Signature design

Stylish vibes, squashy beanbags, spacious suites, handpicked artwork...

Everything you see around our TUI BLUE collection has been designed specifically with you and relaxation in mind. You can expect loads of consideration when it comes to hotel architecture, too, with many of our properties giving a big nod to the traditions and styles of whatever destination you're staying in. Oh, and all TUI BLUE hotels are always close to the coast or primedto-explore towns - plus, you can expect wow-factor views of mountains, lakes or ocean depending on what hotel you choose. Cameras at the ready, please.

When modern meets traditional

Our hotels are designed to reflect whatever resort you're staying in, with details big and small inspired by local traditions. Everything from the cushions on your bed to the plant pots in the lobby and the artwork in the restaurant have been handpicked to reflect where you are, while maintaining the high standards of the TUI BLUE collection, of course.

Best seats in the house

Each TUI BLUE property has been built with space and comfort in mind, and there's loads of room to relax – so there's no need to rush around trying to find the best seat. Think cosy hammocks, beanbags, and daybeds, as well as airy suites, villas and spacious rooms depending on what hotel you stay in.

Designed with you in mind

All our hotels are as functional as they are comfortable – we've tried to think of everything you might need on holiday, so you don't have to ask for it. For example, hotels with the Family Fun highlight tick off big modern rooms and large suites, as well as sprawling pools, sun-shaded baby splash areas, and outdoor children's playgrounds.

Adults Only

Some of our hotels are specifically designed for guests aged 16 and over. Look out for the Adults Only tag before booking if you're after child-free vibes.

We've got big rooms with sea views, as well as suites and private villas you can upgrade to. Plus, our Adults Only accommodations are designed for two, with extra-big mattresses, double wash basins and walk-in showers, as well as sunbeds and restaurant seating for couples.

Dedicated relaxation areas, large pools and private whirlpools are also on the cards. And when it comes to mealtimes, look forward to just-for-you seating areas, candlelit dining*, and the chance to book private dinners* away from other hotel guests.

A TUI BLUE hotel to suit you

As you browse our collection of TUI BLUE hotels, you'll see some have extra highlights by their name. These are our properties that really stand out in a particular area, or are tailored to a certain group. Here's what to look out for...

Family Fun

The spotlight is firmly on family-friendly breaks at these hotels. They take our trademark top-quality family facilities, and ramp them up with first-class kids' clubs, bigger activity rosters and exciting evening shows.

Foodie

Food and drink really stand out at these properties – guests give them top scores, and you can look forward to meals that go above and beyond TUI BLUE's usual high standards.

Discovery

These hotels are all about location. They're in spots that are suited for exploring, whether that's a culture-filled city centre, a nature hotspot or somewhere scenic. You've got your pick of destinations – like Croatia, Portugal and Morocco.

Style

Standout architecture, eye-catching interiors and unique decor are the hallmarks of these hotels.

They really have the wow factor when it comes to design.

Smaller Hotel

Things are cosy and more intimate at these hotels – they have fewer rooms than the rest of the TUI BLUE collection so you never feel crowded, and they come with a more home-like feel.

Out of the blue

From TV appearances to unexpected activities, our TUI BLUE hotels are full of surprises. Here are eight fun facts that might raise an eyebrow...

1. We're all about sustainability.

Lots of TUI BLUE hotels are TravelLife certified, and use eco-friendly practices like solar energy, water-saving systems, and waste reduction programmes. Take the TUI BLUE Oceanis Beach in Kos — it has its own farm for olive and vegetable oils. And the TUI BLUE Bahari Zanzibar is the first hotel to reduce single-use plastics to zero.

2. We offer neurodiversity training to our colleagues. Nearly 400 childcare staff working at TUI BLUE hotels have been trained in partnership with a Special Educational Needs agency. We've recently introduced sensory bags and updated our communication cards in all childcare facilities, too. Plus, we've opened a TUI BLUE Sensory Room at both TUI BLUE Aura in Spain and TUI BLUE Nausicaa in Cyprus.

3. Not all of our activities are what you'd expect. We offer all kinds of fun and unexpected things to do, ranging from an escape room called TUI BLUE The Room at TUI BLUE Palazzo del Mare in Kos, to a Family Culinary Course at TUI BLUE Manar in Tunisia. Hotels with the Family Fun highlight feature a disco called Little Ravers, while some Adults Only hotels tick off Paint and Wine sessions.

4. We offer pre and post-natal fitness classes. You'll find these at hotels including TUI BLUE Alcudia Pins in Majorca, TUI BLUE Atlantica Nissaki Beach in Corfu, and TUI BLUE Caravel in Zante. Plus, the core BLUEflt® programme features across all our hotels, with a focus on in-pool fitness at hotels with the Adults Only tag and Family Fun highlight.

5. We've got free sessions for parents and babies. Parent & Baby Time features at all TUI BLUE hotels with a kids' club or the Family Fun highlight. The sessions are free for parents with children under three years old, and take place in different spaces, from the beach to shaded areas around the hotel.

6. We tailor our food to our customers. Some TUI BLUE hotels offer afternoon tea, while others feature Sunday brunch, wine-tasting sessions, and private breakfast* on the beach. In Adults Only hotels, you can expect at least three themed nights a week, while Family Fun highlight hotels have at least four. Think Italian, Mexican, Asian, and seafood.

7. We've got our own Swim School. Exclusively part of TUI BLUE hotels with the Family Fun highlight, Swim School* provides children and adults with the chance to learn to swim in a fun, engaging and safe environment while on holiday. There's also Parent & Toddler Swim – a free class designed for parents and children under the age of four to build confidence and have fun in

8. We appeared on The World Cook series. This cooking competition on Amazon Prime was sponsored by TUI and featured many TUI BLUE hotels, from Mexico and Italy to Croatia and Turkey.

A day in the life

Take a peek at what a day with your tribe could look like when you stay at a TUI BLUE hotel with the Family Fun highlight.

Morning

There's no better way to start the day off than with a family breakfast. All of our Family Fun hotels have a children's buffet, so even the pickiest eaters have plenty of choice. Then, dive into some of our activities. You can expect four activities a day minimum as standard - we're talking cooking and cocktail-making classes, local guided walks, and pop-up live music performances. Family Fun hotels also come with extra perks, like character walks by the pool and team challenge days at least once a week. Morning's also a great time to get involved in Swim School*. It's suitable for both children and adults to learn how to swim. Then, later in the morning, drop by Thea's Coffee Shop for your pick of coffee, smoothies, fresh juices and tasty pastries.

Afternoon

Make your afternoon all about our BLUEflt® offering – TUI BLUE's fitness and wellness programme. We're talking group fitness classes, sports activities, training facilities such as gyms,

and opportunities for mindfulness and relaxation. Family Fun hotels go one step further with yoga, Pilates and dance classes for the whole gang, plus plenty more besides. Break up activities with a trip to the ice-cream bar for a scoop or two, or swing by the grab-and-go or the snack bar for nibbles and drinks.

Evening

Have dinner at the Taverna, a restaurant designed with families in mind, featuring an à la carte menu of local dishes. Families with babies and toddlers up to four years old can then jump into the early evening entertainment programme – it features mini–discos and themed games. Older children between five and 12 have got quizzes, character appearances and game shows to join in with. And everyone can enjoy a variety of family friendly entertainment, from silent discos and pool, beach or garden parties, to acrobatic performances, tribute acts and live music.

*Charges may apply. Available during select periods.

Family Fun facts

Our hotels run a children's health and wellbeing challenge. Little ones get a stamp for trying something new or healthy, or taking a moment for mindfulness.

Kids club is open six days a week for up to two two-hour sessions a day, with activities tailored to different age groups, ranging from three to 12. There's also BabyClub, suitable for infants up to 36 months, and there are daytime and evening sessions available.

The Baby Lounge offers baby changing facilities, a food preparation area and comfortable seating, while baby equipment hire includes cots, strollers and sterilisers that can be pre-booked at an extra charge.

We cater for all ages, from infants at Stay & Play to Parent & Baby or Toddler time, plus we have kids' clubs and teens activities.

Portugal

Holidays to Portugal have a whole lot up their sleeve, from botanical gardens to sprawling golf courses.

A European favourite

Portugal's winning combination of sandy beaches, dramatic scenery and world-class golf courses has kept it firmly on the holiday map for decades. And if all that wasn't enough, the country also has good weather credentials, basking in around 300 days of sunshine a year.

The Algarve

Curving round the south coast is the Algarve region, which has a dramatic coastline scalloped with sandy bays and secluded coves. Resort-wise, you can choose between large, lively towns and sleepy fishing villages. This pocket of Portugal is also one of the best places in Europe for golfers — and some of the courses are spectacular.

Madeira

The Portuguese island of Madeira is set in the Atlantic Ocean, about 1,000 kilometres away from the mainland. It's been nicknamed the Floating Garden thanks to its flower-filled botanical gardens. The capital, Funchal, is a real mix of old and new, with cosy tavernas and traditional markets sitting next to swanky wine bars and chic boutiques.

The TUI app's your one-stop shop for support while you're away, and provides everything you need for your holiday in one place.

Italy

Along with fantastic food, holidays to Italy serve up pinch-yourself scenery, impossibly pretty towns and no end of ancient sights.

The good life

Postcard-perfect scenery, café-backed beaches and cities stacked with big-name sights – long-legged Italy manages to pack a lot into its borders. And no matter which part of the boot you plump for, you'll find top-drawer food, fine wines and a healthy dose of la dolce vita.

Explore the boot

In the north, romantic Venice reigns supreme, while nearby Lido di Jesolo supplies the sands. A bit further south lies Campania, home to the dramatic Amalfi Coast and cliff-hugging towns like Sorrento, Ravello and Positano.

Dramatic landscapes

When it comes to Italian lakes, Garda, Como and Maggiore are the big names. Their glass-clear shores are fringed with forested slopes, tree-lined promenades and lavish villas. This spectacular scenery's ramped up by the Dolomites – a cloud-tickling mountain range, where snow-crowned peaks mingle with village-lined valleys.

Italian islands

Holidays to Italy aren't just confined to the mainland, though. At the toe of Italy's boot is Sicily, which ticks off gorgeous beaches, ancient ruins and friendly resorts. And then there's Sardinia, with its wild interior and sun-bleached beaches. Olbia's your gateway to the island's most famous stretch of coastline – the 34-mile-long Costa Smeralda.

Spain

You can tick off beach-fringed islands, bustling cities and world-class theme parks on a holiday to Spain.

Spanish charm

Flamenco dancers in polka dots, Moorish castles standing proud, matadors with sweat on their brows – Spain conjures up hundreds of different images. The country's been a favourite with British holidaymakers for years, thanks to its fantastic beaches, lovely climate and the fact it's just a short hop from home soil.

Mainland Spain

Holidays to mainland Spain revolve around the Costas. Up north in Catalonia, you'll find the rugged Costa Brava and Costa Dorada. Further down the coast are the Costa Blanca's white-sand beaches. And curving round Spain's southern edge are the sun-soaked regions of Costa de Almeria, Costa del Sol and Costa de la Luz.

Balearic Islands

Floating in the Mediterranean, just off the Spanish mainland, are the Balearic Islands. Choose from family-friendly Majorca, low-key Menorca, off-the-radar Formentera, and hip and happening Ibiza. Needless to say, they all come with beautiful beaches, countryside scenery and a relaxed way of life that's typical of this part of the world.

Canary Islands

You'll find Spain's Canary Islands just off the coast of Morocco, in the Atlantic Ocean. Gran Canaria, Lanzarote and Tenerife are the big three, while Fuerteventura is starting to make its mark on the travel circuit. For somewhere made for peace and quiet, try the lesser-known isles of La Gomera or La Palma.

The TUI app's your one-stop shop for support while you're away, and provides everything you need for your holiday in one place.

Spain has a typically Mediterranean climate. Things start to heat up around May, and summer days often top 30°C. The Canaries have year-round sunshine – it's usually above 20°C, even in winter months.

Did you know

One of Spain's most iconic landmarks, La Sagrada Familia, has been under construction for a whopping 142 years. Spanish architect Antoni Gaudi designed it, along with a flurry of other Art Nouveau designs that dot the streets of Barcelona. Mark your diaries, because it's due to be finished in 2026.

We fly from a wide range of regional airports, so chances are there'll be one near you. Take a look at our flight timetable at the back of this brochure for an at-a-glance guide to our flying programme.

Greece

Holidays to Greece deliver fantastic beaches and centuries-old sights – not to mention some of the best nightlife in the Mediterranean.

Grecian charms

Pulling in more than 28 million tourists every year, Greece is one of the world's most popular holiday spots. And it's not hard to see why. Spotless sands, centuries of history, and traditional sugar-cube towns are just the start of what the country has to offer

Secluded spots for sun, sand and sea

Greece racks up a tonne of crowd-free destinations. Santorini, Mykonos and Skiathos have all put a cosmopolitan gloss on the classic Greek combination of sun, sea and sand, while Kefalonia and Skopelos offer up beautiful beaches and laid-back towns. Thassos, Paros and Samos like to stay out of the spotlight – the beaches here are footprint-free and cypress trees are the only high rises you'll find.

Big-name islands

The biggest of the Greek islands is Crete, which boasts 650 miles of coastline and some impressive historical sights. Corfu – AKA the Emerald Isle – is known for its lush interior. Kos and Zante do a great line in beaches and have impressive after-dark scenes. And as for Rhodes, this place gets the prize for the best sunshine record in these parts.

Mainland hotspots

If you want to stay on the mainland, consider Halkidiki, Kalamata or Parga – they're great springboards for exploring the rest of the country. A holiday to Athens is also a strong contender. The Greek capital comes up trumps with lashings of ancient history, picturesque neighbourhoods and landmarks like the mighty Acropolis. Plus, it's just a 20-minute drive from Glyfada Beach, so you can easily combine the city with the seaside.

The TUI app's your one-stop shop for support while you're away, and provides everything you need for your holiday in one place.

Flight time 3 hrs to 4 hrs

Weather

Head here in July and August for temperatures which are usually in the 30s. If you prefer things a bit cooler, spring and autumn see plenty of sun, but temperatures are a bit more comfortable, in the mid-20s.

Did you know

Greece may be best-known for its outstanding beaches, but it's also one of the most mountainous places in Europe – in fact, 80% of the country is covered in mountains.

We fly from a wide range of regional airports, so chances are there'll be one near you. Take a look at our flight timetable at the back of this brochure for an at-a-glance guide to our flying programme.

Cyprus

Beaches are only part of the story on a holiday to Cyprus. The island is also home to mountain scenery, centuries-old sights and unforgettable food.

An island for everyone

Thanks to its sandy stretches, ancient sights and up-tempo nightlife, Cyprus is a firm holiday favourite, attracting everyone from families to clubbers. A mix of laidback and lively resorts fringe the island, along with beautiful beaches – more than 70 are Blue Flag-certified. And if you go inland, you'll find sleepy villages, hidden hamlets and the scenic Troodos Mountains.

Larnaca region

The Larnaca region is home to the family-favourite resort of Protaras. Its golden beach and shallow waters are a winning combination for anyone with little ones, and its main strip has a good mix of restaurants, cafés and bars. Further south is Ayia Napa. It's best known as a clubbing mecca, but it's also home to one of the island's best beaches and has a pretty old town. Neighbouring Nissi Beach completes the trio of resorts. It boasts a waterpark and white-sand beach with its own islet.

Paphos region

The town of Paphos is the best-known resort on Cyprus' west coast. A traditional harbour town, it's got a handful of golden beaches, a pretty marina and a long list of historical sights, including the Tombs of the Kings. Elsewhere in the region is Limassol, which has a seven-mile stretch of beach, and Coral Bay, where you'll find a large horseshoeshaped cove with Blue Flag credentials. If you're after somewhere away from it all, the quiet seaside villages of Polis, Amathus Bay and Latchi give you an authentic slice of island life.

Croatia

Holidays to Croatia have really crept onto the radar over the last few years. This scenic part of Eastern Europe scores highly on everything from beaches to history.

A haven of hidden gems

Croatia turned up on the UK's tourism timeline fashionably late. In fact, it was only in the late 90s that the country started to find its feet in the mainstream market. And that means lots of the country is yet to be discovered by the masses. Take, Kvarner Bay, for instance. It's one of Croatia's best-kept secrets, and lines up sandy beaches, the historic town of Opatija and a collection of easy-to-explore islands.

Island-hopping territory

A large part of Croatia's appeal comes from its coastline. The seaside here stretches out for 1,778 kilometres and 1,185 islands float off the shores. Each place has its own calling card. The likes of Kolocep and Mljet put Mother Nature in the driving seat, while Hvar and Dubrovnik are favourites with celebrities and film-makers. Then there's Brac Island, which is known for its iconic, fin-shaped heach

A super snorkelling scene

The country is quickly making its mark in the diving world, too. The shallow waters of the Istrian Riviera and Dalmatian Coast are ideal for beginners, while the deeper waters in the south offer more experienced divers the chance to explore coral reefs, caves and shipwrecks.

History and hiking

Then there are the historical sites to consider. You could run yourself ragged in Split and Dubrovnik alone, working your way around the likes of the old town walls and Diocletian's Palace. Croatia is also great walking territory. The vineyards and pine forests are perfect for all levels of walking ability.

The TUI app's your one-stop shop for support while you're away, and provides everything you need for your holiday in one place.

Download the TUI app

Flight time 2 hrs 30 mins

Weather

Along the Croatian coast, you can expect a Mediterranean climate made up of long hot summers and mild winters. The best time to take a holiday here is between early June and late September.

Did you know

Croatia is home to eight national parks, each showcasing camera-ready landscapes and trails that call for the tread of walking boots. Our top sights to visit include the dramatic waterfalls of Plitvice Lakes National Park, and the peaceful Brijuni Islands.

We fly from a wide range of regional airports, so chances are there'll be one near you. Take a look at our flight timetable at the back of this brochure for an at-a-glance guide to our flying programme.

Bulgaria

With Blue Flag beaches, purpose-built tourist resorts and cities crammed with history, holidays to Bulgaria cater for every need.

A hidden gem

Bulgaria's a bit of an underdog in the holiday department – it's not super well-known, but with its Blue Flag beaches, all-singing, all-dancing tourist resorts and centuries worth of history, it ticks all the right boxes. It's a great all-rounder, catering for families who want a chilled-out break in the sun as much as it takes care of party-goers on the lookout for vibrant nightlife.

Sunny Beach

Sunny Beach is the star of the show here. It has an 18-kilometre-long stretch of soft sand, studded with everything from football pitches and massage huts to fairgrounds and market stalls. The afterdark scene's got plenty of talking points, too — DJ sets and bar crawls will have you dancing into the early hours.

Golden Sands

Golden Sands does exactly what it says on the tin. Set in Bulgaria's wild Varna region, the resort has a Blue Flag beach worthy of the resort's name and a host of luxury hotels, along with access to some of Bulgaria's best attractions. You've got highlights like a monastery carved into a cliff, natural thermal springs and the country's only desert.

Obzor and Nessebar

If you prefer your holidays with a bigger dose of peace and quiet, consider Obzor. Days at this small seaside town revolve around the beach, while evenings usually play out in laid-back restaurants and bars. If history's your top priority, you could head to Nessebar, where you can nosy around the UNESCO-protected old town.

Did you know

Bulgaria doubles up as a popular ski destination. As well as sandy beaches that unravel for miles, it's home to mountains capped with snow over the winter months. There's a scattering of ski resorts nestled up there that're great for families and beginners.

We fly from a wide range of regional airports, so chances are there'll be one near you. Take a look at our flight timetable at the back of this brochure for an at-a-glance guide to our flying programme.

This place has a plot close to the action, thanks to its postcode near Sunny Beach. This long swathe of sand rolls out beside restaurants and a sea-facing theme park on Bulgaria's Black Sea Coast. To scope out the best bits for yourself, hail a 10-minute taxi ride to the high-rise waterfront.

From spice-laden bazaars and ancient temples to chic boutiques and bar-backed beaches, holidays to Turkey showcase the best of East and West.

First-class beaches

Turkey's beach scene is top-notch, and it has the awards to prove it. More than 500 sandy swathes have been given Blue Flag status, with the best of the bunch sitting on the west and south-west coast. The Aegean Coast in the west's home to familiar favourites like Bodrum and up-and coming Izmir, while a shuffle south takes you to the Turkish Riviera, where the likes of Marmaris and Fethiye draw in the crowds.

A country of two continents

Turkey's one of the few countries in the world which straddles two continents. Most of the country sits in Asia, while a far smaller portion's nestled in south-east Europe. The divide's most notable in the country's biggest city, Istanbul, which is literally split in two by the Bosphorus River, with the western side in Europe and the eastern side in Asia.

Ancient wonders

Turkey's ancient cities are a big hit with history buffs, and there are plenty of them to see. The seaside spot of Side packs in an ancient amphitheatre, Roman baths and a 30-kilometre aqueduct that dates back to the 2nd century AD, while the UNESCO World Heritage Site of Ephesus has ruins going back to the 10th century BC.

The Turquoise Coast

The Turquoise Coast is a stretch of sandy beaches that curves along the south-west shoreline of Turkey, from Izmir to Antalya. Along the way, you'll find everything from sleepy fishing villages to ancient cities, along with bucketloads of sandy swathes where you can try your hand at watersports. Make note of the Blue Lagoon if you're in the area, too — it's one of the most photographed spots in this part of the world.

Weather

Turkey hots up around Easter, with temperatures in the early 20s. By July, they'll often surpass the 30°C mark. Autumn's still pretty warm, and even in winter, you can expect temperatures between 15 and 20°C.

Did you know

You might not expect it, but Turkey's a big player in the wine world. In fact, it's one of the oldest wine countries on the planet. There are hundreds of vineyards dotted about the countryside, and you'll find plenty of them near the vibrant city of Izmir.

We fly from a wide range of regional airports, so chances are there'll be one near you. Take a look at our flight timetable at the back of this brochure for an at-a-glance guide to our flying programme.

Morocco

Offering a scenic coastline and one of Africa's most sought-after cities, holidays to Morocco give Europe's top tourist destinations a run for their money.

A break from the norm

Morocco's introduction to the mainstream holiday market in the late Nineties added a new genre to the library of world travel. Suddenly, holidays were scented with spice rather than suncream, and the soundtrack of waves was remixed with calls to prayer. Our holidays take you to the Atlantic coast, as well as blush-coloured Marrakech and the Atlas Mountains.

Agadir and Taghazout

Today, more than 13 million tourists come to the country every year in search of a beach break with a twist. Most people choose Agadir as their base, and for good reason. The stretch of coast here unravels for six miles and basks in 300 days of sunshine a year. Drive 30 minutes north, meanwhile, and you'll find yourself on the quieter sands of Taghazout. This up-and-coming fishing village is a magnet for surfers and offers an authentic taste of laidback Moroccan life.

Marrakech

Head a little further north from the mountains, meanwhile and you'll reach Marrakech. Lively is a word that best describes this historic city, which pulses with the energy of its souks, sights and sounds. Take a stroll through the Red City's higgledy-piggledy streets and you'll find ornate gardens, monumental palaces and lively bazaars. The market place at Jemaa el-Fna square is the city's most famous, and at night it comes alive with snake charmers, belly dancers and the flavours of Morocco's favourite street foods.

The TUI app's your one-stop shop for support while you're away, and provides everything you need for your holiday in one place.

Egypt

Giant pyramids, iconic cities and mile-upon-mile of beaches – holidays to Egypt are in a league of their own.

An elite holiday destination

In the race for the title of the world's top holiday destination, Egypt runs with the elite – more than 12 million tourists flock here every year. But the country has had an advantage. It's been in training for the best part of 25 centuries. The ancient Greeks and Romans started holidaying here as far back as the 4th century BC. And, it'll come as no surprise that ancient sites top the must-see list, like the Pyramids of Giza and Luxor's temples.

Sun, sea and sand

Today, tourists fall into two camps. On one side of the coin you've got the visitors who come for the weather and the beaches. Hurghada, Sharm El Sheikh and Marsa Alam dip their toes in the clear waters of the Red Sea. Expect white beaches that stretch out like party streamers, some of the world's best scuba diving sites, and every watersport you can think of.

After-dark entertainment

A holiday to Egypt isn't just about daytime activities, though. Cocktail bars, karaoke spots and bass-pumping nightclubs all help to get things going when the sun goes down, regardless of which part of Egypt you jet off to. In Sharm El Sheikh, the strip's the place to be — music concerts and foam parties are just a few of the major events here. Hurghada's Marine Boulevard offers up everything from traditional belly-dancing shows to family-friendly seafront bars. And over in Marsa Alam, there are loads of swish restaurants to check out.

Cruise along the Nile

If you really want to scratch beneath Egypt's sandy surface, our Nile river cruises are just the ticket. They start and finish in Luxor – often dubbed 'the world's greatest open-air museum' for its ancient sights like the Valley of the Kings. You'll stop off in Edfu, Kom Ombo and Aswan, where some of the country's best-preserved temples are the big draw.

The TUI app's your one-stop shop for support while you're away, and provides everything you need for your holiday in one place.

Tunisia

Ancient cities, forgotten villages, deserts and beaches – Tunisia holidays serve up sunbathing hotspots with a side order of history.

Markets, medinas and mosques

Shopaholics will be in their element on a holiday to Tunisia. Seek out authentic bargains and gifts while practising your haggling skills in the markets and souks – many of which can be found in the mazelike medina quarters of Tunisia's towns and villages. Meanwhile, ornate mosques provide historic sightseeing opportunities.

Saharan sands

The closeness of the Sahara means desert safaris are easy to come by. Hop in a 4x4 and you can hurtle across the dunes, exploring a landscape that's remained unchanged for centuries.

Alternatively, go horse riding, stopping at an authentic Bedouin camp for mint tea along the way.

Food for thought

The local cuisine draws heavily on its country's rich history, and is a heady mix of North African spice, delicate French touches and a big helping of Mediterranean influences. Traditional dishes include brik – a tuna and egg pastry – and mechouia salad, made of red peppers, tomatoes and onions.

Cape Verde

From sprawling beaches to lunar-like landscapes, holidays to Cape Verde line up stellar scenery – not to mention year-round sun.

The Cape Verde Islands

Cape Verde is located off the west coast of Africa, and is made up of 10 islands floating in the Atlantic Ocean. It takes around six hours to fly here from the UK, and year-round sun means there's plenty of choice for when to go. They're still fairly new to the travel circuit, which makes them a great pick for off-the-beaten-track breaks. But with their long sandy beaches, lively surf and modern hotels, they're quickly making a name for themselves.

Sal

Cape Verde's most popular island is Sal, which is known for its striking, moon-like landscape. It's dotted with colourful, cobbled towns, like Santa Maria in the south, where you'll find surf shops, traditional restaurants and a square with al fresco cafés. The main attraction, though, is the beach, which stretches out for eight kilometres. Watersports are a big draw, but the sea can sometimes get a little choppy.

Boa Vista

You'll find plenty more in the way of beaches over on Boa Vista, which translates to 'beautiful view'. In fact, the sugar-coloured sands here halo the coastline for 55 uninterrupted kilometres. Praia Chave deserves a special mention, thanks to its creamy swathes and shape-shifting dunes.

Cultural melting pot

Whichever island you opt for, expect a melting pot of cultures. The Portuguese originally discovered Cape Verde, so there's a mixture of African, Brazilian and Portuguese influences. You'll see it in the island's music, fashion and – perhaps most clearly – the food.

Mexico - Caribbean Coast

Mexico's Caribbean Coast teams tropical beaches and ancient Mayan ruins with year-round sun and some of the best All Inclusive hotels in the business.

Mega resorts and the Mayans

Stretching all the way from the USA in the north to Guatemala and Belize in the south, Mexico's the glue that links the North and South American continents together. The country's two million square kilometres pack in everything from mega cities and tiny pueblo towns to jungles and Mayan relics. But, for holidaymakers at least, the coastal areas hold the main appeal – from the luxe hotels of Los Cabos to the country's nightlife capital, Cancun. And with sun beaming down throughout the year, there's never a bad time to visit.

Caribbean Coast

Mexico's eastern edge sidles up to the Caribbean Sea. Cancun's top dog out here. It's home to a 22-kilometre belt of white sand, shopping malls, and an after-dark scene to rival Rio. As you head down the coast, Mexico begins to shed its tourist skin. Playa del Carmen offers everything Cancun does, but in smaller portions. In Riviera Maya, meanwhile, tropical jungle and Mayan ruins start to appear in the picture. What they all have in common is a string of All Inclusive hotels that cover every whim. And if you can't settle on just one, our Multi-Centre holidays let you tick off two or more in a single trip. Just so you know, the beaches on this stretch of coastline sometimes experience increased levels of seaweed - called sargassum. It's influenced by the weather and ocean currents. If your hotel's affected, the staff will do everything they can to clear it.

Mexico's often known as a party playground. Every year, students and young people – particularly from the USA – flock to Cancun and Los Cabos for Spring Break, which usually peaks in March and ticks off discos and bar-crawls around the resort.

Thailand

From the temples and street food to the pristine beaches and luxury hotels, you've got every excuse for a holiday to Thailand.

The land of smiles

Thailand is known as the land of smiles, thanks to the welcoming nature of the Thai people. But there's so much more to the country than friendly faces. In fact, it's impossible to sum up Thailand in a nutshell, because every part is different. At the heart of everything, you've got shrines, temples, and monasteries known as 'wats', while there are 150 kilometres' worth of beaches in the Krabi province alone.

Bangkok

Mixed in with the religious landmarks is one of the world's most hectic capitals. Bangkok is a strobelike city, where motorways have 12 lanes, markets have upward of 15,000 stalls, and restaurants are so concentrated, you'll never be more than 50 metres away from one.

Beaches and islands

Then there's the coast. In the Krabi province alone, there are 150 kilometres' worth of beaches, many of which are backed by photogenic rock formations. In the Khao Lak area, the sands get swallowed up by national parks a few hundred metres from the shoreline. In Phuket, meanwhile, there's a real mix. While the crowdless beaches in Mai Khao let you live incognito for a while, the ones in Patong invite you to a permanent party.

Did you know

There are 1,430 islands in Thailand the biggest is Phuket, which spans an area of 543 square kilometres, and the smallest is Ko Tao, which only covers only 21 square kilometres.

We fly from a wide range of regional airports, so chances are there'll be one near you. Take a look at our flight timetable at the back of this brochure for an at-a-glance guide to our flying programme.

KHAO LAK **THAILAND**

4.3/5 Based on 2286 reviews

This hotel is currently undergoing renovation work to three of its restaurants, including the Green & Grill and the Mangrove Restaurant, Several pools are also closed, and there are room renovations happening, too. Maldives

Holidays to the Maldives take you to a string of tropical islands – called atolls – where idyllic hotels and house reefs reign supreme.

Tropical A-lister

The Maldives are the cream of the crop when it comes to secluded beach holidays. The waters are their own brand of blue, the sands are blindingly white, and rows of palm trees stand to attention along the shoreline. And, if you count each island individually, you've got almost 2,000 reasons to visit. Some are such small specks that they're inhabited by a single hotel – meaning the ultimate peace and quiet – and lots are ringed by colourful house reefs.

Reefs and relaxation

Each of the 26 atolls in the Maldives has its own unique selling point. Some of these ring-shaped reefs are known for their aquarium-like diving conditions, while others focus on luxury hotel digs. The North and South Ari Atolls offer easy access to the Maldivian capital, Malé, and the islands in the Ari Atoll have a reputation for their world-class scuba sites.

Hot for honeymooners

For honeymooners, nothing compares to the Maldives. Private islands, speedboat transfers and sea views are pretty much the norm, so you'll feel like you're getting star treatment wherever you stay. The archipelago's trademark accommodation is stilted water villas and the islands' restaurants, meanwhile, have turned romantic dinners into an art form.

Hard-to-beat hotels

A couple of standout properties are the Hard Rock Hotel Maldives, which has a pool that plays underwater music, and the ROBINSON Maldives, which offers gourmet dinners for two* on the beach. Our TUI BLUE Olhuveli Romance is a big hit, too – it's got private pools, open-air restaurants and its own coral reef.

The TUI app's your one-stop shop for support while you're away, and provides everything you need for your holiday in one place.

Weather

The best time to visit is from December to April, when temperatures reach around 30°C. There are two monsoon seasons — in the southwest it's from May to October and in the northeast it's from November to April.

Did you know

The sand in the Maldives is different from other beaches – most of the world's sand's made from rocks like quartz and granite, but the Maldives' sand's made from the corals that surround the atolls. Only 5% of all beaches are made from coral, and this is what makes the sand so white.

We fly from a wide range of regional airports, so chances are there'll be one near you. Take a look at our flight timetable at the back of this brochure for an at-a-glance guide to our flying programme.

TUI BLUE Olhuveli Romance

SOUTH MALE ATOLL MALDIVES

Barefoot luxury – that's the ethos this hotel swears by. The reception, bars and buffet restaurant are all open-air sandy spaces, so you're encouraged to leave your flip-flops in your room and embrace island life. When you check in, you'll be assigned an island host someone you can chat to on WhatsApp throughout your holiday. Got a question about the hotel? They'll answer it. To book a restaurant? They'll get you in.

In true Maldivian style, this place is set on an island ringed by white sand and that trademark blue water. It's a snorkeller's paradise, but you don't even need to get your feet wet to get close to the wildlife – just tiptoe towards the sea, and you might spot sharks, rays and turtles. To get here, you'll take a scenic speedboat transfer after you arrive at the airport.

This place was named Best Long Haul Hotel in the 2025 Global Hotel Awards. These awards are based on feedback from our customers about their own holiday experiences, taking into account the hotel's service and quality.

Key Facilities

• 2 pools • 2 bars • 3 restaurants • Culinarium à la carte restaurant • Free Wi-Fi • Daytime activity programme • BLUE® Spa

Location

• Beachfront • Secluded setting • Transfer to hotel from airport is by speedboat • You may experience longer waiting times than usual for your transfer from the airport to resort as this is shared with passengers from other arriving flights

Transfer time: 45 minutes by speedboat from Male Maldives Airport

You've got two pools to find a sunbathing spot around. Both have their own bar, and both are right on the seafront - in fact, the infinity pool goes one better, by jutting out into the Indian Ocean.

Entertainment

Evenings here are pretty laidback, but there's usually live music in The Bar. Over in the Romance Bar, cocktails are served to the sound of crashing waves, so – as its name suggests – it's a great place for a romantic nightcap.

Health & Beauty

Our BLUEf!t® programme includes professional fitness classes, wellbeing sessions and sports activities at least five days a week. There are workout options like Aqua Fit and HIIT, as well as wellbeing elements like our Relaxation Journey, yoga, and Pilates.

We understand the small print is the last thing anyone wants to read. But we believe it's really important to be clear in the information we give you. This A-Z outlines to what extent we would be liable, if at all. If any part of this guide isn't valid or can't be enforced, the rest will still apply. Not everything here will apply to you but a lot of it will so you'll need to read this guide before you book. You'll also need to read Our Agreement With You and Your Agreement With Us. Together, they explain every aspect of your holiday. If you need information in another format, do contact our Assisted Travel team on 0800 145 6920. In line with EU regulations, we need to let you know who you'll be

flying with, as your holiday package flights may not be with TUI. You'll see which airline is included in your package as part of your booking journey, and we'll also let you know who the airline is when we send your tickets. If there are changes after that point, we'll tell you before you check in or at the boarding gate. When you come across anything to do with flights in this guide, we'll usually be talking about flights with TUI. So if you're flying with another airline, you'll need to check their conditions, too. From time to time, we need to change airlines or plane types but this isn't classed as a 'Major Change' to your holiday.

A La Carte The Select Your Seat benefit that comes with A La Carte holidays is only available if you're flying with TUI and you book at least 3 days in advance. Please note, A La Carte benefits will not be available if you're combining your stay in an A La Carte hotel with a tour, or a stay in another hotel. See **Transfers** for more information.

Accessibility Here at TUI, we want to make travelling as easy as possible. That's whether you or someone you're travelling with has access needs, reduced mobility or a disability, including non-visible ones, and neurodiversity. We know holiday planning can be stressful if you're relying on the hotel's accessibility details being available before booking. So, we've partnered with AccessAble to bring you Detailed Access Guides for our most popular hotels, so you can check if they meet your individual needs. You can view these at accessable.co.uk/tui.

Whether you book your holiday in one of our TUI Stores, or make your booking online, our friendly and knowledgeable Assisted Travel Team are on hand to make sure your holiday's right for you. Give the team a call for free on 0800 145 6920. If you're a British Sign Language (BSL) user, you can also contact us via SignLive. Or, for more on accessible holidays, head over to our assisted travel page at tui.co.uk.

Accuracy We published our latest brochures in July 2025. Our prices and information in those brochures were accurate on that date but they may have changed since then. We always check our properties regularly to make sure we're giving you accurate information and we'll tell you of any changes we know about when you book. If you've already booked, we'll tell you about any major changes we're aware of as soon as we can. Bear in mind public holidays and religious festivals affect whether or not facilities are available. Also, it may be the case some facilities aren't managed directly by the hotel and they could close without notice.

Adjacent Rooms These are two rooms next to each other and usually share some facilities, such as an entrance or a bathroom. They're available at selected accommodation and for a small supplement. The facilities can vary so check the individual hotel description. When you're booking, the room description will have ADJ next to it. Depending on where you're staying, you may need to book two rooms to get this room type. Please ask when you

Adult Properties These are hotels that cater really well for adults in terms of facilities and destination. They include our adults only TUI BLUE hotels, where the minimum age is 16, and our Exclusively for Adults ranges, where the minimum age is 16 or 18. You must not book children to stay at any of these hotels under any circumstances as bookings for children will not be accepted. If you see a Scene logo, it means the hotel is recommended for adults only. At least one member of your group needs to be 18 or over. Any members of your party who are under 18 will need to give us a letter of consent from their parent or legal guardian when booking. They'll need to take this letter with them when they travel, too.

For adults-only hotels in Mexico and the Dominican Republic, the minimum age accepted for all travelling on the booking is 18

Advanced Passenger Information So that you can travel, it may be mandatory (as required by government authorities before or at the point(s) of departure and/or destination) to disclose and process your personal data for immigration, border control, security and anti-terrorism purposes, or any other purposes which they determine appropriate. Some countries will only permit travel if you provide your Advance Passenger Information or API (for example Caricom API Data and US Secure Flight Data) to the airline before your departure.

Some or all of the Caricom states have entered into an agreement with the USA whereby advance passenger data, required by and provided to Caricom states for border security purposes, will be passed to the USA Department for Homeland Security for processing on behalf of those Caricom states. Please see the Caricom website for more details.

The Transportation Security Administration (TSA) requires you to

provide your full name, date of birth and gender for the purpose of watch list screening. You may also provide your Redress Number (as well as a Known Traveler Number), if available. Failure to provide details may result in denial of transport or denial of authority to enter the boarding area. TSA may share information you provide with law enforcement or intelligence agencies or others under its published system of records notice. Please see the TSA website for more details.

These requirements may differ depending on your destination and you are advised to check. Even if not mandatory, we may assist where appropriate.

You'll need your booking reference number, the lead passenger's surname and your date of departure to access the site

Age Ranges No under-18s can travel on their own. For our hotels, 2 to 12-year-olds are classed as children unless we say otherwise. For self-catering properties and any type of property in Florida, it's 2 to 16 inclusive.

Air-conditioning This may depend on the time of year and be subject to hotelier discretion. Also, you may have to pay for it when you get there.

Airline Rules Charter airlines aren't allowed to carry certain nationals to and from their country of origin. This is due to licensing law restrictions with overseas aviation authorities. The current licensing laws, as of 15th November 2010, do not allow TUI Group airlines to carry nationals of the following countries on their operating routes – Brazil, Kenya, and Morocco. Some other restrictions also apply...

- Cuban nationals may travel to any international Cuban airport, except Cayo Largo and Cayo Coco, and must be travelling as part of an inclusive tour package.

 Indian and Turkish passport holders can only travel on inclusive
- tour package arrangements. Please check with your embassy or consulate before you book.
- Elf you're going to Goa, Kerala and Sri Lanka, on an Indian,
 Pakistani, Sri Lankan, Nepalese or Bangladeshi passport you
 can't fly on British charter flights. This travel restriction doesn't
 apply if you have a Pakistani, Sri Lankan, Nepalese or Bangladeshi passport but your spouse has a foreign - non-Indian – passport.

Airport Assistance See Assisted Travel.

Airport Hotels and Parking - UK The companies that provide the hotels and car parks will have their own terms of use which will also apply to you. We can get you a copy of these if you need one, just ask.

If you don't follow the instructions we give you, we may not be able to refund you any additional costs you're charged as a result. Any parking is at your own risk, so we ask that you don't keep any valuables in your car. You should be prepared to leave your keys with car park staff as this may be necessary. If you have a larger-than-average vehicle or a motorbike, please contact us to check that the car park can accommodate it without an additional charge. When you travel, take your booking confirmation with you as it contains instructions on what you need to do. If you have any problems on the day, please let the hotel or car park know so they can help you. If you don't let them know, we may not be able to help you later on. If you're parking and you arrive before the day and time shown on your confirmation, or stay later than planned, you may be charged for the extra parking at the car park's normal price. If you leave earlier than planned, we won't refund any of the

You can amend or cancel any time up until a minute to midnight. the day before you arrive at the airport, free of charge. So, if you fly on the 2nd, you'd need to cancel by 23:59 on the 1st. If you cancel in time, you will be refunded what you've paid for the hotel and parking. If you don't cancel in time you will not be refunded any amounts paid for the hotel and parking and we will retain this as a cancellation charge.

Airport Lounges You can pay for UK airport lounge access after you've booked, subject to availability. You can do this via a TUI Holiday Store, Manage My Booking or by logging into your Customer Account.

Airport Service In most airports overseas, our Travel Experts aren't allowed past check-in or into the arrivals hall but we will have staff waiting to greet you outside the airport.

Alcohol During your flight with us, you can only drink the alcohol that our staff serve you.

All Inclusive Hotels You may need to wear a wristband or carry some ID to get the benefits of your package. For a full description of what's included, check the hotel description. Times for inclusive drinks, meals and snacks vary. Your All Inclusive package may not include bottled water, imported drinks, à la carte meals, or some speciality dishes. Some restaurants expect you to reserve a table and will be subject to availability. Not all bars and restaurants operate on an All Inclusive basis. Also, there may be cash bars once All Inclusive bars close. Bear in mind, under-18s won't be served alcohol.

You should also be aware that we, and the hotels, may confiscate wristbands and IDs from guests who abuse the All Inclusive

You may be charged for motorised sports, and there are time limits or age and experience restrictions on some of these activities. You may have to pay a deposit to hire equipment. Things like classes and beauty treatments may be included in the price but there'll be a limit on how many sessions you can take. Safety deposit boxes may not be included and you'll need to pay for things like telephone calls and excursions.

All Inclusive packages end when you check out of your room. In some cases you can pay to keep using the facilities. If there's a delay to your flight home and you have to spend extra time in the resort, any refreshments will be in line with the airline's instructions - not the board basis of your hotel.

One last thing, you may find timings will change for things like happy hours in bars and dining times.

Amenities Lots of things you come across in resort will be quite different to what you've come to expect at home, like roads, power and water, for instance. If there's a prolonged drought, it might interrupt water supplies. In summer, there's often more demand on water, which means the pressure can drop, disrupting water heaters. You may also find in some destinations you won't be able to flush toilet paper down the toilet.

Artist Impressions These, together with any computer-generated images, are there to give you an idea of how the property will look – they're not replicas of the finished building.

They are available to book before travel, or you can when in resort, subject to availability.

Balconies If the description refers to a French or Juliette balcony, this means that your room will have glass doors but you won't necessarily be able to go out onto the balcony as it'll be shallow in depth.

If you're on the ground floor, you'll get a terrace instead of a balcony, even if it says 'BL' or 'balcony' on your booking confirmation. Health and safety restrictions mean some hotels or apartments may not put you on a high floor if you have small children. Even if you're on a low floor, make sure you never leave your children unattended on your balcony.

Banned Airlines To improve safety, the European Commission has banned some airlines from operating in European airspace. In line with EU directive (EC) no. 2111/2005, Article 9, we need to make you aware of the list of banned airlines. To view the list of airlines that are subject to an operating ban within the European Community, visit https://transport.ec.europa.eu/transport-themes/eu-air-safety-list_en

Bars If a hotel has a bar, you may well hear some noise - even outside normal licensing hours.

Beaches Many of the beaches in our resorts have been awarded the Foundation for Environmental Education's Blue Flag. The programme awards beaches and marinas that meet its high standards of hygiene, cleanliness, safety and environmental management. For details, visit www.blueflag.org.

When you're on the beach, make sure you check any flag warning systems and take local conditions into account, particularly things like undercurrents and tides. You'll also need to supervise children at all times as most beaches won't have a lifeguard.

Some beaches in Mexico and the Caribbean may experience an increased level of seaweed from time to time. This is known as sargassum, and is a natural occurrence which can change on a daily basis influenced by weather patterns and sea currents. Hotels which are affected work hard to clear the seaweed so you can continue to enjoy the beach during your holiday. The situation can change day to day due to nature, wildlife and local laws. You may find that public beaches are closed at certain times, particularly in low season. Beach closures are carried out by local authorities so are beyond our control. One more thing, you may need to pay to use some beaches, especially in Italy.

Building Work From time to time, building work is unavoidable, particularly where hotels are open all year round, and it can be noisy. If we're aware of any work, we'll let you know as soon as possible if we think it'll affect your holiday. This can be difficult as we don't control the work and we're not always told when it'll happen and how long it will last. But if we think it'll have a significant effect, you'll have the option of a refund or an alternative holiday, as outlined under 'Major changes to you holiday' in Our Agreement With You.

Bungalows If the description of your accommodation refers to a bungalow, this means that you may be located in an accommodation block within an annexe building separate from the main building which may not necessarily be single storey or detached.

The hire car supplier does not take responsibility for the fitting of child or baby seats to any car. All taxes are subject to government policy changes. If you cancel your car rental within 7 days of your departure, the full amount of the rental will be charged. Bookable car rental is only available if you book more than 7 days before your departure date.

This will vary by

A photocopy or fax copy of the licence won't be accepted. At the time of booking any endorsements to a driver's licence such as driving under the influence of drugs or alcohol and negligence should be advised to us. Your holiday documentation and passport are required when you pick up the car. All intended drivers must produce the appropriate documentation and sign the rental agreement. For Your Flight We recommend you arrive at the airport at least two hours before your scheduled departure time. For flights over seven hours, it's three hours before. Regardless of the length of your flight, you need to have completed check-in at least an hour before departure.

UK airlines need to carry out enhanced security screening from certain destinations for return flights to the United Kingdom. If this applies to your flight, you'll be told whilst you're on holiday as it may mean that you need to check in a bit earlier. You might need to be at the boarding gate earlier, too.

It's also a criminal offence to cause disruption on board, so you may be prosecuted. Airlines may also share details about your behaviour with other airlines, which could affect your future trips. Online Check-in You'll be allocated your seats when you check in online. If you don't like the seats allocated, you can pay to select your seat. Sometimes we may need to change the seat allocated to you for operational or safety reasons or for persons with reduced mobility. This independent organisation monitors and supports our child protection activities. If you suspect any child is at risk on your holiday, please tell your Holiday Advisor or call Crimestoppers, anonymously, on 0800 555 111. In the event of death, this advance payment shall not be less than 16,000 SDRs (approximately £15,360).

Passenger Delays In case of passenger delay, the air carrier is liable for damage unless it took all reasonable measures to avoid the damage or it was impossible to take such measures. The liability for passenger delay is limited to 4,150 SDRs (approximately £3,980).

All children aged two and above must have their own seats on the plane. If you've paid for an additional seat for your infant, you can use your own car seat as long as it has a single release harness. It needs to be facing forward on the aircraft seat, designed to be secured by lap belt alone, and must conform to EU safety standards. You'll also need the instruction leaflet to show the cabin crew if they need it. The seat mustn't be more than 16 inches or 40cm wide. You can't use carrycots and deluxe child car seats, as they won't fit. The use of car seats will be at your airline's discretion. Airlines registered outside the UK may have their own rules. Call TUI for information on approved car seats.

Gala Meals Many hotels and apartments host gala meals over the Christmas and New Year period. Bear in mind that men will probably have to wear a jacket, shirt, tie and full-length trousers. You'll see if the meal's included by checking the individual property descriptions.

Group Offers You may qualify for discounts if there are 10 or more in your party. Group discounts apply only at the time of booking. When you're about to book, ask your Travel Expert to contact our Groups Department. Or call our Groups booking line yourself – you'll find the number at the end of this guide. Groups of more than 20 can have a special service from a representative at the accommodation, a private get-together and greeting on the first day, and discounts on resort excursions. Of course, group discounts are subject to availability and we may withdraw them at any time. We base discounts on how many are travelling and everyone needs to travel on the same date. Their holidays must be for the same length and to the same accommodation. If it's more convenient for them, we can sometimes make arrangements for large groups to leave from different airports. They may not be available in conjunction with any other offers. Cancellations within your group may mean a drop or a removal of your discount, and the people who cancel will need to pay our standard cancellation charges.

Henna Tattoos Some resorts or hotels in which we operate may offer henna tattoos. We don't recommend or endorse these. If you decide to get a tattoo, please make sure that the henna being used is brown and not black. Black henna may contain chemicals that are known to cause skin irritation and burns.

Holiday Villages Our full Holiday Village programme will end on 31st October each year. Some of the hotels will stay open after this date but will be run as standard hotels, without the Holiday Village programme. Check the hotel descriptions for details.

Your EHIC remains valid in the EU until it expires. An EHIC or GHIC is free of charge. You'll need to have both this card and adequate travel insurance.

Late Check-out Rooms See Check Out.

Lifts Some of our hotels don't have a lift. If stairs are a problem for you, please ask us for more details before you book so we can suggest a suitable property. See **Assisted Travel** for more details. Local Laws Sometimes local laws, religious customs or events mean facilities aren't available. For example, in all Muslim countries during the month of Ramadan, bars and restaurants – including hotel restaurants – change their opening hours. You may not be allowed to eat, drink or smoke in public areas during daylight hours either. Drinking and gambling ages vary by destination. It's a good idea to find out more before you travel. For the most up-to-date information, we recommend you check www.gov.uk/foreign-travel-advice.

Lost Property If you leave something behind on the plane during your flight out, you'll need to contact the overseas airport and ask them to check their lost property. If it's on your flight home, let us know and we'll do our best to track down the item for you. If you leave what we class as a 'valuable item' at your hotel, like a camera, a laptop or a wallet, we'll do our best to find it for you. If your item is found, you'll need to contact the hotel to arrange for it to be returned, and there may be a charge for this. If we can't find your item, we'll send you a statement to support your travel insurance claim. For help with lost property, contact After Travel Customer Support – you'll find their details in the Getting In Touch section

Low Deposit Offer This offer is per passenger. We can change or withdraw this offer at any time. The rest of the deposit will be due within eight weeks of you booking your holiday. If you cancel your holiday you still have to pay the full deposit.

Low Season You may find that if you're travelling outside of peak holiday periods, some facilities, both in your hotel and resort, may not be available and entertainment may be more low-key. Hoteliers may remove facilities at certain times due to low demand. These can include restaurants or bars and can be sudden, implemented by hotels on the spot without prior notice. Low season is usually May and October for short and mid-haul destinations like Spain and North Africa. For long haul destinations such as in the Caribbean and Mexico, low season tends to impact other months including January, May, September, October and November. However, unforeseen circumstances or lower-thanexpected hotel occupancies can happen at any time, so facility closures are not limited to these specific months

This section explains how much you can take, what you can pack, and how to keep your valuables safe. Please make sure you know your limits so your trip can get off to a smooth start. Luggage allowances vary, and could change - please check when you book.

Package Holidays including a checked-in luggage allowance If you've booked on or after 21st December 2023, all our packages include at least 20kg of checked-in luggage when you fly both ways with TUI Airways. (If you're not travelling both ways with TUI Airways, or you've booked before 21st December 2023, check your booking confirmation e-mail or Manage My Booking to see

your checked-in luggage allowance.) When you're flying on a TUI Airways flight the following holidays come with a 25kg luggage allowance per person: TUI BLUE, Sensatori by TUI BLUE, Holiday Villages and A La Carte. If you upgrade to Premium on long-haul flights with TUI Airways, you'll also get 25kg of luggage, regardless of your holiday type. Couples who've booked one of our wedding packages will get 25kg hold luggage each when flying with TUI Airways.

Our luggage allowances apply to all customers over the age of 2 years old. Infants under 2 get a 10kg checked-in allowance if travelling as part of a package.

If you're booking a TUI Tours or Multi-Destination holiday,

remember to check your allowance. This is because your luggage allowance on any flight that forms part of the itinerary may be lower than the luggage allowance on your flights to / from the UK. You can buy extra checked-in luggage allowance in 5kg amounts if you need more space.

You can share your hold luggage allowance with others on your booking, but no single bag can be more than 25kg. This is for health and safety reasons. If you've booked extra luggage allowance, you still need to make sure each bag is under 25kg, otherwise check–in staff won't accept it.

Also, we can only accept luggage if it's packed and secured in suitcases or bags, and we believe it can stand up to reasonable handling. Otherwise, we may ask you to sign a disclaimer before we can take it. This also includes any bags we believe are already damaged.

Hand luggage

On a TUI Airways flight, you can take one 10kg bag with maximum dimensions of 55x40x20cm, plus one personal item that must fit under the seat in front of you with maximum dimensions of 40x30x20cm.

You can't buy extra hand luggage allowance. You should be able to lift your hand luggage into the overhead storage compartments lift your hand luggage into the overhead storage compartments yourself. There are restrictions on what you can carry in your hand luggage so make sure you read the information that comes with your booking confirmation. For example, you should pack valuables in your hand luggage – never your checked luggage. This includes money, house and car keys. jewellery, computers and important documents. Your airline won't be liable for loss or damage to valuable or fragile items packed in hold luggage, no matter how it's caused. matter how it's caused

Flying with another airline

Just so you know, TUI Airways flights have a flight number that starts with TOM or BY. If you're not travelling with TUI Airways, you'll need to check your airline's luggage allowance policies for checked-in luggage and hand luggage. Some airlines do not give infants that gave allowance. infants their own allowance.

For full terms and conditions, see Luggage Allowance on TUI Airways at TUI.co.uk

Excess Luggage And Sports Equipment There may be a charge for excess luggage and sports equipment. Whether or not we can carry it will depend on capacity on the day. You can arrange to take golf clubs, windsurf boards, diving equipment and other sports equipment on your flight. If you don't book, you may still be able to check your own equipment in. But we can't guarantee this and there'll be a charge. Bear in mind, any problems with excess luggage charges need to be sorted out at the airport. We can't guarantee you'll be able to take bulky sports equipment with you on the coach to your holiday accommodation, and there may be an extra charge.

Lost And Damaged Luggage Please report any lost luggage or damage to us within seven days. If not, under the terms of the Montreal Convention, we won't be liable. See Montreal Convention for details. If your luggage is damaged on your way back to the UK, you need to complete a Property Irregularity Form (PIF) at the airport and keep a copy of it for insurance purposes

On Your Flight TUI includes meals on long haul flights. Please let us know when you book if you require any children's meals. Just so you know, we don't provide meals for under-twos so you'll need to bring something with you. Remember to tell us if you have any special dietary requirements. We can't guarantee we'll be able to meet them, but we'll do our best. For group bookings, everyone in your party will need to either book in advance or decline the meal. For all other flights, we offer a range of snacks and drinks to buy onboard.

At Your Hotel Meals are usually served in the hotel's main restaurant. The set-up here may change from buffet to waiter service, or vice versa. For à la carte restaurants you may be limited to a certain number of visits per stay and you may need to make a reservation. You may need to pay extra for these, too. Not all of the hotel's restaurants will necessarily be open at the same time. Meals for infants are not included in the price of your holiday so you'll need to make your own arrangements. Full Board Plus includes a Continental breakfast, lunch and dinner with drinks included during mealtimes. Full Board includes a Continental breakfast, lunch and dinner. Half Board includes a Continental breakfast and dinner – or lunch, if you wish – at some hotels. **Bed & Breakfast** usually means Continental breakfast.

Medical Conditions

On Your Flight If you have a medical condition, a serious illness, or you've recently had surgery or an accident, you'll need to be cleared for travel by the airline. You may also need a 'Fitness to Fly' certificate from your GP. Conditions that need medical need to give your request for medical clearance to the airline at least four working days before you're due to fly. If you're unsure what conditions require medical clearance, or if you have any concerns about your health, we recommend that you contact your doctor before you book.

The risk of deep vein thrombosis (DVT) while flying is extremely low but is still a serious medical condition. DVT is when a blood clot forms, usually in the lower leg, sometimes because of sitting still for a long time. It needs treatment with blood-thinning drugs to prevent clots breaking off and travelling to the lungs. You can take precautions to reduce the risk. People most at risk include those with a history of bronchial or circulatory problems, thrombosis, those recently hospitalised, smokers, the obese, those with congestive heart failure, a malignant disease, pregnant women or women taking the contraceptive pill. To reduce the risk, exercise your legs from time to time, or walk around if possible Elastic stockings may be helpful. Drink plenty of non–alcoholic liquids to prevent dehydration. See your doctor if you think you may be particularly prone to DVT.

At Your Destination If you have specific medical needs, think about whether the healthcare system in the destination you're looking at is likely to be able to meet those needs, if you have any problems while you're away. Consider things like the country's state of development and its size. You may find it helpful to look at www.gov.uk/browse/abroad/travel-abroad.

Children's Safety For our own Kids' Clubs, we take advice from leading UK child safety organisations and accident prevention agencies. You should always check you're happy with hotel clubs and children's facilities.

- Wash your hands after going to the toilet

Scuba Diving We recommend you check with your doctor before you go, and have a full medical examination in resort if you're you go, and have a full medical examination in resolution in you feel planning scuba training. You may need to pay extra for this. It's also dangerous to fly within 24 hours of scuba diving. This is because pressure changes might cause 'the bends' or even in severe cases, paralysis. Of course, you also need to make sure you have adequate insurance cover.

Sea Views If you book a room with a sea view, it may be partly blocked by trees or smaller buildings, or across a road, but you'll still be able to see the sea. There may also be more obstructions like trees between your room and the sea than with a Sea View room.

Seating If you're flying with TUI the minimum seat pitch of our aircraft is 29 inches. The minimum seat width is 16 inches. Seats with extra space are only available to pre-book for adults and children 12 years and over with TUI and 16 years and over on other carriers, but we may allocate these seats to families with children if the seats are not located in an emergency exit row. Emergency exit row seats are only available to passengers who are able to move quickly and operate the emergency exit without difficulty in the unlikely event of an emergency - in line with European Aviation Safety Authority (EASA) regulations. So, you won't be able to book these seats if you find it hard to move due to physical or mental disability, age, sickness or physical size.

Single Rooms Single rooms and rooms for sole occupancy are available in most hotels, but demand always exceeds availability. Sometimes when we refer to single rooms it may mean a room suitable for sole occupancy. Single rooms are generally smaller, may not have the best locations or the same amenities. If you're booking a double room just for yourself, you'll usually be asked to pay a supplement. This also applies to self–catering accommodation, where, for example, three people choose a property for four. Our prices reflect the costs of the rooms contracted to us.

Smoking All our flights are non-smoking. In our hotels, there are usually designated areas.

Spa Spas in our hotels aren't included in the price of your holiday unless we say otherwise. Just so you know, in Spain and the Canary Islands, by law only over-16s can use the facilities. Special Offers Our offers are only available on the holidays and dates we advertise, are per booking, and subject to availability. Special Requests We'll always do our best to help however we

can, but we can't guarantee we'll be able to meet your needs every time. These special requests aren't covered by Our Agreement With You so from a legal point of view, they're not part of your holiday contract.

Supplements

On Your Flight Depending on the airport you choose to fly from, On Your Flight Depending on the airport you choose to fly from, on certain days or at certain times, you may have to pay a 'flight supplement'. Flight supplements may go up or down throughout the season. Some holidays are only available on flights with extra charges, either because the accommodation is available only on certain days of flying, or because onward travel arrangements are only available at certain times.

Occupancy Supplements/Discounts Depending on the number of people sharing a room, you may have to pay an 'occupancy supplement' for under-occupancy or single occupancy, or there may be a discount if more people share a room. Occupancy supplements/discounts may go up or down throughout the season

Room Supplements Depending on the type of room you choose to stay in, you may have to pay a 'room supplement'. Room supplements may go up or down throughout the season. All rooms are subject to availability and any applicable occupancy and age restrictions.

Sustainability We're members of Sustainable Aviation, a UK initiative that sets out the collective, long-term strategy of UK aviation to tackle the challenge of ensuring a cleaner, quieter, smarter future for our industry. You can find more information at www.sustainableaviation.co.uk.

Swim Academy These courses are available at our Holiday Villages between 1st May - 31st October. They cost between £15 and £30 depending on whether you book group or one-to-one sessions. You'll need to register your children at the start of each session. We may have to cancel courses if there isn't enough demand. You can book them before you go, or when you get there if places are still available.

Swimming Pools It's unlikely your pool will have a lifeguard. An adult must always accompany children in the pool. This includes children's pools and surrounding areas. Pools may be closed in early or late season, so April, early May and October, or in particularly bad weather. Also, pools won't be heated unless we say otherwise in the property description. If your pool has a watersilide, there may be height or age restrictions.

Т

Taxes You may need to pay a tourist tax either at the airport or at your hotel. Taxes change regularly so check before you go. See **Prices** for more details.

Tour Operator Ratings We rate our holidays on our annual reviews and also the feedback we get from our end-of-holiday Customer Satisfaction Questionnaires. We rate hotels and apartments from '2' for no–frills, good value accommodation, to '5' for more comfort and a wider range of facilities. There may be some differences between accommodation that shares the same rating. That's where our 'plus' rating comes in.

Tours Most of our tours have age restrictions, so check before

Towels You'll see from the individual property descriptions whether or not there's a pool towel service. You may find you'll need to pay a small charge.

Transfers The transfer times we give you are a rough guide. They don't allow for delays to incoming flights or local traffic conditions. In terms of the type of transfer you'll get, it depends on the holiday you've booked. Just so you know, if your holiday includes a coach transfer, we may occasionally need to change this to a minibus or taxi. Where coach access is limited, we may need to transport your luggage separately to and from your accommodation. If this is the case, it may also be necessary for your luggage to be collected earlier than your return transfer time to ensure it arrives at the airport in time for you to collect it before checking in.

If you've booked an A La Carte holiday, you get a private taxi transfer included for most destinations - see A La Carte for important information. Occasionally we may have to provide alternative transport, and in some cases you may have to share your taxi with other A La Carte guests. If you're not on an A La Carte holiday, you've still got the option of booking a private transfer, which will either be by minibus or taxi. In some destinations we feel that it's more suitable to book private transfers. Our prices are competitive against similar transfer services. Taxis take a maximum of three adults. Prices shown are per person, per return trip, based on three adults sharing. Luggage space may be limited and baby seats aren't provided.

Twin Rooms Some twin rooms can take a 3rd or 4th bed but they're usually camp or folding beds. Rooms that take extra beds or a cot aren't necessarily bigger than standard rooms so space may be limited.

٧

Vaccinations Speak to your doctor at least two months before you're due to go away. Some treatments, for malaria for example, should begin well before you go. If you're booking within three weeks of your departure, speak to your doctor before you book. There's more information available in the Department of Health's free leaflet – Health Advice for Travellers. Call 0800 555 777 for a copy.

Visas The best place for up—to—date information on visa and travel advice is the Foreign, Commonwealth & Development Office. Visit www.gov.uk/foreign-travel-advice or call 0845 850 2829. There may be specific entry requirements for under-18s, depending on your destination. For example, if a young person is travelling without both parents, there may be extra costs and they may need extra legal documents such as an affidavit, from a notary public. Always check with the consulate or embassy of the country you're travelling to before you book.

From 1st May 2025 it's obligatory for all visitors to Thailand to complete the Thailand Digital Arrival Card (TDAC) 3 days before arrival to avoid being denied entry. You'll need to do this via the official Thai government website https://tdac.immigration.go.th

Waterparks SplashWorld waterparks may be located onsite at your hotel or may be independent and located away from your hotel. They may also be open to non-hotel residents. Your All Inclusive board basis won't be available in the waterpark unless stated in the hotel description. Height or age restrictions may apply for some attractions. Some rides and facilities may need to be closed for maintenance. See Swimming Pools.

Weather There are sometimes tropical storms and hurricanes in Florida, the Caribbean and Mexico between June and November. It's impossible to predict their path or how long they will last more than three of four days in advance, and often it's much less. South-east Asia may be affected by its monsoon season, typically May to September. If a storm is forecast for one of our destinations, your safety is always our first priority. If there are hurricanes during your holiday we follow the advice of the Foreign, Commonwealth & Development Office and work with the Federation of Tour Operators.

If you're on a Lapland holiday, some activities may not run

If you're on a Lapland holiday, some activities may not run because of current or forecast weather conditions, particularly if they affect the state of the snow. In the unlikely event this happens, we'll do our best to adapt the activity programme or offer suitable alternatives, but this won't be considered a Major Change to your holiday. Please see the Our Agreement With You pages.

Please also bear in mind that some hotel facilities - like outdoor bars and some sports - may not be available in adverse weather. Where we display weather information, this is supplied by the Met Office, © Crown copyright, the Met Office.

Weddings And Renewals Of Vows Please contact us for more details – the number you need is in the Getting In Touch section at the end of this guide. Also, see the Weddings brochure.

Wheelchairs - On Your Flight When you fly with TUI, we'll take your wheelchair and one other mobility item in addition to your normal luggage allowance. However, you'll need to let us know at least 48 hours before you travel. We recommend your wheelchair and other mobility aids are fully insured.

If you've got an electric wheelchair, you'll need to let our Assisted Travel Team know so that the necessary arrangements can be made. Please let us know the wheelchair's make and model when you call. There's a limit on how many electric mobility aids we can take on each flight. If you don't let us know before you book and we can't carry your wheelchair, you might need to pay an extra charge to change your booking.

You can bring a battery-powered wheelchair if it meets the conditions given in the ICAO Technical Instructions for the Safe Transport of Dangerous Goods, plus any other related CAA rules. Visit www.caa.co.uk for more information. Please contact us as soon as possible if you're travelling with a battery-powered wheelchair or mobility aid and let us know the device's make and model, dimensions and battery type. We can then confirm whether there's space onboard.

Electric wheelchairs need to be loaded in an upright position for the flight. Batteries must be securely attached to the mobility aid and terminals protected from short circuits. Electrical circuits must be isolated to prevent the device being operated accidentally. If the wheelchair can't be loaded in an upright position, the battery terminals need to be protected against short-circuiting, and the battery removed and stored in strong packaging. Lithium batteries that are designed to be removed must travel in the cabin.

You need to bring the operating instructions for your mobility aid with you. If you don't have these details, see https://www.bhta.com/air-transport-advice where your make and model should be shown. If not, you'll need to contact the manufacturer, or shop where it was purchased or hired.

If you want to check whether your wheelchair will fit onboard our aircraft, please contact our Assisted Travel Team – the number can be found at the end of this guide.

If you're flying with another airline, you'll need to contact them directly to see if your wheelchair will fit onboard. Our Assisted Travel Team can help you with this, too.

Wheelchairs - On Resort Transfers If you're taking an electric wheelchair or scooter, you'll need to book a taxi transfer to your hotel. You can't take them on the coach. There's an extra charge for this

Wi-Fi Bandwidths may vary. Some hotels may offer an upgrade to a higher bandwidth which you may need to pay for. The upgraded service may also cover a different location to the free Wi-Fi zones. Some hotels may have a data cap on usage, or the free Wi-Fi may be restricted to a daily time limit per device or room. Once this usage or time limit is reached, there may be a charge to continue using the service. Factors that may reduce signal strength include high usage – particularly if lots of devices are using Wi-Fi at the same time, obstructions like thick walls and electronic machinery and adverse weather conditions. The device used to connect to the Wi-Fi – e.g. mobile phone, tablet or laptop – may result in a differing quality of service received. Wi-Fi zones may not be in the same location at every hotel. If your device isn't connected to Wi-Fi, remember to turn off data roaming to avoid possible data charges.

Due to factors outside of our control we can't guarantee the availability, performance or security of the Wi-Fi provided.

Our agreement with you, and yours with us

We are TUI UK Limited, Company Number 02830117, our Registered Office is Wigmore House, Luton, LU2 9TN and Our Agreement sets out what we can expect from each other when you buy a holiday from us.

Booking Your Holiday

When you book your holiday you are accepting Our Agreement on behalf of everyone travelling with you. We will only deal with you, the lead name, and you must be an adult when you book. Anyone aged under 18 on your holiday must be accompanied by an adult. When we say "you" and "your" we mean you, as the lead name, or you and everyone travelling, depending on the context. Our Agreement, includes our A-Z Guide, the conditions of carriage of the airline or cruise operator and the provisions of international conventions (including the Warsaw, Montreal, Strasbourg and Athens conventions) that apply to travel by air, land, sea or river. Please ask for a copy of any conditions applicable. Our Agreement along with the relevant details in the booking confirmation is the entire agreement between us for your holiday.

Our Agreement is made under the laws of England and Wales. You submit to the exclusive jurisdiction of those courts. You can choose the law and jurisdiction of Scotland or Northern Ireland but only if you live there.

Providing Information

You must ensure all information you give is correct. We'll use the personal data you give us in line with our Privacy Notice. You must pass on any information we give you to everyone travelling. You must comply with all passport, visa and other immigration requirements. Your passport and travel documents must be in good condition – you may be refused travel if they are damaged. If you are not self-reliant or have reduced mobility (like finding it hard to walk 500 metres) you must tell us before you book and if this changes tell us at least 48 hours before your holiday.

The Price You Pay

When you book your holiday, you must pay a deposit unless this is within 12 weeks of your holiday when you must pay in full. We'll tell you the price of your holiday and the deposit before you book. At least 12 weeks before you go you must pay the full balance. If you don't, we can cancel your holiday and charge you a termination fee.

When you book your holiday, we'll send your booking confirmation within 14 days. Mistakes can happen, so if any price on your booking confirmation, our website or our booking systems is obviously wrong, a booking made based on that price won't be valid, we can cancel it and refund you unless you want to pay the correct price.

For a breakdown of what's included in your basic holiday price, please see **Prices** in the A-Z.

Just so you know, you might also need to pay a tourist tax locally. We'll let you know what the approximate cost of this is before you book with us. Please also see **Taxes** in our A-Z.

Before Your Holiday

If You Change Your Holiday

Airlines or other transport providers can charge a fee for a change and sometimes treat a change as a cancellation. Fees can be up to 100% of the price for that part of your holiday. You must pay those fees as well as the amendment fee shown below.

When making changes, the price of your new travel arrangements will be based on the price that applies on the day you make the change. If your change means fewer adults travel, and your holiday price is based upon the number of adults, we'll recalculate the total price and the price per person may go up. This extra price isn't a termination fee. You will also need to pay the appropriate proportion of the termination fee for the adult who has cancelled. See "If you Cancel Your Holiday".

Some elements of your holiday, such as excursions, transfers, children's activities, flight or accommodation options, room/board upgrades, late check-out rooms theme park tickets and airport parking, may be non-refundable.

You may transfer your holiday to someone else if you give us at least 7 days' notice in writing or by email and the new lead name accepts the transfer and the terms of Our Agreement – insurance can't be transferred. You will be responsible, together with the new lead name, for our amendment fees and any costs as a result of the change.

If You Cancel Your Holiday

To cancel your holiday you must tell us as soon as possible. If you booked using a travel agency, that agency must tell us. When your holiday has been cancelled you will receive a cancellation invoice. You must pay a termination fee which covers our administration costs and compensates us for the risk that we do not resell your holiday. The fee is based upon how long before your holiday you tell us you want to cancel and is a percentage of the total price of vour holiday.

How long before your holiday you cancel	Percentage of your holiday price

69-63 days	30%
62-49 days	50%
48-29 days	70%
28-15 days	90%
14-0 days	100%

Even if the termination fee is lower than the deposit, your deposit will not be refunded. We may not be able to refund elements of your holiday if they are added extras. If you are cancelling because of an unavoidable and extraordinary circumstance happening at your destination that will significantly impact the performance of your holiday or your flight to get there, you will not have to pay a termination fee and your deposit will be refunded.

If We Cancel Your Holiday

If we cancel your holiday, except where it's because you haven't paid or you have been disruptive, you can have a refund or accept a replacement holiday from us of a similar standard and price if we can offer you one. We'll also pay the compensation shown below (unless we have cancelled because of one of the reasons listed in 'Events Beyond Our Control' or where you haven't paid) and we'll refund the difference if the replacement holiday is of a

If We Change Your Holiday

We aim to give you what we promise but, as we plan our holidays a long time in advance, sometimes things can change. We can make a change at any time but will let you know before your holiday if there's time.

Flight times given are for guidance only – your actual times will be shown on your e-ticket. Check that carefully when you receive it. Aircraft type can change and some facilities such as entertainment or advertised seat pitch may not be available. If we can't provide a seat option, we'll refund the price you paid for that optio

Occasionally, we may have to make a major change to your holiday such as a change of destination, a downgrade of your accommodation by one full star rating, a change in flight time by more than 12 hours or a change of UK departure airport. A change in flight time that we need to make within 24 hours before you are due to fly is not a major change unless the time changes by more than 24 hours.

If we tell you about a major change after you book your holiday, you can accept the new arrangements offered by us; or accept a replacement holiday from us of the same or similar standard and price at the date of the change (we'll always refund the difference in price if the replacement holiday is a lower price at the date of the change), if we are able to offer you one; or cancel your holiday with us and receive a full refund.

If we make a major change, and you choose to cancel your holiday and receive a full refund, we'll pay the compensation shown below, and receive a full return, we if pay the compensation shown believed unless the change is because of an event beyond our control. Any compensation payable is based upon how many days before your holiday departure we tell you about a major change. We'll pay 50% of the compensation for each person who paid a child price. No compensation will be paid for free child places.

83-29 days	£25
28-15 days	£35

Events Beyond Our Control

Examples of events beyond our control are: war, threat of war, riots, civil disturbances, terrorist activity or its consequences industrial disputes, any failure to secure relevant flying rights, natural or nuclear disasters, fire, health risks, unavoidable and unforeseeable technical problems with transport, closed or congested airports or ports, actual or potential severe weather conditions, the imposition of sanctions or other Governmental action and any other similar events.

On Your Holiday

Behaviour

Only you can use your accommodation. You must not let anyone else stay there. You are responsible for any damage to you accommodation or its contents during your holiday

We can refuse to accept you on your holiday or continue dealing with you if we, or someone in authority, believe your behaviour (by any form of communication or in person) is disruptive. The Captain of your aircraft or ship can restrict your movements on board or remove you.

If you are disruptive and stopped from boarding your flight from the UK, or disruptive during your flight, we'll treat your booking as cancelled by you at that moment. If you are disruptive on your holiday we can remove you from your accommodation and you will be responsible for your own return home and for any other members of your group who cannot or will not travel without you. You will not be entitled to a refund in either case and we will not provide compensation or meet any costs or expenses

If you are disruptive you will be responsible for any damages, costs and expenses (including legal expenses) incurred as a result. This can include cleaning, repairing or replacing property lost, damaged or destroyed by you, compensating any passenger, crew, staff or agent affected by your actions and diverting the aircraft or ship for the purpose of removing you.

Disruptive behaviour includes being threatening or abusive, damaging property, upsetting, annoying or disturbing any other traveller, our staff or agents or putting any of them in danger.

Excursions

We may introduce you to suppliers of excursions or other services. If you buy one of these, you'll be contracting with the supplier directly, we act only as an agent and have no liability for the performance of that contract. Our Agreement doesn't apply to any contract for excursions or other services.

If Things Go Wrong on Your Holiday

You benefit from the rights applying to packages under The Package Travel and Linked Travel Arrangements Regulations 2018. We are responsible for all the travel services included in your holiday. If any of them isn't provided as we agreed, we'll pay you compensation, if appropriate, unless it's due to an event beyond our control (see 'Events Beyond Our Control'), is your fault or is caused but a third party. caused by a third-party.

If you are in difficulty on your holiday we'll help by providing information on health services, local authorities and consular assistance. We'll help you make phone calls, send emails or make alternative travel arrangements. You must pay any costs we incur if the difficulty is your fault.

If You Have A Complaint

It is very rare for things to go wrong. If they do, you must tell the supplier in question (e.g. the hotel) and our representative straight away so they can solve the issue. If our representative isn't available, you should contact our TUI Guest Experience Centre which is open 24/7. If you're still not satisfied, contact After-Travel Customer Support within 28 days of coming home so we can investigate properly. Contact details are in the A-Z Guide. We follow ABTA's Code of Conduct and usually solve any issues but you can use ABTA's ADR scheme for resolving disputes at

Personal Injury

Your holiday is made up from services provided by suppliers who follow local standards. Overseas safety standards are generally lower than in the UK.

If anyone travelling suffers injury, illness or death because of the services provided as part of your holiday, you must tell us and the supplier involved about it and complete a report at the time. After your holiday you can contact After-Travel Customer Support. It must be no more than 3 months after you come home so we can investigate properly. Contact details are at the end of this

Protecting Your Money

We provide security for the money you pay for your holiday and we provide security for the indirey you pay for your holiady and to bring you home in the event we become insolvent. When you buy a holiday from us that includes a flight, we do this by way of an ATOL (number 2524) managed by the Civil Aviation Authority, Gatwick Airport South, RH6 0YR. We also place a bond held by ABTA (V5126), 30 Park Street, London, SE1 9EQ, for holidays that do not include flights.

We've tried to write Our Agreement clearly. Unfortunately, the ATOL rules make us to include the next three paragraphs exactly as they're written.

When you buy an ATOL protected flight or flight inclusive package from us you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong We, or the suppliers identified on your ATOL Certificate, will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where neither we nor the supplier are able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable). If we, or the suppliers identified on your ATOL certificate, are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.

Where your holiday is protected under the ABTA scheme, you agree to accept that in the event of our insolvency ABTA may arrange for the services you have bought to continue, or for a suitable alternative to be provided at the same cost as your original holiday. You also agree to accept that in circumstances where the travel service provider provides the services you have bought, you agree to pay any outstanding sum under your contract with us to that alternative travel service provider. However, you also agree that in some cases the services will not be provided, in which case you will be entitled to make a claim under ABTA's Scheme of Protection (or your payment card issuer where applicable) for a refund of the monies you have paid. All money you pay to a travel agent for your holiday is held by that agent on behalf of and for the benefit of the Trustees of the Air Travel Trust at all times but subject to the agent's obligation to pay it to us for so long as we do not fail. If we do fail, any money held at that time by the agent, or subsequently accepted from you by the agent, is and continues to be held by that agent on behalf of and for the benefit of the Trustees of the Air Travel Trust without any obligation to pay that money to us.
