

A little gift from TUI
Illustrated by Emiliano Migliardo

WHERE IN THE WORLD ARE THE ELVES?

With Christmas work now in the past,
the elves can take a break at last.

"Hooray!" they all shout, in delight.
"Forget the sleigh, we've booked a flight."

But can you spot them having fun?
Keep your eyes sharp, the hunt's begun!

Check the postcards, take a look.
Find each item in the book.

The elves pack up,
it's time for sun.
Find what they need
to start the fun!
