watersports.

♦ Beachfront setting **♦** Loads of watersports **♦** Waterpark

SEE THE FOUR CORNERS OF SAL

Sal squeezes a whole mix of sights into one small island, and it's possible to see all the highlights in one day. From Kite Beach to the salt lakes in Pedra de Lume and the mural-covered walls in Palmeira, there are plenty of places to learn more about the island, plus lots of chances to dip your feet in the water and cool off.

Book Postcards of Sal tour at tui.co.uk/things-to-do

TAKE IN THE VIEW AT MORRO NEGRO LIGHTHOUSE

You'll find this 80-year-old lighthouse on Boa Vista's east coast, standing guard over a protected nature reserve that's a nesting site for a colony of turtles. It's perched on top of a 150-metre-tall hill, so you can snap some screensaver-worthy photos of the peanut-coloured shoreline.

FLAKE OUT ON PRAIA DE ATALANTA BEACH

Praia de Atalanta Beach first made the headlines in 1968, when a Spanish cargo ship ran aground here. Nowadays, the rusted carcass of the ship's still sat a few metres out at sea. It takes 30 minutes to reach the beach from Sal Rei by quad bike. And, if you come outside of the summer months, you might get the entire 10-kilometre-long strip of sand all to yourself.

We understand the small print is the last thing anyone wants to read. But we believe it's really important to be clear in the information we give you. This A–Z outlines to what extent we would be liable, if at all. If any part of this guide isn't valid or can't be enforced, the rest will still apply. Not everything here will apply to you but a lot of it will so you'll need to read this guide before you book. You'll also need to read Our Agreement With You and Your Agreement With Us. Together, they explain every aspect of your holiday. If you need information in another format, do contact our Assisted Travel team on 0800 145 6920. In line with EU regulations, we need to let you know who you'll be flying with, as your holiday package flights may not be with TUI. You'll see which airline is included in your package as part of your booking journey, and we'll also let you know who the airline is when we send your tickets. If there are changes after that point, we'll tell you before you check in or at the boarding gate. When you come across anything to do with flights in this guide, we'll usually be talking about flights with TUI. So if you're flying with another airline, you'll need to change airlines or plane types but this isn't classed as a 'Major Change' to your holiday.

Δ

A La Carte The Select Your Seat benefit that comes with A La Carte holidays is only available if you're flying with TUI and you book at least 3 days in advance. Please note, A La Carte benefits will not be available if you're combining your stay in an A La Carte hotel with a tour, or a stay in another hotel. See Transfers for more information.

Accessibility Here at TUI, we want to make travelling as easy as possible. That's whether you or someone you're travelling with has access needs, reduced mobility or a disability, including non-visible ones, and neurodiversity. We know holiday planning can be stressful if you're relying on the hotel's accessibility details being available before booking. So, we've partnered with AccessAble to bring you Detailed Access Guides for our most popular hotels, so you can check if they meet your individual needs. You can view these at accessable.co.uk/tui.

Whether you book your holiday in one of our TUI Stores, or make your booking online, our friendly and knowledgeable Assisted Travel Team are on hand to make sure your holiday's right for you. Give the team a call for free on 0800 145 6920. If you're a British Sign Language (BSL) user, you can also contact us via SignLive. Or, for more on accessible holidays, head over to our assisted travel page at tui.co.uk.

Accuracy We published our latest brochures in July 2024. Our prices and information in those brochures were accurate on that date but they may have changed since then. We always check our properties regularly to make sure we're giving you accurate information and we'll tell you of any changes we know about when you book. If you've already booked, we'll tell you about any major changes we're aware of as soon as we can. Bear in mind public holidays and religious festivals affect whether or not facilities are available. Also, it may be the case some facilities aren't managed directly by the hotel and they could close without notice.

Adjacent Rooms These are two rooms next to each other and usually share some facilities, such as an entrance or a bathroom. They're available at selected accommodation and for a small supplement. The facilities can vary so check the individual hotel description. When you're booking, the room description will have ADJ next to it. Depending on where you're staying, you may need to book two rooms to get this room type. Please ask when you book.

Adult Properties These are hotels that cater really well for adults in terms of facilities and destination. They include our adults only TUI BLUE hotels, where the minimum age is 16, and our Exclusively for Adults ranges, where the minimum age is 16 or 18. You must not book children to stay at any of these hotels under any circumstances as bookings for children will not be accepted.

If you see a Scene logo, it means the hotel is recommended for adults only. At least one member of your group needs to be 18 or over. Any members of your party who are under 18 will need to give us a letter of consent from their parent or legal guardian when booking. They'll need to take this letter with them when they travel, too.

For adults-only hotels in Mexico and the Dominican Republic, the minimum age accepted for all travelling on the booking is 18 years.

Advanced Passenger Information So that you can travel, it may be mandatory (as required by government authorities before or at the point(s) of departure and/or destination) to disclose and process your personal data for immigration, border control, security and anti-terrorism purposes, or any other purposes which they determine appropriate. Some countries will only permit travel if you provide your Advance Passenger Information or API (for example Caricom API Data and US Secure Flight Data) to the airline before your departure.

Some or all of the Caricom states have entered into an agreement with the USA whereby advance passenger data, required by and provided to Caricom states for border security purposes, will be passed to the USA Department for Homeland Security for processing on behalf of those Caricom states. Please see the Caricom website for more details.

The Transportation Security Administration (TSA) requires you to provide your full name, date of birth and gender for the purpose of watch list screening. You may also provide your Redress Number (as well as a Known Traveler Number), if available. Failure to provide details may result in denial of transport or denial of authority to enter the boarding area. TSA may share information you provide with law enforcement or intelligence agencies or others under its published system of records notice. Please see the TSA website for more details. These requirements may differ depending on your destination and you are advised to check. Even if not mandatory, we may assist where appropriate.

You'll need your booking reference number, the lead passenger's surname and your date of departure to access the

Age Ranges No under-18s can travel on their own. For our hotels, 2 to 12-year-olds are classed as children unless we say otherwise. For self-catering properties and any type of property in Florida, it's 2 to 16 inclusive.

Air-conditioning This may depend on the time of year and be subject to hotelier discretion. Also, you may have to pay for it when you get there.

Airline Rules Charter airlines aren't allowed to carry certain nationals to and from their country of origin. This is due to licensing law restrictions with overseas aviation authorities. The current licensing laws, as of 15th November 2010, do not allow TUI Group airlines to carry nationals of the following countries on their operating routes – Brazil, Kenya, and Morocco. Some other restrictions also apply...

- Cuban nationals may travel to any international Cuban airport, except Cayo Largo and Cayo Coco, and must be travelling as part of an inclusive tour package.
- Indian and Turkish passport holders can only travel on inclusive tour package arrangements. Please check with your embassy or consulate before you book.
- If you're going to Goa, Kerala and Sri Lanka, on an Indian, Pakistani, Sri Lankan, Nepalese or Bangladeshi passport you can't fly on British charter flights. This travel restriction doesn't apply if you have a Pakistani, Sri Lankan, Nepalese or Bangladeshi passport but your spouse has a foreign non-Indian passport.

Airport Assistance See Assisted Travel

Airport Hotels and Parking - UK The companies that provide the hotels and car parks will have their own terms of use which will also apply to you. We can get you a copy of these if you need one, just ask.

If you don't follow the instructions we give you, we may not be able to refund you any additional costs you're charged as a result

Any parking is at your own risk, so we ask that you don't keep any valuables in your car. You should be prepared to leave your keys with car park staff as this may be necessary. If you have a larger-than-average vehicle or a motorbike, please contact us to check that the car park can accommodate it without an additional charge. When you travel, take your booking confirmation with you as it contains instructions on what you need to do. If you have any problems on the day, please let the hotel or car park know so they can help you. If you don't let them know, we may not be able to help you later on. If you're parking and you arrive before the day and time shown on your confirmation, or stay later than planned, you may be charged for the extra parking at the car park's normal price. If you leave earlier than planned, we won't refund any of the charges you've naid

You can amend or cancel any time up until a minute to midnight, the day before you arrive at the airport, free of charge. So, if you fly on the 2nd, you'd need to cancel by 23:59 on the 1st. If you cancel in time, you will be refunded what you've paid for the hotel and parking. If you don't cancel in time you will not be refunded any amounts paid for the hotel and parking and we will retain this as a cancellation charge.

Airport Lounges You can pay for UK airport lounge access after you've booked, subject to availability. You can do this via a TUI Holiday Store, Manage My Booking or by logging into your Customer Account.

Airport Service In most airports overseas, our Travel Experts aren't allowed past check-in or into the arrivals hall but we will have staff waiting to greet you outside the airport.

Alcohol During your flight with us, you can only drink the alcohol that our staff serve you.

All Inclusive Hotels You may need to wear a wristband or carry some ID to get the benefits of your package. For a full description of what's included, check the hotel description. Times for inclusive drinks, meals and snacks vary. Your All Inclusive package may not include bottled water, imported drinks, à la carte meals, or some speciality dishes. Some restaurants expect you to reserve a table and will be subject to availability. Not all bars and restaurants operate on an All Inclusive basis. Also, there may be cash bars once All Inclusive bars close. Bear in mind, under-18s won't be served alcohol. You should also be aware that we, and the hotels, may confiscate wristbands and IDs from guests who abuse the All Inclusive benefits.

You may be charged for motorised sports, and there are time limits or age and experience restrictions on some of these activities. You may have to pay a deposit to hire equipment. Things like classes and beauty treatments may be included in the price but there'll be a limit on how many sessions you can take. Safety deposit boxes may not be included and you'll need to pay for things like telephone calls and excursions.

All inclusive packages end when you check out of your room. In some cases you can pay to keep using the facilities. If there's a delay to your flight home and you have to spend extra time in the resort, any refreshments will be in line with the airline's instructions – not the board basis of your hotel.

One last thing, you may find timings will change for things like happy hours in bars and dining times.

Amenities Lots of things you come across in resort will be quite different to what you've come to expect at home, like roads, power and water, for instance. If there's a prolonged drought, it might interrupt water supplies. In summer, there's often more demand on water, which means the pressure can drop, disrupting water heaters. You may also find in some destinations you won't be able to flush toilet paper down the toilet.

Artist Impressions These, together with any computergenerated images, are there to give you an idea of how the property will look – they're not replicas of the finished building. Assisted Travel If you or anyone you're travelling with has a disability, is less mobile, has a vision or hearing impairment, or is undergoing medical treatment and needs support, contact our Assisted Travel Team - their number is at the end of this guide. Our colleagues can advise you which holidays are more suitable and meet your requirements. Also, if you've got any medical or dietary needs, they will do their best to help.

Assisted Travel at the Airport Assistance teams will be on hand

Assisted Travel at the Airport Assistance teams will be on hand at the airport, once notified of the request for assistance. Assistance is given at the designated points inside and outside terminal buildings. Assistance can include moving across various areas within the airport (e.g. check-in counter, toilet facilities and the luggage hall). And you can be assisted to the aircraft as well as boarding it. You can highlight to the Assisted Travel Team what type of assistance, and in which part of the airport experience, is needed.

Assisted Travel on Your Flight If you or a member of your party has a disability, uses a mobility aid, can't walk, or has difficulty climbing stairs, you should notify us of your assistance needs before travel. You can do this by contacting our Assisted Travel Team. You are strongly advised to contact us at least 48 hours before your departure.

Assisted Travel on Transfers If you aren't able to use our coach transfers, we can arrange an adapted transfer, if you tell us in advance by contacting our Assisted Travel Team. See Medical Conditions & Wheelchairs.

Sessions in BabyClub are at an additional charge and can be booked in advance.

Banned Airlines To improve safety, the European Commission has banned some airlines from operating in European airspace. In line with EU directive (EC) no. 2111/2005, Article 9, we need to make you aware of the list of banned airlines. To view the list of airlines that are subject to an operating ban within the European Community, visit http://ec.europa.eu/transport/modes/air/safety/air-ban/search_en

Bars If a hotel has a bar, you may well hear some noise – even outside normal licensing hours.

Beaches Many of the beaches in our resorts have been awarded the Foundation for Environmental Education's Blue Flag. The programme awards beaches and marinas that meet its high standards of hygiene, cleanliness, safety and environmental management. For details, visit www.blueflag.org.

When you're on the beach, make sure you check any flag

warning systems and take local conditions into account, particularly things like undercurrents and tides. You'll also need to supervise children at all times as most beaches won't have a lifeguard.

Some beaches in Mexico and the Caribbean may experience an increased level of seaweed from time to time. This is known as sargassum, and is a natural occurrence which can change on a daily basis influenced by weather patterns and sea currents. Hotels which are affected work hard to clear the seaweed so you can continue to enjoy the beach during your holiday. The situation can change day to day due to nature, wildlife and local laws.

You may find that public beaches are closed at certain times, particularly in low season. Beach closures are carried out by local authorities so are beyond our control. One more thing, you may need to pay to use some beaches, especially in Italy. **Building Work** From time to time, building work is unavoidable,

particularly where hotels are open all year round, and it can be noisy. If we're aware of any work, we'll let you know as soon as possible if we think it'll affect your holiday. This can be difficult as we don't control the work and we're not always told when it'll happen and how long it will last. But if we think it'll have a significant effect, you'll have the option of a refund or an alternative holiday, as outlined under 'Major changes to your holiday' in Our Agreement With You.

Bungalows If the description of your accommodation refers to a bungalow, this means that you may be located in an accommodation block within an annexe building separate from the main building which may not necessarily be single storey or detached.

Check-in

For Your Flight We recommend you arrive at the airport at least two hours before your scheduled departure time. For flights over seven hours, it's three hours before. Regardless of the length of your flight, you need to have completed check-in at least an hour before departure.

UK airlines need to carry out enhanced security screening from certain destinations for return flights to the United Kingdom. If this applies to your flight, you'll be told whilst you're on holiday as it may mean that you need to check in a bit earlier. You might need to be at the boarding gate earlier, too.

If we think you may be under the influence of alcohol or pose a threat to passengers or crew, you won't be able to fly. The same applies if you smoke, use insulting or abusive words before or after you board. If that happens, we won't be responsible for your holiday arrangements and we won't give you a refund, pay compensation, or cover any other costs. We may even seek compensation from you for any loss caused by your behaviour. This includes having to divert the plane.

It's also a criminal offence to cause disruption on board, so you may be prosecuted. Airlines may also share details about your behaviour with other airlines, which could affect your future trine.

Online Check-in You'll be allocated your seats when you check in online. If you don't like the seats allocated, you can pay to select your seat. Sometimes we may need to change the seat allocated to you for operational or safety reasons or for persons with reduced mobility. Boarding cards must be printed on A4 paper and be clearly legible with no rips or tears. You must drop your bags off before bag drop closes, 45 minutes before your flight time. Just so you know, if you choose not to use our online check-in service, we reserve the right to charge a fee for airport check-in. Please also see Section 14 of Our Agreement with You and Yours with Us.

For Your Accommodation Check-in time is usually 3pm to 4pm for hotels, unless you're on a Villa Collection holiday when it's usually 2pm. Depending on when your flight arrives, you may miss a meal if you've booked All Inclusive, Half or Full Board. If your flight arrives late at night, this is classed as the first night of your holiday and your room will be ready when you arrive. If you arrive in the early hours of the morning the day after your flight departed, your room may not be available until the hotel's normal check-in time. You'll be able to use the hotel's facilities while you wait. And because you're checking in later on your first day you'll get to keep your room on the last day of your stay. Check-out

For Your Accommodation On the last day of your holiday, you'll usually have to leave your room by mid-morning or noon. If you're in a villa, you may need to leave earlier. You'll be told the exact time when you get there. You may be able to keep your accommodation for longer, but there could be a charge. Depending on the time of your flight, you may miss a meal at your hotel. Also, you might not be able to use some of the facilities or take advantage of the full All Inclusive package. If your flight leaves on or after midnight, you'll have to check out of your hotel room by midday the previous day. There'll usually be a courtesy room or apartment available for you where you can change and leave your bags until it's time to leave. You can pay for a late check—out room. They're normally available until 6pm that evening, but this varies from hotel to hotel. We recommend you book in advance as the hotel will allocate them on a first—come, first—served basis. You may be able to stay in the room you've had during your holiday, but you may have to move to another. The rooms will only be for you and your group to use, and will have beds and a private bathroom. Late check—out only covers the use of your room.

Child Prices Child prices are based on selected departures

Child Prices Child prices are based on selected departures within the season dates, and will only apply to the cheapest room type that occupies children. Child prices are only available for the first and second child sharing a room with two full-fare-paying adults. Any more than two children on one booking pay the adult price, count towards room occupancy, and will pick up any applicable third or fourth adult reductions or occupancy discounts. You'll still pay full deposits, insurance, flight, room and board supplements, and any extras for all children travelling at a child price. Children qualifying for free or reduced child prices don't count towards group offers. Child prices only count towards room occupancy for self-catering and villa holidays.

You'll also need to pay a fee for an infant under the age of 2 on the date of return travel. Please note, infant fees vary dependent on holiday type. If any children in your group turn 13 after you've booked but before – or during – your holiday, they'll need to pay the adult price, plus the amendment fee. Child Protection We believe we have an important role to play in protecting children's rights everywhere. Our child protection policy applies both in the UK and abroad. We train our resort staff to identify situations where children may need protection and report them to the relevant organisations. We're signed up to the Child Protection Code www.thecode.org. This independent organisation monitors and supports our child protection activities. If you suspect any child is at risk on your holiday, please tell your Holiday Advisor or call Crimestoppers, anonymously, on 0800 555 111. For more information, visit

https://www.tui.co.uk/editorial/child-protection.html.
Conditions Of Carriage When you travel by air or river, your journey may be subject to certain international conventions including, but not limited to, the Warsaw and Strasbourg Conventions, and the Montreal Convention for air. By law we need to give you these in 'legal speak' to avoid any misinterpretation. We can supply a full copy of these if you ask us to.
Montreal Convention This is a notice required by European Community Regulation (EC) No. 889/2002.

Air carrier liability for passengers and their baggage This information notice summarises the liability rules applied by Community air carriers as required by Community legislation and the Montreal Convention.

Compensation In The Case Of Death Or Injury There are no financial limits to the liability for passenger injury or death. For damages up to 100,000 SDRs (approximately £96,000), the air carrier can't contest claims for compensation. Above that amount, the air carrier can defend itself against a claim by proving that it wasn't negligent or otherwise at fault.

proving that it wasn't negligent or otherwise at fault.

Advance Payments If a passenger is killed or injured, the air carrier must make an advance payment, to cover immediate economic needs, within 15 days from the identification of the person entitled to compensation. In the event of death, this advance payment shall not be less than 16,000 SDRs (approximately £15,360).

Passenger Delays In case of passenger delay, the air carrier is liable for damage unless it took all reasonable measures to avoid the damage or it was impossible to take such measures. The liability for passenger delay is limited to 4,150 SDRs (approximately £3,980).

Baggage Delays In case of baggage delay, the air carrier is liable for damage unless it took all reasonable measures to avoid the damage or it was impossible to take such measures. The liability for baggage delay is limited to 1,000 SDRs (approximately FORM)

Destruction, Loss Or Damage To Baggage The air carrier is liable for destruction, loss or damage to baggage up to 1,000 SDRs (approximately £960). In the case of checked baggage, it's liable even if not at fault, unless the baggage was defective. In the case of unchecked baggage, the carrier is liable only if at fault.

Higher Limits For Baggage A passenger can benefit from a higher liability limit by making a special declaration at the latest at check-in and by paying a supplementary fee.

Complaints On Baggage If the baggage is damaged, delayed, lost or destroyed, the passenger must write and complain to the air carrier as soon as possible. In the case of damage to checked baggage, the passenger must write and complain within 7 days, and in the case of delay within 21 days, in both cases from the date on which the baggage was placed at the passenger's disposal

Liability Of Contracting And Actual Carriers If the air carrier performing the flight is not the same as the contracting air carrier, the passenger has the right to address a complaint or to make a claim for damages against either. If the name or code of an air carrier is indicated on the ticket, that air carrier is the contracting air carrier.

Time Limit For Action Any action in court to claim damages must be brought within 2 years from the date of arrival of the aircraft, or from the date on which the aircraft ought to have arrived.

Basis For The Information The basis for the rules described above is the Montreal Convention of 28 May 1999, which is implemented in the Community by Regulation (EC) No. 2027/97 (as amended by Regulation (EC) No. 889/2002) and national legislation of the Member States.

Cots There's usually room for one cot in all our hotel rooms, apartments or villas, but you'll need to check with us before you travel to make sure there will definitely be one available when you arrive. In some countries, such as Italy, you'll need to pay a daily charge to hire a cot. If you're staying in a villa in Florida, you'll need to pay to hire a cot by credit card, before you travel. If you decide to bring your own travel cot, bear in mind there's no extra luggage allowance for these and the airline will charge extra if you go over your limit.

Data Protection All details provided by you will be held by us and used in accordance with our Privacy Notice. We will process personal data about you and members of your party so that we can manage your account or booking, provide you with our products, services and/or any other travel arrangements booked with us. By providing other people's personal data, you must be sure that they agree to share their data with us and, where appropriate, they understand how their personal data may be used by us. For more information, please refer to our Privacy Notice available on our website or upon request in our stores.

Delays Depending on airport facilities, we provide light refreshments for a delay of 2 to 4 hours, a meal – or vouchers for a meal – for 4 to 8 hours, overnight accommodation for delays of 8 to 12 hours if it's necessary and possible.

If a delay is longer than 5 hours, you can cancel your flight and we'll refund the flight part of your holiday. We'll only refund the whole cost of your holiday if we change or cancel your holiday. We set out exactly what this means in Our Agreement With You.

Deposits As well as the deposit you pay when you book, if you're staying in an apartment or villa, you may also be asked to pay a deposit in local currency when you arrive. If you're on a Scene holiday, you may be asked to pay a deposit — in cash — even if you're in a hotel. Some hotels require a credit card swipe or cash deposit when you check in. Deposits cover all, or part of, the replacement costs for things being lost, broken or damaged. It's also to take care of any unusual cleaning charges. You'll get it back when you leave, or with an amount deducted if necessary. The property needs to be inspected before you leave. In some cases, your deposit will be returned to you by post. Unfortunately we can't accept responsibility for any disputes which may arise, although we'll try to help you to resolve them. You'll find details of the amount and type of deposit for each

Extra Charges The key aspects of your holiday will be included in the price when you book — see Prices for details. But it's important to point out you may have to pay extra for some things when you get there. For example, you might want to book an excursion, use the safety deposit box in your room or enjoy something from the minibar. You may also need to pay extra for things like sports, beauty treatments and classes. If we're aware you'll need to pay extra for a particular activity or facility, we'll show you by adding an asterisk after the item. You may also need to pay extras locally if you choose to hire a car, for example: upgraded insurance cover, young driver's insurance, local taxes etc. Please refer to the car rental terms and conditions for details when booking your holiday. See Meals and All Inclusive Hotels for more details.

Family Rooms These are generally for two adults and two children. These are only available for selected holidays in selected accommodation, and only where the child is sharing a

room, apartment or villa with a minimum of two full-fare-paying adults. When hotels are fully occupied, family rooms may be limited. Bear in mind, family- and 4-bedded rooms might not be larger than standard rooms.

Finishing Touches You'll need to book them at least seven days before departure and pay for them in full when you settle your invoice.

Flight Times Actual flight times are on your tickets. They are local times based on the 24—hour system. We can't guarantee the flight times in our brochure, on our website or on your booking confirmation won't change, so please always check your tickets.

Flying With Children Infants less than 14 days old are not allowed to travel. Any child over 14 days and under two years old on the date of their return travel is classed as an infant. Infants must sit on an adult's lap and wear an extension seatbelt. If your child reaches their 2nd birthday while you're away you'll need to allow for this when you book. All children aged two and above must have their own seats on the plane. If you've paid for an additional seat for your infant, you can use your own car seat as long as it has a single release harness. It needs to be facing forward on the aircraft seat, designed to be secured by lap belt alone, and must conform to EU safety standards. You'll also need the instruction leaflet to show the cabin crew if they need it. The seat mustn't be more than 16 inches or 40cm wide. You can't use carrycots and deluxe child car seats, as they won't fit. The use of car seats will be at your airline's discretion. Airlines registered outside the UK may have their own rules. Call TUI for information on approved car seats. You'll find the number at the end of this guide.

Football Academy Our Football Academy is available at selected Holiday Village resorts. We offer 2, 3 or 4 football training sessions of two hours each Approximate prices are 2 sessions £48 and 4 sessions £61. Please note that prices can vary depending on exchange rates.

Free Child Places These are only available for holidays departing between 1st May and 31st October in selected accommodation, and only where the child is sharing a room, apartment or villa with two full-fare-paying adults. They are available for children up to 12 years inclusive for hotels and up to 16 years inclusive for self-catering - unless we say otherwise in the property details. You'll need to pay a deposit but we deduct this from your final balance and will refund this when you pay for your holiday in full. Our free places don't include flexible dining, meal supplements, insurance, in-flight meals or any other extras. Plus, you need to pay the 'Select Your Seat' option for the child if you need this. If you change your booking, free child places on your new booking will depend on availability. If your first child goes free, your second child still pays the second child price. Not combinable with other selected discounts or special Offers. See Special Offers.

Gala Meals Many hotels and apartments host gala meals over the Christmas and New Year period. Bear in mind that men will probably have to wear a jacket, shirt, tie and full-length trousers. You'll see if the meal's included by checking the individual property descriptions.

Green & Fair You may see hotels marked as Green & Fair in this brochure. These are hotels, which at the time of going to print, were certified as sustainable by an independent organisation. This process involved a third-party assessment to certify that the hotel complies with the Global Sustainable Tourism Council (GSTC) criteria or an equivalent standard. The GSTC criteria serves as the global standards for sustainability in travel and tourism and covers four main areas of impact: sustainable management, environment, social and economic benefits to the local community, and cultural heritage. For every holiday sold to a Green & Fair hotel, TUI makes a donation of £1 per person to the TUI Care Foundation (www.tuicarefoundation.com/en). You can find out more about Green & Fair Hotels and the latest list of certified hotels – including the name of the certification body for each hotel – at www.tui.co.uk/holidays/green-and-fair. You should know that we review our portfolio of Green & Fair hotels three times a year and grant the Green & Fair label to any hotel certified at that time.

We're also members of Sustainable Aviation, a UK initiative that sets out the collective, long-term strategy of UK aviation to tackle the challenge of ensuring a cleaner, quieter, smarter future for our industry. You can find more information at www. sustainableaviation.co.uk.

Group Offers You may qualify for discounts if there are 10 or more in your party. Group discounts apply only at the time of booking. When you're about to book, ask your Travel Expert to contact our Groups Department. Or call our Groups booking line yourself - you'll find the number at the end of this guide. Groups of more than 20 can have a special service from a representative at the accommodation, a private get-together and greeting on the first day, and discounts on resort excursions. Of course, group discounts are subject to availability and we may withdraw them at any time. We base discounts on how many are travelling and everyone needs to travel on the same date. Their holidays must be for the same length and to the same accommodation. If it's more convenient for them, we can sometimes make arrangements for large groups to leave from different airports. They may not be available in conjunction with any other offers. Cancellations within your group may mean a drop or a removal of your discount, and the people who cancel will need to pay our standard cancellation charges.

Henna Tattoos Some resorts or hotels in which we operate may offer henna tattoos. We don't recommend or endorse these. If you decide to get a tattoo, please make sure that the henna being used is brown and not black. Black henna may contain chemicals that are known to cause skin irritation and burns. Holiday Villages Our full Holiday Village programme will end on 31st October each year. Some of the hotels will stay open after this date but will be run as standard hotels, without the Holiday Village programme. Check the hotel descriptions for details

In-flight Entertainment We have in-flight entertainment on all of our TUI long haul flights. For more details, contact TUI you'll find their details at the end of this guide.

Insurance You'll need to take out a suitable insurance policy for you and anyone travelling with you. This includes infants and children. We'll tell you about our insurance policy when you book. If you choose not to take out our insurance, you'll need to tell us who you're insured with. We'll need the company details and your policy number before you travel. We can't accept responsibility for any loss that you or anyone travelling on your booking suffers if the individual isn't adequately insured. As with all insurance policies, terms and conditions apply, so you need to make sure you've got the right policy for you. See **Delays** for more details.

If you're travelling to the European Economic Area you'll also need a European Health Insurance Card. You'll get a new UK Global Health Insurance Card (GHIC) instead of an EHIC. You can apply at www.gov.uk/global-health-insurance-card. Visit www.nhs.uk/ehic for full details on what it covers. You do not need to apply for a GHIC if you already have an EHIC. Your EHIC remains valid in the EU until it expires. An EHIC or GHIC is free of charge. You'll need to have both this card and adequate travel insurance.

Interconnecting Rooms These are two rooms with a lockable connecting door between them. They're available at selected accommodation for a small supplement. If you want to book, interconnecting rooms, you'll need to book and pay for two of these rooms.

Junior Suites When we advertise a Junior Suite, it means you'll get a bedroom with a sitting area and a bath or shower room.

Kids' Clubs No matter which kids' club you're looking at, there are certain things to bear in mind:

- Children who are unwell won't be accepted
- If your child has a disability, we will do our best to look after them but please check with us before you book that the club can accommodate your child's particular needs
- Sometimes, even when you have checked in advance, there may be reasons why the club can no longer accommodate your child's particular needs. When this happens we will do our best to include them in as many activities as possible but you may need to stay with your child to provide the care and attention that they require.
- If your child has an allergy or any other special requirements, please let us know when you sign them into the kids' club for the first time
- Staff aren't authorised to administer medication or change nappies, so you'll need to return to the club to do this if necessary
- Staff may provide snacks and drinks during the day.
- You must register your child for all activities, sign them in at the start of the session, and out at the end
- You must stay within the complex while your child is in the club and also leave details of your whereabouts in case you're needed
- Activities may have to be cancelled, numbers limited and a rota introduced. This may be for health and safety reasons or at particularly busy times.
- If a kids' club is an important part of your time away, it's worth checking club availability before you book your holiday
- Even if you've booked a package holiday with us, you may still need to pay extra for some activities and sessions when you get there. If you haven't booked a package holiday with us you'll also need to pay for your child to join the club itself. **Hotel-run Kids' Clubs** Only clubs run by us meet our

specification, which include strict staff to child ratios. Standards and facilities at hotel-run clubs vary. You should make sure you're satisfied with the facilities and staff providing the service before enrolling your child. Unfortunately, we're unable to take responsibility or guarantee that standards at hotel-run clubs

TUI Kids' Club We offer TUI Kids' Club for different age groups with bespoke sessions designed for age ranges 3-6 and 7-12. There is a minimum of two 2-hour supervised sessions per day (morning and afternoon) six days a week. These can be booked in resort. Sometimes we'll combine ages for activities, but it won't affect our strict staff-to-child ratios. We'll have two staff on hand at all times. Kids' club activities run from 1st May to 31st October, unless stated otherwise. We may need to finish before the end of October if there isn't enough demand.

Local Laws Sometimes local laws, religious customs or events mean facilities aren't available. For example, in all Muslim countries during the month of Ramadan, bars and restaurants including hotel restaurants – change their opening hours. You may not be allowed to eat, drink or smoke in public areas during daylight hours either. Drinking and gambling ages vary by destination. It's a good idea to find out more before you travel. For the most up-to-date information, we recommend you check www.gov.uk/foreign-travel-advice.

Lost Property If you leave something behind on the plane during your flight out, you'll need to contact the overseas airport and ask them to check their lost property. If it's on your flight home, let us know and we'll do our best to track down the item for you. If you leave what we class as a 'valuable item' at your hotel, like a camera, a laptop or a wallet, we'll do our best to find it for you. If your item is found, you'll need to contact the hotel to arrange for it to be returned, and there may be a charge for this. If we can't find your item, we'll send you a statement to support your travel insurance claim. For help with lost property, contact After Travel Customer Support – you'll find their details

Low Season You may find that if you're travelling outside of peak holiday periods, some facilities, both in your hotel and control may be the available and entertainment may be more

resort, may not be available and entertainment may be more low-key. Hoteliers may remove facilities at certain times due to low demand. These can include restaurants or bars and can be sudden, implemented by hotels on the spot without prior notice. Low season is usually May and October for short and mid-haul destinations like Spain and North Africa. For long haul destinations such as in the Caribbean and Mexico, low season tends to impact other months including January, May, September, October and November. However, unforeseen circumstances or lower-than-expected hotel occupancies can happen at any time, so facility closures are not limited to these specific months

Luggage When travelling with TUI your checked-in allowance will vary between 15kg and 23kg depending on your holiday, so make sure you check when you book, and check your booking confirmation to confirm your allowance, as it may vary depending on the airline you are flying with.

You can buy extra checked-in luggage allowance if you need to - you'll need to do this at least 3 days before departure. If you're booking a tour or twin centre, remember to check your allowance, as your amount during the tour or twin centre may be less than for your international flights.

On package holidays with TUI, under twos get 10kg hold luggage allowance – hand luggage is not included. If you've booked a flight only, there is 0kg hold or hand luggage for infants. Folding pushchairs can be brought on and weight limits – please see **Hand luggage**. You also have the option to check this in with your luggage, or take it to the aircraft door where we'll pop it in the hold for free. Please let the check in staff know on the day.

You can share your hold luggage allowance with others on your booking, but no single bag can be more than 25kg. If you have booked extra luggage allowance, you still need to make sure each bag is under 25kg, otherwise check-in staff won't accept it. If you've booked one of our wedding packages as a couple, you'll qualify for an extra 5kg of luggage allowance each for your wedding attire. This will be added to your booking when you book your wedding package. Bear in mind, if your flights change to another airline we won't be able to offer this allowance. Hand luggage The maximum dimensions are 55x40x20cm, and your weight allowance is 10kg. You can't buy extra hand luggage allowance. In addition to this, passengers can bring one small personal item, ie a handbag, laptop bag, briefcase or camera bag. This must be small enough to be stored under the seat. There are restrictions on what you can carry in your hand luggage so please read the information that comes with your tickets. Your airline won't be liable for loss or damage to valuable or fragile items packed in hold luggage, no matter how

On Other Airlines If you're not flying with TUI, you'll need to find out what your allowance is for checked-in luggage and hand luggage. Some airlines do not give infants their own allowance. **Excess Luggage And Sports Equipment** There may be a charge for excess luggage and sports equipment. Whether or not we ror excess luggage and sports equipment. Whether or not we can carry it will depend on capacity on the day. You can arrange to take golf clubs, windsurf boards, diving equipment and other sports equipment on your flight. If you don't book, you may still be able to check your own equipment in. But we can't guarantee this and there'll be a charge. Bear in mind, any problems with excess luggage charges need to be sorted out at the airport. We can't guarantee you'll be able to take bulky sports equipment with you on the coach to your holiday accommodation, and there may be an extra charge.

Lost And Damaged Luggage Please report any lost luggage or damage to us within seven days. If not, under the terms of the Montreal Convention, we won't be liable. See Montreal Convention for details. If your luggage is damaged on your way back to the UK, you need to complete a Property Irregularity Form (PIF) at the airport and keep a copy of it for insurance purposes.

Meals

On Your Flight TUI includes meals on long haul flights. Please let us know when you book if you require any children's meals. Just so you know, we don't provide meals for under-twos so you'll need to bring something with you. Remember to tell us if you have any special dietary requirements. We can't guarantee we'll be able to meet them, but we'll do our best. For group bookings, everyone in your party will need to either book in advance or decline the meal. For all other flights, we offer a ange of snacks and drinks to buy onboard.

At Your Hotel Meals are usually served in the hotel's main restaurant. The set—up here may change from buffet to waiter service, or vice versa. For à la carte restaurants you may be limited to a certain number of visits per stay and you may need to make a reservation. You may need to pay extra for these, too Not all of the hotel's restaurants will necessarily be open at the same time. Meals for infants are not included in the price of same time. Meals for infants are not included in the price of your holiday so you'll need to make your own arrangements. Full Board Plus includes a Continental breakfast, lunch and dinner with drinks included during mealtimes. Full Board includes a Continental breakfast, lunch and dinner. Half Board includes a Continental breakfast, and dinner — or lunch, if you with the completed by the property of the propert wish - at some hotels. Bed & Breakfast usually means Continental breakfast.

Medical Conditions

On Your Flight If you have a medical condition, a serious illness, or you've recently had surgery or an accident, you'll need to be cleared for travel by the airline. You may also need a 'Fitness to Fly' certificate from your GP. Conditions that need medical clearance include respiratory, coronary or infectious illness. You'll need to give your request for medical clearance to the airline at least four working days before you're due to fly. If you're unsure what conditions require medical clearance, or if you have any concerns about your health, we recommend that you contact your doctor before you book.

The risk of deep vein thrombosis (DVT) while flying is extremely low but is still a serious medical condition. DVT is when a blood clot forms, usually in the lower leg, sometimes because of sitting still for a long time. It needs treatment with blood-thinning drugs to prevent clots breaking off and travelling to the lungs. You can take precautions to reduce the risk. People most at risk include those with a history of bronchial or circulatory problems, thrombosis, those recently hospitalised, smokers, the obese, those with congestive heart failure, a malignant disease, pregnant women or women taking the contraceptive pill. To reduce the risk, exercise your legs from time to time, or walk around if possible. Elastic stockings may be helpful. Drink plenty of non-alcoholic liquids to prevent dehydration. See your doctor if you think you may be particularly prone to DVT.

At Your Destination If you have specific medical needs, think about whether the healthcare system in the destination you're looking at is likely to be able to meet those needs, if you have any problems while you're away. Consider things like the country's state of development and its size. You may find it helpful to look at www.gov.uk/browse/abroad/travel-abroad.

Official Ratings Each country has its own system for rating properties, but at TUI we use our own ratings to make it easier to compare hotels. See **Tour Operator Ratings** for details.

Passports The name in your passport must match the name on your ticket otherwise you may not be able to travel and your insurance could be invalid. If someone in your group changes their name after you have booked, tell us and we'll issue the ticket in the new name. If you've already received the ticket, return it and we'll send one with the correct name. There may be a fee for this change. British Citizens must hold a valid 10-year passport. British passport holders travelling to any EU country require at least six months validity on their passport on the day of travel. Some countries outside of the EU require a British passport to have a certain period of validity left on it, or blank pages. Please visit gov.uk/foreign-travel-advice for advice by country. Other nationalities should check with their own governments. It is also your responsibility to check whether you need a visa to enter your destination country.

British Citizens under 16 years old, including newborn babies, are required to have a child passport. The child's passport will initially be valid for 5 years, but can be renewed for a further 5 years at the end of this period. You can visit the gov.uk/ website for further information and how to apply.

If your passport has an Israeli stamp, you may be refused entry to some countries. For more information, visit HM Passport Office website at gov.uk/government/organisations/hm-passport-office. If you don't have a UK passport, you should always check with your own embassy, high commission or consulate before you book. Please also see **Visas**.

Entry to lounges is subject to the individual lounge operator who may impose their own conditions and who reserves the right to refuse admission to anyone wearing clothing which their staff believe may cause offence to others. If the lounge is unavailable then alternative facilities may be offered. The location of fast-track security and airport lounges in the UK will be provided by TUI staff at the TUI bag drop.

Our Select Your Seat service is included, in accordance with our Select Your Seat terms and conditions - see **Select Your Seat**. To get the best choice of seats, we recommend you book and select your seats as early as possible before departure. If you experience any difficulties using our online service, please contact your travel agent or, if you've booked your holiday online, please contact TUI on 0203 636 1790. Calls from UK landlines cost the standard rate, but calls from mobiles may be higher. Check with your network provider. Just so you know, we'll always do our best to seat your group together but we can't guarantee this.

Prices Our brochure prices are accurate at the time of publication, but you should only use them as a guide. The prices we give are selected from a range of prices available within the high season or outside the high season. The price you pay will depend on when you're travelling and prices may go up and down throughout the season. The brochure price is based on the standard occupancy for the room type included in the package so the price will change if the room is occupied by a different number of guests. See Occupancy Supplements/ Discounts.

Safety Overseas' safety standards are generally lower than ours in the UK. We take reasonable care to make sure only reputable businesses provide the services that make up our holidays, and we expect them to provide those services in line with local

Children's Safety For our own Kids' Clubs, we take advice from leading UK child safety organisations and accident prevention agencies. You should always check you're happy with hotel clubs and children's facilities.

Health And Hygiene Hygiene standards are generally lower than in the UK – particularly in developing countries. Having said that, you can help to improve hygiene levels by taking a few basic steps...

- Wash your hands after going to the toilet
- Shower before you get into the pool ■ Encourage children to go to the toilet before getting in the
- Make sure babies and infants wear swim nappies in the pool

Scuba Diving We recommend you check with your doctor before you go, and have a full medical examination in resort if you're planning scuba training. You may need to pay extra for this. It's also dangerous to fly within 24 hours of scuba diving. This is because pressure changes might cause 'the bends' or even in severe cases, paralysis. Of course, you also need to make sure you have adequate insurance cover.

Sea Views If you book a room with a sea view, it may be partly blocked by trees or smaller buildings, or across a road, but you'll still be able to see the sea. If we describe a room as a Limited Sea View, this will generally mean that your view of the sea will be to the side rather than directly in front of you. There may also be more obstructions like trees between your room and the sea than with a Sea View room.

Seating If you're flying with TUI the minimum seat pitch of our aircraft is 29 inches. The minimum seat width is 16 inches. If you think you'll have difficulty fitting into this seat size, please call our Assisted Travel Team before booking - you can find their details at the end of this guide. You might need to pay an additional charge depending on what options are available.

Seat Upgrades If you buy any seat upgrade, including Select

your Seat, seats can be selected via Manage My Booking as soon as your booking is confirmed. If you've paid extra for Select Your Seat or if you've reserved Premium Seats, Extra Legroom Seats or Extra Space Seats, on some holidays you will be able to choose your seats at the time of booking, otherwise you'll be able to access the seat map immediately after you book your holiday. You can also choose your seats by logging in to your Customer Account or the Flight Extras website.

Seats With Extra Legroom These are available to book on selected short and mid haul flights and are suitable for adults and children. Our Select Your Seat service is included, in accordance with our Select Your Seat terms and conditions – see Select Your Seat. To get the best choice of seats, we recommend you book and select your seats as early as possible before departure. If you experience any difficulties using our online service, please contact your travel agent or, if you've booked your holiday online, please contact TUI on 0203 636 1790. Calls from UK landlines cost the standard rate, but calls from mobiles may be higher. Check with your network provider We'll always do our best to seat your group together but we can't guarantee this.

Seats With Extra Space These include seats that are close to or next to emergency exit doors, behind a bulkhead or behind a dividing wall. Seats with extra space are only available to pre-book for adults and children 12 years and over with TUI and 16 years and over on other carriers, but we may allocate these seats to families with children if the seats are not located in an emergency exit row. Emergency exit row seats are only available to passengers who are able to move quickly and operate the emergency exit without difficulty in the unlikely event of an emergency - in line with European Aviation Safety Authority (EASA) regulations. So, you won't be able to book these seats if you find it hard to move due to physical or mental disability, age, sickness or physical size. Just so you know, you also can't sit in these seats if you are:

- Under the age of 12, when travelling with TUI
- Under the influence of alcohol
- Travelling with an assistance animal
- Require an extension seatbelt.

These regulations have been put in place by the EASA and are for the safety of our passengers. The cabin crew have the final say and we kindly ask that their decisions are respected.

Select Your Seat If you pay to take advantage of our Select Your Seat service, you'll be able to log in to your booking and choose where you sit on the plane. If you're flying with TUI, online check-in opens 14 days before your flight takes off. You'll need to check in for your outbound and return flights separately.

Once you've checked in and confirmed your chosen seat, you won't be able to change it. That said, in some circumstances, we may have to change your seat. This would only be for operational, safety or security reasons. In accordance with the Civil Aviation Authority's guidelines, certain requirements must be satisfied before we can allocate seats near the exit. If we do have to change your seat, we'll try to keep it as close to what you booked as possible. A refund will only be offered if we can't seat you in a similar position to your original request. A similar position means the same type of seat - window, aisle etc - as your original selected seats. In such cases, we ask that you keep a copy of your confirmation documents and boarding cards. If you choose the Select Your Seat option but then don't go on to choose your seat numbers, we'll still try and seat your group together. If you're not flying with TUI, we'll do our best to keep your party together but we can't guarantee it.
To maximise seating options for all our customers, it may not be

possible to book just a middle & aisle seat. If you have a specific seating requirement due to mobility restrictions, please contact our Assisted Travel Team.

Select Your Room You can select your room after you've booked your TUI BLUE, TUI MAGIC LIFE or ROBINSON holiday via the link on your booking confirmation email or via the TUI app, subject to availability. Select your room is only available in select TUI BLUE, TUI MAGIC LIFE or ROBINSON properties, and you can only select a room within your booked room type. Room allocation takes place on arrival and in rare cases, the hotel may not be able to provide the selected room due to operational reasons e.g. repairs. In this case, an equivalent replacement room will be allocated without charge. Full Terms & Conditions can be found at www.tui-blue.com/en/en/select-your-room, www.magiclife.com/en/en/all-about-booking/select-your-room-booking, and www.robinson.com/en/en/select-your-room

Single Rooms Single rooms and rooms for sole occupancy are available in most hotels, but demand always exceeds availability. Sometimes when we refer to single rooms it may mean a room suitable for sole occupancy. Single rooms are generally smaller, may not have the best locations or the same amenities. If you're booking a double room just for yourself, you'll usually be asked to pay a supplement. This also applies to self–catering accommodation, where, for example, three people choose a property for four. Our prices reflect the costs of the rooms contracted to us.

Smoking All our flights are non-smoking. In our hotels, there are usually designated areas.

Spa Spas in our hotels aren't included in the price of your holiday unless we say otherwise. Just so you know, in Spain and the Canary Islands, by law only over-16s can use the facilities. **Special Offers** Our offers are only available on the holidays and dates we advertise, are per booking, and subject to availability. Special Requests We'll always do our best to help however we can, but we can't guarantee we'll be able to meet your needs every time. These special requests aren't covered by Our Agreement With You so from a legal point of view, they're not part of your holiday contract.

Supplements

On Your Flight Depending on the airport you choose to fly from, on certain days or at certain times, you may have to pay a 'flight supplement'. Flight supplements may go up or down throughout the season. Some holidays are only available on flights with extra charges, either because the accommodation is available only on certain days of flying, or because onward travel arrangements are only available at certain times.

Occupancy Supplements/Discounts Depending on the number of people sharing a room, you may have to pay an 'occupancy supplement' for under-occupancy or single occupancy, or there may be a discount if more people share a room. Occupancy supplements/discounts may go up or down throughout the

Room Supplements Depending on the type of room you choose to stay in, you may have to pay a 'room supplement'. Room supplements may go up or down throughout the season. All rooms are subject to availability and any applicable occupancy and age restrictions

Sustainability See Green & Fair

Swim Academy These courses are available at our Holiday Villages between 1st May - 31st October. They cost between £15 and £30 depending on whether you book group or one-to-one sessions. You'll need to register your children at the start of each session. We may have to cancel courses if there isn't enough demand. You can book them before you go, or when you get there if places are still available.

Swimming Pools It's unlikely your pool will have a lifeguard. An adult must always accompany children in the pool. This includes children's pools and surrounding areas. Pools may be closed in early or late season, so April, early May and October, or in particularly bad weather. Also, pools won't be heated unless we say otherwise in the property description. If your pool has a waterslide, there may be height or age restrictions.

Т

Taxes You may need to pay a tourist tax either at the airport or at your hotel. Taxes change regularly so check before you go. See **Prices** for more details.

Tour Operator Ratings We rate our holidays on our annual reviews and also the feedback we get from our end-of-holiday Customer Satisfaction Questionnaires. We rate hotels and apartments from '2' for no–frills, good value accommodation, to '5' for more comfort and a wider range of facilities. There may be some differences between accommodation that shares the same rating. That's where our 'plus' rating comes in.

Tours Most of our tours have age restrictions, so check before

Towels You'll see from the individual property descriptions whether or not there's a pool towel service. You may find you'll need to pay a small charge.

Transfers The transfer times we give you are a rough guide. They don't allow for delays to incoming flights or local traffic conditions. In terms of the type of transfer you'll get, it depends on the holiday you've booked. Just so you know, if your holiday includes a coach transfer, we may occasionally need to change this to a minibus or taxi. Where coach access is limited, we may need to transport your luggage separately to and from your accommodation. If this is the case, it may also be necessary for your luggage to be collected earlier than your return transfer time to ensure it arrives at the airport in time for you to collect it before checking in.

If you've booked an A La Carte holiday, you get a private taxi transfer included for most destinations - see A La Carte for important information. Occasionally we may have to provide alternative transport, and in some cases you may have to share your taxi with other A La Carte guests. If you're not on an A La Carte holiday, you've still got the option of booking a private transfer, which will either be by minibus or taxi. In some destinations we feel that it's more suitable to book private transfers. Our prices are competitive against similar transfer services. Taxis take a maximum of three adults. Prices shown are per person, per return trip, based on three adults sharing. Luggage space may be limited and baby seats aren't provided. The majority of Florida packages will include a coach transfer, but please note that priority drop-off isn't guaranteed. Transfers to theme parks in Florida are organised by the hotel so you may need to book when you get there. They're likely to be on a first-come first-served basis, and timings may change.

Twin Rooms Some twin rooms can take a 3rd or 4th bed but they're usually camp or folding beds. Rooms that take extra beds or a cot aren't necessarily bigger than standard rooms so space may be limited.

Vaccinations Speak to your doctor at least two months before you're due to go away. Some treatments, for malaria for example, should begin well before you go. If you're booking within three weeks of your departure, speak to your doctor before you book. There's more information available in the Department of Health's free leaflet – Health Advice for Travellers. Call 0800 555 777 for a copy.

Visas The best place for up—to—date information on visa and travel advice is the Foreign, Commonwealth & Development Office. Visit www.gov.uk/foreign-travel-advice or call 0845 850 2829. There may be specific entry requirements for under-18s, depending on your destination. For example, if a young person is travelling without both parents, there may be extra costs and they may need extra legal documents such as an affidavit, from a notary public. Always check with the consulate or embassy of the country you're travelling to before you book.

W

Waterparks SplashWorld waterparks may be located onsite at your hotel or may be independent and located away from your hotel. They may also be open to non-hotel residents. Your All Inclusive board basis won't be available in the waterpark unless stated in the hotel description. Height or age restrictions may apply for some attractions. Some rides and facilities may need to be closed for maintenance. See Swimming Pools.

Weather There are sometimes tropical storms and hurricanes in Florida, the Caribbean and Mexico between June and November. It's impossible to predict their path or how long they will last more than three of four days in advance, and often it's much less. South-east Asia may be affected by its monsoon season, typically May to September. If a storm is forecast for one of our destinations, your safety is always our first priority. If there are hurricanes during your holiday we follow the advice of the Foreign, Commonwealth & Development Office and work with the Federation of Tour Operators.

If you're on a Lapland holiday, some activities may not run because of current or forecast weather conditions, particularly if they affect the state of the snow. In the unlikely event this happens, we'll do our best to adapt the activity programme or offer suitable alternatives, but this won't be considered a Major Change to your holiday. Please see the Our Agreement With You pages.

Wheelchairs

On Your Flight When you fly with TUI, we'll take your wheelchair and one other mobility item in addition to your normal luggage allowance. However, you'll need to let us know at least 48 hours before you travel. We recommend your wheelchair and other mobility aids are fully insured. If you've got an electric wheelchair, you'll need to let our Assisted Travel Team know so that the necessary arrangements can be made. Please let us know the wheelchair's make and model when you call. There's a limit on how many electric mobility aids we can take on each flight. If you don't let us know before you book and we can't carry your wheelchair, you might need to pay an extra charge to change your booking.

You can bring a battery-powered wheelchair if it meets the conditions given in the ICAO Technical Instructions for the Safe Transport of Dangerous Goods, plus any other related CAA rules. Visit www.caa.co.uk for more information. Please contact us as soon as possible if you're travelling with a battery-powered wheelchair or mobility aid and let us know the device's make and model, dimensions and battery type. We can then confirm whether there's space onboard.

Electric wheelchairs need to be loaded in an upright position for the flight. Batteries must be securely attached to the mobility aid and terminals protected from short circuits. Electrical circuits must be isolated to prevent the device being operated accidentally. If the wheelchair can't be loaded in an upright position, the battery terminals need to be protected against short-circuiting, and the battery removed and stored in strong packaging. Lithium batteries that are designed to be removed must travel in the cabin.

You need to bring the operating instructions for your mobility aid with you. If you don't have these details, see https://www.bbta.com/air-transport-advice where your make and model should be shown. If not, you'll need to contact the manufacturer, or shop where it was purchased or hired.

If you want to check whether your wheelchair will fit onboard our aircraft, please contact our Assisted Travel Team – the number can be found at the end of this guide.

number can be found at the end of this guide. If you're flying with another airline, you'll need to contact them directly to see if your wheelchair will fit onboard. Our Assisted Travel Team can help you with this, too.

On Resort Transfers If you're taking an electric wheelchair or scooter, you'll need to book a taxi transfer to your hotel. You can't take them on the coach. There's an extra charge for this. Wi-Fi Bandwidths may vary. Some hotels may offer an upgrade to a higher bandwidth which you may need to pay for. The upgraded service may also cover a different location to the free Wi-Fi zones. Some hotels may have a data cap on usage, or the free Wi-Fi may be restricted to a daily time limit per device or room. Once this usage or time limit is reached, there may be a charge to continue using the service. Factors that may reduce signal strength include high usage - particularly if lots of devices are using Wi-Fi at the same time, obstructions like thick walls and electronic machinery and adverse weather conditions. The device used to connect to the Wi-Fi - e.g. mobile phone, tablet or laptop - may result in a differing quality of service received. Wi-Fi zones may not be in the same location at every hotel. If your device isn't connected to Wi-Fi, remember to turn off data roaming to avoid possible data charges.

Due to factors outside of our control we can't guarantee the availability, performance or security of the Wi-Fi provided.

you book. At least 12 weeks before you go you must pay the full balance. If you don't, we can cancel your holiday and charge you a termination fee.

When you book your holiday, we'll send your booking confirmation within 14 days. Mistakes can happen, so if any price on your booking confirmation, our website or our booking systems is obviously wrong, a booking made based on that price won't be valid, we can cancel it and refund you unless you want to pay the correct price.

If your holiday price changes because of movement in the relevant exchange rates, taxes or fees charged by someone else including tourist or landing taxes, port or airport fees or the cost of transport fuel or other power sources we can charge you that increase or refund to you a decrease (less our administrative expenses) providing it doesn't happen within 20 days before the start of your holiday. If we need to do this, we'll forward an amended invoice to you showing the changes made along with a detailed explanation.

We'll absorb any increase of 2% or less of your holiday price, so we won't pass on any increase below that level.

If the increase is more than 8% of the holiday price, you may cancel your holiday within 14 days of us telling you about the increase and we'll refund your holiday price except any amendment charges; and the increase will be considered a major change, see below.

Before Your Holiday

If You Change Your Holiday

Airlines or other transport providers can charge a fee for a change and sometimes treat a change as a cancellation. Fees can be up to 100% of the price for that part of your holiday. You must pay those fees as well as the amendment fee shown below. When making changes, the price of your new travel arrangements will be based on the price that applies on the day you make the change. If your change means fewer adults travel, and your holiday price is based upon the number of adults, we'll recalculate the total price and the price per person may go up. This extra price isn't a termination fee. You will also need to pay the appropriate proportion of the termination fee for the adult who has cancelled. See "If you Cancel Your Holiday".

Some elements of your holiday, such as excursions, transfers, children's activities, flight or accommodation options, room/ board upgrades, late check-out rooms theme park tickets and airport parking, may be non-refundable.

You may transfer your holiday to someone else if you give us at least 7 days' notice in writing or by email and the new lead name accepts the transfer and the terms of Our Agreement – insurance can't be transferred. You will be responsible, together with the new lead name, for our amendment fees and any costs as a result of the change.

Our agreement with you, and yours with us

If You Cancel Your Holiday

To cancel your holiday you must tell us as soon as possible. If you booked using a travel agency, that agency must tell us. When your holiday has been cancelled you will receive a cancellation invoice.

You must pay a termination fee which covers our administration costs and compensates us for the risk that we do not resell your holiday. The fee is based upon how long before your holiday you tell us you want to cancel and is a percentage of the total price of your holiday.

How long before your holiday you cancel	Percentage of your holiday price
70 days or more	Loss of deposit
69-63 days	30%
62-49 days	50%
48-29 days	70%
28-15 days	90%
14-0 days	100%

Even if the termination fee is lower than the deposit, your deposit will not be refunded. We may not be able to refund elements of your holiday if they are added extras. If you are cancelling because of an unavoidable and extraordinary circumstance happening at your destination that will significantly impact the performance of your holiday or your flight to get there, you will not have to pay a termination fee and your deposit will be refunded.

If We Cancel Your Holiday

If we cancel your holiday, except where it's because you haven't paid or you have been disruptive, you can have a refund or accept a replacement holiday from us of a similar standard and price if we can offer you one. We'll also pay the compensation shown below (unless we have cancelled because of one of the reasons listed in 'Events Beyond Our Control' or where you haven't paid) and we'll refund the difference if the replacement holiday is of a lower price.

If We Change Your Holiday

We aim to give you what we promise but, as we plan our holidays a long time in advance, sometimes things can change. We can make a change at any time but will let you know before your holiday if there's time.

Flight times given are for guidance only – your actual times will be shown on your e-ticket. Check that carefully when you receive it. Aircraft type can change and some facilities such as entertainment or advertised seat pitch may not be available. If we can't provide a seat option, we'll refund the price you paid for that option.

Occasionally, we may have to make a major change to your holiday such as a change of destination, a downgrade of your accommodation by one full star rating, a change in flight time by more than 12 hours or a change of UK departure airport. A change in flight time that we need to make within 24 hours before you are due to fly is not a major change unless the time changes by more than 24 hours.

If we tell you about a major change after you book your holiday, you can accept the new arrangements offered by us; or accept a replacement holiday from us of the same or similar standard and price at the date of the change (we'll always refund the difference in price if the replacement holiday is a lower price at the date of the change), if we are able to offer you one; or cancel your holiday with us and receive a full refund.

If we make a major change, and you choose to cancel your holiday and receive a full refund, we'll pay the compensation shown below, unless the change is because of an event beyond our control. Any compensation payable is based upon how many days before your holiday departure we tell you about a major change. We'll pay 50% of the compensation for each person who paid a child price. No compensation will be paid for free child places.

How long before your holiday we tell you about a major change	Compensation per person
84 days or more	0
83-29 days	£25
28-15 days	£35
14-8 days	£50
7-0 days	£100

Events Beyond Our Control

Examples of events beyond our control are: war, threat of war, riots, civil disturbances, terrorist activity or its consequences, not consequences, returned or nuclear disasters, fire, health risks, unavoidable and unforeseeable technical problems with transport, closed or congested airports or ports, actual or potential severe weather conditions, the imposition of sanctions or other Governmental action and any other similar events.

On Your Holiday

Behaviour

Only you can use your accommodation. You must not let anyone else stay there. You are responsible for any damage to your accommodation or its contents during your holiday.

We can refuse to accept you on your holiday or continue dealing with you if we, or someone in authority, believe your behaviour (by any form of communication or in person) is disruptive. The Captain of your aircraft or ship can restrict your movements on board or remove you.

If you are disruptive and stopped from boarding your flight from the UK, or disruptive during your flight, we'll treat your booking as cancelled by you at that moment. If you are disruptive on your holiday we can remove you from your accommodation and you will be responsible for your own return home and for any other members of your group who cannot or will not travel without you. You will not be entitled to a refund in either case and we will not provide compensation or meet any costs or expenses.

If you are disruptive you will be responsible for any damages, costs and expenses (including legal expenses) incurred as a result. This can include cleaning, repairing or replacing property lost, damaged or destroyed by you, compensating any passenger, crew, staff or agent affected by your actions and diverting the aircraft or ship for the purpose of removing you. Disruptive behaviour includes being threatening or abusive, damaging property, upsetting, annoying or disturbing any other traveller, our staff or agents or putting any of them in danger.

Excursions

We may introduce you to suppliers of excursions or other services. If you buy one of these, you'll be contracting with the supplier directly, we act only as an agent and have no liability for the performance of that contract. Our Agreement doesn't apply to any contract for excursions or other services.

If Things Go Wrong on Your Holiday

You benefit from the rights applying to packages under The Package Travel and Linked Travel Arrangements Regulations 2018. We are responsible for all the travel services included in your holiday. If any of them isn't provided as we agreed, we'll pay you compensation, if appropriate, unless it's due to an event beyond our control (see 'Events Beyond Our Control'), is your fault or is caused by a third-party.

If you are in difficulty on your holiday we'll help by providing information on health services, local authorities and consular assistance. We'll help you make phone calls, send emails or make alternative travel arrangements. You must pay any costs we incur if the difficulty is your fault.

If You Have A Complaint

It is very rare for things to go wrong. If they do, you must tell the supplier in question (e.g. the hotel) and our representative straight away so they can solve the issue. If our representative isn't available, you should contact our TUI Guest Experience Centre which is open 24/7. If you're still not satisfied, contact After-Travel Customer Support within 28 days of coming home so we can investigate properly. Contact details are in the A-Z Guide.

We usually solve any issues but you can use ABTA's scheme for resolving disputes at www.abta.com.

Personal Injury

Your holiday is made up from services provided by suppliers who follow local standards. Overseas safety standards are generally lower than in the UK.

If anyone travelling suffers injury, illness or death because of the services provided as part of your holiday, you must tell us and the supplier involved about it and complete a report at the time. After your holiday you can contact After-Travel Customer Support. It must be no more than 3 months after you come home so we can investigate properly. Contact details are at the end of this guide.

Protecting Your Money

We provide security for the money you pay for your holiday and to bring you home in the event we become insolvent. When you buy a holiday from us that includes a flight, we do this by way of an ATOL (number 2524) managed by the Civil Aviation Authority, Gatwick Airport South, RH6 0YR. We also place a bond held by ABTA (V5126), 30 Park Street, London, SE1 9EQ, for holidays that do not include flights.

We've tried to write Our Agreement clearly. Unfortunately, the ATOL rules make us to include the next three paragraphs exactly as they're written.

Your Financial Protection.

When you buy an ATOL protected flight or flight inclusive package from us you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong We, or the suppliers identified on your ATOL Certificate, will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where neither we nor th supplier are able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable). If we, or the suppliers identified on your ATOL certificate, are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.

Where your holiday is protected under the ABTA scheme, you agree to accept that in the event of our insolvency ABTA may arrange for the services you have bought to continue, or for a suitable alternative to be provided at the same cost as your original holiday. You also agree to accept that in circumstances where the travel service provider provides the services you have bought, you agree to pay any outstanding sum under your contract with us to that alternative travel service provider. However, you also agree that in some cases the services will not be provided, in which case you will be entitled to make a claim under ABTA's Scheme of Protection (or your payment card issuer where applicable) for a refund of the monies you have paid.

All money you pay to a travel agent for your holiday is held by that agent on behalf of and for the benefit of the Trustees of the Air Travel Trust at all times but subject to the agent's obligation to pay it to us for so long as we do not fail. If we do fail, any money held at that time by the agent, or subsequently accepted from you by the agent, is and continues to be held by that agent on behalf of and for the benefit of the Trustees of the Air Travel Trust without any obligation to pay that money to us.
