Fancy a coffee?

Crafted for
your adventure

Created by
Paddy & Scott's

It's hardly a question, is it? You could have had an early start, maybe you arrived four hours before the flight, or perhaps you dashed through duty-free to make the gate. Either way, you've made it - take a breath and relax. Your adventure starts here.

Now, about that coffee?

Learn
more.

Paddy & Scott's Our adventure so far...

By working directly with farmers, we ensure that their communities are fairly rewarded for the crops they grow. Beyond fair trade, we reinvest in these communities by funding school meals for children, providing dignity packs for young women, and supporting initiatives that empower local people to thrive. Through our partnership with TUI, passengers are actively contributing to these efforts, helping us create meaningful change.

Our approach is passionately driven by a commitment to inspire coffee farmers, empower people, and protect the planet.

Since our
partnership with
TUI began, we
have:

500x

Avocado trees planted at a school farm.

289x

Books were funded for Ruiga Primary School.

448,000

School meals funded in Kenya, Tanzania, and India from wider support.

Aim to generate

450,000

Kenyan Shillings annually from avocado sales by year five.

500+

Girls in Meru are supported by the Menstrual Hygiene & Health programme.

Adventure Fuel

Craft coffee

From the first boarding call to the last beach sunset. Whether you're scaling mountains or trying to stay awake at 30,000 feet. It's the perfect fuel to keep your adventure going, no matter the altitude.
