## Holiday cheat sheet

Want to know all about **Turkey and Bulgaria** without racking up the research hours? Our holiday cheat sheet's here to help you...

#### When culture's in the crosshairs...

The Bulgarian town of Nessebar's the place to be. Cobblestone streets and fortress walls are just a few of its defining features. It's bursting with history, and has the UNESCO stamp to prove it.

#### For city slickers...

Stick a star next to Istanbul. It's Turkey's biggest city, and it sits across two continents — one half's in Europe and the other's in Asia. It's known for its grand mosques, street food and bustling markets.

#### Families mustn't forget...

Sunny Beach is Bulgaria's best playground. There's a waterpark at your fingertips, plus lots to keep kids entertained – think sandcastle-making on Blue Flag beaches and family-friendly catamaran cruises.

#### For couples to cash in...

Turkey's All Inclusive resorts are in a league of their own. One of our favourite hotels for two is The Residence at TUI BLUE Sensatori Akra Fethiye – the word 'luxury' doesn't even scratch the surface.

#### A foodie fact to chew over...

There are variants of the European dessert, baklava, that come from both Turkey and Bulgaria. Turkish baklava often comes with a pistachio filling, while Bulgarian baklava's heavy on the syrup.

### If you like to get off the beaten track...

You can quite literally do so on a handful of 4x4 tours in Bulgaria. You can journey through the Balkan Mountains, zoom through nature parks and zigzag through the River Aheloy.

## If you're worried about getting holiday FOMO...

Turn your attention to Multi-Centre breaks. You needn't sacrifice beach days for countryside treks, or vice versa – these trips cover everything in one trip.

Rebecca Forde, Senior Photography & Video Editor for TUI, has been to Turkey, and had this to say...

"When you visit a market, like the big one in Fethiye, remember that haggling is the norm, and it's not rude to push for a lower price. It's also worth shopping around, so don't rush to make a purchase."

## Make it count

Did you know that you can make a difference through the love of travel? Every time you book a holiday with us, you have the chance to make your money go the extra mile, while experiencing the gift of giving along the way.

The how is easy – simply donate to the TUI Care Foundation when you book your next holiday.

With over 70 projects in 30 countries, this independent Foundation builds on the positive power of tourism to drive change and create lasting impact in holiday destinations around the world.

That means every penny you give helps to look after the environment and improve the lives of people living in global travel destinations.

### So how far can your gift of giving go?

When you give, your impact is felt right the way around the world. It makes great work possible in Cape Verde, where organisations in resort are working to protect endangered sea turtles. And in Jamaica, too, where hundreds of students are becoming eco champions as part of the TUI Junior Academy. Wherever you travel to, your support brings positive change.

#### **Working together**

The good news is there's more than one way to join forces with the TUI Care Foundation.

You can pledge whatever you like at tuicarefoundation.com. Plus, when you're booking a TUI holiday, keep an eye out for the 'Adopt a Tree' and 'Adopt a Turtle' check boxes on the 'Customise your Holiday' page.

Your donation will go directly to projects that help our planet to thrive. That means planting more trees, protecting sea turtles, and setting up opportunities for locals to benefit directly from tourism.

Find out about our Turtle and Tree adoption at tuicarefoundation.com/en/adoptions

## **Turkey**

From spice-laden bazaars and ancient temples to chic boutiques and bar-backed beaches, holidays to Turkey showcase the best of East and West.

#### First-class beaches

Turkey's beach scene is top-notch, and it has the awards to prove it. More than 500 sandy swathes have been given Blue Flag status, with the best of the bunch sitting on the west and south-west coast. The Aegean Coast in the west's home to familiar favourites like Bodrum and up-and coming lzmir, while a shuffle south takes you to the Turkish Riviera, where the likes of Marmaris and Fethiye draw in the crowds.

#### A country of two continents

Turkey's one of the few countries in the world which straddles two continents. Most of the country sits in Asia, while a far smaller portion's nestled in south-east Europe. The divide's most notable in the country's biggest city, Istanbul, which is literally split in two by the Bosphorus River, with the western side in Europe and the eastern side in Asia.

#### **Ancient wonders**

Turkey's ancient cities are a big hit with history buffs, and there are plenty of them to see. The seaside spot of Side packs in an ancient amphitheatre, Roman baths and a 30-kilometre aqueduct that dates back to the 2nd century AD, while the UNESCO World Heritage Site of Ephesus has ruins going back to the 10th century BC.

#### The Turquoise Coast

The Turquoise Coast is a stretch of sandy beaches that curves along the south-west shoreline of Turkey, from Izmir to Antalya. Along the way, you'll find everything from sleepy fishing villages to ancient cities, along with bucketloads of sandy swathes where you can try your hand at watersports. Make note of the Blue Lagoon if you're in the area, too — it's one of the most photographed spots in this part of the world.

The TUI app's your one-stop shop for support while you're away, and provides everything you need for your holiday in one place.

Flight time 4 hrs

#### Weather

Turkey hots up around Easter, with temperatures in the early 20s. By July, they'll often surpass the 30°C mark. Autumn's still pretty warm, and even in winter, you can expect temperatures between 15 and 20°C.

#### Did you know

You might not expect it, but Turkey's a big player in the wine world. In fact, it's one of the oldest wine countries on the planet. There are hundreds of vineyards dotted about the countryside, and you'll find plenty of them near the vibrant city of Izmir.

We fly from a wide range of regional airports, so chances are there'll be one near you. Take a look at our flight timetable at the back of this brochure for an at-a-glance guide to our flying programme.

#### **MARMARIS TURKEY - DALAMAN**

This property is having a major refurbishment so look out for a brand new TripAdvisor rating.

This place has nabbed a special spot on the Turquoise Coast, a long stretch of sandy shoreline that meets teal-toned waters in the south-west of Turkey. In fact, it shares a private section of beach with one of the hotels next-door. Marmaris Old Town – home to an Ottoman castle – is around a 30-minute walk or a 10-minute drive away from the hotel. And you've got a big labyrinth-like bazaar in the village, too.

Between the nearby beach and the hotel pool, there are plenty of sunloungers to stretch out on here. And when you're not piling up your plate in the buffet restaurant or making your way through the drinks menu at the bar, you can flit between the spa\*, the gym and the games area. Everything's got a fresh new look, too – the hotel's had a full refurb for summer 2025.

# Bulgaria

With Blue Flag beaches, purpose-built tourist resorts and cities crammed with history, holidays to Bulgaria cater for every need.

#### A hidden gem

Bulgaria's a bit of an underdog in the holiday department — it's not super well-known, but with its Blue Flag beaches, all-singing, all-dancing tourist resorts and centuries worth of history, it ticks all the right boxes. It's a great all-rounder, catering for families who want a chilled-out break in the sun as much as it takes care of party-goers on the lookout for vibrant nightlife.

#### **Sunny Beach**

Sunny Beach is the star of the show here. It has an 18-kilometre-long stretch of soft sand, studded with everything from football pitches and massage huts to fairgrounds and market stalls. The afterdark scene's got plenty of talking points, too — DJ sets and bar crawls will have you dancing into the early hours.

#### **Golden Sands**

Golden Sands does exactly what it says on the tin. Set in Bulgaria's wild Varna region, the resort has a Blue Flag beach worthy of the resort's name and a host of luxury hotels, along with access to some of Bulgaria's best attractions. You've got highlights like a monastery carved into a cliff, natural thermal springs and the country's only desert.

#### **Obzor and Nessebar**

If you prefer your holidays with a bigger dose of peace and quiet, consider Obzor. Days at this small seaside town revolve around the beach, while evenings usually play out in laid-back restaurants and bars. If history's your top priority, you could head to Nessebar, where you can nosy around the UNESCO-protected old town.

The TUI app's your one-stop shop for support while you're away, and provides everything you need for your holiday in one place.

Flight time 3 hrs 15 mins

#### Weather

During summer, sunshine's pretty much nailed on. It tops 30°C in July and August, and swimmer-friendly waters nudge the mid-20s. In spring or autumn, it's still warm, but gets a little cooler in the evenings.

#### Did you know

Bulgaria doubles up as a popular ski destination. As well as sandy beaches that unravel for miles, it's home to mountains capped with snow over the winter months. There's a scattering of ski resorts nestled up there that're great for families and beginners.

We fly from a wide range of regional airports, so chances are there'll be one near you. Take a look at our flight timetable at the back of this brochure for an at-a-glance guide to our flying programme.

- Tour itineraries and days of departure may be subject to change and in some circumstances it may be necessary to use alternative hotels of a similar standard in the same resort.
- We will advise the latest known itinerary and latest known hotels prior to departure, and we will endeavour to let you know of any changes, however due to operational reasons hotel changes and itinerary changes can take place at any time prior to departure or whilst you are in resort. For this reason, we do not recommend you book any hotel extras or upgrades directly with the hotel until you are in resort. Our team in resort will advise of any changes.
- The star rating of each hotel or accommodation included will be shown when confirming your tour within the tour itinerary.
- During periods of low occupancy, some facilities and amenities may be unavailable.
- During quieter periods, some accommodation may hold business conferences.
- During March and June, the resorts are often very busy with Spring Break students. This usually happens in the USA and Mexico.
- To make the most of each day, there may be a number of early starts on the tours.
- Some tours cover long distances on certain days, however there will be short stops at points, and the journeys are very rewarding.

- Guests are advised to pack suitable attire for the tour and the season, including sturdy walking shoes and warm clothes for higher altitudes.
- Lots of our tours are child-friendly, but there are a few that aren't available to children. You can check the 'important information' section of your chosen tour itinerary for details on age restrictions.
- English-speaking guides are used on the majority
  of tours, with the exception of our small boat
  cruises where the onboard crew will be there
  to assist you our self-drive tours, and a small
  number of our standard tours. We state in the
  tour itinerary whether a guide is included.
- Tour group sizes will be stated on the individual tour itinerary.
- Most tours include: all road transportation, applicable entrance fees, tour listed transfers and listed excursions. Please check with one of the TUI team or on our website before you book about what's included in your tour.
- Some touring groups are shared with other multi-national travellers, however the programme will be delivered in English.
- Optional excursions are available for most tours at an extra charge, and are sometimes shared with other multi-national travellers not on your TUI Tour. Optional excursions can be pre-booked during your initial tour booking as well as in destination. Some tours will offer these optional excursions whilst in destination only, where indicated.

- Beverages, tips and gratuities are not included.
- If you're on a safari and some other specialist tours your luggage allowance could be reduced.
   This will be clearly stated at the time you book, and will be available in your customer documents.
- Any customers booking a tour/twin centre involving an internal flight will be required to provide their full passenger names at time of booking, as they appear on their passports.
- Several destinations will require your passport information in advance. When booking your tour we will advise you on how to submit this information, if it's relevant for the destination you are travelling to.

## **HURRICANES AND TROPICAL STORMS**

The Caribbean, USA and Mexico are occasionally affected by tropical storms and hurricanes between June - November. Such storms can blow up quickly and it is impossible to predict their path or duration more than three to four days in advance, often less.

South East Asia may be affected by a monsoon season, typically between May - September.

If a storm is forecast for one of our holiday destinations we monitor all activity through various websites and information received from local and international experts. We follow the advice of the FCDO and work with the Federation of Tour Operators in resort to ensure that customer safety is foremost if there is hurricane activity during your holiday.

#### Select your seat

Choose your exact seats from a plan of the plane by opting for our Select Your Seat service. You can add this on at the time of booking, or afterwards.

#### Seat upgrades

Extra Legroom Seats give from two extra inches on your seat pitch. And Extra Space Seats come with over eight inches of extra legroom, often without a row of seats in front - so you can expect a lot more space. You can opt for either of these at the time of booking or afterwards.

We understand the small print is the last thing anyone wants to read. But we believe it's really important to be clear in the information we give you. This A-Z outlines to what extent we would be liable, if at all. If any part of this guide isn't valid or can't be enforced, the rest will still apply. Not everything here will apply to you but a lot of it will so you'll need to read this guide before you book. You'll also need to read Our Agreement With You and Your Agreement With Us. Together, they explain every aspect of your holiday. If you need information in another format, do contact our Assisted Travel team on 0800 145 6920.

In line with EU regulations, we need to let you know who you'll be

In line with EU regulations, we need to let you know who you'll be flying with, as your holiday package flights may not be with TUI. You'll see which airline is included in your package as part of your booking journey, and we'll also let you know who the airline is when we send your tickets. If there are changes after that point, we'll tell you before you check in or at the boarding gate. When you come across anything to do with flights in this guide, we'll usually be talking about flights with TUI. So if you're flying with another airline, you'll need to check their conditions, too. From time to time, we need to change airlines or plane types but this isn't classed as a 'Major Change' to your holiday.

#### Α

Accessibility Here at TUI, we want to make travelling as easy as possible. That's whether you or someone you're travelling with has access needs, reduced mobility or a disability, including non-visible ones, and neurodiversity. We know holiday planning can be stressful if you're relying on the hotel's accessibility details being available before booking. So, we've partnered with AccessAble to bring you Detailed Access Guides for our most popular hotels, so you can check if they meet your individual needs. You can view these at accessable.co.uk/tui.

Whether you book your holiday in one of our TUI Stores, or make your booking online, our friendly and knowledgeable Assisted Travel Team are on hand to make sure your holiday's right for you. Give the team a call for free on 0800 145 6920. If you're a British Sign Language (BSL) user, you can also contact us via SignLive. Or, for more on accessible holidays, head over to our assisted travel page at tui.co.uk.

Accuracy We published our latest brochures in October 2025. Our prices and information in those brochures were accurate on that date but they may have changed since then. We always check our properties regularly to make sure we're giving you accurate information and we'll tell you of any changes we know about when you book. If you've already booked, we'll tell you about any major changes we're aware of as soon as we can. Bear in mind public holidays and religious festivals affect whether or not facilities are available. Also, it may be the case some facilities aren't managed directly by the hotel and they could close without notice.

Adjacent Rooms These are two rooms next to each other and usually share some facilities, such as an entrance or a bathroom. They re available at selected accommodation and for a small supplement. The facilities can vary so check the individual hotel description. When you're booking, the room description will have ADJ next to it. Depending on where you're staying, you may need to book two rooms to get this room type. Please ask when you hook

Adult Properties These are hotels that cater really well for adults in terms of facilities and destination. They include our adults only TUI BLUE hotels, where the minimum age is 16, and our Exclusively for Adults ranges, where the minimum age is 16 or 18. You must not book children to stay at any of these hotels under any circumstances as bookings for children will not be accepted. If you see a Scene logo, it means the hotel is recommended for adults only. At least one member of your group needs to be 18 or over. Any members of your party who are under 18 will need to give us a letter of consent from their parent or legal guardian when booking. They'll need to take this letter with them when they travel, too.

For adults-only hotels in Mexico and the Dominican Republic, the minimum age accepted for all travelling on the booking is 18 years

Advanced Passenger Information So that you can travel, it may be mandatory (as required by government authorities before or at the point(s) of departure and/or destination) to disclose and process your personal data for immigration, border control, security and anti-terrorism purposes, or any other purposes which they determine appropriate. Some countries will only permit travel if you provide your Advance Passenger Information or API (for example Caricom API) Data and US Secure Flight Data) to the airline before your departure.

Some or all of the Caricom states have entered into an agreement with the USA whereby advance passenger data, required by and provided to Caricom states for border security purposes, will be passed to the USA Department for Homeland Security for processing on behalf of those Caricom states. Please see the

Caricom website for more details.

The Transportation Security Administration (TSA) requires you to provide your full name, date of birth and gender for the purpose of watch list screening. You may also provide your Redress Number (as well as a Known Traveler Number), if available. Failure to provide details may result in denial of transport or denial of authority to enter the boarding area. TSA may share information you provide with law enforcement or intelligence agencies or others under its published system of records notice. Please see the TSA website for more details.

These requirements may differ depending on your destination and you are advised to check. Even if not mandatory, we may assist where appropriate.

Age Ranges No under-18s can travel on their own. For our hotels 2 to 12-year-olds are classed as children unless we say otherwise. For self-catering properties and any type of property in Florida, it's 2 to 16 inclusive.

Airline Rules Charter airlines aren't allowed to carry certain nationals to and from their country of origin. This is due to licensing law restrictions with overseas aviation authorities. The current licensing laws, as of 15th November 2010, do not allow TUI Group airlines to carry nationals of the following countries on their operating routes – Brazil, Kenya, and Morocco. Some other restrictions also apply...

- Cuban nationals may travel to any international Cuban airport, except Cayo Largo and Cayo Coco, and must be travelling as part of an inclusive tour package.
- Indian and Turkish passport holders can only travel on inclusive tour package arrangements. Please check with your embassy or consulate before you book.
- If you're going to Goa, Kerala and Sri Lanka, on an Indian, Pakistani, Sri Lankan, Nepalese or Bangladeshi passport you can't fly on British charter flights. This travel restriction doesn't apply if you have a Pakistani, Sri Lankan, Nepalese or Bangladeshi passport but your spouse has a foreign – non-Indian – passport.

#### Airport Assistance See Assisted Travel

Airport Hotels and Parking - UK The companies that provide the hotels and car parks will have their own terms of use which also apply to you. We can get you a copy of these if you need one. If you don't follow the instructions we give you, we may not be able to refund you any additional costs you're charged as a result. Any parking is at your own risk, so we ask that you don't keep any valuables in your car. You should be prepared to leave your keys with car park staff as this may be necessary. If you have a larger-than-average vehicle or a motorbike, please contact us to check that the car park can accommodate it without an additional charge. When you travel, take your booking confirmation with you as it contains instructions on what you need to do. If you have any problems on the day, please let the hotel or car park know so they can help you. If you don't let them know, we may not be able to help you later on. If you're parking and you arrive before the day and time shown on your confirmation, or stay later than planned, you may be charged for the extra parking at the car park's normal price. If you leave earlier than planned, we won't refund any of the charges you've paid.

You can amend or cancel any time up until a minute to midnight, the day before you arrive at the airport, free of charge. So, if you fly on the 2nd, you'd need to cancel by 23:59 on the 1st. If you cancel in time, you will be refunded what you've paid for the hotel and parking. If you don't cancel in time you will not be refunded any amounts paid for the hotel and parking and we will retain this as a cancellation charge.

Airport Lounges You can pay for UK airport lounge access after you've booked, subject to availability. You can do this via a TUI Holiday Store, Manage My Booking or by logging into your Customer Account.

**Airport Service** In most airports overseas, our Travel Experts aren't allowed past check-in or into the arrivals hall but we will have staff waiting to greet you outside the airport.

Alcohol During your flight with us, you can only drink the alcohol that our staff serve you.

All Inclusive Hotels You may need to wear a wristband or carry

All Inclusive Hotels You may need to wear a wristband or carry some ID to get the benefits of your package. For a full description of what's included, check the hotel description. Times for inclusive drinks, meals and snacks vary. Your All Inclusive package may not include bottled water, imported drinks, a la carte meals, or some speciality dishes. Some restaurants expect you to reserve a table and will be subject to availability. Not all bars and restaurants operate on an All Inclusive basis. Also, there may be cash bars once All Inclusive bars close. Bear in mind, under-18s won't be served alcohol.

You should also be aware that we, and the hotels, may confiscate wristbands and IDs from guests who abuse the All Inclusive

You may be charged for motorised sports, and there are time limits or age and experience restrictions on some of these activities. You may have to pay a deposit to hire equipment. Things like classes and beauty treatments may be included in the price but there'll be a limit on how many sessions you can take. Safety deposit boxes may not be included and you'll need to pay for things like telephone calls and excursions.

All Inclusive packages end when you check out of your room. In some cases you can pay to keep using the facilities. If there's a delay to your flight home and you have to spend extra time in the resort, any refreshments will be in line with the airline's instructions – not the board basis of your hotel.

One last thing, you may find timings will change for things like happy hours in bars and dining times.

Amenities Lots of things you come across in resort will be quite different to what you've come to expect at home, like roads, power and water, for instance. If there's a prolonged drought, it might interrupt water supplies. In summer, there's often more demand on water, which means the pressure can drop, disrupting water heaters. You may also find in some destinations you won't be able to flush toilet paper down the toilet.

**Artist Impressions** These, together with any computer-generated images, are there to give you an idea of how the property will look – they're not replicas of the finished building.

Assisted Travel If you or anyone you're travelling with has a disability, is less mobile, has a vision or hearing impairment, or is undergoing medical treatment and needs support, contact our Assisted Travel Team - their number is at the end of this guide. Our colleagues can advise you which holidays are more suitable and meet your requirements. Also, if you've got any medical or dietary needs, they will do their best to help.

Assisted Travel at the Airport Assistance teams will be on hand at the airport, once notified of the request for assistance. Assistance is given at the designated points inside and outside terminal buildings. Assistance can include moving across various areas within the airport (e.g. check-in counter, toilet facilities and the luggage hall). And you can be assisted to the aircraft as well as boarding it. You can highlight to the Assisted Travel Team what type of assistance, and in which part of the airport experience, is needed.

Assisted Travel on Your Flight If you or a member of your party has a disability, uses a mobility aid, can't walk, or has difficulty climbing stairs, you should notify us of your assistance needs before travel. You can do this by contacting our Assisted Travel Team. You are strongly advised to contact us at least 48 hours before your departure.

Assisted Travel on Transfers If you aren't able to use our coach transfers, we can arrange an adapted transfer, if you tell us in advance by contacting our Assisted Travel Team. See Medical Conditions & Wheelchairs.

Health and safety restrictions mean some hotels or apartments may not put you on a high floor if you have small children. Even if you're on a low floor, make sure you never leave your children unattended on your balcony.

Bars If a hotel has a bar, you may well hear some noise – even outside normal licensing hours.

Beaches Many of the beaches in our resorts have been awarded

Beaches Many of the beaches in our resorts have been awarded the Foundation for Environmental Education's Blue Flag. The programme awards beaches and marinas that meet its high standards of hygiene, cleanliness, safety and environmental management. For details, visit www.blueflag.org.

When you're on the beach, make sure you check any flag warning systems and take local conditions into account, particularly things like undercurrents and tides. You'll also need to supervise children at all times as most beaches won't have a lifeguard.

Some beaches in Mexico and the Caribbean may experience an increased level of seaweed from time to time. This is known as sargassum, and is a natural occurrence which can change on a daily basis influenced by weather patterns and sea currents. Hotels which are affected work hard to clear the seaweed so you can continue to enjoy the beach during your holiday. The situation can change day to day due to nature, wildlife and local laws. You may find that public beaches are closed at certain times, particularly in low season. Beach closures are carried out by local authorities so are beyond our control. One more thing, you may need to pay to use some beaches, especially in Italy.

Building Work From time to time, building work is unavoidable, particularly where hotels are open all year round, and it can be noisy. If we're aware of any work, we'll let you know as soon as possible if we think it'll affect your holiday. This can be difficult as we don't control the work and we're not always told when it'll happen and how long it will last. But if we think it'll have a significant effect, you'll have the option of a refund or an alternative holiday, as outlined under 'Major changes to your holiday' in Our Agreement With You.

Bungalows If the description of your accommodation refers to a bungalow, this means that you may be in an accommodation block within an annexe building separate from the main building which may not necessarily be single storey or detached.

Your contract will be with them rather than us, so please make sure you check their terms and conditions. These vary by country - for more information, see www.europcar.co.uk, www.enterprise.co.uk, www.reflections-travel.com or www.alfacarhirepaxos.com. #### Check-in

For Your Flight We recommend you arrive at the airport at least two hours before your scheduled departure time. For flights over seven hours, it's three hours before. Regardless of the length of your flight, you need to have completed check-in at least an hour before departure.

UK airlines need to carry out enhanced security screening from certain destinations for return flights to the United Kingdom. If this applies to your flight, you'll be told whilst you're on holiday as it may mean that you need to check in a bit earlier. You might need to be at the boarding gate earlier, too.

The same applies if you smoke, use insulting or abusive words before or after you board. If that happens, we won't be responsible for your holiday arrangements and we won't give you a refund, pay compensation, or cover any other costs. We may even seek compensation from you for any loss caused by your behaviour. This includes having to divert the plane.

Just so you know, if you choose not to use our online check-in service, we reserve the right to charge a fee for airport check-in. Please also see Section 14 of Our Agreement with You and Yours with Us.

Conditions Of Carriage When you travel by air or river, your journey may be subject to certain international conventions including, but not limited to, the Warsaw and Strasbourg Conventions, and the Montreal Convention for air. By law we need to give you these in 'legal speak' to avoid any misinter-pretation. We can supply a full copy of these if you ask us to.

Montreal Convention This is a notice required by European Community Regulation (EC) No. 889/2002

Air carrier liability for passengers and their baggage This information notice summarises the liability rules applied by Community air carriers as required by Community legislation and the Montréal Convention.

Compensation In The Case Of Death Or Injury There are no financial limits to the liability for passenger injury or death. For damages up to 100,000 SDRs (approximately £96,000), the air carrier can't contest claims for compensation. Above that amount, the air carrier can defend itself against a claim by proving that it wasn't negligent or otherwise at fault.

Advance Payments If a passenger is killed or injured, the air carrier must make an advance payment, to cover immediate economic needs, within 15 days from the identification of the person entitled to compensation. In the event of death, this advance payment shall not be less than 16,000 SDRs (approximately £15,360).

assenger Delays In case of passenger delay, the air carrier is liable for damage unless it took all reasonable measures to avoid the damage or it was impossible to take such measures. The liability for passenger delay is limited to 4,150 SDRs (approximately £3,980).

Raggage Delays In case of baggage delay, the air carrier is liable for damage unless it took all reasonable measures to avoid the damage or it was impossible to take such measures. The liability for baggage delay is limited to 1,000 SDRs (approximately £960).

Destruction, Loss Or Damage To Baggage The air carrier is liable for destruction, loss or damage to baggage up to 1,000 SDRs (approximately £960). In the case of checked baggage, it's liable even if not at fault, unless the baggage was defective. In case of unchecked baggage, the carrier is liable only if at fault. Higher Limits For Baggage A passenger can benefit from a

higher liability limit by making a special declaration at the latest at check-in and by paying a supplementary fee.

Complaints On Baggage If the baggage is damaged, delayed, lost or destroyed, the passenger must write and complain to the air carrier as soon as possible. In the case of damage to checked baggage, the passenger must write and complain within 7 days, and in the case of delay within 21 days, in both cases from the date on which the baggage was placed at the passenger's disposal. **Liability Of Contracting And Actual Carriers** If the air carrier performing the flight is not the same as the contracting air carrier, the passenger has the right to address a complaint or to make a claim for damages against either. If the name or code of an air carrier is indicated on the ticket, that air carrier is the contracting air carrier.

Time Limit For Action Any action in court to claim damages must be brought within 2 years from the date of arrival of the aircraft, or from the date on which the aircraft ought to have arrived.

Basis For The Information The basis for the rules described above is the Montreal Convention of 28 May 1999, which is implemented in the Community by Regulation (EC) No. 2027/97 (as amended by Regulation (EC) No. 889/2002) and national legislation of the Member States.

Cots There's usually room for one cot in all our hotel rooms, apartments or villas, but you'll need to check with us before you travel to make sure there will definitely be one available when you arrive. In some countries, such as Italy, you'll need to pay a daily charge to hire a cot. If you're staying in a villa in Florida, you'll need to pay to hire a cot by credit card, before you travel. If you decide to bring your own travel cot, bear in mind there's no extra luggage allowance for these and the airline will charge extra if you over your limit.

Flight Times Actual flight times are on your tickets. They are local times based on the 24-hour system. We can't guarantee the flight times in our brochure, on our website or on your booking confirmation won't change, so please always check your tickets Flying With Children Infants less than 14 days old are not allowed to travel. Any child over 14 days and under two years old on the date of their return travel is classed as an infant. Infants must sit on an adult's lap and wear an extension seatbelt. If your child reaches their 2nd birthday while you're away you'll need to allow for this when you book. All children aged two and above must have their own seats on the plane. If you've paid for an additional seat for your infant, you can use your own car seat as long as it has a single release harness. It needs to be facing forward on the aircraft seat, designed to be secured by lap belt alone, and must conform to EU safety standards. You'll also need the instruction leaflet to show the cabin crew if they need it. The seat mustn't be more than 16 inches or 40cm wide. You can't use carrycots and deluxe child car seats, as they won't fit. The use of car seats will be at your airline's discretion. Airlines registered outside the UK may have their own rules. Call TUI for information on approved car seats.

**Football Academy** Our Football Academy is available at selected Holiday Village resorts between 1st May to 31st October, and 1st April and 31st October in Egypt. We offer 2, 3 or 4 football training sessions of two hours each. Approximate prices are 2 sessions £35, 3 sessions £48 and 4 sessions £61. Please note that prices can vary depending on exchange rates.

Free Child Places These are only available for holidays departing between 1st May and 31st October in selected accommodation, and only where the child is sharing a room, apartment or villa with two full-fare-paying adults. They are available for children up to 12 years inclusive for hotels and up to 16 years inclusive for self-catering unless we say otherwise in the property details. You'll need to pay a deposit but we deduct this from your final Dalance and will refund this when you pay for your holiday in full. The risk of deep vein thrombosis (DVT) while flying is extremely low but is still a serious medical condition. DVT is when a blood clot forms, usually in the lower leg, sometimes because of sitting still for a long time. People most at risk include those with a history of bronchial or circulatory problems, thrombosis, those recently hospitalised, smokers, the obese, those with congestive heart failure, a malignant disease, pregnant women or women taking the contraceptive pill. To reduce the risk, exercise your legs from time to time, or walk around if possible. Elastic stockings may be helpful. Drink plenty of non-alcoholic liquids to prevent dehydration. See your doctor if you think you may be particularly prone to DVT.

At Your Destination If you have specific medical needs, think about whether the healthcare system in the destination you're looking at is likely to be able to meet those needs, if you have any problems while you're away. Consider things like the country's state of development and its size. You may find it helpful to look at www.gov.uk/browse/abroad/travel-abroad.

Spa Spas in our hotels aren't included in the price of your holiday unless we say otherwise. Just so you know, in Spain and the Canary Islands, by law only over-16s can use the facilities.

Special Offers Our offers are only available on the holidays and

dates we advertise, are per booking, and subject to availability. Special Requests We'll always do our best to help however we can, but we can't guarantee we'll be able to meet your needs every time. These special requests aren't covered by Our Agreement With You so from a legal point of view, they're not part of your holiday contract.

### Supplements

On Your Flight Depending on the airport you choose to fly from, on certain days or at certain times, you may have to pay a 'flight supplement'. Flight supplements may go up or down throughout the season. Some holidays are only available on flights with extra charges, either because the accommodation is available only on certain days of flying, or because onward travel arrangements are only available at certain times.

Occupancy Supplements/Discounts Depending on the number of people sharing a room, you may have to pay an 'occupancy supplement' for under-occupancy or single occupancy, or there may be a discount if more people share a room. Occupancy supplements/discounts may go up or down throughout the

Room Supplements Depending on the type of room you choose to stay in, you may have to pay a 'room supplement'. Room supplements may go up or down throughout the season. All rooms are subject to availability and any applicable occupancy and age restrictions

Sustainability We're members of Sustainable Aviation, a UK initiative that sets out the collective, long-term strategy of UK aviation to tackle the challenge of ensuring a cleaner, quieter, smarter future for our industry. You can find more information at www.sustainableaviation.co.uk.

Swim Academy These courses are available at our Holiday Villages between 1st May - 31st October. They cost between £15 and £30 depending on whether you book group or one-to-one sessions. You'll need to register your children at the start of each session. We may have to cancel courses if there isn't enough demand. You can book them before you go, or when you get there if places are still available.

Swimming Pools It's unlikely your pool will have a lifeguard. An adult must always accompany children in the pool. This includes children's pools and surrounding areas. Pools may be closed in early or late season, so April, early May and October, or in particularly bad weather. Also, pools won't be heated unless we say otherwise in the property description. If your pool has a waterslide, there may be height or age restrictions.

Taxes You may need to pay a tourist tax either at the airport or at your hotel. Taxes change regularly so check before you go. See **Prices** for more details.

**Tour Operator Ratings** We rate our holidays on our annual reviews and also the feedback we get from our end-of-holiday Customer Satisfaction Questionnaires. We rate hotels and apartments from '2' for no–frills, good value accommodation, to '5' for more comfort and a wider range of facilities. There may be some differences between accommodation that shares the same rating. That's where our 'plus' rating comes in.

**Tours** Most of our tours have age restrictions, so check before you book.

Towels You'll see from the individual property descriptions whether or not there's a pool towel service. You may find you'll need to pay a small charge.

need to pay a small charge.

Transfers The transfer times we give you are a rough guide. They don't allow for delays to incoming flights or local traffic conditions. In terms of the type of transfer you'll get, it depends on the holiday you've booked. Just so you know, if your holiday includes a coach transfer, we may occasionally need to change this to a minibus or taxi. Where coach access is limited, we may need to transport your luggage separately to and from your accommodation. If this is the case, it may also be necessary for your luggage to be collected earlier than your return transfer time to ensure it arrives at the airport in time for you to collect it before checking in.

On some holidays you have the option to book a private transfer, which will either be by minibus or taxi. Our prices are competitive against similar transfer services and are per person, per return trip, based on three adults sharing. Luggage space may be limited and baby seats aren't provided.

**Twin Rooms** Some twin rooms can take a 3rd or 4th bed but they're usually camp or folding beds. Rooms that take extra beds or a cot aren't necessarily bigger than standard rooms so space may be limited.

Vaccinations Speak to your doctor at least two months before you're due to go away. Some treatments, for malaria for example, should begin well before you go. If you're booking within three weeks of your departure, speak to your doctor before you book. There's more information available in the Department of Health's free leaflet – Health Advice for Travellers. Call 0800 555 777 for a copy.

Villas Your villa is just for those who have booked with us. If you plan to invite anyone to join you when you get there, you must let us know so we can add them to your booking and sort insurance. All of our self-catering villa accommodation is privately owned. The furnishings may be simple, but you can expect everything to be clean and in good repair. We've inspected all of our properties and instructed the owners on any improvements to be made before the start of the season. We've tried to make sure most accommodation has a kettle and teapot. But you'll find the kitchen equipment reflects the local style, rather than British customs. We provide essentials like toilet paper, washing-up liquid, cloths, and starter tablets for dishwashers where there is one, just to start you off. We also supply a fan in places without air-conditioning. For safety reasons, barbecues aren't allowed on balconies or small terraces, or where it could be a particular fire hazard.

Bear in mind, many buildings are in rural areas so you may see wildlife, such as frogs, spiders, lizards, farm animals and the occasional snake, in or around the property. Some owners have dogs and/or cats, so do check with us if you're worried about this.

Cleaning and Maid Service Your accommodation will be clean when you arrive, and we ask you to do a minimal clean when you leave so it's left in a reasonable state. If it needs more than the normal cleaning, we may deduct the extra cost from your deposit. Maid service is generally provided weekly. This doesn't apply to Tuscany or Umbria, where there's just a mid–stay change of linen during a two—week stay. Maids are not responsible for washing dishes, laundry, ironing or emptying rubbish, although many will be happy to do laundry if you pay a little extra.

Linen And Towels Sheets, pillowcases, hand, bath and tea towels are provided. In some cases, clean linen is provided by the maid for you to make up the beds. Linen and towels are generally changed weekly. You'll need to bring your own cot linen. Sunloungers There may not be enough sunloungers at your villa for one per person.

Visas The best place for up-to-date information on visa and travel advice is the Foreign, Commonwealth & Development Office. Visit www.gov.uk/foreign-travel-advice or call 0845 850 2829. There may be specific entry requirements for under-18s, depending on your destination. For example, if a young person is travelling without both parents, there may be extra costs and they may need extra legal documents such as an affidavit, from a notary public. Always check with the consulate or embassy of the country you're travelling to before you book.

From 1st May 2025 it's obligatory for all visitors to Thailand to complete the Thailand Digital Arrival Card (TDAC) 3 days before arrival to avoid being denied entry. You'll need to do this via the official Thai government website https://tdac.immigration.go.th

Waterparks SplashWorld waterparks may be located onsite at your hotel or may be independent and located away from your hotel. They may also be open to non-hotel residents. Your All Inclusive board basis won't be available in the waterpark unless stated in the hotel description. Height or age restrictions may apply for some attractions. Some rides and facilities may need to be closed for maintenance. See Swimming Pools.

Weather There are sometimes tropical storms and hurricanes in Florida, the Caribbean and Mexico between June and November. It's impossible to predict their path or how long they will last more than three of four days in advance, and often it's much less. South-east Asia may be affected by its monsoon season, typically May to September. If a storm is forecast for one of our destinations, your safety is always our first priority. If there are hurricanes during your holiday we follow the advice of the Foreign, Commonwealth & Development Office and work with the Federation of Tour Operators.

Please also bear in mind that some hotel facilities - like outdoor bars and some sports - may not be available in adverse weather. Where we display weather information, this is supplied by the Met Office, © Crown copyright, the Met Office. #### Wheelchairs

On Your Flight When you fly with TUI, we'll take your wheelchair and one other mobility item in addition to your normal luggage allowance. However, you'll need to let us know at least 48 hours before you travel. We recommend your wheelchair and other mobility aids are fully insured.

If you've got an electric wheelchair, you'll need to let our Assisted Travel Team know so that the necessary arrangements can be made. Please let us know the wheelchair's make and model when you call. There's a limit on how many electric mobility aids we can take on each flight. If you don't let us know before you book and we can't carry your wheelchair, you might need to pay an extra charge to change your booking.

charge to change your booking. You can bring a battery-powered wheelchair if it meets the conditions given in the ICAO Technical Instructions for the Safe Transport of Dangerous Goods, plus any other related CAA rules. Visit www.caa.co.uk for more information. Please contact us as soon as possible if you're travelling with a battery-powered wheelchair or mobility aid and let us know the device's make and model, dimensions and battery type. We can then confirm whether there's space onboard.

Electric wheelchairs need to be loaded in an upright position for the flight. Batteries must be securely attached to the mobility aid and terminals protected from short circuits. Electrical circuits must be isolated to prevent the device being operated accidentally. If the wheelchair can't be loaded in an upright position, the battery terminals need to be protected against short-circuiting, and the battery removed and stored in strong packaging. Lithium batteries that are designed to be removed must travel in the cabin. You need to bring the operating instructions for your mobility aid with you. If you don't have these details, see https://www.bhta.com/air-transport-advice where your make and model should be shown. If not, you'll need to contact the manufacturer, or shop

where it was purchased or hired.

If you want to check whether your wheelchair will fit onboard our aircraft, please contact our Assisted Travel Team – the number can be found at the end of this guide.

If you're flying with another airline, you'll need to contact them directly to see if your wheelchair will fit onboard. Our Assisted Travel Team can help you with this. too.

Travel Team can help you with this, too.

On Resort Transfers If you're taking an electric wheelchair or scooter, you'll need to book a taxi transfer to your hotel. You can't take them on the coach. There's an extra charge for this.

Wi-Fi Bandwidths may vary. Some hotels may offer an upgrade to a higher bandwidth which you may need to pay for. The upgraded service may also cover a different location to the free Wi-Fi zones. Some hotels may have a data cap on usage, or the free Wi-Fi may be restricted to a daily time limit per device or room. Once this usage or time limit is reached, there may be a charge to continue using the service. Factors that may reduce signal strength include high usage - particularly if lots of devices are using Wi-Fi at the same time, obstructions like thick walls and electronic machinery and adverse weather conditions. The device used to connect to the Wi-Fi - e.g. mobile phone, tablet or laptop - may result in a differing quality of service received. Wi-Fi zones may not be in the same location at every hotel. If your device isn't connected to Wi-Fi, remember to turn off data roaming to avoid possible data charges.

Due to factors outside of our control we can't guarantee the availability, performance or security of the Wi-Fi provided.

When you book your holiday, we'll send your booking confirmation within 14 days. #### **Before Your Holiday**

## If You Change Your Holiday

Airlines or other transport providers can charge a fee for a change and sometimes treat a change as a cancellation. Fees can be up to 100% of the price for that part of your holiday. You must pay those fees as well as the amendment fee shown below.

those fees as well as the amendment fee shown below. When making changes, the price of your new travel arrangements will be based on the price that applies on the day you make the change. If your change means fewer adults travel, and your holiday price is based upon the number of adults, we'll recalculate the total price and the price per person may go up. This extra price isn't a termination fee. You will also need to pay the appropriate proportion of the termination fee for the adult who has cancelled. See "If you Cancel Your Holiday".

Some elements of your holiday such as excursions, transfers.

Some elements of your holiday, such as excursions, transfers, children's activities, flight or accommodation options, room/board upgrades, late check-out rooms theme park tickets and airport parking, may be non-refundable.

You may transfer your place on the booking to someone else if you give us at least 7 days' notice in writing or by email and the new lead name accepts the transfer and the terms of Our Agreement – insurance can't be transferred. You will be responsible, together with the new lead name, for our amendment fees and any costs as a result of the change. Please note - if everyone on your booking transfers their place to someone else, our standard cancellation charges will apply.

#### If You Cancel Your Holiday

To cancel your holiday you must tell us as soon as possible. If you booked using a travel agency, that agency must tell us. When your holiday has been cancelled you will receive a cancellation invoice. You must pay a termination fee which covers our administration costs and compensates us for the risk that we do not resell your holiday. The fee is based upon how long before your holiday you tell us you want to cancel and is a percentage of the total price of vour holiday.

| How long before your holiday you cancel | Percentage of your holiday price |
|---|----------------------------------|
| 70 days or more                         | Loss of deposit                  |

Even if the termination fee is lower than the deposit, your deposit will not be refunded. We may not be able to refund elements of your holiday if they are added extras. If you are cancelling because of an unavoidable and extraordinary circumstance happening at your destination that will significantly impact the performance of your holiday or your flight to get there, you will not have to pay a termination fee and your deposit will be refunded.

#### If We Cancel Your Holiday

If we cancel your holiday, except where it's because you haven't paid or you have been disruptive, you can have a refund or accept a replacement holiday from us of a similar standard and price if we can offer you one. We'll also pay the compensation shown below (unless we have cancelled because of one of the reasons listed in 'Events Beyond Our Control' or where you haven't paid) and we'll refund the difference if the replacement holiday is of a

#### If We Change Your Holiday

We aim to give you what we promise but, as we plan our holidays a long time in advance, sometimes things can change. We can make a change at any time but will let you know before your holiday if there's time.

Flight times given are for guidance only – your actual times will be shown on your e-ticket. Check that carefully when you receive it. Aircraft type can change and some facilities such as entertainment or advertised seat pitch may not be available. If we can't provide a seat option, we'll refund the price you paid for that option

Occasionally, we may have to make a major change to your holiday such as a change of destination, a downgrade of your accommodation by one full star rating, a change in flight time by more than 12 hours or a change of UK departure airport. A change in flight time that we need to make within 24 hours before you are due to fly is not a major change unless the time changes by more than 24 hours.

If we tell you about a major change after you book your holiday, you can accept the new arrangements offered by us; or accept a replacement holiday from us of the same or similar standard and price at the date of the change (we'll always refund the difference in price if the replacement holiday is a lower price at the date of the change), if we are able to offer you one; or cancel your holiday with us and receive a full refund.

If we make a major change, and you choose to cancel your holiday and receive a full refund, we'll pay the compensation shown below and receive a full return, we if pay the compensation shown believed unless the change is because of an event beyond our control. Any compensation payable is based upon how many days before your holiday departure we tell you about a major change. We'll pay 50% of the compensation for each person who paid a child price. No compensation will be paid for free child places.

| How long before your holiday we tell you about a major change | Compensation per person |
|---|-------------------------|
| 84 days or more   | 0                       |
| 83-29 days  | £25                     |

| 14-8 days   | £50                     |
| 7-0 days  | £100                    |

#### **Events Beyond Our Control**

Examples of events beyond our control are: war, threat of war, riots, civil disturbances, terrorist activity or its consequences industrial disputes, any failure to secure relevant flying rights, natural or nuclear disasters, fire, health risks, unavoidable and unforeseeable technical problems with transport, closed or congested airports or ports, actual or potential severe weather conditions, the imposition of sanctions or other Governmental action and any other similar events.

#### On Your Holiday

#### Behaviour

Only you can use your accommodation. You must not let anyone else stay there. You are responsible for any damage to your accommodation or its contents during your holiday.

We can refuse to accept you on your holiday or continue dealing with you if we, or someone in authority, believe your behaviour (by any form of communication or in person) is disruptive. The Captain of your aircraft or ship can restrict your movements on board or remove you.

If you are disruptive and stopped from boarding your flight from the UK, or disruptive during your flight, we'll treat your booking as cancelled by you at that moment. If you are disruptive on your holiday we can remove you from your accommodation and you will be responsible for your own return home and for any other members of your group who cannot or will not travel without you. You will not be entitled to a refund in either case and we will not provide compensation or meet any costs or expenses

If you are disruptive you will be responsible for any damages costs and expenses (including legal expenses) incurred as a result. This can include cleaning, repairing or replacing property lost, damaged or destroyed by you, compensating any passenger, crew, staff or agent affected by your actions and diverting the aircraft or ship for the purpose of removing you.

Disruptive behaviour includes being threatening or abusive,

damaging property, upsetting, annoying or disturbing any other traveller, our staff or agents or putting any of them in danger.

#### Excursions

We may introduce you to suppliers of excursions or other services. If you buy one of these, you'll be contracting with the supplier  $\frac{1}{2}$ directly, we act only as an agent and have no liability for the performance of that contract. Our Agreement doesn't apply to any contract for excursions or other services

#### If Things Go Wrong on Your Holiday

You benefit from the rights applying to packages under The Package Travel and Linked Travel Arrangements Regulations 2018. We are responsible for all the travel services included in your holiday. If any of them isn't provided as we agreed, we'll pay you compensation, if appropriate, unless it's due to an event beyond our control (see 'Events Beyond Our Control'), is your fault or is caused by a third-party.

If you are in difficulty on your holiday we'll help by providing information on health services, local authorities and consular assistance. We'll help you make phone calls, send emails or make alternative travel arrangements. You must pay any costs we incur if the difficulty is your fault.

#### If You Have A Complaint

It is very rare for things to go wrong. If they do, you must tell the supplier in question (e.g. the hotel) and our representative straight away so they can solve the issue. If our representative isn't available, you should contact our TUI Guest Experience Centre which is open 24/7. If you're still not satisfied, contact After-Travel Customer Support within 28 days of coming home so we can investigate properly. Contact details are in the A-Z Guide. We follow ABTA's Code of Conduct and usually solve any issues but you can use ABTA's ADR scheme for resolving disputes at www.abta.com.

#### Personal Injury

Your holiday is made up from services provided by suppliers who follow local standards. Overseas safety standards are generally lower than in the UK.

If anyone travelling suffers injury, illness or death because of the services provided as part of your holiday, you must tell us and the supplier involved about it and complete a report at the time. After your holiday you can contact After-Travel Customer Support It must be no more than 3 months after you come home so we can investigate properly. Contact details are at the end of this

#### Protecting Your Money

We provide security for the money you pay for your holiday and to bring you home in the event we become insolvent. When you buy a holiday from us that includes a flight, we do this by way of an ATOL (number 2524) managed by the Civil Aviation Authority, Gatwick Airport South, RH6 0YR. We also place a bond held by ABTA (V5126), 30 Park Street, London, SE1 9EQ, for holidays that do not include flights.

We've tried to write Our Agreement clearly. Unfortunately, the ATOL rules make us to include the next three paragraphs exactly as they're written.

When you buy an ATOL protected flight or flight inclusive package from us you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong We, or the suppliers identified on your ATOL Certificate, will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where neither we nor the supplier are able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable). If we, or the suppliers identified on your ATOL certificate, are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.

Where your holiday is protected under the ABTA scheme, you agree to accept that in the event of our insolvency ABTA may arrange for the services you have bought to continue, or for a suitable alternative to be provided at the same cost as your original holiday. You also agree to accept that in circumstances where the travel service provider provides the services you have bought, you agree to pay any outstanding sum under your contract with us to that alternative travel service provider. However, you also agree that in some cases the services will not be provided, in which case you will be entitled to make a claim under ABTA's Scheme of Protection (or your payment card issuer where applicable) for a refund of the monies you have paid. All money you pay to a travel agent for your holiday is held by that agent on behalf of and for the benefit of the Trustees of the Air Travel Trust at all times but subject to the agent's obligation to pay it to us for so long as we do not fail. If we do fail, any money held at that time by the agent, or subsequently accepted from you by the agent, is and continues to be held by that agent on behalf of and for the benefit of the Trustees of the Air Travel Trust without any obligation to pay that money to us.
