# Fancy a coffee?

Crafted for  
your adventure

Created by  
Paddy & Scott's

It's hardly a question, is it? You could have had an early start, maybe you arrived four hours before the flight, or perhaps you dashed through duty-free to make the gate. Either way, you've made it - take a breath and relax. Your adventure starts here.

Now, about that coffee?

Learn  
more.

Paddy & Scott's

Our adventure so far...

By working directly with farmers, we ensure that their communities are fairly rewarded for the crops they grow. Beyond fair trade, we reinvest in these communities by funding school meals for children, providing dignity packs for young women, and supporting initiatives that empower local people to thrive. Through our partnership with TUI, passengers are actively contributing to these efforts, helping us create meaningful change.

Since our partnership began, we have:

500x

Avocado trees  
planted at a school  
farm.

289x

Books were funded  
for Ruiga Primary  
School.

448,000

School meals funded in  
Kenya, Tanzania, and India  
from wider support.

Aim to generate

450,000

Kenyan Shillings annually from  
avocado sales by year five.

500+

Girls in Meru are supported by the  
Menstrual Hygiene & Health  
programme.
