Holidays that are close to home

If you'd rather stick to a short flight with your little ones, you've got plenty of options to mull over – from the traditional Spanish villages of Ibiza to ever-popular Majorca.

A Spanish favourite

There are plenty of reasons why the Balearic Islands are such a hit with Irish holidaymakers. Just off Spain's east coast, these islands serve up everything from lively beaches and world-class clubs to prehistoric ruins and picturesque countryside.

Majorca

The Balearics' biggest island is all about the beaches. Whether you pick superleague stretches like 13-kilometre-long Ca'n Picafort, or tucked away coves around billionaire's playground, Cala d'Or, you're pretty much guaranteed golden sand and calm waters.

Ibiza

Ibiza is the king of Europe's club scene. The island's main resort, San Antonio, is home to world-famous dance spots like Pacha and Amnesia. It's a different story up on the north coast, though. Make your way to the countryside around Puerto San Miguel and you'll find hidden caves and walking trails through thick pine forests.

Menorca

If you're after an island that moves at a slower pace, Menorca hits the spot. Families flock here for quiet beaches like Son Bou and Cala'n Forcat. Plus, there are prehistoric relics like the village of Torre d'en Gaumes, which is over 3,000 years old.

1

MAJORCA

This Balearic Island has shallows ripe for paddling, shores full of restaurants and shops, and a smart capital made for daytrips.

✈️ **Flight time:** 2½ hours*

2

IBIZA

Ibiza might be associated with clubbing, but that's only one chapter in the island's story. Its sleepy villages, pretty beaches and UNESCO-protected old town aren't to be missed.

✈️ **Flight time:** 2½ hours*

3

COSTA DORADA

Spain's aptly named Golden Coast is famous for its beaches. It's also a big hit for thrill-seekers, thanks to the PortAventura World theme park – one of the largest in Spain.

✈️ **Flight time:** 2½ hours*

4

COSTA DEL SOL

Sandy beaches, glitzy towns and historical villages are just a few of the things Spain's Sunshine Coast has to offer.

✈️ **Flight time:** 3 hours*

5

ALGARVE

Portugal's southernmost region's a looker. You can leave footprints on its dramatic, cliff-backed beaches, or tuck in to fresh oysters in a cute fishing village.

✈️ **Flight time:** 3 hours*

6

CAMPANIA

Food, wine and romantic scenes are Italy's forte – and nowhere is this truer than in Campania. This region plates up sophisticated Sorrento, Pompeii and the Amalfi Coast.

✈️ **Flight time:** 3 hours*

This brochure features a snapshot of hotels in these destinations. For the full list of hotels and destinations we go to, ask your travel advisor, or visit tuiholidays.ie

Holidays that are further afield

Fly a little further and you open the doors to the likes of Greece and Cyprus. Or, cross continents to northern Africa and soak up the sun on the isles that float off its shores.

An Island for everyone

Thanks to its sandy stretches, ancient sights and up-tempo nightlife, Cyprus is a firm holiday favourite, attracting everyone from families to clubbers. A mix of laidback and lively resorts fringe the island, along with beautiful beaches – more than 70 are Blue Flag-certified. And if you go inland, you'll find sleepy villages, hidden hamlets and the scenic Troodos Mountains.

Markets, medinas and mosques

Shopaholics will be in their element on a holiday to Tunisia. Seek out authentic bargains and gifts while practising your haggling skills in the markets and souks – many of which can be found in the mazelike medina quarters of Tunisia's towns and villages. Meanwhile, ornate mosques provide historic sightseeing opportunities.

Canary Islands

You'll find Spain's Canary Islands just off the coast of Morocco, in the Atlantic Ocean. Gran Canaria, Lanzarote and Tenerife are the big three, while Fuerteventura is starting to make its mark on the travel circuit.

Grecian charms

Pulling in more than 28 million tourists every year, Greece is one of the world's most popular holiday spots. And it's not hard to see why. Spotless sands, centuries of history, and traditional sugar-cube towns are just the start of what the country has to offer.

1

CANARY ISLANDS

The Canary Islands are so close to Africa they're almost touching it, so you'll touch down to warm weather whenever you choose to visit.

✈️ **Flight time:** 4 to 4½ hours*

2

GREEK ISLANDS

Scuba diving around shipwrecks in Zante, or watching the sunset in Santorini – just two of your options in the ongoing dilemma of choosing which Greek Island you're going to stay on.

✈️ **Flight time:** 4 to 4¾ hours*

3

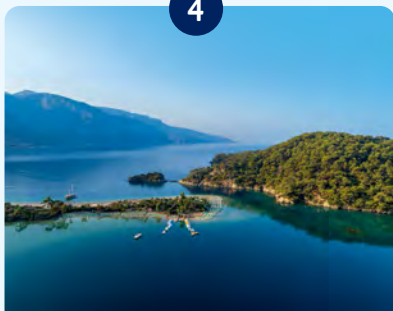

BULGARIA

Bulgaria's famous for its nightlife, but it's not all neon lights and nightclubs here. You've also got Blue Flag beaches, Greek ruins ripe for exploring, and waterside restaurants serving up hearty local grub.

✈️ **Flight time:** 4 hours*

4

TURKEY

From spice-laden bazaars and ancient temples to chic boutiques and bar-backed beaches, holidays to Turkey showcase the best of East and West.

✈️ **Flight time:** 4½ hours*

5

LARNACA, CYPRUS

With a stellar shoreline in Protaras and a lively nightlife scene in Ayia Napa, the south coast of Cyprus has plenty for couples and families alike.

✈️ **Flight time:** 5 hours*

6

TUNISIA

Tunisia's markets offer some of the biggest bargains on the continent, so get practising your best haggling technique. Plus, it's practically next-door neighbours with the Sahara Desert, so you're in for some seriously sandy days out on the dunes.

✈️ **Flight time:** 4 hours*

This brochure features a snapshot of hotels in these destinations. For the full list of hotels and destinations we go to, ask your travel advisor, or visit tuiholidays.ie

Holidays that are far away

Some of the world's most sought-after holiday spots come to the fore if you clock up a few extra air miles. From South-East Asia to the Caribbean, here's what we offer...

Indian Ocean

In the 600 years since Mauritius was first discovered, the island has been a cultural sponge. Its proximity to Madagascar has rubbed off on it in the form of creole cooking. Grand Baie, in the north, is the culinary capital of the island. Mahebourg, meanwhile, is packed with European influences – from its architecture to its street layout. And the island's time under French rule has added chateaus to its architectural assets, including the Chateaux de Labourdonnais, in northern Mauritius.

Rainforests & reefs

Mauritius has plenty more strings to its bow, too. Look beyond the beaches and you'll find a trove of natural history. The 800-metre-high mountains and forests in the interior are home to some of the world's rarest animals – you can spot geckos and tropical birds in Porte

Lafayette's national park. The island's also ring-fenced by one of the largest unbroken barrier reefs in the world, so the scuba diving opportunities are on a par with the Maldives.

Rum punch

Beyond the sand, Barbados doesn't always tow the Robinson Crusoe line. The island does have a few quieter resorts, like Maxwell Beach, which is pin-drop peaceful, but on the whole it can be a bit of a firecracker. Bajan food blurs the line between sweet and savoury, and the rum shops make it easier to order punch than coffee. St Lawrence Gap leads the nightlife pack. This resort is a hub for reggae bars, calypso clubs and, some of the best restaurants in the Caribbean.

MAURITIUS

At first glance, Mauritius looks like a close relative of the Caribbean Islands. Around 1,200 miles from the east coast of Africa, the island is hemmed by 330km of immaculate white beaches and once you look beyond the beaches, you'll find a trove of natural history.

TOP THINGS TO DO

The sightseeing comes thick and fast in Mauritius. Wreaths of rainforest, white sand beaches, and national parks top the list of natural hotspots.

BEST TIME TO VISIT

Between October and December when the temperature hovers around the mid-20s and has low rainfall.

 **Flight time:** 16+ hours*

BARBADOS

Barbados dazzles with its turquoise waters, powdery white sands, and palm-fringed beaches that stretch along the coast. It also happens to be a celeb favourite, so if you fancy rubbing shoulders with the rich and famous, this is the place to be.

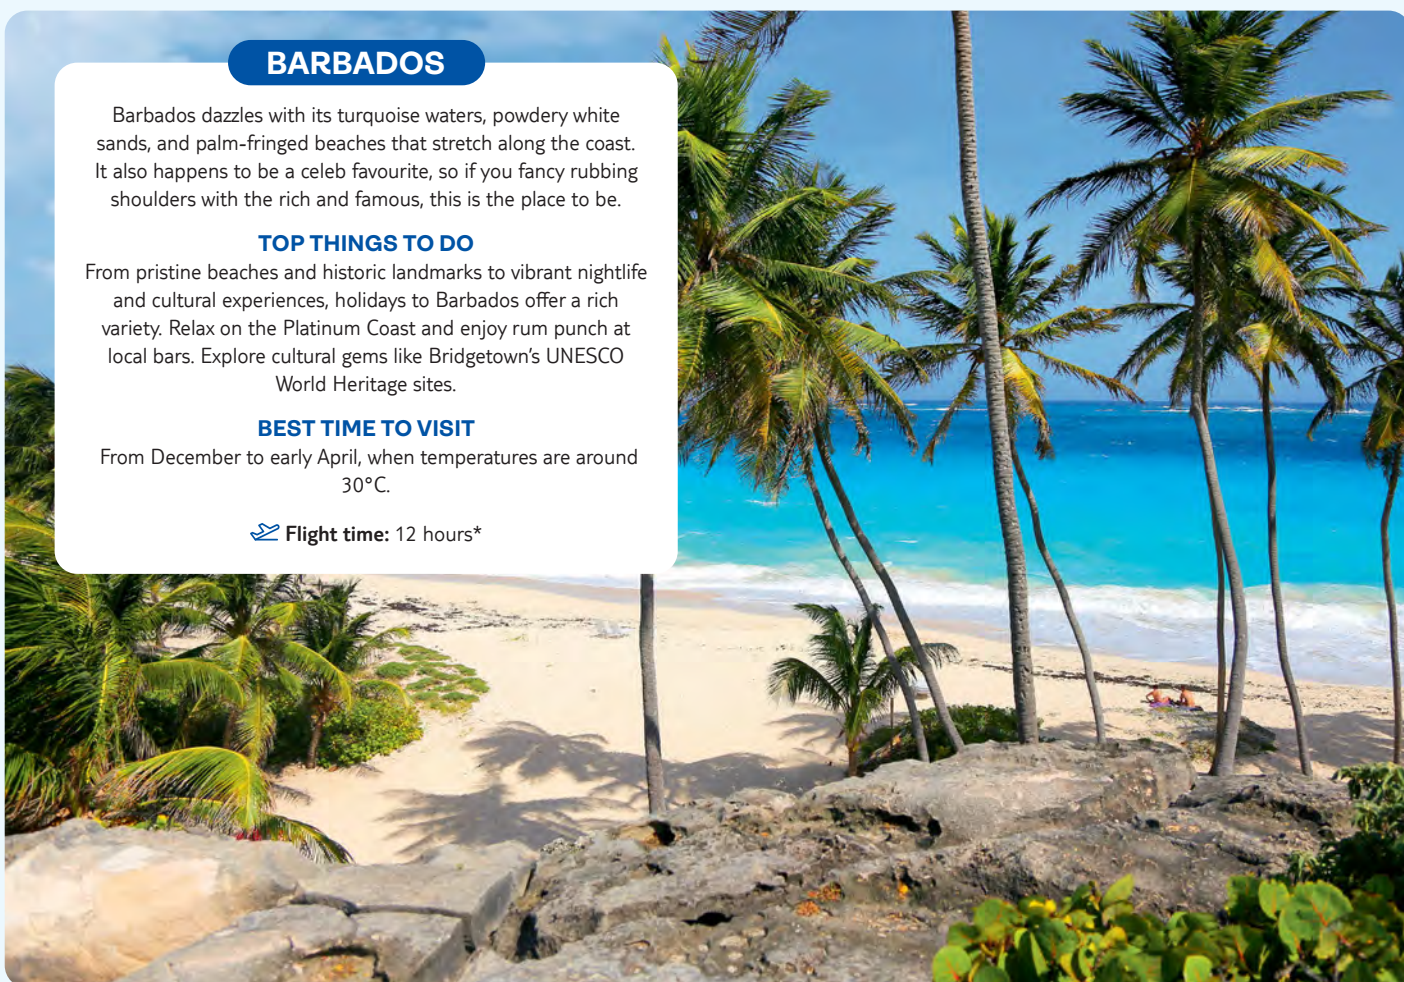

TOP THINGS TO DO

From pristine beaches and historic landmarks to vibrant nightlife and cultural experiences, holidays to Barbados offer a rich variety. Relax on the Platinum Coast and enjoy rum punch at local bars. Explore cultural gems like Bridgetown's UNESCO World Heritage sites.

BEST TIME TO VISIT

From December to early April, when temperatures are around 30°C.

 **Flight time:** 12 hours*

Travel further with flexible flying

We work with other leading airlines to give you more choice on where you can fly to. What's more, you can still expect the great service TUI is known for, from the moment you book to when you're spread out on the beach.

UAE

Occupying the south-east horn of the Arabian Peninsula, the United Arab Emirates – or UAE, for short – is a country made up of seven states, called emirates. When it comes to popularity, Dubai's the main character, although the country's capital, Abu Dhabi, comes in a close second, boasting a skyline that's just as out-of-this-world.

TOP THINGS TO DO

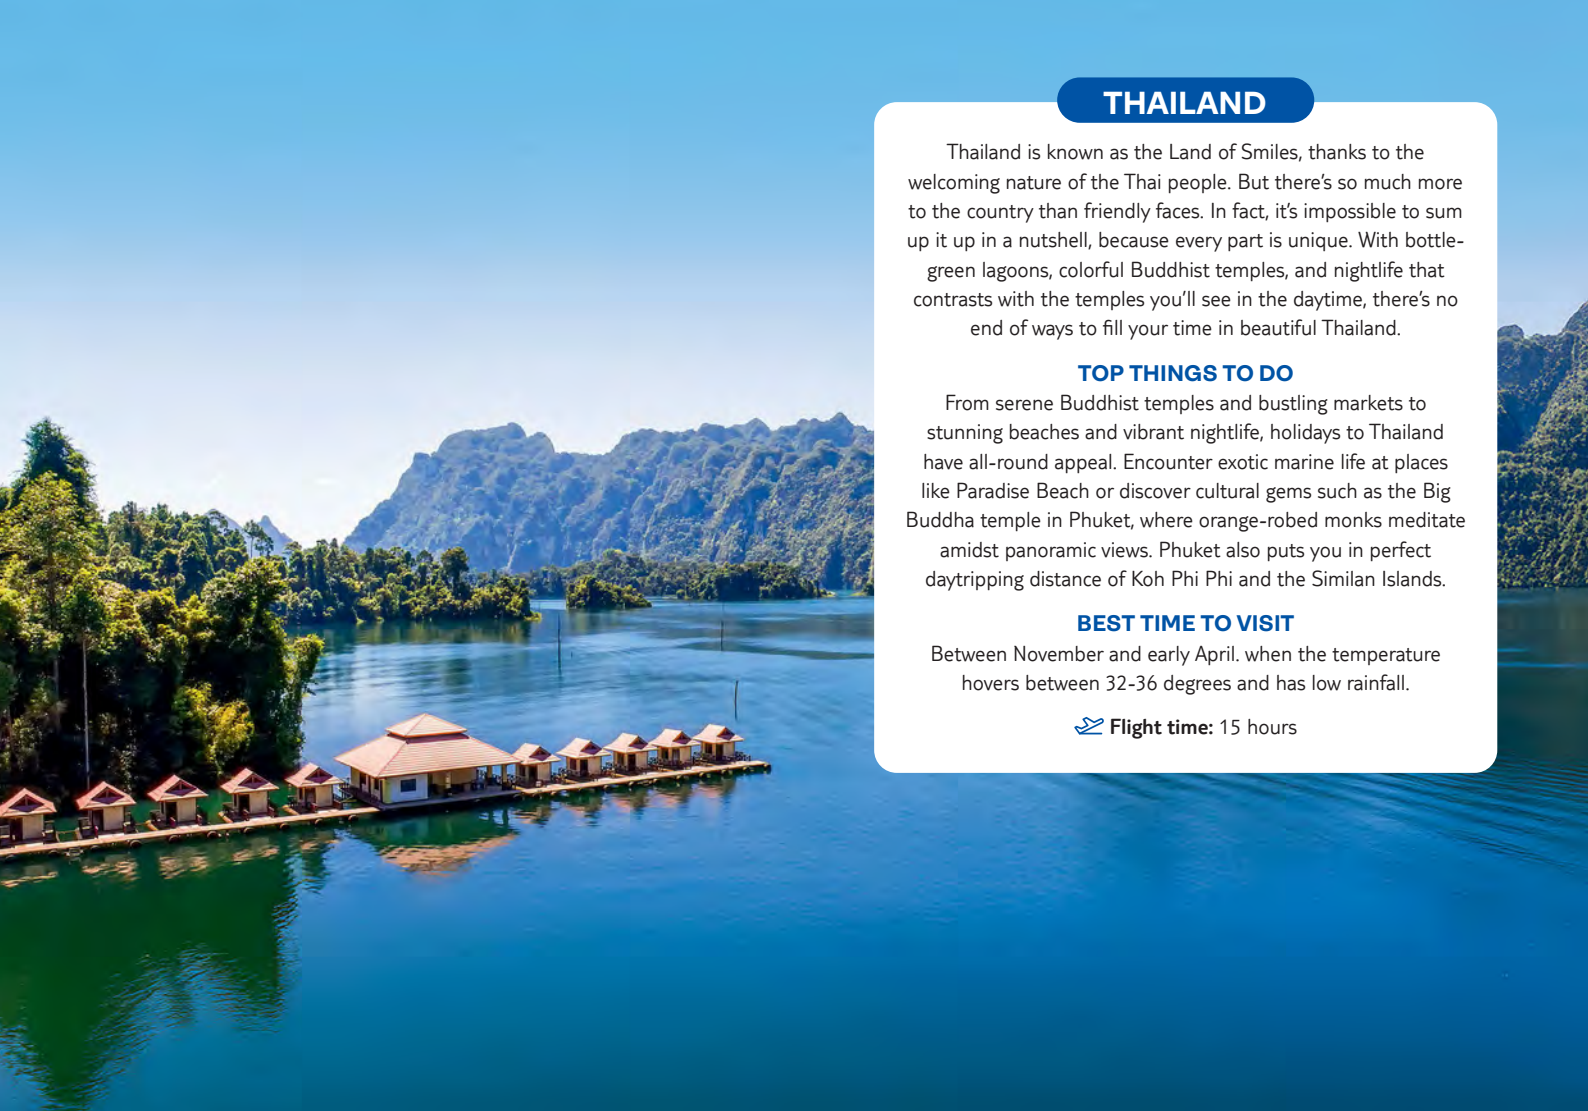

Dubai's got a name as one of the world's best shopping cities, and it's home to a list of more than 60 super-sized malls to back up its shopping status. And when you're not bagging bargains, you can head to the top of the Burj Khalifa for panoramic views of the city's skyline. Over in Abu Dhabi, meanwhile, the Sheikh Zayed Grand Mosque tops most tourist agendas.

BEST TIME TO VISIT

Between November and April – you can expect slightly milder temperatures in the mid 20s.

 Flight time: 7+ hours*

*The flight times here should give you a rough idea of the travel time from Dublin airport.

THAILAND

Thailand is known as the Land of Smiles, thanks to the welcoming nature of the Thai people. But there's so much more to the country than friendly faces. In fact, it's impossible to sum up it up in a nutshell, because every part is unique. With bottle-green lagoons, colorful Buddhist temples, and nightlife that contrasts with the temples you'll see in the daytime, there's no end of ways to fill your time in beautiful Thailand.

TOP THINGS TO DO

From serene Buddhist temples and bustling markets to stunning beaches and vibrant nightlife, holidays to Thailand have all-round appeal. Encounter exotic marine life at places like Paradise Beach or discover cultural gems such as the Big Buddha temple in Phuket, where orange-robed monks meditate amidst panoramic views. Phuket also puts you in perfect daytripping distance of Koh Phi Phi and the Similan Islands.

BEST TIME TO VISIT

Between November and early April, when the temperature hovers between 32-36 degrees and has low rainfall.

 **Flight time:** 15 hours

MALDIVES

Think exotic, think the Maldives. These tiny islands in the Indian Ocean come loaded with waters their own brand of blue, blindingly white sands, and rows of palm trees that stand to attention along the shoreline.

TOP THINGS TO DO

Boat trips, paddleboarding and exploring the coral reefs should be high on your to-do list. Of course, you can't go to the Maldives without experiencing romantic sunset dinners. They are expensive, but the experience alone is worth the cost.

BEST TIME TO VISIT

December through to April, when temperatures crank up to around 30°C.

 **Flight time:** 14 hours

Make your way to Mexico's Caribbean Coast

Holidays to the Caribbean coast of Mexico are about more than just picture-perfect beaches, although the soft white sands are definitely a major draw. This part of the country is bursting with natural wonders and historical sites, making it one of the best destinations in Mexico for a memorable getaway.

CANCUN

Holidays to Cancun pack plenty in. There's the downtown area with markets and local cantinas, and then you've got the Hotel Zone with restaurants, shopping malls and nightclubs – and an extra-long strip of beach.

RIVIERA MAYA

You can head for the Riviera Maya and do nothing but sip cocktails on tropical beaches. But there's so much more on offer. Mayan ruins, eco parks, world-class diving are all on the cards along this 30-kilometre stretch.

PLAYACAR

Playacar is the jewel of Mexico's Mayan Riviera. Just south of Playa del Carmen on the Yucatan peninsula, it's an exclusive gated community of luxurious hotels and trendy condo complexes. And, it's got its own world-class golf course.

TULUM

Tulum holidays are Mayan-meets-modern. Despite its time-stamped ruins, it's got a 21st-century vibe, with a town full of veggie restaurants, yoga studios and shops.

Whether you're looking for a romantic getaway for two or a lavish spot for a family holiday, there's a Sensatori by TUI BLUE resort for you. What to expect at a Sensatori by TUI BLUE resort

No matter which of these spots you stay at, you can expect the same high-quality hallmarks of a Sensatori by TUI BLUE resort.

Premium by design

High-end decor sets the scene at these resorts, and you can expect plenty of local touches, too. There are dedicated areas for adults and children, plus little extras like cosy seating areas and poolside cabanas.

First-class food

You can expect at least one buffet and three à la carte restaurants at each resort – and they're included as part of the package. Plus, the All Inclusive offering's a 24-hour affair at some resorts, which means you can grab premium snacks day and night.

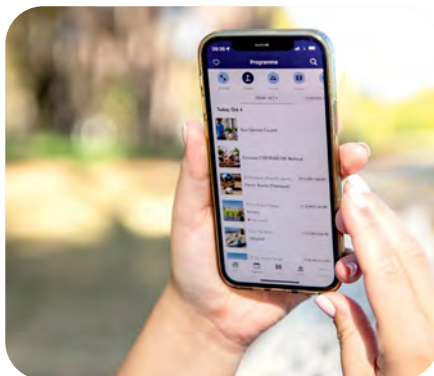

Always-on entertainment

You'll be hard pressed to get bored when you stay at a Sensatori by TUI BLUE resort. Top-quality shows, kids' clubs catering from babies to teens, and an action-packed daytime activity roster are just a few of the things you can look forward to.

Sports and fitness

If you want to keep up with your fitness routine while you're on holiday, you're in luck – every resort comes with a well-equipped gym and a line-up of BLUEfit® activities, from Aqua Boards to archery. You'll have a spacious spa to unwind in, too.

A handy app

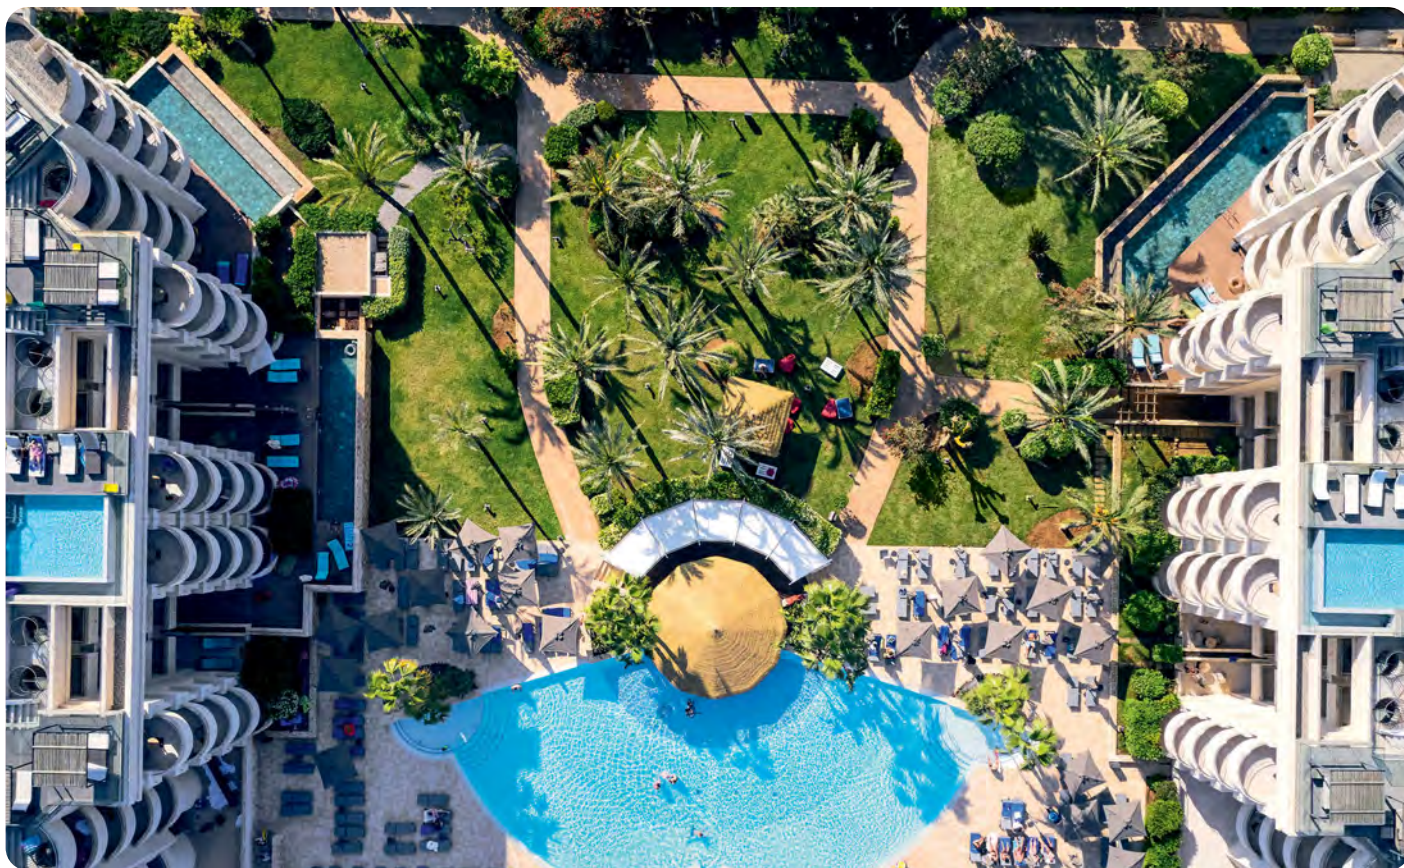

The BLUE® app lets you check out the activity programme, book a restaurant, sign up for activities, ask questions, and find out what there is to see and do nearby. For some resorts, you can also use it to check in online, saving you time when you arrive.

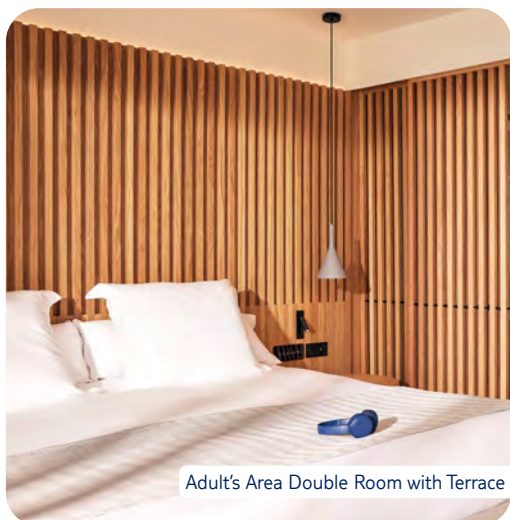

Personal touches

We've now launched the **Sensatori Experience hub**, where you can find information and chat to our Sensatori Experts before you travel. If you've signed up to receive emails from us, we'll reach out with an invite to log in. You can also chat with your dedicated Sensatori Expert in resort.

SplashWorld

Slide into **SplashWorld**

If you like your holidays with plenty of H2O, you'll love our SplashWorld hotels, which include free unlimited access to a top-rated waterpark. Here are some great things about this slide-packed collection of hotels...

FLIP FLOP TO THE PARKS

Many of our SplashWorld hotels have a stellar waterpark onsite. But if they don't, we put on a free shuttle bus to get you there in no time. Either way, you can ride the slides as often as you like.

TRIED-AND-TESTED

Not every average-Joe waterpark makes the SplashWorld cut. We only want the crème de la crème. So we try them out first-hand to make sure they're up to scratch. You can expect to splash about at some big dogs, like Tenerife's Siam Park and Aquatica on the isle of Kos.

SLIDE ROULETTE

Chutes, racers, tubes – these usual suspects are just the start of the story. Daredevil teens will love adrenaline-rush bad boys like black holes and kamikaze slides, while families can race each other on the multi-lane slides. If you're not into big rides, there are the lazy rivers, wave pools and splash zones, too.

GUILT-FREE TREATS

It's not just waterparks that are included. Lots of the hotels are All Inclusive, too. Afternoon ice-cream? Sure. Cocktails? Go ahead. You can treat yourself to all sorts, without having to dip into your wallet once.

SPLASHING ALL OVER THE WORLD

We've got an impressive collection of hotels and waterparks, which are based all over the globe. You can stick close to home with Greece and Spain, stray a little further for some sun in Turkey, or splurge on a trip to the Dominican Republic.

TUI kids' club

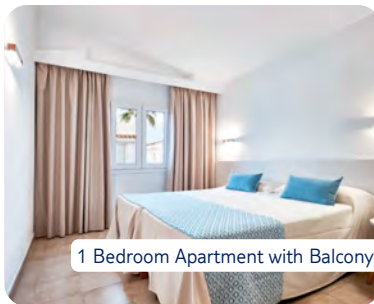

You'll find our action-packed kids' clubs in a squad of SplashWorld hotels. Minis – for 3 to 6-year-olds – and Maxis – for 7 to 12-year-olds – line up fun games and activities. And they're run to the highest standards, so you can sunbathe worry-free.

Holla at Holiday Villages

There's no time for thumb twiddling at Holiday Villages. These fun-loving hotels knock it out the park with fab academies and a full house of 200+ activities for the entire brood. That means aerial high ropes classes by day, belting shows come evening and bits for parents in between.

Ready for smiles all around? Here's all the need-to-know-info.

Splash-tastic stays

There's splashing good fun for all ages at these hotels – think aqua boarding, canoeing, kids' kayaking and water polo to name a few of the activities in the line-up. And it gets even better for water babies. Select hotels come with access to whizz-tastic waterparks where white water rapids and charging chutes are the talk of the town.

Pro academies

There are plenty of reasons why guests have non-stop grins. Take the something-for-everyone activity agenda, which puts more than 200 options at your fingertips.

The A-Z hot list ticks off everything from archery to zorbing, while our football, swim and stage academies* ramp up the fun. So, whether you fancy yourself a footie star in the making or dream of developing pipes like Adele, our instructors are waiting in the wings to bring your passions to life.

Heaps of entertainment

At Holiday Villages, the activity line-up is longer than your arm – so you're free to set your own holiday agenda. Our HV clubs press play from the break of day and keep tots to teens active with quests, games and activities, right on through to the early evening. After dark, the agenda's just as stacked, with something to suit every tempo. Foot-tapping shows, family-friendly theme days, and live music acts are all par for the course. Then there's The Widgets – the all-singing, all-dancing HV mascots who make a special appearance on the bill.

Go gourmet or go sharing

A banging buffet breakfast, ice-cream on tap, and a smorgasbord of kid-friendly dishes are a taste of what's in store when you stay in a Holiday Villages hotel. They're All Inclusive as standard, so you can expect at least two à la carte or themed restaurants in the line-up – think Chinese, Italian and Mexican fare. And keep your eyes peeled for Russell the Brussel – our mascot who encourages kids to eat healthily at mealtimes.

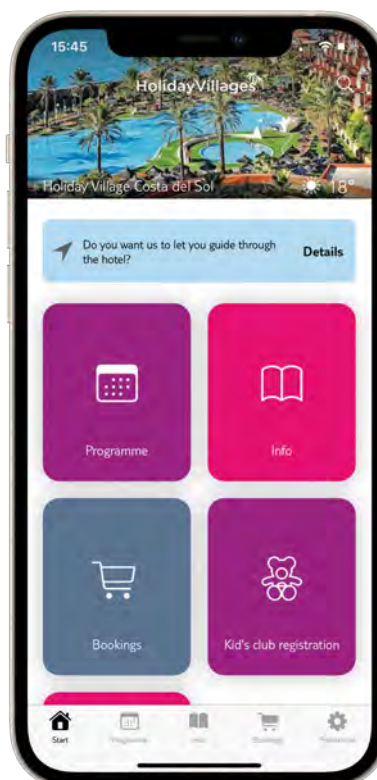

Beach days in the bag

There are nine Holiday Villages in heart-of-the-action postcodes around the world. Most of our hotels cosy up to beaches, so seaside days are a breeze. And some even come with their own beachfront plot. There's even the chance to tie the knot at some of our Holiday Villages, including the Holiday Village Seaview Ibiza.

THE HV APP

Download the HV app onto your phone and you can get your mitts on a bunch of extra info. For example, you can use it to register your little ones for any activities they want to try out, see what's going on around your hotel, have a glance at the restaurant line-up, and read up on what you can do in the local area.

Hotels with a TUI KIDS' CLUB set a super high standard in entertaining the young ones. Here's what to expect...

CLUBS FOR ALL AGES

We take care of kids of all ages at the hotels in our TUI KIDS' CLUB collection – there are sessions for everyone, from babies right through to teens.

TRUSTED TEAM

You can relax knowing the staff who run the kids' clubs at these hotels are fully trained, plus they're all supported by a Childcare Delivery Team Manager who's based near the hotel.

SUSTAINABLE SESSIONS

There's a spotlight on sustainability in some of our sessions. Our friendly mascot – Mundo The Little Earth – tends to take the lead on these activities.

What's included with a TUI KIDS' CLUB?

MINIS

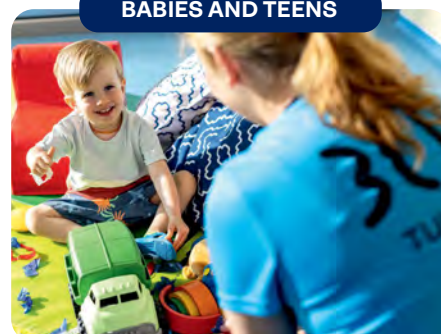

These sessions are for kids aged 3-6. As well as activities where little ones can show off their crafty skills, there are sports sessions where they can let off some steam while finding their way around an obstacle course.

MAXIS

For older kids – aged 7 to 12-years-old – there's Maxis. The spy kids session is a firm favourite, when kids are tasked with secret missions and challenges in order to become a top spy.

BABIES AND TEENS

Baby & Parent sessions* allow tiny tots to take part in activities with an adult – sensory classes and pool sessions are both part of the programme. For teens* there are sports days and photography workshops where they can practise taking snaps for their socials.

*Just so you know, Parent & Baby sessions run during low season, while the Teens programme runs through the summer school holidays.

4 things to love about a LAKES & MOUNTAINS holiday

Lakes & Mountains holidays are all about exploring towns and villages full of tradition, getting wonderfully lost in new cultures and making the most of your surroundings, from mountain tops to lake shores.

Here are four of our favourite things about a getaway like this.

PINCH-ME VIEWS

See it all as you meander through meadows and stroll along the lakeside at sunset. There are camera-clicking views all around, whether you're boat hopping between towns, taking lifts to the peaks or lingering over lunches on terraces.

REGIONAL FLAVOURS

From freshly caught fish in a waterfront café to dumplings in a hillside hut, nothing beats the taste of a local speciality. And the tipples are often from just around the corner too, so you can sip a glass of wine with a vineyard view.

AUTHENTIC EXPERIENCES

Go at your own pace as you discover gardens, waterfalls and villas fit for royalty. And say 'hello history' in cities like **Venice, Verona and Salzburg**, on day trips that'll last a lifetime. You can even see all the best bits on a guided TUI experience.

LOCAL STAYS

Choose from hotels and family-run guesthouses where the staff really know their stuff – chat to them and you'll soon have tips about everything from the best walks to top spots for coffee and ice-cream.

Stay sustainably with Green & Fair

At TUI, we believe in responsible travel. In fact, our ever-growing range of **Green & Fair** hotels helps us support local communities in our destinations, look after the environment and create holiday memories in a way that tries to minimise any impact on Mother Earth.

WHAT ARE GREEN & FAIR HOTELS?

Green & Fair hotels have been recognised by an independent organisation for their sustainability standards, according to criteria set by the Global Sustainable Tourism Council (GSTC). The GSTC Criteria works as a worldwide standard in sustainability that all hotels should strive for, and is focused around four key areas:

- ✓ Sustainable management
- ✓ Environmental protection
- ✓ Social and economic support of the local community
- ✓ Recognising and promoting cultural heritage

If a hotel has earned a certification that shows it complies with the GSTC Criteria, we award it with a Green & Fair label. This badge of honour not only shows off hotels with more planet-friendly practices, it also makes it easier for you to make more sustainable holiday choices. Just look for the Green & Fair label when you're browsing for your next getaway.
