Holiday cheat sheet

Want to know all about **Mexico and the Caribbean** without racking up the research hours? Our holiday cheat sheet's here to help you...

When culture's in the crosshairs...

Dive into Mexico's cenotes. These freshwater pools are tucked away in grottos all over the Yucatan Peninsula. Some are completely underground, and some let in sunlight from holes in their roofs.

For city slickers...

Bridgetown – the capital of Barbados – has a whole lot to offer. Think pastel-painted beach huts, seafood restaurants by the port, rum distillery tours and museums where you can learn about the island.

Families mustn't forget...

The Dominican Republic has bucketloads of hotels designed with little ones in mind. Plus, there are plenty of kid-friendly things to do – watersports, adventure parks and safari truck rides are in the mix.

For couples to cash in...

St Lucia takes romance to new heights, with dramatic scenery and velvet-soft sands. Sunset cruises, candlelit dinners and jungle excursions are on the cards – there's no wonder it's popular with honeymooners.

A foodie fact to chew over...

Jamaica's famous for its jerk chicken. Tender meat's marinated in sweet and smoky spices, and it's on the menu pretty much everywhere, from street food trucks and beach bars to swish restaurants.

If you like to get off the beaten track...

Visit Isla Holbox. This Mexican island's not far from Cancun, but its vibe is entirely different. Laidback beach bars hem the coast, and colourful market stalls sell souvenirs and textiles.

If you're worried about getting holiday FOMO...

Visit more than one resort on a Multi-Centre holiday. Take the Dominican Republic, for example. You could laze the days away in Punta Cana, and then spend a couple of nights seeing the sights of the capital – Santo Domingo.

**Faye Delahunt,
Photography &
Videography Producer for
TUI, has a Jamaica tip...**

"Rick's Café has 10/10 views – especially at sunset. There's live reggae music and cliff-divers jumping into the sea. If you're feeling brave, you can jump in too."

Where am I looking at?

This is Scape Park, in the Dominican Republic. As well as 4x4 off-road trails, this nature-meets-adventure park has cenotes, ziplines and cave networks.

Barbados

Holidays in Barbados serve up the Caribbean with a twist. Expect sweet-but-spicy cuisine, free-flowing rum, and a British-style love for cricket.

The Platinum Coast

At first glance, Barbados appears to play by all the tropical island laws, following the book to the letter when it comes to its coastline. The island is home to more than 92 kilometres of long, blonde beaches, which are backed by palm trees and lapped by luminous blue waters. The western coast is especially popular. It's where you'll find the resorts of St James and St Peter, and it's even earned itself the nickname of the Platinum Coast, thanks to the purity of its sand. Just so you know, the beaches on this stretch of coastline sometimes experience increased levels of seaweed – called sargassum. It's influenced by the weather and ocean currents.

Rum Punch

Beyond the sand, Barbados doesn't always tow the Robinson Crusoe line. The island does have a few quieter resorts, like Maxwell Beach, which is pin-drop peaceful, but on the whole it can be a bit of a firecracker. Bajan food blurs the line between sweet and savoury, and the rum shops make it easier to order punch than coffee. St Lawrence Gap leads the nightlife pack. This resort is a hub for reggae bars, calypso clubs and, some of the best restaurants in the Caribbean.

Bridgetown

The capital city, Bridgetown, shows off the quirkiest side to holidays in Barbados. It's here the Caribbean influence collides head on with the heritage left over from British rule. You can watch a game of cricket on the green and stand in the shadow of the admiral Nelson statue, before heading to the harbour to watch live reggae or dance to calypso.

Did you know

Barbados is said to be the birthplace of rum, with Mount Gay opening the first distillery near the north of the island back in 1703. It's still in operation today, along with three others – you can book a tour to look inside one if you fancy seeing for yourself how this tipples's made.

We fly from a wide range of regional airports, so chances are there'll be one near you. Take a look at our flight timetable at the back of this brochure for an at-a-glance guide to our flying programme.

Seven Mile Beach, Negril

Jamaica

Incredible beaches and a feel-good vibe are just a couple of things you can look forward to on a holiday to Jamaica.

Caribbean good looks

All the Caribbean stereotypes are present and correct in Jamaica. Along the coast, you've got white sands fringed by palms, and ramshackle beach bars serving up jerk chicken to Bob Marley beats. Inland, meanwhile, hidden waterfalls, banana plantations and soaring mountains vie for your attention. Best of all, the scenery is served up alongside Jamaica's famous take-it-easy vibe.

Popular resorts

The main resorts are Montego Bay, Ocho Rios and Negril. In these towns, beachfront hotels sit shoulder-to-shoulder with reggae bars and bric-a-brac huts. Negril boasts one of the best beaches in Jamaica – Seven Mile Beach. As the name suggests, its size means it's never tricky to find a good sunbathing spot.

More secluded spots

A sleepier scene comes courtesy of Lucea and Runaway Bay. Here, you'll find untouched beaches and a snail-like pace. Lucea lines up no fewer than three toothpaste-white strips of sand, plus a castle, a courthouse and a Saturday market for when you're in the mood to explore. Runaway Bay has its own collection of pearly beaches, plus plenty of nods to the King of Reggae, Bob Marley. Then there's Trelawny – this serene northern region's known for its Georgian buildings, and it's part of a protected area of biodiversity.

Plenty of history

The island's got its fair share of history, too, thanks to age-old mansions and 18th-century plantations. Rose Hall in Montego Bay is case in point. According to legend, this grand mansion is haunted by the ghost of a white witch. Then there's Kingston, the island's capital. The streets here are packed with colonial buildings, and museums that tell the story of its past.

Dominican Republic

There's more to the Dominican Republic holidays than just beaches – it throws rainforests, mountains and colonial towns into the ring, too.

Classic Caribbean

Thanks to its bigger-than-average size, the Dominican Republic is one of the most diverse countries in the Caribbean. Along the coast, you've got the full spectrum of beaches, while inland, mangrove lagoons, mountain peaks and waterfalls are just the start of the story.

Punta Cana and Cap Cana

On the eastern tip of the country is Punta Cana. The big name here is Bavaro – it's a lively resort with a beach that looks like it's been plucked from the pages of a glossy travel magazine. Meanwhile, just down the road there's Cap Cana which comes with a star-studded line-up of five-star resorts along its all-white coastline. Just so you know, the beaches on this stretch of coastline sometimes experience increased levels of seaweed – called sargassum. It's influenced by the weather and ocean currents. If your hotel's affected, the staff will do everything they can to clear it.

La Romana

La Romana is in a tucked-away part on Dominican Republic's southeast corner. Locals claim that the beaches here are the prettiest in the country. The main spot on this coastline is Bayahibe – a quiet fishing village with a sprinkling of hotels.

Pitons

St Lucia

Holidays to St Lucia are all about intrepid adventures, storybook scenery and downtime on the beach. This real-life Treasure Island combines jungles, volcanoes and secluded sandy coves.

More than just the beaches

This tropical treasure is much more than a beach retreat. Soaring volcanic peaks, lush rainforests and multi-coloured waterfalls are just some of the highlights. Resort-wise, luxury is St Lucia's middle name. Pick from boutique hideaways set in secluded hills, or sprawling hotels with panoramic private beaches.

A cultural melting hotpot

North and south of the island are two distinct cultural hubs. Rodney Bay in the north boasts a pristine, modern marina full of seafront bars and upmarket restaurants. Soufriere in the south is infused with retro Caribbean vibes – you'll find candy-coloured villages, barbeque stalls by the roadside and fish fry-ups on the beach.

Tropical thrill-seekers

St Lucia's unspoilt landscape calls out to be explored in the most adventurous way. You can zip-line through the rainforest, hike the Piton Mountains or cruise through the world's only drive-in volcano. There's every kind of watersport to try, from kayaking and windsurfing to deep-sea fishing and jet-skiing.

Playa Maroma

Mexico

Holidays to Mexico team tropical beaches and ancient Mayan ruins with year-round sun and some of the best All Inclusive hotels in the business.

Mega resorts and the Mayans

Stretching all the way from the USA in the north to Guatemala in the south, Mexico's the glue that links the North and South American continents together. The country's two million square kilometres pack in everything from mega cities and tiny pueblo towns to jungles and Mayan relics. But, for holidaymakers at least, the coastal areas hold the main appeal – from history-meets-beach Tulum to the country's nightlife capital, Cancun. And with sun beaming down throughout the year, there's never a bad time to visit.

Big days and bigger nights

When it comes to Mexico's Caribbean coast, Cancun's top dog. The city's got 22 kilometres of white sand, sprawling shopping malls and an after-dark scene to rival Rio, so if you stay here, you'll never be short of something to do. That said, you won't even need to leave your hotel to keep busy. The huge collection of bumper All Inclusive resorts here feature things like waterparks and laser tag, plus lagoon-like pools that play host to parties as well as sunbathing sessions. Around an hour's drive away, in Riviera Maya, there's

Playa del Carmen. This spot offers everything Cancun does, but in smaller portions – and its effortlessly cool 5th Avenue has enough boutiques, bars and restaurants to rival its New York namesake.

Just so you know, beaches along this stretch of coastline can have a build-up of seaweed called sargassum. It's a natural phenomenon influenced by ocean currents and seasonal weather patterns in the Caribbean, so it can be hard to predict when it'll arrive. When there's a lot of sargassum, hotel teams work continuously to keep the beaches as clean as possible.

Ruins, rafting and R&R

In the rest of the Riviera Maya, things are on the quieter side – instead of bright lights and late nights, you've got tropical jungle and Mayan ruins to keep you occupied. This area's home to more than just beaches and palms. You can also dive into emerald-tinted cenotes and raft down rivers through huge eco parks. In nearby Tulum, meanwhile, you'll be able to top up your tan right below a pre-Columbian city, and practise your yoga poses in modern studios.

Did you know

Mexico's often known as a party playground. Every year, students and young people – particularly from the USA – flock to Cancun and Los Cabos for Spring Break, which usually peaks in March and ticks off discos and bar-crawls around the resort.

Antigua

Holidays to Antigua set you up with postcard-worthy beaches, historic harbours, and sun-drenched tropical scenery.

Island life

When it comes to tropical escapes, Antigua's one of the Caribbean's big hitters. The beaches are the envy of its island neighbours, and if you head inland, colourful townhouses and pistachio-green countryside come to the fore. Delve a little deeper, and you'll see the colonial footprint of 17th-century British settlers in the form of sea-facing forts and retired cannons.

Best for beaches

The island's coast is peppered with strips of champagne-coloured sand, which is where its nickname – the Land of 365 beaches – comes from. They range from secluded coves, where the shorelines are footprint-free, to lounge-lined sweeps with luxe hotels over their shoulder.

Slogging and sailing

Sport in Antigua's all about bats and boats. The locals eat, sleep and breathe cricket, and the island's home to one of the game's all-time greats – Sir Viv Richards. Leave the wicket-mad capital, St John's, and you'll see that sailing takes centre stage in the south. Every year, yachts from around the world make a beeline here for Antigua Sailing Week – a series of races around the Caribbean, which attracts thousands of spectators.

Grenada

Holidays to Grenada are set to a backdrop of palm-backed beaches, paintbox-coloured towns and grass-green rainforests.

A quiet island getaway

If you're after a couple of weeks of no-strings-attached chill time, the Caribbean island of Grenada's a top pick. Smaller than the Isle of Wight, this place flaunts a beach-gilded edge and a backbone of jungle-carpeted mountains. Most of the tourist action takes place in the south-west, which is home to the popular resorts of Grand Anse and Port Salines. The latter boasts a string of pretty beaches and some top-end hotels. Saint George's, the island's capital, is perfect for a daytrip. Here, colourful houses perch above a deep natural harbour.

Beaches and rum bars

Grenada's beaches are straight out of the top drawer – hidden coves, sandy bays and longer bright-white stretches are strung like beads around the whole island. Grand Anse's beach is one of the best, coming in at a mile-and-a-half long. It's also the most popular and is lined with rum bars and beach clubs. For something a little more deserted, try footprint-free Petit Bacolet Bay on the south coast.

Chasing waterfalls

Island adventures are easy to come by, thanks to the rainforests and mountains at Grenada's heart. Grand Etang National Park – a 30-minute drive from Grand Anse – ticks off tumbling waterfalls and thick forests. It's also home to Grand Etang Lake, a large crater of an extinct volcano that's filled with water. Keep an eye out for mona monkeys – these fluffy-faced creatures were brought over on slave ships in the 1700s.

Maracas Beach

Tobago

Uncharted rainforests, barely trodden beaches and traditional tastes set the tone on holidays to Tobago, one of the last unspoiled Caribbean islands.

Crowd-free Caribbean

Tobago breaks away from the main Caribbean crowd. You'll see similarities in the tropical scenery and the temperature gauge, but it keeps a much lower profile than its counterparts. Sprawling hotels and gourmet restaurants haven't found their way to these sun-kissed shores, so there's a real authentic appeal. From tried-and-tested local cuisine to barely disturbed rainforests, you'll witness island life without the make-up.

Castaway beaches

The beaches here come without any frills, so you can expect breeze-ruffled palm trees studded into caramel-coloured sands. Stretches like Englishman's Bay will have you feeling like you're on an uninhabited island, and nesting leatherback turtles are the most likely companions. Elsewhere, snorkellers head to Buccoo Reef to get close to colourful patches of coral and schools of tropical fish.

Local living

Because of Tobago's low-key reputation, local life still ticks along as though the tourists weren't there. Fishing boats bob off the shores of the smaller beaches, and the catch of the day's usually cooked up later by a beachfront grill. That's just the tip of the iceberg when it comes to mealtimes, too. Traditional options dominate the menu, from steaming bowls of curried crab and dumplings to spicy shrimp-stuffed roti flatbreads.

Rainforests and ruins

Head to the island's northern half, and almost all traces of human life seem to disappear. The misty slopes of the Main Ridge Forest Reserve are blanketed by dense rainforest, with dainty hamlets perched along the neighbouring coastlines. The wildlife beneath the canopy's quite something, too – rare hummingbirds flutter between gramophone-style flower heads, and armadillos shuffle along the forest floor. The whole lot's capped by Argyle Falls – Tobago's prettiest cascading waterfall.

Tobago only spans an area of 116 square miles, and its dinky size means you can explore the whole island in a day with a vehicle. We recommend driving through the Main Ridge Forest Reserve, and soaking up some island history by visiting forts and sugar factory ruins.

Tour information

Important information for all destinations

Please note

- All charges and visa requirements are subject to change.
- For all passport, visa and health requirements, please consult the Foreign, Commonwealth & Development Office Website – www.gov.uk/foreign-travel-advice.
- It is the responsibility of all passengers to ensure that prior to travel they have taken the necessary health precautions applicable to their chosen destination. Advice about destinations can change, therefore please consult with your doctor at least 2 months before your departure, as some treatments (e.g. malaria) should begin well in advance of travel. For late bookings within 3 weeks of departure, please consult with your doctor before booking your holiday.
- American Express Traveller Cheque Cards cannot be used in all longhaul destinations. Please check with your holiday advisor.
- Tour itineraries and days of departure may be subject to change and in some circumstances it may be necessary to use alternative hotels of a similar standard in the same resort.
- We will advise the latest known itinerary and latest known hotels prior to departure, and we will endeavour to let you know of any changes, however due to operational reasons hotel changes and itinerary changes can take place at any time prior to departure or whilst you are in resort. For this reason, we do not recommend you book any hotel extras or upgrades directly with the hotel until you are in resort. Our team in resort will advise of any changes.
- The star rating of each hotel or accommodation included will be shown when confirming your tour within the tour itinerary.
- During periods of low occupancy, some facilities and amenities may be unavailable.
- During quieter periods, some accommodation may hold business conferences.
- During March and June, the resorts are often very busy with Spring Break students. This usually happens in the USA and Mexico.
- To make the most of each day, there may be a number of early starts on the tours.
- Some tours cover long distances on certain days, however there will be short stops at points, and the journeys are very rewarding.
- Guests are advised to pack suitable attire for the tour and the season, including sturdy walking shoes and warm clothes for higher altitudes.
- Lots of our tours are child-friendly, but there are a few that aren't available to children. You can check the 'important information' section of your chosen tour itinerary for details on age restrictions.
- English-speaking guides are used on the majority of tours, with the exception of our small boat cruises – where the onboard crew will be there to assist you – our self-drive tours, and a small number of our standard tours. We state in the tour itinerary whether a guide is included.
- Tour group sizes will be stated on the individual tour itinerary.
- Most tours include: all road transportation, applicable entrance fees, tour listed transfers and listed excursions. Please check with one of the TUI team or on our website before you book about what's included in your tour.
- Some touring groups are shared with other multi-national travellers, however the programme will be delivered in English.
- Optional excursions are available for most tours at an extra charge, and are sometimes shared with other multi-national travellers not on your TUI Tour. Optional excursions can be pre-booked during your initial tour booking as well as in destination. Some tours will offer these optional excursions whilst in destination only, where indicated.
- Beverages, tips and gratuities are not included.
- If you're on a safari and some other specialist tours your luggage allowance could be reduced. This will be clearly stated at the time you book, and will be available in your customer documents.
- Any customers booking a tour/twin centre involving an internal flight will be required to provide their full passenger names at time of booking, as they appear on their passports.
- Several destinations will require your passport information in advance. When booking your tour we will advise you on how to submit this information, if it's relevant for the destination you are travelling to.

Hurricanes and tropical storms

The Caribbean, USA and Mexico are occasionally affected by tropical storms and hurricanes between June – November. Such storms can blow up quickly and it is impossible to predict their path or duration more than three to four days in advance, often less.

South East Asia may be affected by a monsoon season, typically between May – September.

If a storm is forecast for one of our holiday destinations we monitor all activity through various websites and information received from local and international experts. We follow the advice of the FCDO and work with the Federation of Tour Operators in resort to ensure that customer safety is foremost if there is hurricane activity during your holiday.

Seats & extras

Your seat on the plane

Your seats will be allocated to you when you check in. If you're travelling with a child under the age of 12, we'll make sure they're sat with at least one adult in your party – sat with means next to, across an aisle, or in front or behind.

Select your seat

Choose your exact seats from a plan of the plane by opting for our Select Your Seat service. You can add this on at the time of booking, or afterwards.

Seat upgrades

Extra Legroom Seats give from two extra inches on your seat pitch. And Extra Space Seats come with over eight inches of extra legroom, often without a row of seats in front – so you can expect a lot more space. You can opt for either of these at the time of booking or afterwards.

Flying with other airlines

We've teamed up with leading airlines to give you even more holiday choice.

More destinations

We know that hunting for a holiday is much easier when you've got more choice. That's why we work with over 20 other airlines, to provide you with the exact dates, airports and durations that you want. Flexible flying also means we can open to the door to a variety of holiday hotspots, from Mykonos and Zanzibar to the Maldives and Antigua.

TUI service as standard

While you're away, it goes without saying that the high-standard service you've come to expect from TUI will still be present and correct. Your holiday is still ATOL protected, too. And who you're flying with doesn't affect the support you'll get from us while you're away – you can get in touch with us around the clock if you need to.

Airline partners

We package up holidays with airlines we trust, as well as our own award-winning TUI Airways fleet. All the partner airlines we use have met the same rigorous international safety standards as TUI Airways.

*Not included if you book flights only

*The vast majority of long-haul TUI flights are on the 787 Dreamliner, but this is not guaranteed

A-Z guide

We understand the small print is the last thing anyone wants to read. But we believe it's really important to be clear in the information we give you. This A-Z outlines to what extent we would be liable, if at all. If any part of this guide isn't valid or can't be enforced, the rest will still apply. Not everything here will apply to you but a lot of it will so you'll need to read this guide before you book. You'll also need to read Our Agreement With You and Your Agreement With Us. Together, they explain every aspect of your holiday. If you need information in another format, do contact our Assisted Travel team on 0800 145 6920. In line with EU regulations, we need to let you know who you'll be flying with, as your holiday package flights may not be with TUI. You'll see which airline is included in your package as part of your booking journey, and we'll also let you know who the airline is when we send your tickets. If there are changes after that point, we'll tell you before you check in or at the boarding gate. When you come across anything to do with flights in this guide, we'll usually be talking about flights with TUI. So if you're flying with another airline, you'll need to check their conditions, too. From time to time, we need to change airlines or plane types but this isn't classed as a 'Major Change' to your holiday.

A
Accessibility Here at TUI, we want to make travelling as easy as possible. That's whether you or someone you're travelling with has access needs, reduced mobility or a disability, including non-visible ones, and neurodiversity. We know holiday planning can be stressful if you're relying on the hotel's accessibility details being available before booking. So, we've partnered with AccessAble to bring you Detailed Access Guides for our most popular hotels, so you can check if they meet your individual needs. You can view these at accessible.co.uk/tui.

Whether you book your holiday in one of our TUI Stores, or make your booking online, our friendly and knowledgeable Assisted Travel Team are on hand to make sure your holiday's right for you. Give the team a call for free on 0800 145 6920. If you're a British Sign Language (BSL) user, you can also contact us via SignLive. Or, for more on accessible holidays, head over to our assisted travel page at tui.co.uk.

Accuracy We published our latest brochures in July 2026. Our prices and information in those brochures were accurate on that date but they may have changed since then. We always check our properties regularly to make sure we're giving you accurate information and we'll tell you of any changes we know about when you book. If you've already booked, we'll tell you about any major changes we're aware of as soon as we can. Bear in mind public holidays and religious festivals affect whether or not facilities are available. Also, it may be the case some facilities aren't managed directly by the hotel and they could close without notice.

Adjacent Rooms These are two rooms next to each other and usually share some facilities, such as an entrance or a bathroom. They're available at selected accommodation and for a small supplement. The facilities can vary so check the individual hotel description. When you're booking, the room description will have ADJ next to it. Depending on where you're staying, you may need to book two rooms to get this room type. Please ask when you book.

Adult Properties These are hotels that cater really well for adults in terms of facilities and destination. They include our adults only TUI BLUE hotels, where the minimum age is 16, and our Exclusively for Adults ranges, where the minimum age is 16 or 18. You must not book children to stay at any of these hotels under any circumstances as bookings for children will not be accepted.

For adults-only hotels in Mexico and the Dominican Republic, the minimum age accepted for all travelling on the booking is 18 years.

Advanced Passenger Information So that you can travel, it may be mandatory (as required by government authorities before or at the point(s) of departure and/or destination) to disclose and process your personal data for immigration, border control, security and anti-terrorism purposes, or any other purposes which they determine appropriate. Some countries will only permit travel if you provide your Advance Passenger Information or API (for example Caricom API Data and US Secure Flight Data) to the airline before your departure.

Some or all of the Caricom states have entered into an agreement with the USA whereby advance passenger data, required by and provided to Caricom states for border security purposes, will be passed to the USA Department for Homeland Security for processing on behalf of those Caricom states. Please see the Caricom website for more details.

The Transportation Security Administration (TSA) requires you to provide your full name, date of birth and gender for the purpose of watch list screening. You may also provide your Redress Number (as well as a Known Traveler Number), if available. Failure to provide details may result in denial of transport or denial of authority to enter the boarding area. TSA may share information you provide with law enforcement or intelligence agencies or others under its published system of records notice. Please see the TSA website for more details.

These requirements may differ depending on your destination and you are advised to check. Even if not mandatory, we may assist where appropriate. You'll need your booking reference number, the lead passenger's surname and your date of departure to access the site.

Age Ranges No under-18s can travel on their own. For our hotels, 2 to 12-year-olds are classed as children unless we say otherwise. For self-catering properties it's 2 to 16 inclusive.

Air-conditioning This may depend on the time of year and be subject to hotelier discretion. Also, you may have to pay for it when you get there.

Airline Rules Charter airlines aren't allowed to carry certain nationals to and from their country of origin. This is due to licensing law restrictions with overseas aviation authorities. The current licensing laws, as of 15th November 2010, do not allow TUI Group airlines to carry nationals of the following countries on their operating routes – Brazil, Kenya, and Morocco. Some other restrictions also apply...

- Cuban nationals may travel to any international Cuban airport, except Cayo Largo and Cayo Coco, and must be travelling as part of an inclusive tour package.

- Indian and Turkish passport holders can only travel on inclusive tour package arrangements. Please check with your embassy or consulate before you book.

- If you're going to Goa, Kerala and Sri Lanka, on an Indian, Pakistani, Sri Lankan, Nepalese or Bangladeshi passport you can't fly on British charter flights. This travel restriction doesn't apply if you have a Pakistani, Sri Lankan, Nepalese or Bangladeshi passport but your spouse has a foreign – non-Indian – passport.

Airport Assistance See Assisted Travel.
Airport Hotels and Parking - UK The companies that provide the hotels and car parks will have their own terms of use which will also apply to you. We can get you a copy of these if you need one, just ask.

If you don't follow the instructions we give you, we may not be able to refund you any additional costs you're charged as a result.

Any parking is at your own risk, so we ask that you don't keep any valuables in your car. You should be prepared to leave your keys with car park staff as this may be necessary. If you have a larger-than-average vehicle or a motorbike, please contact us to check that the car park can accommodate it without an additional charge. When you travel, take your booking confirmation with you as it contains instructions on what you need to do. If you have any problems on the day, please let the hotel or car park know so they can help you. If you don't let them know, we may not be able to help you later on. If you're parking and you arrive before the day and time shown on your confirmation, or stay later than planned, you may be charged for the extra parking at the car park's normal price. If you leave earlier than planned, we won't refund any of the charges you've paid.

You can amend or cancel any time up until a minute to midnight, the day before you arrive at the airport, free of charge. So, if you fly on the 2nd, you'd need to cancel by 23:59 on the 1st. If you cancel in time, you will be refunded what you've paid for the hotel and parking. If you don't cancel in time you will not be refunded any amounts paid for the hotel and parking and we will retain this as a cancellation charge.

Airport Lounges You can pay for UK airport lounge access after you've booked, subject to availability. You can do this via a TUI Holiday Store, Manage My Booking or by logging into your Customer Account.

Airport Service In most airports overseas, our Travel Experts aren't allowed past check-in or into the arrivals hall but we will have staff waiting to greet you outside the airport.

Alcohol During your flight with us, you can only drink the alcohol that our staff serve you.

All Inclusive Hotels You may need to wear a wristband or carry some ID to get the benefits of your package. For a full description of what's included, check the hotel description. Times for inclusive drinks, meals and snacks vary. Your All Inclusive package may not include bottled water, imported drinks, à la carte meals, or some speciality dishes. Some restaurants expect you to reserve a table and will be subject to availability. Not all bars and restaurants operate on an All Inclusive basis. Also, there may be cash bars once All Inclusive bars close. Bear in mind, under-18s won't be served alcohol.

You should also be aware that we, and the hotels, may confiscate wristbands and IDs from guests who abuse the All Inclusive benefits.

You may be charged for motorised sports, and there are time limits or age and experience restrictions on some of these activities. You may have to pay a deposit to hire equipment. Things like classes and beauty treatments may be included in the price but there'll be a limit on how many sessions you can take. Safety deposit boxes may not be included and you'll need to pay for things like telephone calls and excursions.

All Inclusive packages end when you check out of your room. In some cases you can pay to keep using the facilities. If there's a delay to your flight home and you have to spend extra time in the resort, any refreshments will be in line with the airline's instructions – not the board basis of your hotel.

One last thing, you may find timings will change for things like happy hours in bars and dining times.

Amenities Lots of things you come across in resort will be quite different to what you've come to expect at home, like roads, power and water, for instance. If there's a prolonged drought, it might interrupt water supplies. In summer, there's often more demand on water, which means the pressure can drop, disrupting water heaters. You may also find in some destinations you won't be able to flush toilet paper down the toilet.

Artist Impressions These, together with any computer-generated images, are there to give you an idea of how the property will look – they're not replicas of the finished building.

Assisted Travel If you or anyone you're travelling with has a disability, is less mobile, has a vision or hearing impairment, or is undergoing medical treatment and needs support, contact our Assisted Travel Team - their number is at the end of this guide. Our colleagues can advise you which holidays are more suitable and meet your requirements. Also, if you've got any medical or dietary needs, they will do their best to help.

Assisted Travel at the Airport Assistance teams will be on hand at the airport, once notified of the request for assistance. Assistance is given at the designated points inside and outside terminal buildings. Assistance can include moving across various areas within the airport (e.g. check-in counter, toilet facilities and the luggage hall). And you can be assisted to the aircraft as well as boarding it. You can highlight to the Assisted Travel Team what type of assistance, and in which part of the airport experience, is needed.

Assisted Travel on Your Flight If you or a member of your party has a disability, uses a mobility aid, can't walk, or has difficulty climbing stairs, you should notify us of your assistance needs before travel. You can do this by contacting our Assisted Travel Team. You are strongly advised to contact us at least 48 hours before your departure.

Assisted Travel on Transfers If you aren't able to use our coach transfers, we can arrange an adapted transfer, if you tell us in advance by contacting our Assisted Travel Team. See **Medical Conditions & Wheelchairs**.

B
Baby & Tots Club These are available at selected TUI BLUE and Sensori by TUI BLUE hotels, and selected properties with TUI Kids' Clubs. There is always a minimum of one NNEB, CACHE or equivalent qualified staff member present. Trained staff look after under-threes for two-hour sessions. Sessions in Baby & Tots Club are at an additional charge and can be booked in advance.

Bear in mind, wherever the Baby & Tots Club, if your child's ill, they won't be accepted in the club. Also, you'll need to supply your own nappies and prepared feeds. We can't guarantee standards at Baby & Tots Clubs that aren't run by us.

Baby Equipment If you're travelling to one of our selected TUI BLUE or Sensori by TUI BLUE hotels, or a Holiday Village resort, you can book a baby equipment pack, including highchair, changing mat, bottle warmer, steriliser, food blender, baby bath, stroller, playpen and UV sun tent. They are available to book before travel, or you can when in resort, subject to availability.

Balconies If the description refers to a French or Juliette balcony, this means that your room will have glass doors but you won't necessarily be able to go out onto the balcony as it'll be shallow in depth. If you're on the ground floor, you'll get a terrace instead of a balcony, even if it says 'BL' or 'balcony' on your booking confirmation. Health and safety restrictions mean some hotels or apartments may not put you on a high floor if you have small children. Even if you're on a low floor, make sure you never leave your children unattended on your balcony.

Banned Airlines To improve safety, the European Commission has banned some airlines from operating in European airspace. In line with EU directive (EC) no. 2111/2005, Article 9, we need to make you aware of the list of banned airlines. To view the list of airlines that are subject to an operating ban within the European Community, visit https://transport.ec.europa.eu/transport-themes/eu-air-safety-list_en

Bars If a hotel has a bar, you may well hear some noise – even outside normal licensing hours.

Beaches Many of the beaches in our resorts have been awarded the Foundation for Environmental Education's Blue Flag. This awards beaches and marinas that meet its high standards of hygiene, cleanliness, environmental management and safety. For details, visit www.blueflag.org. When you're on the beach, make sure you check any flag warning systems and take local conditions into account, particularly things like undercurrents and tides. You'll also need to supervise children at all times as most beaches won't have a lifeguard.

Some beaches in Mexico and the Caribbean may experience an increased level of seaweed from time to time. This is known as sargassum, and is a natural occurrence which can change on a daily basis, influenced by weather patterns and sea currents. Hotels which are affected work hard to clear the seaweed so you can continue to enjoy the beach during your holiday. The situation can change day to day due to nature, wildlife and local laws.

You may find that public beaches are closed at certain times, particularly in low season. Beach closures are carried out by local authorities so are beyond our control. One more thing, you may need to pay to use some beaches, especially in Italy.

Building Work From time to time, building work is unavoidable, particularly where hotels are open all year round, and it can be noisy. If we're aware of any work, we'll let you know as soon as possible if we think it'll affect your holiday. This can be difficult as we don't control the work and we're not always told when it'll happen and how long it will last. But if we think it'll have a significant effect, you'll have the option of a refund or an alternative holiday, as outlined under 'Major changes to your holiday' in Our Agreement With You.

Bungalows If the description of your accommodation refers to a bungalow, this means that you may be located in an accommodation block within an annexe building separate from the main building which may not necessarily be single storey or detached.

C

Check In - For Your Flight We recommend you arrive at the airport at least two hours before your scheduled departure time. For flights over seven hours, it's three hours before. Regardless of the length of your flight, you need to have completed check-in at least an hour before departure.

UK airlines need to carry out enhanced security screening from certain destinations for return flights to the United Kingdom. If this applies to your flight, you'll be told whilst you're on holiday as it may mean that you need to check in a bit earlier. You might need to be at the boarding gate earlier, too.

If we think you may be under the influence of alcohol or pose a threat to passengers or crew, you won't be able to fly. The same applies if you smoke, use insulting or abusive words before or after you board. If that happens, we won't be responsible for your holiday arrangements and we won't give you a refund, pay compensation, or cover any other costs. We may even seek compensation from you for any loss caused by your behaviour. This includes having to divert the plane.

It's also a criminal offence to cause disruption on board, so you may be prosecuted. Airlines may also share details about your behaviour with other airlines, which could affect your future trips.

Check In - Online You'll be allocated your seats when you check in online. If you don't like the seats allocated, you can pay to select your seat. Sometimes we may need to change the seat allocated to you for operational or safety reasons or for persons with reduced mobility. Boarding cards must be printed on A4 paper and be clearly legible with no rips or tears. You must drop your bags off before bag drop closes, 45 minutes before your flight time. Just so you know, if you choose not to use our online check-in service, we reserve the right to charge a fee for airport check-in. Please also see Section 14 of **Our Agreement With You and Yours** with Us.

Check In - For Your Accommodation Check-in time is usually 3pm to 4pm for hotels, unless you're on a Villa Collection holiday when it's usually 2pm. Depending on when your flight arrives, you may miss a meal if you've booked All Inclusive, Half or Full Board. If your flight arrives late at night, this is classed as the first night of your holiday and your room will be ready when you arrive. If you arrive in the early hours of the morning the day after your flight departed, your room may not be available until the hotel's normal check-in time. You'll be able to use the hotel's facilities while you wait. And because you're checking in later on your first day you'll get to keep your room on the last day of your stay.

If you're staying in a villa and expecting to arrive after 7pm, you need to call the key holder with the rough time you expect to arrive so you can make arrangements to collect the key. If you don't, you may not be able to get into the villa until the following day.

Check Out - For Your Accommodation On the last day of your holiday, you'll usually have to leave your room by mid-morning or noon. If you're in a villa, you may need to leave earlier. You'll be told the exact time when you get there. You may be able to keep your accommodation for longer, but there could be a charge. Depending on the time of your flight, you may miss a meal at your hotel. Also, you might not be able to use some of the facilities or take advantage of the full All Inclusive package.

If your flight leaves on or after midnight, you'll have to check out of your hotel room by midday the previous day. There'll usually be a courtesy room or apartment available for you where you can change and leave your bags until it's time to leave. You can pay for a late check-out room. They're normally available until 6pm that evening, but this varies from hotel to hotel. We recommend you book in advance as the hotel will allocate them on a first-come, first-served basis. You may be able to stay in the room you've had during your holiday, but you may have to move to another. The rooms will only be for you and your group to use, and will have beds and a private bathroom. Late check-out only covers the use of your room.

Child Prices Child prices are based on selected departures within the season dates, and will only apply to the cheapest room type that occupies children. Child prices are only available for the first and second child sharing a room with two full-fare-paying adults. Any more than two children on one booking pay the adult price, count towards room occupancy, and will pick up any applicable third or fourth adult reductions or occupancy discounts. You'll still pay full deposits, insurance, flight, room and board supplements, and any extras for all children travelling at a child price. Children qualifying for free or reduced child prices don't count towards group offers. Child prices only count towards room occupancy for self-catering and villa holidays.

You'll also need to pay a fee for an infant under the age of 2 on the date of return travel. Please note, infant fees vary dependent on holiday type. If any children in your group turn 13 after you've booked but before – or during – your holiday, they'll need to pay the adult price, plus the amendment fee.

Child Protection We believe we have an important role to play in protecting children's rights everywhere. Our child protection policy applies both in the UK and abroad. We train our resort staff to identify situations where children may need protection and report them to the relevant organisations. We're signed up to the Child

Protection Code www.thecode.org. This independent organisation monitors and supports our child protection activities. If you suspect any child is at risk on your holiday, please tell your Holiday Advisor or call Crimestoppers, anonymously, on 0800 555 111. For more information, visit <https://www.tui.co.uk/editorial/child-protection.html>.

Conditions Of Carriage When you travel by air or river, your journey may be subject to certain international conventions including, but not limited to, the Warsaw and Strasbourg Conventions, and the Montreal Convention for air. By law we need to give you these in 'legal speak' to avoid any misinterpretation. We can supply a full copy of these if you ask us to.

Montreal Convention This is a notice required by European Community Regulation (EC) No. 889/2002.

Air carrier liability for passengers and their baggage

This information notice summarises the liability rules applied by Community air carriers as required by Community legislation and the Montreal Convention.

Compensation In The Case Of Death Or Injury There are no financial limits to the liability for passenger injury or death. For damages up to 100,000 SDRs (approximately £96,000), the air carrier can't contest claims for compensation. Above that amount, the air carrier can defend itself against a claim by proving that it wasn't negligent or otherwise at fault.

Advance Payments If a passenger is killed or injured, the air carrier must make an advance payment, to cover immediate economic needs, within 15 days from the identification of the person entitled to compensation. In the event of death, this advance payment shall not be less than 16,000 SDRs (approximately £15,360).

Passenger Delays In case of passenger delay, the air carrier is liable for damage unless it took all reasonable measures to avoid the damage or it was impossible to take such measures. The liability for passenger delay is limited to 4,150 SDRs (approximately £3,980).

Baggage Delays In case of baggage delay, the air carrier is liable for damage unless it took all reasonable measures to avoid the damage or it was impossible to take such measures. The liability for baggage delay is limited to 1,000 SDRs (approximately £960).

Destruction, Loss Or Damage To Baggage The air carrier is liable for destruction, loss or damage to baggage up to 1,000 SDRs (approximately £960). In the case of checked baggage, it's liable even if not at fault, unless the baggage was defective. In the case of unchecked baggage, the carrier is liable only if at fault.

Higher Limits For Baggage A passenger can benefit from a higher liability limit by making a special declaration at the latest at check-in and by paying a supplementary fee.

Complaints On Baggage If the baggage is damaged, delayed, lost or destroyed, the passenger must write and complain to the air carrier as soon as possible. In the case of damage to checked baggage, the passenger must write and complain within 7 days, and in the case of delay within 21 days, in both cases from the date on which the baggage was placed at the passenger's disposal.

Liability Of Contracting And Actual Carriers If the air carrier performing the flight is not the same as the contracting air carrier, the passenger has the right to address a complaint or to make a claim for damages against either. If the name or code of an air carrier is indicated on the ticket, that air carrier is the contracting air carrier.

Time Limit For Action Any action in court to claim damages must be brought within 2 years from the date of arrival of the aircraft, or from the date on which the aircraft ought to have arrived.

Basis For The Information The basis for the rules described above is the Montreal Convention of 28 May 1999, which is implemented in the Community by Regulation (EC) No. 2027/97 (as amended by Regulation (EC) No. 889/2002) and national legislation of the Member States.

Cots There's usually room for one cot in all our hotel rooms, apartments or villas, but you'll need to check with us before you travel to make sure there will definitely be one available when you arrive. In some countries, such as Italy, you'll need to pay a daily charge to hire a cot.

Data Protection All details provided by you will be held by us and used in accordance with our Privacy Notice. We will process personal data about you and members of your party so that we can manage your account or booking, provide you with our products, services and/or any other travel arrangements booked with us. By providing other people's personal data, you must be sure that they agree to share their data with us and, where appropriate, they understand how their personal data may be used by us. For more information, please refer to our Privacy Notice available on our website or upon request in our stores.

Delays Depending on airport facilities, we provide light refreshments for a delay of 2 to 4 hours, a meal – or vouchers for a meal – for 4 to 8 hours, overnight accommodation for delays of 8 to 12 hours if it's necessary and possible.

If a delay is longer than 5 hours, you can cancel your flight and we'll refund the flight part of your holiday. We'll only refund the whole cost of your holiday if we change or cancel your holiday. We set out exactly what this means in Our Agreement With You.

Deposits As well as the deposit you pay when you book, if you're staying in an apartment or villa, you may also be asked to pay a deposit in local currency when you arrive

Some hotels require a credit card swipe or cash deposit when you check in. Deposits cover all, or part of, the replacement costs for things being lost, broken or damaged. It's also to take care of any unusual cleaning charges. You'll get it back when you leave, or with an amount deducted if necessary. The property needs to be inspected before you leave. In some cases, your deposit will be returned to you by post. Unfortunately we can't accept responsibility for any disputes which may arise, although we'll try to help you to resolve them. You'll find details of the amount and type of deposit for each property on our website, or you can call us.

See **Low Deposit Offer** for more details on the deposit you pay when you book.

Disability Assistance See **Assisted Travel**.

Dress Code Men may need to wear full-length trousers, shirts with sleeves, and shoes for dinner in most hotels and apartments. See **Gala Meals** for more details.

E

ESTA See **Visas**.

Extra Charges The key aspects of your holiday will be included in the price when you book – see **Prices** for details. But it's important to point out you may have to pay extra for some things when you get there. For example, you might want to book an excursion, use the safety deposit box in your room or enjoy something from the minibar. You may also need to pay extra for things like sports, beauty treatments and classes. If we're aware you'll need to pay extra for a particular activity or facility, we'll show you by adding an asterisk after the item. You may also need to pay extras locally if you choose to hire a car, for example: upgraded insurance cover, young driver's insurance, local taxes etc. Please refer to the car rental terms and conditions for details when booking your holiday. See **Meals** and **All Inclusive Hotels** for more details.

F

Family Rooms These are generally for two adults and two children. These are only available for selected holidays in selected accommodation, and only where the child is sharing a room, apartment or villa with a minimum of two full-fare-paying adults. When hotels are fully occupied, family rooms may be limited. Bear in mind, family- and 4-bedded rooms might not be larger than standard ones.

Finishing Touches You'll need to book them at least seven days before departure and pay for them in full when you settle your invoice.

Flight Times Actual flight times are on your tickets. They are local times based on the 24-hour system. We can't guarantee the flight times in our brochure, on our website or on your booking confirmation won't change, so please always check your tickets.

Flying With Children Infants less than 14 days old are not allowed to travel. Any child over 14 days and under two years old on the date of their return travel is classed as an infant. Infants must sit on an adult's lap and wear an extension seatbelt. If your child reaches their 2nd birthday while you're away you'll need to allow for this when you book. All children aged two and above must have their own seats on the plane. If you've paid for an additional seat for your infant, you can use your own car seat as long as it has a single release harness. It needs to be facing forward on the aircraft seat, designed to be secured by lap belt alone, and must conform to EU safety standards. You'll also need the instruction leaflet to show the cabin crew if they need it. The seat mustn't be more than 16 inches or 40cm wide. You can't use carrycots and deluxe child car seats, as they won't fit. The use of car seats will be at your airline's discretion. Airlines registered outside the UK may have their own rules. Call TUI for information on approved car seats.

Free Child Places These are only available for holidays departing between 1st May and 31st October in selected accommodation, and only where the child is sharing a room, apartment or villa with two full-fare-paying adults. They are available for children up to 12 years inclusive for hotels and up to 16 years inclusive for self-catering – unless we say otherwise in the property details. You'll need to pay a deposit but we deduct this from your final balance and will refund this when you pay for your holiday in full. Our free places don't include flexible dining, meal supplements, insurance, in-flight meals or any other extras. Plus, you need to pay the 'Select Your Seat' option for the child if you need this. If you change your booking, free child places on your new booking will depend on availability. If your first child goes free, your second child still pays the second child price. Not combinable with other selected discounts or special offers. See **Special Offers**.

G

Gala Meals Many hotels and apartments host gala meals over the Christmas and New Year period. Bear in mind that men will probably have to wear a jacket, shirt, tie and full-length trousers. You'll see if the meal's included by checking the individual property descriptions.

Group Offers You may qualify for discounts if there are 10 or more in your party. Group discounts apply only at the time of booking. When you're about to book, ask your Travel Expert to contact our Groups Department. Or call our Groups booking line yourself – you'll find the number at the end of this guide. Groups of more than 20 can have a special service from a representative at the accommodation, a private get-together and greeting on the first day, and discounts on resort excursions. Of course, group discounts are subject to availability and we may withdraw them at any time. We base discounts on

A-Z guide

how many are travelling and everyone needs to travel on the same date. Their holidays must be for the same length and to the same accommodation. If it's more convenient for them, we can sometimes make arrangements for large groups to leave from different airports. They may not be available in conjunction with any other offers. Cancellations within your group may mean a drop or a removal of your discount, and the people who cancel will need to pay our standard cancellation charges.

H

Henna Tattoos Some resorts or hotels in which we operate may offer henna tattoos. We don't recommend or endorse these. If you decide to get a tattoo, please make sure that the henna being used is brown and not black. Black henna may contain chemicals that are known to cause skin irritation and burns.

Holiday Villages Our full Holiday Village programme will end on 31st October each year. Some of the hotels will stay open after this date but will be run as standard hotels, without the Holiday Village programme. Check the hotel descriptions for details.

I

In-flight Entertainment We have in-flight entertainment on all of our TUI long haul flights. For more details, contact TUI – you'll find their details at the end of this guide.

Infants See **Child Prices, Cots and Luggage**

Insurance You'll need to take out a suitable insurance policy for you and anyone travelling with you. This includes infants and children. We'll tell you about our insurance policy when you book. If you choose not to take out our insurance, you'll need to tell us who you're insured with. We'll need the company details and your policy number before you travel. We can't accept responsibility for any loss that you or anyone travelling on your booking suffers if the individual isn't adequately insured. As with all insurance policies, terms and conditions apply, so you need to make sure you've got the right policy for you. See **Delays** for more details.

If you're travelling to the European Economic Area you'll also need a European Health Insurance Card. You'll get a new UK Global Health Insurance Card (GHIC) instead of an EHIC. You can apply at www.gov.uk/global-health-insurance-card. Visit www.nhs.uk/ehic for full details on what it covers. You do not need to apply for a GHIC if you already have an EHIC. Your EHIC remains valid in the EU until it expires. An EHIC or GHIC is free of charge. You'll need to have both this card and adequate travel insurance.

Interconnecting Rooms These are two rooms with a lockable connecting door between them. They're available at selected accommodation for a small supplement. If you want to book, interconnecting rooms, you'll need to book and pay for two of these rooms.

J

Junior Suites When we advertise a Junior Suite, it means you'll get a bedroom with a sitting area and a bath or shower room.

K

Kids' Clubs No matter which kids' club you're looking at, there are certain things to bear in mind:

- Children who are unwell won't be accepted
- If your child has a disability, we will do our best to look after them but please check with us before you book that the club can accommodate your child's particular needs
- Sometimes, even when you have checked in advance, there may be reasons why the club can no longer accommodate your child's particular needs. When this happens we will do our best to include them in as many activities as possible but you may need to stay with your child to provide the care and attention that they require.
- If your child has an allergy or any other special requirements, please let us know when you sign them into the kids' club for the first time
- Staff aren't authorised to administer medication or change nappies, so you'll need to return to the club to do this if necessary
- Staff may provide snacks and drinks during the day.
- You must register your child for all activities, sign them in at the start of the session, and out at the end
- You must stay within the complex while your child is in the club and also leave details of your whereabouts in case you're needed
- Activities may have to be cancelled, numbers limited and a rota introduced. This may be for health and safety reasons or at particularly busy times.
- If a kids' club is an important part of your time away, it's worth checking availability before you book your holiday
- Even if you've booked a package holiday with us, you may still need to pay extra for some activities and sessions when you get there. If you haven't booked a package holiday with us, you'll also need to pay for your child to join the club itself.

Hotel-run Kids' Clubs Only clubs run by us meet our specification, which include strict staff to child ratios. Standards and facilities at hotel-run clubs vary. You should make sure you're satisfied with the facilities and staff providing the service before enrolling your child. Unfortunately, we're unable to take responsibility or guarantee that standards at hotel-run clubs meet UK standards.

TUI Kids' Club We offer TUI Kids' Club for different age groups, with bespoke sessions designed for age ranges 3-6 and 7-12. There is a minimum of two 2-hour supervised sessions per day (morning and afternoon) six days a week. These can be booked in resort. Sometimes we'll combine ages for activities, but it won't affect our strict staff-to-child ratios. We'll have two staff on hand at all times. Kids' club activities run from 1st May to 31st October, unless stated otherwise. We may need to finish before the end of October if there isn't enough demand.

Kids' Clubs and Teen activities at selected TUI BLUE hotels and Sensatori by TUI BLUE hotels (except at The Residence at TUI BLUE Sensatori Akra Fethiye). We offer up to two, two-hour sessions a day, six days per week for kids aged 3-12 with a variety of themed activities. At selected TUI BLUE hotels, we split out the sessions by age group 3-6 and 7-12. Nearly all of our Kids' Clubs are free, with parties available at a small charge. All of our Kids' Club team are trained to TUI standards and have undergone relevant checks.

At selected TUI BLUE hotels and Sensatori by TUI BLUE resorts (except The Residence at TUI BLUE Sensatori Akra Fethiye) we've created teen activities - sessions exclusively for teenagers aged 13-17 - that combine social, wellbeing, and sports activities. The programme runs through high season June-September only.

Kids' Clubs at Holiday Village There are four age groups in HV Kids' Clubs, each with their own club, numbers permitting. HV Creche is for 0-35 months, HV Club for 3-8 years and HV Crew for 9-12 and 13-17. Evening clubs may be available but you'll need to pay a little extra when you get there. Sometimes we'll combine ages for activities but it won't affect our strict staff-to-child ratios. Our HV Kids' Clubs run all season while it operates as a Holiday Village - please see **Holiday Villages** for details. We're constantly reviewing our clubs, so things like activities or the names of clubs might be different to what we describe.

L

Late Check-out Rooms See **Check Out**.

Lifts Some of our hotels don't have a lift. If stairs are a problem for you, please ask us for more details before you book so we can suggest a suitable property. See **Assisted Travel** for more details.

Local Laws Sometimes local laws, religious customs or events mean facilities aren't available. For example, in all Muslim countries during the month of Ramadan, bars and restaurants – including hotel restaurants – change their opening hours. You may not be allowed to eat, drink or smoke in public areas during daylight hours either. Drinking and gambling ages vary by destination. It's a good idea to find out more before you travel. For the most up-to-date information, we recommend you check www.gov.uk/foreign-travel-advice.

Lost Property If you leave something behind on the plane during your flight out, you'll need to contact the overseas airport and ask them to check their lost property. If it's on your flight home, let us know and we'll do our best to track down the item for you. If you leave what we class as a 'valuable item' at your hotel, like a camera, a laptop or a wallet, we'll do our best to find it for you. If your item is found, you'll need to contact the hotel to arrange for it to be returned, and there may be a charge for this. If we can't find your item, we'll send you a statement to support your travel insurance claim. For help with lost property, contact After Travel Customer Support – you'll find their details in the Getting In Touch section.

Low and £0 Deposit Holidays For new package holiday bookings, flying with TUI, you can book and pay a low deposit. The rest of the deposit will be due up to eight weeks later. If you cancel your holiday you still have to pay the full deposit. If you're booking at least six months in advance and use our Direct Debit scheme, you will be eligible for the £0 deposit option. Your holiday cost will be spread over at least three Direct Debit payments. These offers are per passenger, and we can change or withdraw them at any time. Please see tui.co.uk/destinations/info/low-deposit for more information.

Low Season You may find that if you're travelling outside of peak holiday periods, some facilities, both in your hotel and resort, may not be available and entertainment may be more low-key. Hoteliers may remove facilities at certain times due to low demand. These can include restaurants or bars and can be sudden, implemented by hotels on the spot without prior notice.

Low season is usually May and October for short and mid-haul destinations like Spain and North Africa. For long haul destinations such as in the Caribbean and Mexico, low season tends to impact other months including January, May, September, October and November. However, unforeseen circumstances or lower-than-expected hotel occupancies can happen at any time, so facility closures are not limited to these specific months

Luggage

This section explains how much you can take, what you can pack, and how to keep your valuables safe. Please make sure you know your limits so your trip can get off to a smooth start. Luggage allowances vary, and could change - please check when you book.

Package Holidays including checked-in luggage

All our packages include at least 20kg of checked-in luggage, when you fly both ways with TUI Airways. (If you're not travelling both ways with TUI Airways, check your booking confirmation e-mail or Manage My Booking to see your checked-in luggage allowance.)

When you're flying on a TUI Airways flight the following holidays come with a 25kg luggage allowance per person: TUI BLUE, Sensatori by TUI BLUE and Holiday Villages.

If you upgrade to Premium on long-haul flights with TUI Airways, you'll also get 25kg of luggage, regardless of your holiday type.

Couples who've booked one of our wedding packages will get 25kg hold luggage each when flying with TUI Airways. Our luggage allowances apply to all customers over the age of 2 years old. Infants under 2 get a 10kg checked-in allowance if travelling as part of a package.

If you're booking a TUI Tours or Multi-Destination holiday, remember to check your allowance. This is because your luggage allowance on any flight that forms part of the itinerary may be lower than the luggage allowance on your flights to / from the UK.

You can buy extra checked-in luggage allowance in 5kg amounts if you need more space.

You can share your hold luggage allowance with others on your booking, but no single bag can be more than 25kg. This is for health and safety reasons. If you've booked extra luggage allowance, you still need to make sure each bag is under 25kg, otherwise check-in staff won't accept it.

Also, we can only accept luggage if it's packed and secured in suitcases or bags, and we believe it can stand up to reasonable handling. Otherwise, we may ask you to sign a disclaimer before we can take it. This also includes any bags we believe are already damaged.

Hand luggage

On a TUI Airways flight, you can take one 10kg bag with maximum dimensions of 55x40x20cm, plus one personal item that must fit under the seat in front of you with maximum dimensions of 40x30x20cm.

You can't buy extra hand luggage allowance. You should be able to lift your hand luggage into the overhead storage compartments yourself. There are restrictions on what you can carry in your hand luggage so make sure you read the information that comes with your booking confirmation. For example, you should pack valuables in your hand luggage – never your checked luggage. This includes money, house and car keys, jewellery, computers and important documents. Your airline won't be liable for loss or damage to valuable or fragile items packed in hold luggage, no matter how it's caused

Flying with another airline

Just so you know, TUI Airways flights have a flight number that starts with TOM or BY. If you're not travelling with TUI Airways, you'll need to check your airline's luggage allowance policies for checked-in luggage and hand luggage. Some airlines do not give infants their own allowance. For full terms and conditions, see Luggage Allowance on TUI Airways at TUI.co.uk

Excess Luggage And Sports Equipment There may be a charge for excess luggage and sports equipment.

Whether or not we can carry it will depend on capacity on the day. You can arrange to take golf clubs, windsurf boards, diving equipment and other sports equipment on your flight. If you don't book, you may still be able to check your own equipment in. But we can't guarantee this and there'll be a charge. Bear in mind, any problems with excess luggage charges need to be sorted out at the airport. We can't guarantee you'll be able to take bulky sports equipment with you on the coach to your holiday accommodation, and there may be an extra charge.

Lost And Damaged Luggage Please report any lost luggage or damage to us within seven days. If not, under the terms of the Montreal Convention, we won't be liable. See Montreal Convention for details. If your luggage is damaged on your way back to the UK, you need to complete a Property Irregularity Form (PIF) at the airport and keep a copy of it for insurance purposes.

M

Meals - On Your Flight TUI includes meals on long haul flights. Please let us know when you book if you require any children's meals. Just so you know, we don't provide meals for under-twos so you'll need to bring something with you. Remember to tell us if you have any special dietary requirements. We can't guarantee we'll be able to meet them, but we'll do our best. For group bookings, everyone in your party will need to either book in advance or decline the meal. For all other flights, we offer a range of snacks and drinks to buy onboard.

Meals - At Your Hotel Meals are usually served in the hotel's main restaurant. The set-up here may change from buffet to waiter service, or vice versa. For à la carte restaurants you may be limited to a certain number of visits per stay and you may need to make a reservation. You may need to pay extra for these, too. Not all of the hotel's restaurants will necessarily be open at the same time. Meals for infants are not included in the price of your holiday so you'll need to make your own arrangements. **Full Board Plus** includes a Continental breakfast, lunch and dinner with drinks included during mealtimes. **Full Board** includes a Continental breakfast, lunch and dinner. **Half Board** includes a Continental breakfast and dinner – or lunch, if you wish – at some hotels. **Bed & Breakfast** usually means Continental breakfast.

Medical Conditions - On Your Flight If you have a medical condition, a serious illness, or you've recently had surgery or an accident, you'll need to be cleared for travel by the airline. You may also need a 'Fitness to Fly' certificate from your GP. Conditions that need medical clearance include respiratory, coronary or infectious illness. You'll need to give your request for medical clearance to the airline at least four working days before you're due to fly. If you're unsure what conditions require medical clearance, or if you have any concerns about your health, we recommend that you contact your doctor before you book.

The risk of deep vein thrombosis (DVT) while flying is extremely low but is still a serious medical condition. DVT is when a blood clot forms, usually in the lower leg, sometimes because of sitting still for a long time. It needs treatment with blood-thinning drugs to prevent clots breaking off and travelling to the lungs. You can take precautions to reduce the risk. People most at risk include those with a history of bronchial or circulatory problems, thrombosis, those recently hospitalised, smokers, the obese, those with congestive heart failure, a malignant disease, pregnant women or women taking the contraceptive pill. To reduce the risk, exercise your legs from time to time, or walk around if possible. Elastic stockings may be helpful. Drink plenty of non-alcoholic liquids to prevent dehydration. See your doctor if you think you may be particularly prone to DVT.

Medical Conditions - At Your Destination If you have specific medical needs, think about whether the healthcare system in the destination you're looking at is likely to be able to meet those needs, if you have any problems while you're away. Consider things like the country's state of development and its size. You may find it helpful to look at www.gov.uk/browse/abroad/ travel-abroad.

Official Ratings Each country has its own system for rating properties, but at TUI we use our own ratings to make it easier to compare hotels. See **Tour Operator Ratings** for details.

P

Passports The name in your passport must match the name on your ticket otherwise you may not be able to travel and your insurance could be invalid. If someone in your group changes their name after you have booked, tell us and we'll issue the ticket in the new name. If you've already received the ticket, return it and we'll send one with the correct name. There may be a fee for this change. British Citizens must hold a valid 10-year passport. British passport holders travelling to any EU country require at least six months validity on their passport on the day of travel. Some countries outside of the EU require a British passport to have a certain period of validity left on it, or blank pages. Please visit gov.uk/foreign-travel-advice for advice by country. Other nationalities should check with their own governments. It is also your responsibility to check whether you need a visa to enter your destination country.

British Citizens under 16 years old, including newborn babies, are required to have a child passport. The child's passport will initially be valid for 5 years, but can be renewed for a further 5 years at the end of this period. You can visit the gov.uk/ website for further information and how to apply.

If your passport has an Israeli stamp, you may be refused entry to some countries. For more information, visit HM Passport Office website at gov.uk/government/organisations/hm-passport-office. If you don't have a UK passport, you should always check with your own embassy, high commission or consulate before you book. Please also see **Visas**.

Passenger Assistance See **Assisted Travel**.

Playgrounds You need to supervise your children on all play equipment.

Pool Views If you book a room with a pool view, you'll look directly onto or have a side view of the pool.

Pregnancy You can travel with us up to the 28th week. If you're more than 28 weeks at the time of your flight home, you'll need a medical certificate from your GP. It must state there are no complications and give the dates of your pregnancy. If you're more than 36 weeks at the time of your flight home, they'll refuse to take you. If you're expecting twins or more, you must return by the 32nd week. Check your insurance policy for any restrictions that apply, as many only cover to the 28th week.

Premium Collection Benefits You'll get the advertised benefits as long as you're flying with TUI.

Premium Seating Premium seating is available to book on long haul TUI flights. If you book to fly Premium, your luggage allowance will be 25kg in the hold and 10kg as hand luggage. Lounge access and fast-track security are only available on departure from UK airports. You can access the lounge from 3 hours before and up to your original scheduled departure time. We advise you wear smart casual clothing. Fancy dress, vests, football shirts, tracksuits, baseball caps and other sports clothing are not allowed to be worn in the lounge. Shorts aren't permitted either, unless they are tailored and knee-length. Entry to lounges is subject to the individual lounge operator who may impose their own conditions and reserves the right to refuse admission to anyone wearing clothing which their staff believe may cause offence to others. If the lounge is unavailable, alternative facilities may be offered. The location of fast-track security and airport lounges in the UK will be provided by TUI staff at the TUI bag drop. Our Select Your Seat service is included, in accordance with our Select Your Seat terms and conditions - see **Select Your Seat**. To get the best choice of seats, we recommend you book and select your seats as early as possible before departure. If you experience any difficulties using our online service, please contact your travel agent or, if you've booked your holiday online, please contact TUI on 0203 451 2688. Calls from UK landlines

cost the standard rate, but calls from mobiles may be higher. Check with your network provider. Just so you know, we'll always do our best to seat your group together but we can't guarantee this.

Room Upgrades If you arrange a different room type with the hotel when you arrive, this won't be included in your contract with us. Please also see **Select Your Room**

S

Safeguarding We don't knowingly allow anyone to travel with us who is (a) a convicted child sex offender, (b) subject to the notification requirements of the Sexual Offences Act 2003, or (c) subject to a Sexual Risk Order or a Child Abduction Notice.

You must let us know if any of these apply to you or anyone you intend to include in your booking before you try to book.

If you fail to disclose any such information and it later becomes known to us, we may cancel your booking (if before departure) or remove you or the relevant member of your booking from the accommodation (if you are in resort) without any right to a refund, compensation and/or costs and expenses. In the latter case, you or the relevant party member would also be responsible for your/their own return home. We further reserve the right to refuse bookings from individuals with serious criminal convictions if we feel there is a specific risk to our guests, crew and/or staff.

Safety Overseas safety standards are generally lower than ours in the UK. We take reasonable care to make sure only reputable businesses provide the services that make up our holidays, and we expect them to provide those services in line with local standards.

Children's Safety For our own Kids' Clubs, we take advice from leading UK child safety organisations and accident prevention agencies. You should always check you're happy with hotel clubs and children's facilities.

Health And Hygiene Hygiene standards are generally lower than in the UK - particularly in developing countries. Having said that, you can help to improve hygiene levels by taking a few basic steps...

- Wash your hands after going to the toilet
- Shower before you get into the pool
- Encourage children to go to the toilet before getting in - the pool
- Make sure babies and infants wear swim nappies

Scuba Diving We recommend you check with your doctor before you go, and have a full medical examination in resort if you're planning scuba training. You may need to pay extra for this. It's also dangerous to fly within 24 hours of scuba diving. This is because pressure changes might cause 'the bends' or even in severe cases, paralysis. Of course, you also need to make sure you have adequate insurance cover.

Sea Views If you book a room with a sea view, it may be partly blocked by trees or smaller buildings, or across a road, but you'll still be able to see the sea. If we describe a room as a Limited Sea View, this will generally mean that your view of the sea will be to the side rather than directly in front. There may also be more obstructions like trees between your room and the sea than in a Sea View room.

Seating If you're flying with TUI Airways the minimum seat pitch of our aircraft is 29 inches. The minimum seat width is 16 inches. If you think you'll have difficulty fitting into this seat size, please call our Assisted Travel Team before booking - you can find their details at the end of this guide. You might need to pay an additional charge depending on what options are available.

Seat Upgrades If you buy any seat upgrade, including Select your Seat, seats can be selected via Manage My Booking as soon as your booking is confirmed. If you've paid extra for Select Your Seat or if you've reserved Premium Seats, Extra Legroom Seats or Extra Space Seats, on some holidays you will be able to choose your seats at the time of booking, otherwise you'll be able to access the seat map immediately after you book your holiday. You can also choose your seats by logging in to your Customer Account or the Flight Extras website.

Seats With Extra Legroom These are available to book on selected short and mid haul flights and are suitable for adults and children. Our Select Your Seat service is included, in accordance with our Select Your Seat terms and conditions - see Select Your Seat. To get the best choice of seats, we recommend you book and select your seats as early as possible before departure. If you experience any difficulties using our online service, please contact your travel agent or, if you've booked your holiday online, please contact TUI on 0203 636 1790. Calls from UK landlines cost the standard rate, but calls from mobiles may be higher. Check with your network provider. We'll always do our best to seat your group together but we can't guarantee this.

Seats With Extra Space These include seats that are close to or next to emergency exit doors, behind a bulkhead or behind a dividing wall. Seats with extra space are only available to pre-book for adults and children 12 years and over with TUI and 16 years and over on other carriers, but we may allocate these seats to families with children if the seats are not located in an emergency exit row. Emergency exit row seats are only available to passengers who are able to move quickly and operate the emergency exit without difficulty in the unlikely event of an emergency - in line with European Aviation Safety Authority (EASA) regulations. So, you won't be able to book these seats if you find it hard to move due to physical or mental disability, age, sickness or physical size. Just so you know, you also can't sit in these seats if you are:

- Under the age of 12, when travelling with TUI Airways
- Under the influence of alcohol
- Travelling with an assistance animal
- Require an extension seatbelt.

These regulations have been put in place by the EASA and are for the safety of our passengers. The cabin crew have the final say and we kindly ask that their decisions are respected.

Select Your Seat Once you've checked in and confirmed your chosen seat, you won't be able to change it. That said, in some circumstances, we may have to change your seat. This would only be for operational, safety or security reasons. In accordance with the Civil Aviation Authority's guidelines, certain requirements must be satisfied before we can allocate seats near the exit. If we do have to change your seat, we'll try to keep it as close to what you booked as possible. A refund will only be offered if we can't seat you in a similar position to your original request. A similar position means the same type of seat - window, aisle etc - as your original selected seats. In such cases, we ask that you keep a copy of your confirmation documents and boarding cards. If you choose the Select Your Seat option but then don't go on to choose your seat numbers, we'll still try and seat your group together. If you're not flying with TUI Airways, we'll do our best to keep your party together but we can't guarantee it.

To maximise seating options for all our customers, it may not be possible to book just a middle & aisle seat. If you have a specific seating requirement due to mobility restrictions, please contact our Assisted Travel Team.

Select Your Room You can select your room after you've booked your TUI BLUE, TUI MAGIC LIFE or ROBINSON holiday via the link on your booking confirmation email or via the TUI app, subject to availability. Select your room is only available in select TUI BLUE, TUI MAGIC LIFE or ROBINSON properties, and you can only select a room within your booked room type. Room allocation takes place on arrival and in rare cases, the hotel may not be able to provide the selected room due to operational reasons e.g. repairs. In this case, an equivalent replacement room will be allocated without charge. Full Terms & Conditions can be found at www.tui-blue.com/en/en/select-your-room, www.magiclife.com/en/en/all-about-booking/select-your-room-booking, and www.robinson.com/en/en/select-your-room

Single Rooms Single rooms and rooms for sole occupancy are available in most hotels, but demand always exceeds availability. Sometimes when we refer to single rooms it may mean a room suitable for sole occupancy. Single rooms are generally smaller, may not have the best locations or the same amenities. If you're booking a double room just for yourself, you'll usually be asked to pay a supplement. This also applies to self-catering accommodation, where, for example, three people choose a property for four. Our prices reflect the costs of the rooms contracted to us.

A-Z guide

Smoking All our flights are non-smoking. In our hotels, there are usually designated areas.

Spa Spas in our hotels aren't included in the price of your holiday unless we say otherwise. Just so you know, in Spain and the Canary Islands, by law only over-16s can use the facilities.

Special Offers Our offers are only available on the holidays and dates we advertise, are per booking, and subject to availability.

Special Requests We'll always do our best to help however we can, but we can't guarantee we'll be able to meet your needs every time. These special requests aren't covered by Our Agreement With You so from a legal point of view, they're not part of your holiday contract.

Supplements - Your Flight Depending on the airport you choose to fly from, on certain days or at certain times, you may have to pay a 'flight supplement'. Flight supplements may go up or down throughout the season. Some holidays are only available on flights with extra charges, either because the accommodation is available only on certain days of flying, or because onward travel arrangements are only available at certain times.

Supplements/Discounts - Occupancy Depending on the number of people sharing a room, you may have to pay an 'occupancy supplement' for under-occupancy or single occupancy, or there may be a discount if more people share a room. Occupancy supplements/discounts may go up or down throughout the season.

Supplements - Your Room Depending on the type of room you choose to stay in, you may have to pay a 'room supplement'. Room supplements may go up or down throughout the season. All rooms are subject to availability and any applicable occupancy and age restrictions.

Sustainability We're members of Sustainable Aviation, a UK initiative that sets out the collective, long-term strategy of UK aviation to tackle the challenge of ensuring a cleaner, quieter, smarter future for our industry. You can find more information at www.sustainableaviation.co.uk.

Swimming Pools It's unlikely your pool will have a lifeguard. An adult must always accompany children in the pool. This includes children's pools and surrounding areas. Pools may be closed in early or late season, so April, early May and October, or in particularly bad weather. Also, pools won't be heated unless we say otherwise in the property description. If your pool has a waterslide, there may be height or age restrictions.

Taxes You may need to pay a tourist tax either at the airport or at your hotel. Taxes change regularly so check before you go. See **Prices** for more details.

Tour Operator Ratings We rate our holidays on our annual reviews and also the feedback we get from our end-of-holiday Customer Satisfaction Questionnaires. We rate hotels and apartments from '2' for no-frills, good value accommodation, to '5' for more comfort and a wider range of facilities. There may be some differences between accommodation that shares the same rating. That's where our 'plus' rating comes in.

Tours Most of our tours have age restrictions, so check before you book.

Towels You'll see from the individual property descriptions whether or not there's a pool towel service. You may find you'll need to pay a small charge.

Transfers

The transfer times we give you are a rough guide. They don't allow for delays to incoming flights or local traffic conditions. In terms of the type of transfer you'll get, it depends on the holiday you've booked. Just so you know, if your holiday includes a coach transfer, we may occasionally need to change this to a minibus or taxi. If it's a Holiday Village holiday, the coach will drop you off directly wherever possible. Where coach access is limited, we may need to transport your luggage separately to and from your accommodation. If this is the case, it may also be necessary for your luggage to be collected earlier than your return transfer time to ensure it arrives at the airport in time for you to collect it before checking in.

Twin Rooms Some twin rooms can take a 3rd or 4th bed but they're usually camp or folding beds. Rooms that take extra beds or a cot aren't necessarily bigger than standard rooms so space may be limited.

V

Vaccinations Speak to your doctor at least two months before you're due to go away. Some treatments, for malaria for example, should begin well before you go. If you're booking within three weeks of your departure, speak to your doctor before you book. There's more information available in the Department of Health's free leaflet – Health Advice for Travellers. Call 0800 555 777 for a copy.

Visas The best place for up-to-date information on visa and travel advice is the Foreign, Commonwealth & Development Office. Visit www.gov.uk/foreign-travel-advice or call 0845 850 2829. There may be specific entry requirements for under-18s, depending on your destination. For example, if a young person is travelling without both parents, there may be extra costs and they may need extra legal documents such as an affidavit, from a notary public. Always check with the consulate or embassy of your destination country before you book. It's obligatory for all visitors to Thailand to complete the Thailand Digital Arrival Card (TDAC) 3 days before arrival to avoid being denied entry. You'll need to do this via the official Thai government website <https://tdac.immigration.go.th>

W

Weather There are sometimes tropical storms and hurricanes in Florida, the Caribbean and Mexico between June and November. It's impossible to predict their path or how long they will last more than 3-4 days in advance, and often it's much less. South-east Asia may be affected by its monsoon season, typically May to September. If a storm is forecast for one of our destinations, your safety is always our first priority. If there are hurricanes during your holiday we follow the advice of the Foreign, Commonwealth & Development Office and work with the Federation of Tour Operators.

Please also bear in mind that some hotel facilities - like outdoor bars and some sports - may not be available in adverse weather.

Where we display weather information on our accommodation pages, this is historical data supplied by the Met Office, © Crown copyright, the Met Office. On destination pages, this data is from Open-Meteo.com.

Weddings And Renewals Of Vows Please contact us for more details – the number you need is in the Getting In Touch section at the end of this guide. Also, see the Weddings brochure. Wedding package terms & conditions can be found at tui.co.uk/destinations/info/booking-terms-and-conditions.

Wheelchairs - On Your Flight When you fly with TUI, we'll take your wheelchair and one other mobility item in addition to your normal luggage allowance. However, you'll need to let us know at least 48 hours before you travel. We recommend your wheelchair and other mobility aids are fully insured.

If you've got an electric wheelchair, you'll need to let our Assisted Travel Team know so that the necessary arrangements can be made. Please let us know the wheelchair's make and model when you call. There's a limit on how many electric mobility aids we can take on each flight. If you don't let us know before you book and we can't carry your wheelchair, you might need to pay an extra charge to change your booking.

You can bring a battery-powered wheelchair if it meets the conditions given in the ICAO Technical Instructions for the Safe Transport of Dangerous Goods, plus any other related CAA rules. Visit www.caa.co.uk for more information. Please contact us as soon as possible if you're travelling with a battery-powered wheelchair or mobility aid and let us know the device's make and model, dimensions and battery type. We can then confirm whether there's space onboard.

Electric wheelchairs need to be loaded in an upright position for the flight. Batteries must be securely attached to the mobility aid and terminals protected from short circuits. Electrical circuits must be isolated to prevent the device being operated accidentally. If the wheelchair can't be loaded in an upright position, the battery terminals need to be protected against short-circuiting, and the battery removed and stored in strong packaging. Lithium batteries that are designed to be removed must travel in the cabin.

You need to bring the operating instructions for your mobility aid with you. If you don't have these details, see <https://www.bhta.com/air-transport-advice> where you make and model should be shown. If not, you'll need to contact the manufacturer, or shop where it was purchased or hired.

If you want to check whether your wheelchair will fit onboard our aircraft, please contact our Assisted Travel Team – the number is at the end of this guide.

If you're flying with another airline, you'll need to contact them directly to see if your wheelchair will fit onboard. Our Assisted Travel Team can help you with this, too.

Wheelchairs - On Resort Transfers If you're taking an electric wheelchair or scooter, you'll need to book a taxi transfer to your hotel. You can't take them on the coach. There's an extra charge for this.

Wi-Fi Bandwidths may vary. Some hotels may offer an upgrade to a higher bandwidth which you may need to pay for. The upgraded service may also cover a different location to the free Wi-Fi zones. Some hotels may have a data cap on usage, or the free Wi-Fi may be restricted to a daily time limit per device or room. Once this usage or time limit is reached, there may be a charge to continue using the service. Factors that may reduce signal strength include high usage - particularly if lots of devices are using Wi-Fi at the same time, obstructions like thick walls and electronic machinery and adverse weather conditions. The device used to connect to the Wi-Fi - e.g. mobile phone, tablet or laptop - may result in a differing quality of service received. Wi-Fi zones may not be in the same location at every hotel. If your device isn't connected to Wi-Fi, remember to turn off data roaming to avoid possible data charges.

Due to factors outside of our control we can't guarantee the availability, performance or security of the Wi-Fi provided.

Our agreement with you, and yours with us

We are TUI UK Limited, Company Number 02830117, our Registered Office is Wigmore House, Luton, LU2 9TN and Our Agreement sets out what we can expect from each other when you buy a holiday from us.

Booking Your Holiday

When you book your holiday you are accepting Our Agreement on behalf of everyone travelling with you. We will only deal with you, the lead name, and you must be an adult when you book. Anyone aged under 18 on your holiday must be accompanied by an adult.

When we say "you" and "your" we mean you, as the lead name, or you and everyone travelling, depending on the context.

Our Agreement, includes our A-Z Guide, the conditions of carriage of the airline or cruise operator and the provisions of international conventions (including the Warsaw, Montreal, Strasbourg and Athens conventions) that apply to travel by air, land, sea or river. Please ask for a copy of any conditions applicable. Our Agreement along with the relevant details in the booking confirmation is the entire agreement between us for your holiday.

Our Agreement is made under the laws of England and Wales. You submit to the exclusive jurisdiction of those courts. You can choose the law and jurisdiction of Scotland or Northern Ireland but only if you live there.

Providing Information

You must ensure all information you give is correct. We'll use the personal data you give us in line with our Privacy Notice. You must pass on any information we give you to everyone travelling.

You must comply with all passport, visa and other immigration requirements. Your passport and travel documents must be in good condition – you may be refused travel if they are damaged.

If you are not self-reliant or have reduced mobility (like finding it hard to walk 500 metres) you must tell us before you book and if this changes tell us at least 48 hours before your holiday.

The Price You Pay

When you book your holiday, you must pay a deposit unless this is within 12 weeks of your holiday when you must pay in full. We'll tell you the price of your holiday and the deposit before you book. At least 12 weeks before you go you must pay the full balance. If you don't, we can cancel your holiday and charge you a termination fee. When you book your holiday, we'll send your booking confirmation within 14 days. Mistakes can happen, so if any price on your booking confirmation, our website or our booking systems is obviously wrong, a booking made based on that price won't be valid, we can cancel it and refund you unless you want to pay the correct price. For a breakdown of what's included in your basic holiday price, please see **Prices** in the A-Z.

Just so you know, you might also need to pay a tourist tax locally. We'll let you know what the approximate cost of this is before you book with us. Please also see **Taxes** in our A-Z.

Before Your Holiday

If You Change Your Holiday

Airlines or other transport providers can charge a fee for a change and sometimes treat a change as a cancellation. Fees can be up to 100% of the price for that part of your holiday. You must pay those fees as well as the amendment fee shown below.

When making changes, the price of your new travel arrangements will be based on the price that applies on the day you make the change. If your change means fewer adults travel, and your holiday price is based upon the number of adults, we'll recalculate the total price and the price per person may go up. This extra price isn't a termination fee. You will also need to pay the appropriate proportion of the termination fee for the adult who has cancelled. See "If you Cancel Your Holiday".

Some elements of your holiday, such as excursions, transfers, children's activities, flight or accommodation options, room/board upgrades, late check-out rooms theme park tickets and airport parking, may be non-refundable.

You may transfer your place on the booking to someone else if you give us at least 7 days' notice in writing or by email and the new lead name accepts the transfer and the terms of Our Agreement – insurance can't be transferred. You will be responsible, together with the new lead name, for our amendment fees and any costs as a result of the change. Please note - if everyone on your booking transfers their place to someone else, our standard cancellation charges will apply.

Our agreement with you, and yours with us

To change to a new package holiday from a TUI accommodation-only or TUI Airways flight-only booking travelling on the same dates as original booking. Does not apply to third party accommodation or flights. <i>Note: if your change request includes travelling on different dates to your original booking, the cancellation/amendment fees set out in the T&Cs applicable to your original booking will apply.</i>	No fee (But you will need to pay the difference in price if your new TUI package booking is more expensive.)

To travel on a later date than planned.	£50 pp	Treated as a cancellation		

If You Cancel Your Holiday

To cancel your holiday you must tell us as soon as possible. If you booked using a travel agency, that agency must tell us. When your holiday has been cancelled you will receive a cancellation invoice. You must pay a termination fee which covers our administration costs and compensates us for the risk that we do not resell your holiday. The fee is based upon how long before your holiday you tell us you want to cancel and is a percentage of the total price of your holiday.

How long before your holiday you cancel	Percentage of your holiday price
70 days or more	Loss of deposit
69-63 days	30%
62-49 days	50%
48-29 days	70%
28-15 days	90%
14-0 days	100%

Even if the termination fee is lower than the deposit, your deposit will not be refunded. We may not be able to refund elements of your holiday if they are added extras. If you are cancelling because of an unavoidable and extraordinary circumstance happening at your destination that will significantly impact the performance of your holiday or your flight to get there, you will not have to pay a termination fee and your deposit will be refunded.

If We Cancel Your Holiday

If we cancel your holiday, except where it's because you haven't paid or you have been disruptive, you can have a refund or accept a replacement holiday from us of a similar standard and price if we can offer you one. We'll also pay the compensation shown below (unless we have cancelled because of one of the reasons listed in 'Events Beyond Our Control' or where you haven't paid) and we'll refund the difference if the replacement holiday is of a lower price.

If We Change Your Holiday

We aim to give you what we promise but, as we plan our holidays a long time in advance, sometimes things can change. We can make a change at any time but will let you know before your holiday if there's time. Flight times given are for guidance only – your actual times will be shown on your e-ticket. Check that carefully when you receive it. Aircraft type can change and some facilities such as entertainment or advertised seat pitch may not be available. If we can't provide a seat option, we'll refund the price you paid for that option. Occasionally, we may have to make a major change to your holiday such as a change of destination, a downgrade of your accommodation by one full star rating, a change in flight time by more than 12 hours or a change of UK departure airport. A change in flight time that we need to make within 24 hours before you are due to fly is not a major change unless the time changes by more than 24 hours. If we tell you about a major change after you book your holiday, you can accept the new arrangements offered by us; or accept a replacement holiday from us of the same or similar standard and price at the date of the change (we'll always refund the difference in price if the replacement holiday is a lower price at the date of the change), if we are able to offer you one; or cancel your holiday with us and receive a full refund. If we make a major change, and you choose to cancel your holiday and receive a full refund, we'll pay the compensation shown below, unless the change is because of an event beyond our control. Any compensation payable is based upon how many days before your holiday departure we tell you about a major change. We'll pay 50% of the compensation for each person who paid a child price. No compensation will be paid for free child places.

How long before your holiday we tell you about a major change	Compensation per person
84 days or more	0
83-29 days	£25
28-15 days	£35
14-8 days	£50
7-0 days	£100

Events Beyond Our Control

Examples of events beyond our control are: war, threat of war, riots, civil disturbances, terrorist activity or its consequences, industrial disputes, any failure to secure relevant flying rights, natural or nuclear disasters, fire, health risks, unavoidable and unforeseeable technical problems with transport, closed or congested airports or ports, actual or potential severe weather conditions, the imposition of sanctions or other Governmental action and any other similar events.

On Your Holiday

Behaviour

Only you can use your accommodation. You must not let anyone else stay there. You are responsible for any damage to your accommodation or its contents during your holiday. We can refuse to accept you on your holiday or continue dealing with you if we, or someone in authority, believe your behaviour (by any form of communication or in person) is disruptive. The Captain of your aircraft or ship can restrict your movements on board or remove you. If you are disruptive and stopped from boarding your flight from the UK, or disruptive during your flight, we'll treat your booking as cancelled by you at that moment. If you are disruptive on your holiday we can remove you from your accommodation and you will be responsible for your own return home and for any other members of your group who cannot or will not travel without you. You will not be entitled to a refund in either case and we will not provide compensation or meet any costs or expenses. If you are disruptive you will be responsible for any damages, costs and expenses (including legal expenses) incurred as a result. This can include cleaning, repairing or replacing property lost, damaged or destroyed by you, compensating any passenger, crew, staff or agent affected by your actions and diverting the aircraft or ship for the purpose of removing you. Disruptive behaviour includes being threatening or abusive, damaging property, upsetting, annoying or disturbing any other traveller, our staff or agents or putting any of them in danger.

Excursions

We may introduce you to suppliers of excursions or other services. If you buy one of these, you'll be contracting with the supplier directly, we act only as an agent and have no liability for the performance of that contract. Our Agreement doesn't apply to any contract for excursions or other services.

If Things Go Wrong on Your Holiday

You benefit from the rights applying to packages under The Package Travel and Linked Travel Arrangements Regulations 2018. We are responsible for all the travel services included in your holiday. If any of them isn't provided as we agreed, we'll pay you compensation, if appropriate, unless it's due to an event beyond our control (see 'Events Beyond Our Control'), is your fault or is caused by a third-party. If you are in difficulty on your holiday we'll help by providing information on health services, local authorities and consular assistance. We'll help you make phone calls, send emails or make alternative travel arrangements. You must pay any costs we incur if the difficulty is your fault.

If You Have A Complaint

It is very rare for things to go wrong. If they do, you must tell the supplier in question (e.g. the hotel) and our representative straight away so they can solve the issue. If our representative isn't available, you should contact our TUI Guest Experience Centre which is open 24/7. If you're still not satisfied, contact After-Travel Customer Support within 28 days of coming home so we can investigate properly. Contact details are in the A-Z Guide. We follow ABTA's Code of Conduct and usually solve any issues but you can use ABTA's ADR scheme for resolving disputes at www.abta.com.

Personal Injury

Your holiday is made up from services provided by suppliers who follow local standards. Overseas safety standards are generally lower than in the UK. If anyone travelling suffers injury, illness or death because of the services provided as part of your holiday, you must tell us and the supplier involved about it and complete a report at the time. After your holiday you can contact After-Travel Customer Support. It must be no more than 3 months after you come home so we can investigate properly. Contact details are at the end of this guide.

Protecting Your Money

We provide security for the money you pay for your holiday and to bring you home in the event we become insolvent. When you buy a holiday from us that includes a flight, we do this by way of an ATOL (number 2524) managed by the Civil Aviation Authority, Gatwick Airport South, RH6 OYR. We also place a bond held by ABTA (V5126), 30 Park Street, London, SE1 9EQ, for holidays that do not include flights.

We've tried to write Our Agreement clearly. Unfortunately, the ATOL rules make us to include the next three paragraphs exactly as they're written.

Your Financial Protection.

When you buy an ATOL protected flight or flight inclusive package from us you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong. We, or the suppliers identified on your ATOL Certificate, will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where neither we nor the supplier are able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable). If we, or the suppliers identified on your ATOL certificate, are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.

Where your holiday is protected under the ABTA scheme, you agree to accept that in the event of our insolvency ABTA may arrange for the services you have bought to continue, or for a suitable alternative to be provided at the same cost as your original holiday. You also agree to accept that in circumstances where the travel service provider provides the services you have bought, you agree to pay any outstanding sum under your contract with us to that alternative travel service provider. However, you also agree that in some cases the services will not be provided, in which case you will be entitled to make a claim under ABTA's Scheme of Protection (or your payment card issuer where applicable) for a refund of the monies you have paid.

All money you pay to a travel agent for your holiday is held by that agent on behalf of and for the benefit of the Trustees of the Air Travel Trust at all times but subject to the agent's obligation to pay it to us for so long as we do not fail. If we do fail, any money held at that time by the agent, or subsequently accepted from you by the agent, is and continues to be held by that agent on behalf of and for the benefit of the Trustees of the Air Travel Trust without any obligation to pay that money to us.
